Subject: Resolution Authorizing Execution of an Interlocal Agreement for School Years 2014-2016 with the Miami-Dade County Public Schools/Lindsey Hopkins Technical Educational Center and Miami-Dade County for the Provision of Academic Education and Career/Technical Education for Inmates in the Miami-Dade Corrections and Rehabilitation Department

Recommendation

It is recommended that the Board of County Commissioners approve the attached resolution authorizing the County Mayor or County Mayor's designee to execute the attached interlocal agreement (Agreement) with the Miami-Dade County Public Schools/Lindsey Hopkins Technical Educational Center and Miami-Dade County. The agreement includes provisions for career/technical and academic education to inmates incarcerated in the detention facilities operated by the Miami-Dade Corrections and Rehabilitation Department at a cost not to exceed \$400,000.00 for each school year 2014-2015 and 2015-2016.

Scope

This agreement with Miami-Dade County Public Schools/Lindsey Hopkins Technical Educational Center is countywide in nature and has impact on all Commission Districts.

Fiscal Impact/Funding Source

The Miami-Dade County Public Schools/Lindsey Hopkins Technical Educational Center offers a comprehensive academic/vocational service at a competitive rate. Effective July 1, 2011, at the rate prescribed by Florida Statutes 1009.22, the academic education courses will be provided at \$30.00 per student, per trimester for Florida residents and \$120.00 for non-Florida residents. The costs associated with the career/technical courses will provide for up to 405 contact hours per course, per student, per trimester at the rate prescribed by Florida Statutes 1009.22. The amount of tuition payment, based on the Miami-Dade County Public School Board's rate, will not exceed \$400,000.00 per school year and will be funded through the Inmate Welfare Fund, which receives revenues from the inmate commissary program. For school years 2014-2015 and 2015-2016, \$400,000.00 will be set aside for each year in the Inmate Welfare Fund budget for this purpose.

The cost for the vocational courses is competitively at a lower rate than offered by the private sector. Furthermore, having Miami-Dade County Public Schools/Lindsey Hopkins Technical Educational Center provide both the career/technical and academic education offers the benefits of service continuity and alleviates the need to negotiate the terms and conditions of service delivery by multiple vendors.

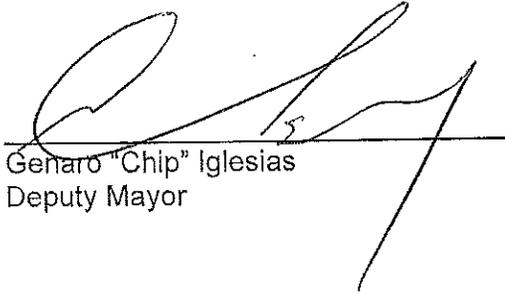

Track Record/Monitor

Consistent with current and projected enrollments, Miami-Dade Corrections and Rehabilitation Department anticipates awarding more than 100 General Educational Development certificates for the 2014-2015 and 2015-2016 school years. The agreement will be monitored by Program Services Division Chief Donald Coffey of the Miami-Dade Corrections and Rehabilitation Department.

Background

The Miami-Dade Corrections and Rehabilitation Department and Miami-Dade County Public Schools/Lindsey Hopkins Technical Educational Center are committed to providing career/technical and academic education course work in an effort to rehabilitate inmates, giving them the necessary skills to provide a smooth transition into society and consequently reduce recidivism. Since 1987, the Miami-Dade Corrections and Rehabilitation Department has benefited from a longstanding, cooperative relationship with Miami-Dade County Public Schools for programs in the area of industrial education. Through these programs, inmates throughout the Miami-Dade Corrections and Rehabilitation Department facilities receive specific training in career/technical education courses, adult basic education, or general educational development in accordance with the criteria set by the State of Florida and provided by the Miami-Dade County Public Schools system.

This Agreement has been renewed annually since the 1987-1988 school year. Therefore, this Agreement covers the school years 2014-2015 and 2015-2016, and includes substantially the same provisions as the previous agreement covering the 2012-2013 and 2013-2014 school years which was authorized by R-540-12.
