Memorandum

Date: March 17, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Authorizing Challenge Grant and Sub-Grant Agreements for Homeless Assistance

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the County Mayor or the County Mayor's designee to receive and expend Challenge Grant funds from the Florida Department of Children and Families Office on Homelessness ("the State Agency"), in the amount of \$300,000.00, for homeless continuum of care programs for the purposes of providing housing and services to eligible homeless persons. It is further recommended that the Board ratify the action of the County Mayor or County Mayor's designee in executing grant and sub-grant agreements for the Challenge Grant program. Pursuant to Section 420.622 of the Florida Statutes, the State Agency administers Challenge Grants to lead agencies in the homeless continuum of care. The Board approved Resolution No. R-621-11 to authorize the County Mayor or County Mayor's designee to receive and expend up to \$100,000.00 annually under this program and to apply for additional funding. Miami-Dade County, through its Homeless Trust as lead agency of the County's homeless assistance continuum of care, has been selected to receive \$300,000.00, the maximum grant award available to a lead agency for fiscal year 2014-2015. Challenge Grant funding must be expended on eligible homeless services and programs by June 30, 2015. The County will provide sub-grants to non-profit agencies. Given the short timeline provided by the State, it was in the best interest of the County to waive the requirements of Resolution No. R-130-06 and to execute the grant agreement and sub-grant agreements as soon as possible.

Scope

Funding will be administered by the County and the services will be provided countywide through non-profit sub-grantees pursuant to program guidelines and applicable regulations.

Fiscal Impact/Funding Source

The Department of Children and Families shall reimburse the Homeless Trust for allowable expenditures incurred pursuant to the terms of this grant for a total dollar amount not to exceed \$300,000.00. Sub-grantees will be required to match 100 percent of the amount awarded. Funds which are not sub-granted and are retained by the County will be matched 100 percent with homeless continuum of care funds received by the County from the United States Department of Housing and Urban Development.

Track Record/Monitor

Victoria Mallette, Executive Director for the Miami-Dade County Homeless Trust will be responsible for overseeing the grant and sub-grants to ensure compliance with program requirements.

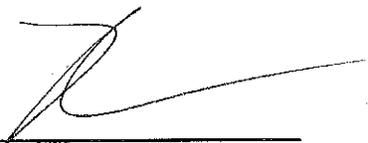

Background

In September, the State Agency issued the Challenge Grant solicitation for fiscal year 2014-15. The maximum grant award a lead agency may receive is \$300,000.00. The State Agency may choose to award a lead agency at a lesser amount. Challenge grant funds may be used to provide matching dollars required by other homeless grants provided through the United States Department of Housing and Urban Development. The County, through its Homeless Trust, issued a Request for Applications to eligible sub-grantees seeking match dollars for its current federally funded programs.

All sub-grantees who applied were awarded funding. The sub-grantees are as follows: Camillus House, Inc. (awarded \$25,589.00 for supportive services and transitional and permanent housing), Camillus Health Concern, Inc. (awarded \$30,000.00 for supportive services only), Psycho-Social Rehabilitation Center, Inc. [d/b/a Fellowship House] (awarded \$34,260.00 for permanent housing), Volunteers of America, Inc. (awarded \$15,659.00 for permanent housing), Lutheran Services Florida, Inc. (awarded \$6,028.00 for transitional housing), New Hope C.O.R.P.S., Inc. (awarded \$18,062.00 for transitional housing), Jewish Community Services of South Florida, Inc. (awarded \$37,717.00 for supportive services only), Carrfour Supportive Housing, Inc. (awarded \$49,450.00 for transitional housing), and Legal Services of Greater Miami, Inc. (awarded \$4,543.00 for supportive services only) (collectively, "Sub-grantees"). In addition, the County will retain \$78,692.00 of the Challenge Grant. Of the \$78,692.00 retained by the County, \$47,609.87 will fund transitional housing programs for victims of domestic violence and the Specialized Transitional Opportunity Program administered by the County's Community Action and Human Services Department, and \$31,082.13 will support the ongoing operation and maintenance of the Homeless Trust's Homeless Management Information System.

Support services matched through the Challenge Grant include out-patient mental health, medical, supportive employment, and legal services. The Homeless Trust Board, an advisory board to the Board, has recommended approval of the Challenge Grant and sub-grants.

2. STATEMENT OF WORK.

The Provider shall perform all tasks and provide units of deliverables, including reports, findings, and drafts, as specified in this Contract. Except for advances, if any, provided for in this Contract, these deliverables must be received and accepted by the Contract Manager in writing prior to payment, subject to subsequent audit and review and to the satisfaction of the Department. The Department's determination of acceptable services shall be conclusive. Department receipt of reports and other submissions by the Provider does not constitute acceptance thereof, which occurs only through a separate and express act of the Contract Manager. Unless otherwise provided in the procurement document, if any, or governing law, the Department reserves the right to increase or decrease the volume of services and to add tasks that are incidental or complimentary to the original scope of services. Except where the method of payment is prescribed by law, compensation under Section 3 will be equitably adjusted by the Department to the extent that it prescribes a fixed price (previously called "fixed fee") payment method or does not provide a method of payment for added tasks.

2.1 Scope of Work.

The Scope of Work is described in Exhibit B.

2.2 Task List.

The Provider shall perform all tasks set forth in the Task List, found in Exhibit C, in the manner set forth therein.

2.3 Deliverables.

Deliverables shall be as described in Exhibit D.

2.4 Performance Measures.

2.4.1 **Performance Measures for Acceptance of Deliverables.** The performance measures for acceptance of deliverables are set forth in Exhibit D, Section D-2.

2.4.2 **Minimum Performance Measures.** To avoid contract termination, Provider's performance must meet the minimum performance standards set forth in Exhibit E, Minimum Performance Measures, Section E-1, regardless of any other performance measures in this Contract. By execution of this Contract the Provider hereby acknowledges and agrees that its performance under the Contract must meet these Minimum Performance Measures and that it will be bound by the conditions set forth therein. If the Provider fails to meet these standards, the Department, at its exclusive option, may allow a reasonable period, not to exceed 6 months, for the Provider to correct performance deficiencies. If performance deficiencies are not resolved to the satisfaction of the Department within the prescribed time, and if no extenuating circumstances can be documented by the Provider to the Department's satisfaction, the Department must terminate the Contract. The Department has the sole authority to determine whether there are extenuating or mitigating circumstances. The Provider further acknowledges and agrees that during any period in which the

Provider fails to meet these standards, regardless of any additional time allowed to correct performance deficiencies, payment for deliverables may be delayed or denied and financial consequences may apply.

3. PAYMENT, INVOICE AND RELATED TERMS.

The Department shall pay for services performed by the Provider during the service performance period of this Contract according to the terms and conditions of this Contract in an amount not to exceed that set forth in Section 1.1 hereof, subject to the availability of funds and satisfactory performance of all terms by the Provider. Except for advances, if any, provided for in this Contract, payment shall be made only upon written acceptance of all services by the Department and shall remain subject to subsequent audit or review to confirm contract compliance. The State of Florida's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the Legislature. Any costs or services paid for under any other contract or from any other source are not eligible for payment under this Contract.

3.1 Method of Payment.

The Provider shall be paid in accordance with Exhibit F Method of Payment and Invoices.

3.2 Invoices.

3.2.1 Generally. The Provider shall submit bills for fees or other compensation for services or expenses in sufficient detail for proper pre-audit and post-audit. Where itemized payment for travel expenses is permitted in this Contract, the Provider shall submit bills for any travel expenses in accordance with section 112.061, F.S., or at such lower rates as may be provided in this Contract.

3.2.2 Final Invoice. The final invoice for payment shall be submitted to the Department no more than 45 days after the Contract ends or is terminated. If the Provider fails to do so, all rights to payment are forfeited and the Department will not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this Contract may be withheld until performance of services and all reports due from the Provider and necessary adjustments thereto, have been approved by the Department.

3.3 Financial Consequences.

If the Provider fails to perform in accordance with this Contract or perform the minimum level of service required by this Contract, the Department will apply financial consequences as provided for in Section 6.1 hereof. The parties agree that the penalties provided for under Section 6.1 hereof constitute financial consequences under sections 287.058(1)(h) and 215.971(1)(c), F.S. The foregoing does not limit additional financial consequences, which may include but are not limited to refusing payment, withholding payments until deficiency is cured, tendering only partial payments, applying payment adjustments for additional financial consequences or for liquidated damages to the extent that this Contract so provides, or termination of this Contract per Section 6.2.3 hereof and requisition of services from an alternate source. Any payment made in reliance on the Provider's evidence of performance, which evidence is subsequently determined to be erroneous, will be immediately due as an overpayment in accordance with Section 3.4 hereof, to the extent of such error.

3.4 Overpayments and Offsets.

The Provider shall return to the Department any overpayments due to unearned funds or funds disallowed that were disbursed to the Provider by the Department and any interest attributable to such funds. Should repayment not be made promptly upon discovery by the Provider or its auditor or upon written notice by the Department, the Provider will be charged interest at the lawful rate of interest on the outstanding balance until returned. Payments made for services subsequently determined by the Department to not be in full compliance with contract requirements shall be deemed overpayments. The Department shall have the right at any time to offset or deduct from any payment due under this or any other contract or agreement any amount due to the Department from the Provider under this or any other contract or agreement.

3.5 MyFloridaMarketPlace Transaction Fee.

This Contract is exempt from the MyFloridaMarketPlace transaction fee.

4. GENERAL TERMS AND CONDITIONS GOVERNING PERFORMANCE.

4.1 Compliance with Statutes, Rules and Regulations.

In performing its obligations under this Contract, the Provider shall without exception be aware of and comply with all State and Federal laws, rules and regulations relating to its performance under this Contract as they may be enacted or amended from time-to-time, including but not limited to those described in Exhibit A1, as well as any court or administrative order, judgment, settlement or compliance agreement involving the Department which by its nature affects the services provided under this Contract.

4.2 Independent Contractor, Subcontracting and Assignments.

4.2.1 In performing its obligations under this Contract, the Provider shall at all times be acting in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida, except where the Provider is a State agency. Neither the Provider nor any of its agents, employees, subcontractors or assignees shall represent to others that it is an agent of or has the authority to bind the Department by virtue of this Contract, unless specifically authorized in writing to do so. This Contract does not create any right in any individual to State retirement, leave benefits or any other benefits of State employees as a result of performing the duties or obligations of this Contract.

4.2.2 The Provider shall take such actions as may be necessary to ensure that it and each subcontractor of the Provider will be deemed to be an independent contractor and will not be considered or permitted to be an officer, employee, or agent of the State of Florida. The Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial or clerical support) to the Provider, or its subcontractor or assignee, unless specifically agreed to by the Department in this Contract. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds and all necessary insurance for the Provider, the Provider's officers, employees, agents, subcontractors, or assignees shall be the sole responsibility of the Provider and its subcontractors. The parties agree that no joint employment is intended and that, regardless of any provision directing the manner of provision of services, the Provider and its subcontractors alone shall be responsible for the supervision, control, hiring and firing, rates of pay and terms and conditions of employment of their own employees.

4.2.3 The Provider shall not assign its responsibilities under this Contract to another party, in whole or part, without prior written approval of the Department, upon the Department's sole determination that such assignment will not adversely affect the public interest. No payment shall be made under this Contract to any factor or other person who has been assigned or transferred the right to receive payment in lieu of or on behalf of the Provider except upon full and faithful performance of the Provider's duties hereunder. Any assignment or transfer occurring without prior approval of the Department shall be null and void. The Provider shall not subcontract for any of the work contemplated under this Contract without prior written approval of the Department, which shall not be unreasonably withheld.

4.2.4 The State of Florida shall at all times be entitled to assign or transfer, in whole or part, its rights, duties, or obligations under this Contract to another governmental agency in the State of Florida or to a provider of the Department's selection, upon giving prior written notice to the Provider. In the event of assignment by either party, this Contract shall remain binding upon the lawful successors in interest of the Provider and the Department.

4.2.5 The Provider is responsible for all work performed and for all commodities produced pursuant to this Contract whether actually furnished by the Provider or by its subcontractors. Any subcontracts shall be evidenced by a written document. The Provider further agrees that the Department shall not be liable to the subcontractor in any way or for any reason relating to this Contract.

4.2.6 The Provider shall include, in all subcontracts (at any tier) the substance of all clauses contained in this Contract that mention or describe subcontract compliance, as well as all clauses applicable to that portion of the Provider's performance being performed by or through the subcontract.

4.3 Provider Indemnity.

Section 19 of PUR 1000 Form shall apply per its terms, except that the phrase "arising from or relating to personal injury and damage to real or personal tangible property" in the first paragraph is replaced with "arising out of or by reason of the execution of this Contract or arising from or relating to any alleged act or omission by the Provider, its agents, employees, partners, or subcontractors in relation to this agreement," and the following additional terms will also apply:

4.3.1 If the Provider removes an infringing product because it is not reasonably able to modify that product or secure the Department the right to continue to use that product, the Provider shall immediately replace that product with a non-infringing product that the Department determines to be of equal or better functionality or be liable for the Department's cost in so doing.

4.3.2 Further, the Provider shall indemnify the Department for all costs and attorneys fees arising from or relating to Provider's claim that a record contains trade secret information that is exempt from disclosure or the scope of the Provider's redaction of the record, as provided for under Section 5.3. hereof, including litigation initiated by the Department.

The Provider's inability to evaluate liability or its evaluation of liability shall not excuse its duty to defend and indemnify after receipt of notice. Only an adjudication or judgment after the highest appeal is exhausted finding the Department negligent shall excuse the Provider of performance under this provision, in which case the Department shall have no obligation to reimburse the Provider for the cost of its defense. If the Provider is an agency or subdivision of the State, its obligation to indemnify, defend and hold harmless the

Department shall be to the extent permitted by section 768.28, F.S. or other applicable law, and without waiving the limits of sovereign immunity.

4.4 Insurance.

The Provider shall maintain continuous adequate liability insurance coverage during the existence of this Contract and any renewal(s) and extension(s) thereof. With the exception of a State agency or subdivision as defined by subsection 768.28(2), F.S., by execution of this Contract, the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this Contract. Upon the execution of this Contract, the Provider shall furnish the Department written verification supporting both the determination and existence of such insurance coverage and shall furnish verification of renewal or replacement thereof prior to the expiration or cancellation. The Department reserves the right to require additional insurance as specified in this Contract.

4.5 Notice of Legal Actions.

The Provider shall notify the Department of potential or actual legal actions taken against the Provider related to services provided through this Contract or that may impact the Provider's ability to deliver the contractual services, or that may adversely impact the Department. The Department's Contract Manager will be notified within 10 days of Provider becoming aware of such actions or potential actions or from the day of the legal filing, whichever comes first.

4.6 Intellectual Property.

It is agreed that all intellectual property, inventions, written or electronically created materials, including manuals, presentations, films, or other copyrightable materials, arising in relation to Provider's performance under this Contract, and the performance of all of its officers, agents and subcontractors in relation to this Contract, are works for hire for the benefit of the Department, fully compensated for by the contract amount, and that neither the Provider nor any of its officers, agents nor subcontractors may claim any interest in any intellectual property rights accruing under or in connection with the performance of this Contract. It is specifically agreed that the Department shall have exclusive rights to all data processing software falling within the terms of section 119.084, F.S., which arises or is developed in the course of or as a result of work or services performed under this Contract, or in any way connected herewith. Notwithstanding the foregoing provision, if the Provider is a university and a member of the State University System of Florida, then section 1004.23, F.S., shall apply.

4.6.1 If the Provider uses or delivers to the Department for its use or the use of its employees, agents or contractors, any design, device, or materials covered by letters, patent, or copyright, it is mutually agreed and understood that, except as to those items specifically listed in Exhibit A as having specific limitations, the compensation paid pursuant to this Contract includes all royalties or costs arising from the use of such design, device, or materials in any way involved in the work contemplated by this Contract. For purposes of this provision, the term "use" shall include use by the Provider during the term of this Contract and use by the Department its employees, agents or contractors during the term of this Contract and perpetually thereafter.

4.6.2 All applicable subcontracts shall include a provision that the Federal awarding agency reserves all patent rights with respect to any discovery or invention that arises or is developed in the course of or under the subcontract. Notwithstanding the foregoing provision, if the Provider or one of its subcontractors is a university and a member of the State University System of Florida, then section 1004.23, F.S., shall apply, but the Department shall retain a perpetual, fully-paid, nonexclusive license for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products.

4.7 Transition Activities.

Continuity of service is critical when service under this Contract ends and service commences under a new contract. Accordingly, when service will continue through another provider upon the expiration or earlier termination of this Contract, the Provider shall, without additional compensation, complete all actions necessary to smoothly transition service to the new provider. This includes but is not limited to the transfer of relevant data and files, as well as property funded or provided pursuant to this Contract. The Provider shall be required to support an orderly transition to the next provider no later than the expiration or earlier termination of this Contract and shall support the requirements for transition as specified in a Department-approved Transition Plan, which shall be developed jointly with the new provider in consultation with the Department.

4.8 Real Property.

Any State funds provided for the purchase of or improvements to real property are contingent upon the Provider granting to the State a security interest in the property at least to the amount of the State funds provided for at least five (5) years from the date of purchase or the completion of the improvements or as further required by law. As a condition of receipt of State funding for this purpose, the Provider agrees that, if it disposes of the property before the Department's interest is vacated, the Provider will refund the proportionate share of the State's initial investment, as adjusted by depreciation.

4.9 Publicity.

Without limitation, the Provider and its employees, agents, and representatives will not, without prior Departmental written consent in each instance, use in advertising, publicity or any other promotional endeavor any State mark, the name of the State's mark, the name of the State or any State agency or affiliate or any officer or employee of the State, or any State program or service, or represent, directly or indirectly, that any product or service provided by the Provider has been approved or endorsed by the State, or refer to the existence of this Contract in press releases, advertising or materials distributed to the Provider's prospective customers.

4.10 Sponsorship.

As required by section 286.25, F.S., if the Provider is a non-governmental organization which sponsors a program financed wholly or in part by State funds, including any funds obtained through this Contract, it shall, in publicizing, advertising, or describing the sponsorship of the program state: "Sponsored by (Provider's name) and the State of Florida, Department of Children and Families". If the sponsorship reference is in written material, the words "State of Florida, Department of Children and Families" shall appear in at least the same size letters or type as the name of the organization.

4.11 Employee Gifts.

The Provider agrees that it will not offer to give or give any gift to any Department employee during the service performance period of this Contract and for a period of two years thereafter. In addition to any other remedies available to the Department, any violation of this provision will result in referral of the Provider's name and description of the violation of this term to the Department of Management Services for the potential inclusion of the Provider's name on the suspended vendors list for an appropriate period. The Provider will ensure that its subcontractors, if any, comply with these provisions.

4.12 Mandatory Reporting Requirements.

The Provider and any subcontractor must comply with and inform its employees of the following mandatory reporting requirements. Each employee of the Provider, and of any subcontractor, providing services in connection with this Contract who has any knowledge of a reportable incident shall report such incident as follows: 1) reportable incidents that may involve an immediate or impending impact on the health or safety of a client shall be immediately reported to the Contract Manager; and 2) other reportable incidents shall be reported to the Department's Office of Inspector General by completing a Notification/Investigation Request (Form CF 1934) and emailing the request to the Office of Inspector General at lg_complaints@dcf.state.fl.us. The Provider and subcontractor may also mail the completed form to the Office of Inspector General, 1317 Winewood Boulevard, Building 5, 2nd Floor, Tallahassee, Florida, 32399-0700; or via fax at (850) 488-1428. A reportable incident is defined in CFOP 180-4; which can be obtained from the Contract Manager.

5. RECORDS, AUDITS AND DATA SECURITY.

5.1 Records, Retention, Audits, Inspections and Investigations.

5.1.1 The Provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by the Department under this Contract.

5.1.2 Retention of all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Contract shall be maintained by the Provider during the term of this Contract and retained for a period of six (6) years after completion of the Contract or longer when required by law. In the event an audit is required under this Contract, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of this Contract, at no additional cost to the Department.

5.1.3 Upon demand, at no additional cost to the Department, the Provider will facilitate the duplication and transfer of any records or documents during the term of this Contract and the required retention period in Section 5.1.2 hereof.

5.1.4 These records shall be made available at all reasonable times for inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the Department.

5.1.5 At all reasonable times for as long as records are maintained, persons duly authorized by the Department and Federal auditors, pursuant to 45 Code of Federal Regulations (CFR) s. 92.36(l)(10), shall be allowed full access to and the right to examine any of the Provider's contracts and related records and documents, regardless of the form in which kept.

5.1.6 A financial and compliance audit shall be provided to the Department as specified in this Contract and in Attachment 1.

5.1.7 The Provider shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by The Office of the Inspector General (section 20.055, F.S.).

No record may be withheld nor may the Provider attempt to limit the scope of any of the foregoing inspections, reviews, copying, transfers or audits based on any claim that any record is exempt from public inspection or is confidential, proprietary or trade secret in nature; provided, however, that this provision does not limit any exemption to public inspection or copying to any such record.

5.2 Inspections and Corrective Action.

The Provider shall permit all persons who are duly authorized by the Department to inspect and copy any records, papers, documents, facilities, goods and services of the Provider which are relevant to this Contract, and to interview any clients, employees and subcontractor employees of the Provider to assure the Department of the satisfactory performance of the terms and conditions of this Contract. Following such review, the Department will deliver to the Provider a written report of its findings, and may direct the development, by the Provider, of a corrective action plan where appropriate. The Provider hereby agrees to timely correct all deficiencies identified in the Department's written report. This provision will not limit the Department's termination rights under Section 6.2.3 hereof.

5.3 Provider's Confidential and Exempt Information.

5.3.1 By executing this Contract, the Provider acknowledges that, having been provided an opportunity to review all provisions hereof, all provisions of this Contract not specifically identified in writing by the Provider prior to execution hereof as "confidential or exempt" will be posted by the Department on the public website maintained by the Department of Financial Services pursuant to section 215.985, F.S. The Provider agrees that, upon written request of the Department, it shall promptly provide to the Department a written statement of the basis for the exemption applicable to each provision identified by the Provider as "confidential or exempt", including the statutory citation to an exemption created or afforded by statute, and state with particularity the reasons for the conclusion that the provision is exempt or confidential.

5.3.2 Any claim by Provider of trade secret (proprietary) confidentiality for any information contained in Provider's documents (reports, deliverables or workpapers, etc., in paper or electronic form) submitted to the Department in connection with this Contract will be waived, unless the claimed confidential information is submitted in accordance with Section 5.3.2.a. hereof,

- a. The Provider must clearly label any portion of the documents, data, or records submitted that it considers exempt from public inspection or disclosure pursuant to Florida's Public Records Law as trade secret. The labeling will include a justification citing specific statutes and facts that authorize exemption of the information from public disclosure. If different exemptions are claimed to be applicable to different portions of the protected information, the Provider shall include information correlating the nature of the claims to the particular protected information.
- b. The Department, when required to comply with a public records request including documents submitted by the Provider, may require the Provider to expeditiously submit redacted copies of documents marked as trade secret in accordance with Section 5.3.2.a. hereof. Accompanying the submission shall be an updated version of the justification under Section 5.3.2.a. hereof, correlated specifically to redacted information, either confirming that the statutory and factual basis originally asserted remain unchanged or indicating any changes affecting the basis for the asserted exemption from public inspection or disclosure. The redacted copy must exclude or obliterate only those exact portions that are claimed to be trade secret. If the Provider fails to promptly submit a redacted copy, the Department is authorized to produce the records sought without any redaction of proprietary or trade secret information.

The Provider shall be responsible for defending its claim that each and every portion of the redactions of trade secret information are exempt from inspection and copying under Florida's Public Records Law.

5.4 Health Insurance Portability and Accountability Act.

The Provider certifies that neither it nor its subcontractors will have access to, receive or provide Protected Health Information within the meaning of the Health Insurance Portability and Accountability Act (42 U.S.C. s.1320d.) and the regulations promulgated thereunder (45 CFR Parts 160, 162, and 164) incidental to performance of this Contract.

In compliance with 45 CFR s.164.504(e), the Provider shall comply with the provisions of Attachment 2 to this Contract, governing the safeguarding, use and disclosure of Protected Health Information created, received, maintained, or transmitted by the Provider or its subcontractors incidental to the Provider's performance of this Contract.

5.5 Confidential Client and Other Information. Except as provided in this Contract, the Provider shall not use or disclose but shall protect and maintain the confidentiality of any client information and any other information made confidential by Florida law or Federal laws or regulations that is obtained or accessed by the Provider or its subcontractors incidental to performance under this Contract.

5.6 Data Security. The Provider shall comply with the following data security requirements whenever the Provider or its subcontractors have access to Department data systems or maintain any client or other confidential information in electronic form:

5.6.1 An appropriately skilled individual shall be identified by the Provider to function as its Data Security Officer. The Data Security Officer shall act as the liaison to the Department's security staff and will maintain an appropriate level of data security for the information the Provider is collecting or using in the performance of this Contract. An appropriate level of security includes approving and tracking all Provider employees that request or have access to any Departmental data system or information. The Data Security Officer will ensure that user access to the data system or information has been removed from all terminated Provider employees.

5.6.2 The Provider shall provide the latest Departmental security awareness training to its staff who have access to departmental information.

5.6.3 All Provider employees who have access to Departmental information shall comply with, and be provided a copy of CFOP 50-2, and shall sign the DCF Security Agreement form CF 0114 annually. A copy of CF 0114 may be obtained from the Contract Manager.

5.6.4 The Provider shall make every effort to protect and avoid unauthorized release of any personal or confidential information by ensuring both data and mobile storage devices are encrypted as prescribed in CFOP 50-2. If encryption of these devices is not possible, then the Provider shall assure that unencrypted personal and confidential Departmental data will not be stored on unencrypted storage devices.

5.6.5 The Provider agrees to notify the Contract Manager as soon as possible, but no later than five (5) business days following the determination of any breach or potential breach of personal and confidential Departmental data.

5.6.6 The Provider shall at its own cost provide notice to affected parties no later than 45 days following the determination of any potential breach of personal or confidential Departmental data as provided in section 817.56B1, F.S. The Provider shall also at its own cost implement measures deemed appropriate by the Department to avoid or mitigate potential injury to any person due to a breach or potential breach of personal and confidential Departmental data.

The Provider shall cause each of its subcontractors having access to Department data systems or maintaining any client or other confidential information in electronic form to comply with the provisions of this Section 5.6 and the term "Provider" shall be deemed to mean the subcontractor for such purposes.

6. PENALTIES, TERMINATION AND DISPUTE RESOLUTION.

6.1 Financial Penalties for Failure to Take Corrective Action.

6.1.1 In accordance with the provisions of section 402.73(1), F.S., and Rule 65-29.001, F.A.C., corrective action plans may be required for noncompliance, nonperformance, or unacceptable performance under this Contract. Penalties may be imposed for failures to implement or to make acceptable progress on such corrective action plans.

6.1.2 The increments of penalty imposition that shall apply, unless the Department determines that extenuating circumstances exist, shall be based upon the severity of the noncompliance, nonperformance, or unacceptable performance that generated the need for corrective action plan. The penalty, if imposed, shall not exceed ten percent (10%) of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made. Noncompliance that is determined to have a direct effect on client health and safety shall result in the imposition of a ten percent (10%) penalty of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made.

6.1.3 Noncompliance involving the provision of service not having a direct effect on client health and safety shall result in the imposition of a five percent (5%) penalty. Noncompliance as a result of unacceptable performance of administrative tasks shall result in the imposition of a two percent (2%) penalty.

6.1.4 The deadline for payment shall be as stated in the Order imposing the financial penalties. In the event of nonpayment the Department may deduct the amount of the penalty from invoices submitted by the Provider.

6.2 Termination.

6.2.1 In accordance with Section 22 of PUR 1000 Form, this Contract may be terminated by the Department without cause upon no less than thirty (30) calendar days notice in writing to the Provider unless a sooner time is mutually agreed upon in writing.

6.2.2 In the event funds for payment pursuant to this Contract become unavailable, the Department may terminate this Contract upon no less than twenty-four (24) hours notice in writing to the Provider. The Department shall be the final authority as to the availability and adequacy of funds.

6.2.3 In the event the Provider fails to fully comply with the terms and conditions of this Contract, the Department may terminate the Contract upon no less than twenty-four (24) hours (excluding Saturday, Sunday, and Holidays) notice in writing to the Provider. Such notice may be issued without providing an opportunity for cure if it specifies the nature of the noncompliance and states that provision for cure would adversely affect the interests of the State or is not permitted by law or regulation. Otherwise, notice of termination will be issued after the Provider's failure to fully cure such noncompliance within the time specified in a written notice of noncompliance issued by the Department specifying the nature of the noncompliance and the actions required to cure such noncompliance. In addition, the Department may employ the default provisions in Rule 60A-1.006(3), F.A.C., but is not required to do so in order to terminate the Contract. The Department's failure to demand performance of any provision of this Contract shall not be deemed a waiver of such performance. The Department's waiver of any one breach of any provision of this Contract shall not be deemed to be a waiver of any other breach and neither event shall be construed to be a modification of the terms and conditions of this Contract. The provisions herein do not limit the Department's right to remedies at law or in equity.

6.2.4 Failure to have performed any contractual obligations under any other contract with the Department in a manner satisfactory to the Department will be a sufficient cause for termination. To be terminated under this provision, the Provider must have: (1) previously failed to satisfactorily perform in a contract with the Department, been notified by the Department of the unsatisfactory performance, and failed to timely correct the unsatisfactory performance to the satisfaction of the Department; or (2) had a contract terminated by the Department for cause. Termination shall be upon no less than twenty-four (24) hours notice in writing to the Provider.

In the event of termination under Sections 6.2.1 or 6.2.2 hereof, the Provider will be compensated for any work satisfactorily completed through the date of termination or an earlier date of suspension of work per Section 21 of the PUR 1000.

6.3 Dispute Resolution.

Any dispute concerning performance of this Contract or payment hereunder shall be decided by the Department's Contract Manager, who shall reduce the decision to writing and provide a copy to the Provider. The decision shall be final and conclusive unless within twenty-one (21) calendar days from the date of receipt of the Contract Manager's decision, the Provider delivers to the Contract Manager a petition for alternative dispute resolution. After receipt of a petition for alternative dispute resolution the Department and the Provider shall attempt to amicably resolve the dispute through negotiations. Timely delivery of a petition for alternative dispute resolution and completion of the negotiation process shall be a condition precedent to any legal action by the Provider concerning this Contract. After timely delivery of a petition for alternative dispute resolution, the parties may employ any dispute resolution procedures described in the Attachment I or other attachment, or mutually agree to an alternative binding or nonbinding dispute resolution process, the terms of which shall be reduced to writing and executed by both parties. Completion of such agreed process shall be deemed to satisfy the requirement for completion of the negotiation process. This provision shall not limit the parties' rights of termination under Section 6.2 hereof.

All notices provided under Section 6 shall be in writing on paper, physically sent to the person identified in Section 1.3.d hereof by U.S. Postal Service or any other delivery service that provides verification of delivery, or by hand delivery.

7. OTHER TERMS.

7.1 Governing Law and Venue.

This Contract is executed and entered into in the State of Florida; and shall be construed, performed and enforced in all respects in accordance with Florida law, without regard to Florida provisions for conflict of laws. Courts of competent jurisdiction in Florida shall have exclusive jurisdiction in any action regarding this Contract and venue shall be in Leon County, Florida. Unless otherwise provided in any other provision or amendment hereof, any amendment, extension or renewal (when authorized) may be executed in counterparts as provided in Section 46 of the PUR 1000 Form.

7.2 No Other Terms.

There are no provisions, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations, or agreements, either verbal or written between the parties.

7.3 Severability of Terms.

If any term or provision of this Contract is legally determined unlawful or unenforceable, the remainder of the Contract shall remain in full force and effect and such term or provision shall be stricken.

7.4 Survival of Terms.

The parties agree that, unless a provision of this Contract, its attachments or incorporated documents expressly states otherwise as to itself or a named provision, all provisions of this Contract concerning obligations of the Provider and remedies available to the Department are intended to survive the "ending date" or an earlier termination of this Contract. The Provider's performance pursuant to such surviving provisions shall be without further payment, as the contract payments received during the term of this Contract are consideration for such performance.

7.5 Modifications.

Modifications of provisions of this Contract shall be valid only when they have been reduced to writing and duly signed by both parties. The rate of payment and the total dollar amount may be adjusted retroactively to reflect price level increases and changes in the rate of payment when these have been established through the appropriations process and subsequently identified in the Department's operating budget.

7.6 Most Favored Party Status.

The Provider represents and warrants that the prices and terms for its services under this Contract are no less favorable to the Department than those for similar services under any existing contract with any other party. The Provider further agrees that, within 90 days of Provider entering into a contract or contract amendment or offering to any other party services similar to those under this Contract under prices or terms more favorable than those provided in this Contract, the Provider will report such prices and terms to the Department; which prices or terms shall be effective as an amendment to this Contract upon the Department's written acceptance thereof. Should the Department discover such other prices or terms, the same shall be effective as an amendment to this Contract retroactively to the earlier of the effective date of this Contract (for other contracts in effect as of that date) or the date they were first contracted or offered to the other party (for subsequent contracts, amendments or offers) and any payment in excess of such pricing shall be deemed overpayments. Provider shall submit an affidavit no later than July 31st of each year during the term of this Contract attesting that the Provider is in compliance with this provision; as required by section 216.0113, F.S.

7.7 Anticompetitive Agreements.

The Provider will not offer, enter into nor enforce any formal or informal agreement with any person, firm or entity under which the parties agree to refrain from competing for any future service contract or limit in any manner the ability of either party to obtain employment by or provide services to the Department or a provider of services to the Department.

7.8 Communications.

Except where otherwise provided in this Contract, communications between the parties regarding this Contract may be by any commercially reasonable means. Where this Contract calls for communication in writing, such communication includes email, and attachments thereto are deemed received when the email is received.

7.9 Accreditation.

The Department is committed to ensuring provision of the highest quality services to the persons we serve. Accordingly, the Department has expectations that where accreditation is generally accepted nationwide as a clear indicator of quality service, the majority of the Department's providers will either be accredited, have a plan to meet national accreditation standards, or will initiate a plan within a reasonable period of time.

7.10 Transitioning Young Adults.

The Provider understands the Department's interest in assisting young adults aging out of the dependency system. The Department encourages Provider participation with the local Community-Based Care Lead Agency Independent Living Program to offer gainful employment to youth in foster care and young adults transitioning from the foster care system.

7.11 DEO and Workforce Florida.

The Provider understands that the Department, the Department of Economic Opportunity, and Workforce Florida, Inc., have jointly implemented an initiative to empower recipients in the Temporary Assistance to Needy Families Program to enter and remain in gainful employment. The Department encourages Provider participation with the Department of Economic Opportunity and Workforce Florida.

7.12 Purchases by Other Agencies.

The Department of Management Services may approve this Contract as an alternate contract source pursuant to Rule 60A-1.047, Florida Administrative Code, if requested by another agency. Other State agencies may purchase from the resulting contract, provided that the Department of Management Services has determined that the contract's use is cost-effective and in the best interest of the State. Upon

such approval, the Contractor may, at its discretion, sell these commodities or services to additional agencies, upon the terms and conditions contained herein.

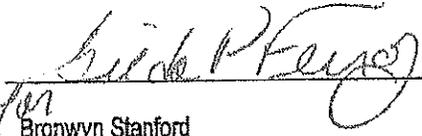

By signing this Contract, the parties agree that they have read and agree to the entire Contract, as described in Section 1.4 hereof.

IN WITNESS THEREOF, the parties hereto have caused this 44 page Contract to be executed by their undersigned officials as duly authorized.

Provider acknowledges that it is independently responsible for investigating and complying with all State and Federal laws, rules and regulations relating to its performance under this Contract and that the below is only a sample of the State and Federal laws, rules and regulations that may govern its performance under this Contract.

A1-1.6 Unauthorized aliens shall not be employed. Employment of unauthorized aliens shall be cause for unilateral cancellation of this Contract by the Department for violation of section 274A(e) of the Immigration and Nationality Act (8 U.S.C. 1324 a) and section 101 of the Immigration Reform and Control Act of 1986. The Provider and its subcontractors will enroll in and use the E-verify system established by the U.S. Department of Homeland Security to verify the employment eligibility of its employees and its subcontractors' employees performing under this Contract. In accordance with subsection 112.3187(2), F.S., the Provider and its subcontractors shall not retaliate against an employee for reporting violations of law, rule, or regulation that creates substantial and specific danger to the public's health, safety, or welfare to an appropriate agency. Furthermore, agencies or independent contractors shall not retaliate against any person who discloses information to an appropriate agency alleging improper use of governmental office, gross waste of funds, or any other abuse or gross neglect of duty on the part of an agency, public officer, or employee. The Provider and any subcontractor shall inform its employees that they and other persons may file a complaint with the Office of Chief Inspector General, Agency Inspector General, the Florida Commission on Human Relations or the Whistle-blower's Hotline number at 1-800-543-5353.

A1-6 Public Records.

A1-6.1 As required by section 287.058(1)(c), F.S., the Provider shall allow public access to all documents, papers, letters, or other public records as defined in subsection 119.011(12), F.S. as prescribed by subsection 119.07(1) F.S., made or received by the Provider in conjunction with this Contract except that public records which are made confidential by law must be protected from disclosure. It is expressly understood that the Provider's failure to comply with this provision shall constitute an immediate breach of contract for which the Department may unilaterally terminate this Contract.

A1-6.2 As required by section 119.0701, F.S., to the extent that the Provider is acting on behalf of the Department within the meaning of section 119.011(2), F.S., the Provider shall:

- a. Keep and maintain public records that ordinarily and necessarily would be required by the Department in order to perform the service.
- b. Provide the public with access to public records on the same terms and conditions that the Department would provide the records and at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.
- c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- d. A1-7.2 If the Provider or any of its subcontractors employs 15 or more employees, the Provider shall designate a Single-Point-of-Contact (one per firm) to ensure effective communication with deaf or hard-of-hearing customers or companions in accordance with Section 504 of the ADA, and CFOP 60-10, Chapter 4. The Provider's Single-Point-of-Contact and that of its Subcontractors will process the compliance data into the Department's HHS Compliance reporting Database by the 5th business day of the month, covering the previous month's reporting, and forward confirmation of submission to the Contract Manager. The name and contact information for the Provider's Single-Point-of-Contact shall be furnished to the Department's Grant or Contract Manager within 14 calendar days of the effective date of this requirement.

A1-7.3 The Provider shall, within 30 days of the effective date of this requirement, contractually require that its subcontractors comply with Section 504, the ADA, and CFOP 60-10, Chapter 4. A Single-Point-of-Contact shall be required for each subcontractor that employs 15 or more employees. This Single-Point-of-Contact will ensure effective communication with deaf or hard-of-hearing

21

customers or companions in accordance with Section 504 and the ADA and coordinate activities and reports with the Provider's Single-Point-of-Contact.

A1-7.4 The Single-Point-of-Contact shall ensure that employees are aware of the requirements, roles & responsibilities, and contact points associated with compliance with Section 504, the ADA, and CFOP 60-10, Chapter 4. Further, employees of providers and their subcontractors with 15 or more employees shall attest in writing that they are familiar with the requirements of Section 504, the ADA, and CFOP 60-10, Chapter 4. The Provider shall have the opportunity to recoup any financial penalties imposed if the Provider achieves the annual service targets listed in section D.1.

EXHIBIT F1 –Reference Guide on State Expenditures

The references below are from pages 30-31 and 41-42 of the Department of Financial Services, Reference Guide on State Expenditures.

The following requirements apply to all invoices submitted for payment.

1. *An invoice submitted for payment must be a legible copy. The original invoice is maintained by the agency. If an agency is filing a copy of the invoice as its original, it must contain the statement "original invoice not available, agency records show that this obligation has not been previously paid" with the signature of the person certifying the statement. Thermo fax copies, because of their temporary nature, shall not be filed as the original at the agency. It should be copied on a standard photocopy machine.*
2. *Invoices for commodities must clearly reflect a description of the item or items, number of units and cost per unit. Numerical code descriptions alone will not be accepted.*
3. *Invoices for services must also clearly reflect the specific deliverables that must be provided and accepted prior to payment.*
 - i. *Invoices for fixed unit rate agreements must show the number of units and cost per unit.*
 - ii. *Invoices for agreements paid out on a reimbursement basis or a fixed rate for a specific time period; e.g. quarterly, monthly, etc., must identify the deliverables provided or be supported by documentation (such as a progress report) that clearly reflects the deliverables provided during the invoice period. Documentation must evidence that the minimum performance standards were met.*
4. *No balances for prior purchases will be paid unless supported by an invoice.*
5. *A statement will not be paid unless it can be clearly shown that the vendor intended it to be used as an invoice that meets all invoice requirements.*
6. *All invoices shall be processed in accordance with s. 215.422, F.S., and the rules set forth in Rule 69I-24, F.A.C.*
7. *Invoices that are split payments require information showing the distribution of charges between funds for such invoice and a cross-reference of the statewide document numbers for all related vouchers.*
8. *Invoices and other supporting documentation included in a voucher must be grouped by vendor and arranged in the same order as the vendors are listed on the voucher schedule. If the voucher includes multiple invoices from the same vendor, the voucher must include a calculator tape or other evidence showing that the total of the invoices is equal to the amount shown on the voucher schedule.*
9. *Acronyms and non-standard abbreviations for programs or organizational units within an agency should not be used in the supporting documentation unless an explanation is also included.*

These payment processing requirements apply to agreements for services provided by vendors and recipients/sub-recipients.

Agencies are required to complete and submit a Contract Summary Form with each payment for agreements for services (including payments to recipients/sub-recipients). The Contract Summary Form information will be used by the Bureau of Auditing to pre-audit the invoice so the form must be complete and reflect specific information from the agreement. Information should clearly identify the specific deliverables including the minimum performance requirements and the payment criteria (compensation) for each deliverable. This information may be included on an attachment if there is insufficient space on the form.

The Summary Form is available on the Department of Financial Services website at www.myfloridacfo.com/aadlr/summary_csa.htm.

In addition to the requirements listed in "Invoices" and "Payment Processing," agreements for services require **additional** documentation based on the method of payment.

Agencies must submit an itemized invoice by expenditure category (salaries, travel, expenses, etc.). Each agency is required to maintain detailed supporting documentation and to make it available for audit purposes. By submission of the payment request, the agency is certifying that the detailed documentation to support each item on the itemized invoice is on file at the agency and is available for audit.

Supporting documentation shall be maintained in support of expenditure payment requests for cost reimbursement contracts as provided in Comptroller's Memorandum No. 04 (1996-97). Documentation for each amount for which reimbursement is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved agreement budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided.

Types and examples of supporting documentation for cost reimbursement agreements:

Salaries: A payroll register or similar documentation should be maintained. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

Fringe benefits: Fringe benefits should be supported by invoices showing the amount paid on behalf of the employee, e.g., insurance premiums paid. If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown. Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

Travel: Reimbursement for travel must be in accordance with s. 112.061, F.S., which includes submission of the claim on the approved state travel voucher.

Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using state funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with DMS Rule 60A-1.017, F.A.C., regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in s. 273.02, F.S., for subsequent transfer to the State.

In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed based on a usage log which shows the units times the rate being charged. The rates must be reasonable.

Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.

Additionally, the invoice or submitted documentation must evidence the completion of all tasks required to be performed for the deliverable and must show that the provider met the minimum performance standards established in the agreement.

L. 111-5) (Recovery Act) as required by Congress and in accordance with 2 CFR 215.21 "Uniform Administrative Requirements for Grants and Agreements" and OMB Circular A-102 Common Rules provisions, recipients agree to maintain records that identify adequately the source and application of Recovery Act funds. OMB Circular A-102 is available at <http://www.whitehouse.gov/omb/circulars/a102/a102.html>.

(b) For recipients covered by the Single Audit Act Amendments of 1996 and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," recipients agree to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by OMB Circular A-133. OMB Circular A-133 is available at <http://www.whitehouse.gov/omb/circulars/a133/a133.html>. This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA, and as separate rows under Item 9 of Part III on the SF-SAC by CFDA number, and inclusion of the prefix "ARRA-" in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF-SAC.

(c) Recipients agree to separately identify to each subrecipient, and document at the time of subaward and at the time of disbursement of funds, the Federal award number, CFDA number, and amount of Recovery Act funds. When a recipient awards Recovery Act funds for an existing program, the information furnished to subrecipients shall distinguish the subawards of incremental Recovery Act funds from regular subawards under the existing program.

(d) Recipients agree to require their subrecipients to include on their SEFA information to specifically identify Recovery Act funding similar to the requirements for the recipient SEFA described above. This information is needed to allow the recipient to properly monitor subrecipient expenditure of ARRA funds as well as oversight by the Federal awarding agencies, Offices of Inspector General and the Government Accountability Office.

The Provider agrees to ensure that employees, volunteers and subcontracted personnel who work with vulnerable persons satisfactorily complete and pass Level 2 background

screening before working or volunteering with vulnerable persons. Provider shall furnish the County with proof that employees, volunteers and subcontracted personnel, who work with vulnerable persons, satisfactorily passed Level 2 background screening, pursuant to Chapter 435, Florida Statutes, as may be amended from time to time.

If the Provider fails to furnish to the County proof that an employee, volunteer or subcontractor's Level 2 background screening was satisfactorily passed and completed prior to that employee or subcontractor working or volunteering with a vulnerable person or vulnerable persons, the County shall not disburse any further funds and this Contract may be subject to termination at the sole discretion of the County.

ARTICLE 9. CONFLICT OF INTEREST

A. The Provider agrees to abide by and be governed by Miami-Dade County Ordinance No. 72-82 (Conflict of Interest Ordinance codified at Section 2-11.1 et al. of the Code of Miami-Dade County), as amended, which is incorporated herein by reference as if fully set forth herein, in connection with its contract obligations hereunder.

B. No person under the employ of the County, who exercises any function or responsibilities in connection with this Contract, has at the time this Contract is entered into, or shall have during the term of this Contract, any personal financial interest, direct or indirect, in this Contract.

C. **Nepotism.** Notwithstanding the aforementioned provision, no relative of any officer, board of director, manager, or supervisor employed by the Provider shall be employed by the Provider unless the employment preceded the execution of this Contract by one (1) year. No family member of any employee may be employed by the Provider if the family member is to be employed in a direct supervisory or administrative relationship either supervisory or subordinate to the employee. The assignment of family members in the same organizational unit shall be discouraged. A conflict of interest in employment arises whenever an individual would otherwise have the responsibility to make, or participate actively in making decisions or recommendations relating to the employment status of another individual if the two individuals (herein sometimes called "related individuals") have one of the following relationships:

1. By blood or adoption: Parent, child, sibling, first cousin, uncle, aunt, nephew, or niece;
2. By marriage: Current or former spouse, brother- or sister-in-law, father- or mother-in-law, son- or daughter-in-law, step-parent, or step-child; or
3. Other relationship: A current or former relationship, occurring outside the work setting that would make it difficult for the individual with the responsibility to make a decision or recommendation to be objective, or that would create the appearance that such individual could not be objective. Examples include, but are not limited to, personal relationships and significant business relationships.

Grant Number: KPZ28

For purposes of this section, decisions or recommendations related to employment status include decisions related to hiring, salary, working conditions, working responsibilities, evaluation, promotion, and termination.

An individual, however, is not deemed to make or actively participate in making decisions or recommendations if that individual's participation is limited to routine approvals and the individual plays no role involving the exercise of any discretion in the decision-making processes. If any question arises whether an individual's participation is greater than is permitted by this paragraph, the matter shall be immediately referred to the Miami-Dade County Commission on Ethics and Public Trust.

This section applies to both full-time and part-time employees and voting members of the Provider's Board of Directors.

D. No person, including but not limited to any officer, board of directors, manager, or supervisor employed by the Provider, who is in the position of authority, and who exercises any function or responsibilities in connection with this Contract, has at the time this Contract is entered into, or shall have during the term of this Contract, received any of the services, or direct or instruct any employee under their supervision to provide such services as described in the Contract. Notwithstanding the before mentioned provision, any officer, board of directors, manager or supervisor employed by the Provider, who is eligible to receive any of the services described herein may utilize such services if he or she can demonstrate that he or she does not have direct supervisory responsibility over the Provider's employee(s) or service program. Staff members, or their immediate family members (spouse, children, siblings, mother or father) of Homeless Trust funded programs, who are eligible for and wish to receive services from a Homeless Trust funded program must receive the approval of the Executive Director of their employer (i.e. the Provider) prior to applying for and receiving those services. This approval must be in writing and accompany any referral for such services. Any Provider knowingly accepting a referral of an employee of a Homeless Trust funded program, and providing services without the written approval of the Executive Director of the Provider, will be subject to the recoupment/disallowance by the County of any funds paid for services to this individual and/or their immediate family member. When the services are to be provided at the same agency the employee works for, this information must be disclosed in writing to the director of the Homeless Trust, which shall be reviewed for eligibility determination and a sign off must come from the County. This provision does not apply to staff members seeking emergency shelter, medical or legal services. Providers must complete a Client Services Authorization Form (**Attachment P**) for staff members seeking services.

The County shall have the sole and absolute discretion to determine if the Provider is entitled to such funds and the County's decision in this matter shall be final and binding.

B. Monies Owed to the County: The County reserves the right, in its sole discretion, to reduce payments to the Provider in order to recapture any monies owed to the County.
