RESOLUTION NO. R-176-15

RESOLUTION URGING THE GOVERNOR AND FLORIDA LEGISLATURE TO ENACT LEGISLATION THAT SUPPORTS A SHIFT TOWARDS PUBLIC TRANSPORTATION INITIATIVES AND INCREASE FUNDING FOR NEW PUBLIC TRANSIT PROJECTS AND FOR IMPROVEMENTS TO EXISTING PUBLIC TRANSIT SYSTEMS

WHEREAS, according to a report released by the American Public Transportation Association, Americans took 10.7 billion trips in 2013 on public transportation representing the highest annual public transit ridership number in 57 years; and

WHEREAS, the reported data shows that Miami-Dade Transit ridership increased from 2012 to 2013; and

WHEREAS, 110,926,500 trips were taken via Miami-Dade Transit in 2013 representing a 2.3 percent increase from the 108,432,700 trips taken in 2012; and

WHEREAS, Miami-Dade Transit ridership increased more than double the 1.1 percent increase seen across the nation; and

WHEREAS, no mode of transportation saw a larger increase in ridership than Metrorail with approximately 21,275,400 trips taken through the heavy-rail transit system in 2013, representing a 10.56 percent increase from the 19,242,800 trips taken in 2012; and

WHEREAS, the President of the American Public Transportation Agency has stated that across the nation more people are demanding an increase in public transit services and that communities are benefiting as a result; and

WHEREAS, in addition to Miami-Dade County, the report also showed increased transit ridership in Fort Myers, Pompano Beach, and Tampa; and

WHEREAS, since 1921, road construction and improvements in Florida generally have been funded through motor fuel taxes levied on each gallon of fuel purchased; and

WHEREAS, since 2004, fuel consumption in Florida has not increased and has in some years declined due to the introduction of more fuel efficient vehicles; and

WHEREAS, it is estimated that motor fuel tax revenues will continue to decline as vehicles become more fuel efficient and as automobile manufacturers bring onto the market more hybrid, battery, and electric vehicles; and

WHEREAS, as the demand for public transit continues to grow and the funds for road construction and improvements continue to decrease, it is imperative for the betterment of our community and economic growth that the state and local governments work together to improve existing public transit systems and to move forward with new public transit projects; and

WHEREAS, this Board urges the Governor and Florida Legislature to support a shift towards public transportation initiatives and increase funding for new public transportation projects that would not only ease the transportation needs within our local communities, but also make it more accessible for Floridians to travel throughout the state on public transit systems,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:
