Memorandum

Date: June 2, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Pedro J. Garcia, MNAA
Property Appraiser 

Subject: Resolution Authorizing Intergovernmental Cooperation Agreement with Miami Shores Village

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) authorize execution of the attached Intergovernmental Cooperation Agreement (Agreement) by and among Miami-Dade County on behalf of the Tax Collector (Collector), Miami-Dade County Office of the Property Appraiser (Appraiser) and Miami Shores Village (Village) to utilize the uniform method for the levy, collection and enforcement of non-ad valorem assessments, as prescribed in Section 197.3632, Florida Statutes.

SCOPE

The Village is located within County Commission District 3 and District 4. The Village has requested that the Appraiser and Collector include its proposed or adopted non-ad valorem assessments for the cost of financing, constructing and maintaining sanitary sewer facilities and water line upgrades within a portion of the Village on the notice as specified in Section 200.069, Florida Statutes, and on the combined notice of ad valorem and non-ad valorem assessments provided for in Sections 197.3632 and 197.3635, Florida Statutes.

FISCAL IMPACT/FUNDING SOURCE

The Village agrees that the County shall be entitled to retain two percent on the amount of special assessments collected and remitted to cover all of the County's associated costs. There is no negative fiscal impact to the County as a result of this Agreement.

TRACK RECORD/MONITOR

The Village agrees that all certified assessment rolls will be maintained and transmitted to the Appraiser and Collector on compatible electronic medium as defined in Section 197.3632(1), Florida Statutes. The Agreement is managed by the Office of the Property Appraiser.

BACKGROUND

In accordance with Sections 197.3632 and 197.3635, Florida Statutes, and the Agreement, the Village will charge separate non-ad valorem assessments for the cost of financing, constructing and maintaining sanitary sewer facilities and water line upgrades within a portion of the Village. The Agreement affords the Village the convenience and financial savings of utilizing the TRIM notice and combined tax bill for collection of its non-ad valorem assessments. Use of the ad valorem method for collection of these assessments could result in issuance of tax certificates, tax deeds and the loss of title to the property, if said assessments are not paid by the property owners. The term of this Agreement commences with special assessments collected in 2015 and continues until cancelled by either party.
