# Memorandum

**Date:** December 2, 2014

**To:** Honorable Chairwoman Rebeca Sosa  
and Members, Board of County Commissioners

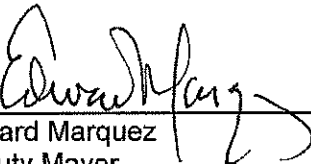

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Ordinance Expanding Use of Electronic Signature in County Procurement and  
Providing for Electronic Signatures for Vendor Registration

---

This ordinance amends Section 2-8.1 of the County Code to provide that electronic signatures may be used to sign any contract, writing, bid, proposal, vendor registration document, affidavit, or similar submission for the purposes of procurement and contracting with the County and shall have the same force and effect as a written signature.

There is no cost to the County associated with this amendment. The Internal Services Department recently launched an Online Vendor Portal to allow for online enrollment and registration of County vendors. The approval of this amendment will allow County staff to go completely paperless and accept electronic submissions from vendors as "official" submittals, making doing business with the County easier for current and future vendors. This also applies to the ability of bidders and proposers on County procurement solicitations to submit fully electronic bids and proposals through our online bidding platform, which was launched in early 2014.
