RESOLUTION NO. R-909-14

RESOLUTION DIRECTING THE MAYOR OR MAYOR'S DESIGNEE TO PREPARE UPDATED REPORTS REGARDING COUNTY CONVEYANCES OF PROPERTY OVER THE PAST TEN YEARS AND IDENTIFYING COUNTY-OWNED OR LEASED BUILDINGS THAT ARE VACANT OR NOT OTHERWISE BEING USED; TEMPORARILY PROHIBITING THE SALE OR LEASE OF COUNTY-OWNED PROPERTY FOR LESS THAN MARKET VALUE, UNTIL THIRTY DAYS AFTER THE TRANSMITTAL OF SUCH REPORTS

WHEREAS, over the past ten years, the County has conveyed or leased property to different entities for the purposes of economic development, promoting community interest and welfare, and for affordable housing; and

WHEREAS, certain conveyances of County-owned property have been made at values below the assessed value of that property, for lease payments that are less than market rental, or for nominal value; and

WHEREAS, the conveyance of real property owned by the County has the potential to generate additional revenue for the County; and

WHEREAS, Miami-Dade County currently owns a number of vacant properties or properties with buildings that are not currently occupied or otherwise being used; and

WHEREAS, pursuant to Resolution No. R-239-14, in March 2014, a report of vacant space in County-owned or leased buildings was provided to this Board; and

WHEREAS, pursuant to Resolution No. R-253-13, in July 2013, a report identifying conveyances of developable property worth in excess of \$15,000.00 which were made to specific entities over the past ten years, but excluding governmental agencies, was provided to this Board; and

WHEREAS, it would be in the County's best interests for the Board to review the current inventory of County-owned developable real property, as well as to study past conveyances of County-owned real property for below market value, including conveyances to governmental entities, in order to assess the potential for future revenue generation opportunities; and

WHEREAS, an updated report to the Board identifying County-owned properties which have been conveyed or leased for less than market value, inclusive of conveyances to governmental entities, as well as an updated report of all existing properties which can be used or developed for use, would provide a global perspective to the Board; and

WHEREAS, in order to analyze past and potential future conveyances and to determine which conveyances would best maximize the County's resources, it would be in the best interest of the County to temporarily suspend the conveyance of County-owned property for less than market value, until thirty days following the transmittal of a report to the Board,

Section 3. This Board directs the Mayor or Mayor's designee to present the updated reports to this Board within sixty (60) days of the effective date of this resolution and shall place the completed report on an agenda of the Board pursuant to Ordinance No. 14-65.

Section 4. Commencing on the effective date of this resolution and continuing until (30) thirty days after the presentation of the updated reports to this Board, absent a showing of good cause for the necessity and urgency of the conveyance, no conveyances shall be made of County-owned property, via sale or lease, for less than market value.
