Agenda Item No. 8(F)(7)

Subject: Recommendation for Approval to Establish a Pre-Qualification Pool: Water and Sewer  
Payment Center/Agent Services

Resolution No. R-304-15

**Recommendation**

It is recommended that the Board of County Commissioners (Board) approve this item, which does the following:

- Establishes pre-qualification pool, RTQ-00122, for the provision of payment center/agent services on behalf of the Water and Sewer Department; and
- Authorizes the designation of the pre-qualified vendors as agents of the County for the purpose of collecting and processing water and sewer utility bills.

The establishment of a pool of pre-qualified vendors will enable the County to offer multiple options for residents to pay their water and sewer utility bills. The payment options may include in-person walk-in payment services at facilities located throughout the County, automated payment kiosks, and a mobile bill payment application. Payment location options shall be available, at a minimum, Monday through Friday from 8:00 AM to 7:00 PM. Such locations will serve in addition to the current four (4) full service County facilities actively processing water utility payments, which are located at the following locations: Water and Sewer Department headquarters at the Douglas Building; Water and Sewer Department's LeJeune Office; South Dade Government Center; and Caleb Center (temporarily relocated to Martin Luther King, Jr., Plaza while construction is ongoing at the Caleb Center).

The awarded payment agent shall also ensure that the hardware and software used to deliver the payment center services interface with the Water and Sewer Department's billing system. Awarded payment agents will be compensated through a convenience fee not to exceed \$5.00 per transaction that will be charged to the customer for services rendered.

In addition to the four (4) full service County facilities actively processing water utility payments, TonyMar Drugs Corporation (*dba* Continental Rx) and Navarro Discount Pharmacies are authorized to act as County payment agents at one (1) of their locations. The authority was granted to each by Resolutions R-1326-94 and R-1187-99, respectively. However, it is important to note that the Navarro Discount Pharmacy is no longer actively accepting payments. This pool will replace those contracts to offer a wider selection of payment locations and options.

**Scope**

The impact of this item is countywide in nature.

**Fiscal Impact and Funding Source**

It is anticipated that the establishment of this pool will promote timely submission and receipt of utility payments due to the Water and Sewer Department as a result of greater payment center/agent accessibility and options.

There is no fiscal impact to the County for the eight-year term as customers will pay a convenience fee directly to the awarded payment agent. The aggregate contract value, based on forecasted customer utilization (approximately 20 percent), is estimated to be \$640,000 for the eight-year term.

Department	Allocation	Funding Source	Contract Manager
Water and Sewer	\$640,000	Customer-Funded	Vladimir Murad
Total	\$640,000		

**Track Record/Monitor**

Maria Carballeira of the Internal Services Department is the Procurement Contracting Officer.

**Delegated Authority**

Upon approval of this item, a pool of pre-qualified vendors will be established to participate in spot market competitions. The County Mayor or the County Mayor's designee will have the authority to solicit pricing and award contracts up to an aggregate amount of the allocation authorized by the Board. Additionally, the County Mayor or the County Mayor's designee may add qualified vendors to the pool at any time during the contract term, subject to bi-annual ratification by the Board. If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the pool contract, Section 2-8.1 of the County Code and Implementing Order 3-38.

**Vendors Pre-Qualified for Pool**

A Request to Qualify (RTQ) was issued on August 29, 2014 under full and open competition. The method of award was to pre-qualify all responsive and responsible vendors that met the minimum requirements as specified in the RTQ for participation in future competitions. Seven (7) vendors responded to the solicitation.

AMSCOT Corporation	600 N Westshore Blvd., Suite 1200 Tampa, FL	Ian MacKechnie

MoneyGram Payment System, Inc.

Graybar Electric	Vendor responded to solicitation with a "No Bid"

**Due Diligence**

Pursuant to Resolution R-187-12, due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine Contractor responsibility, including verifying corporate status and that there are no performance or compliance issues. The lists that were referenced include: convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to Contractor responsibility.

**Applicable Ordinances and Contract Measures**

- The two (2) percent User Access Program provision does not apply.
- The Small Business Enterprise Bid Preference does not apply.
- Local Preference will be applied for competitions under the pool.
