Subject: Hibiscus Island Overhead Services Relocation Improvement Special Taxing District

Resolution No. R-647-14

**Recommendation**

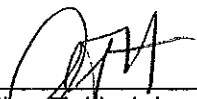

On April 8, 2014, the Board of County Commissioners (BCC) approved an assessment roll resolution to reallocate the capital lien special assessments against benefited properties within the subject District. Prior to recordation of the approved Resolution, it was discovered that there were several scrivener's error's pertaining to the election date in the Resolution as approved. The resolution reflected a date of June 3, 2014 for the election, which due to the Elections Department moratorium for redistricting, was moved to May 13, 2014. As such, reference to the election date and the associated assessment roll recordation date, required to be accomplished 30 days after the effective date of the resolution, have been removed in this item. It is recommended that the BCC adopt the attached assessment roll resolution correcting those errors.

**Scope**

This special taxing district lies within Commissioner Bruno A. Barreiro's District 5, and wholly within the municipal limits of the City of Miami Beach (CITY).

**Track Record/Monitoring**

Performance, invoicing and payment to the CITY will be monitored by the Public Works and Waste Management Department and the person responsible is Donald L. Tock, Jr., Chief, Special Taxing Districts Division. The Miami-Dade County Tax Collector's Office will accomplish the terms of this resolution.
