Memorandum

MIAMI-DADE COUNTY

Date: April 21, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 3(B)(5)

From: Carlos A. Gimenez
Mayor

Resolution No. R-289-15

Subject: Approving Agreement between Miami-Dade County through its Community Action and Human Services Department and the Florida Division of Emergency Management

---

Recommendation

It is recommended that the Board of County Commissioners ("Board") ratify the County Mayor or County Mayor's designee's action in applying for grant funds from the Florida Division of Emergency Management and, authorize the County Mayor or County Mayor's designee to execute the agreement (Exhibit A), between Miami-Dade County, through its Community Action and Human Services Department ("the Department") and the Florida Division of Emergency Management. The Department was awarded a grant in the amount of $233,000.00 to support the expansion of its Residential Construction Mitigation Program ("Program").

Scope

The impact of this resolution is countywide in nature.

Fiscal Impact/Funding Source

There is no fiscal impact to Miami-Dade County for the provision of these services. Miami-Dade County is not required to provide a local match. This is a stand-alone, cost-reimbursement agreement with the Florida Division of Emergency Management. The disbursement of funds by the state will not exceed $233,000.00 and is contingent upon the satisfactory performance of work.

Track Record/Monitor

The Department has a successful track record of implementing and administering storm mitigation retrofit funds awarded through the Florida Department of Economic Opportunity. The Department's Energy and Facilities Programs Division Director Corey Jones will monitor and process the disbursement and expenditure of funds, and manage programmatic and fiscal reporting in accordance with project reporting and auditing procedures.

Background

The Department has operated a Residential Construction Mitigation Program since 2001. Under the umbrella of Miami-Dade's very successful Local Mitigation Strategy, the Department was chosen and featured in the Federal Emergency Management Agency ("FEMA") Mitigation Best Practices Portfolio. The Residential Construction Mitigation Program ("Program") provides hazard mitigation retrofit measures for low to moderate-income homeowners to determine what retrofit measures are needed to strengthen their homes and lessen damage from high-wind storms.

The primary retrofit measure provided under this Program is the installation of hurricane shutters. The Program utilizes user-friendly shuttering systems, including, but not limited to, accordion style metal

shuttering systems. Other hazard mitigation measures allowable under this Program include installation of affordable high-impact windows and other required measures to protect the building envelope against windstorms on the homes of low to moderate-income seniors and disabled individuals with children and families.

The Department conducts pre-construction and post-construction inspections to ensure compliance with applicable standards, codes and regulations. Each installation is done in strict compliance with the Florida Building Code for this coastal zone and is permitted and approved by the Miami-Dade Regulatory and Economic Resources Department.

The Department is confident that the project will be completed prior to the June 30, 2016 expenditure deadline.

STATE-FUNDED GRANT AGREEMENT

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and Miami-Dade County, (hereinafter referred to as the "Recipient").

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Recipient is fully qualified and eligible to receive these grant funds to provide the services identified herein; and

B. The Division has received these funds from the State of Florida, General Appropriations Act of 2014-2015 for the purposes set forth in Section 215.559, Fla. Stat, and has the authority to grant these funds to the Recipient upon the terms and conditions below.

C. The Division has statutory authority to disburse funds under this agreement.

THEREFORE, the Division and the Recipient agree to the following:

(1) SCOPE OF WORK.

The Recipient shall perform the work in accordance with the Budget and Scope of Work (Attachment A to this Agreement).

(2) INCORPORATION OF LAWS, RULES, REGULATIONS AND POLICIES

The Recipient and the Division shall be governed by applicable State and Federal laws, rules and regulations, including those identified in Attachment B.

(3) PERIOD OF AGREEMENT.

This Agreement shall begin upon execution by both parties, and shall end June 30, 2016, unless terminated earlier in accordance with the provisions of Paragraph (12) of this Agreement.

(4) MODIFICATION OF CONTRACT

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(5) RECORDKEEPING

(a) As applicable, Recipient's performance under this Agreement shall be subject to the federal OMB Circular No. A-102, "Common Rule: Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments" (53 Federal Register 8034) or OMB Circular No. A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher

Education, Hospitals, and Other Nonprofit Organizations," and either OMB Circular No. A-87, "Cost Principles for State, Local and Indian Tribal Governments," OMB Circular No. A-21, "Cost Principles for Educational Institutions," or OMB Circular No. A-122, "Cost Principles for Non-profit Organizations."

(b) The Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, and the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five years from the date the audit report is issued, and shall allow the Division or its designee, the State Chief Financial Officer or the State Auditor General access to the records upon request. The Recipient shall ensure that audit working papers are available to them upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Division. The five year period may be extended for the following exceptions:

1. If any litigation, claim or audit is started before the five year period expires, and extends beyond the five year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

2. Records for the disposition of non-expendable personal property valued at $5,000 or more at the time it is acquired shall be retained for five years after final disposition.

3. Records relating to real property acquired shall be retained for five years after the closing on the transfer of title.

(c) The Recipient shall maintain all records for the Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

(d) The Recipient, its employees or agents, including all subcontractors or consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to the Division, its employees, and agents. "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, on Monday through Friday. "Agents" shall include, but not be limited to, auditors retained by the Division.

(6) AUDIT REQUIREMENTS

(a) The Recipient agrees to maintain financial procedures and support documents, in accordance with generally accepted accounting principles, to account for the receipt and expenditure of funds under this Agreement.

(b) These records shall be available at reasonable times for inspection, review, or audit by state personnel and other personnel authorized by the Division. "Reasonable" shall ordinarily mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(c) The Recipient shall provide the Division with the records, reports or financial statements upon request for the purposes of auditing and monitoring the funds awarded under this Agreement.

(d) If the Recipient is a nonstate entity as defined by Section 215.97, Fla. Stat., it shall comply with the following:

If the Recipient expends a total amount of State financial assistance equal to or more than $500,000 in any fiscal year of such Recipient, the Recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Fla. Stat.; applicable rules of the Executive Office of the Governor and the Chief Financial Officer; and Chapters 10.550 (local government entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement shows the State financial assistance awarded by this Agreement. In determining the State financial assistance expended in its fiscal year, the Recipient shall include all sources of State financial assistance, including State funds received from the Division, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

In connection with the audit requirements addressed in this Paragraph 6(d) above, the Recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Fla. Stat. This includes submission of a reporting package as defined by Section 215.97(2)(e), Fla. Stat. and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the Recipient expends less than $500,000 in State financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Fla. Stat, is not required. In the event that the Recipient expends less than $500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Fla. Stat, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the Recipient's resources obtained from other than State entities). Additional information on the Florida Single Audit Act may be found at the following website:
https://apps.fldfs.com/fsaa/singleauditact.aspx.

(f) If the audit shows that all or any portion of the funds disbursed hereunder were not spent in accordance with the conditions of this Agreement, the Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty days after the Division has notified the Recipient of such non-compliance.

(g) The Recipient shall have all audits completed in accordance with Section 215.97, Fla. Stat. by an independent certified public accountant (CPA) licensed under Chapter 473, Fla. Stat. The (CPA) shall state that the audit complied with the applicable provisions noted above. The audit must be submitted to the Division no later than nine (9) months from the end of the Recipient's fiscal year.

(7) REPORTS

(a) The Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Recipient and all subrecipients and subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

(b) Quarterly reports are due to the Division no later than 15 days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30 and December 31.

(c) The close-out report is due 60 days after termination of this Agreement or 60 days after completion of the activities contained in this Agreement, whichever first occurs.

(d) If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, the Division may withhold further payments until they are completed or

may take other action as stated in Paragraph (11) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

(e) The Recipient shall provide additional program updates or information that may be required by the Division.

(f) The Recipient shall provide additional reports and information identified in Attachment E.

(8) MONITORING.

The Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement, and reported in the quarterly report.

In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

(b) Any Recipient which is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement, and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(11) REMEDIES.

If an Event of Default occurs, then the Division shall, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

3. advise the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

4. require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(f) Exercise any other rights or remedies which may be available under law.

(g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

(12) TERMINATION.

(a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.

Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

(f) Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.
