# Memorandum

**Date:** September 1, 2015

**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Resolution Authorizing the County Mayor or the County Mayor's Designee to Accept an Offer to Sell Property at the Negotiated Purchase Amount of \$18,698.00, for the Acquisition of the Property known as Parcel 8, located at 6650 NW 37 Avenue for Right-of-Way Needed for the People's Transportation Plan Project Entitled Improvements to NW 37 Avenue, from NW North River Drive to NW 79 Street, and Authorizing the Use of Charter County Transportation Surtax Funds for such Purposes

---

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) authorize the Miami-Dade County (County) Mayor or the County Mayor's Designee to accept an offer to sell property at the negotiated purchase amount of \$18,698.00 for the acquisition of property known as Parcel 8, located at 6650 NW 37 Avenue, needed as part of the People's Transportation Plan (PTP) Project entitled Improvements to NW 37 Avenue, from NW North River Drive to NW 79 Street under the terms and conditions stipulated in the Contract for Sale and Purchase which is attached hereto as Exhibit C.

This resolution is placed for Committee review pursuant to County Code Section 29-124(f). This item may only be considered by the Board if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this item. If the CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this item, I will request a withdrawal of this item.

## **Scope**

The property to be acquired is located within County Commissioner Jean Monestime's District 2 and traverses the City of Hialeah and the City of Miami. However, this project is beneficial countywide as it provides improved traffic capacity and drainage along this north/south corridor.

## **Fiscal Impact/Funding Source**

Funding for the right-of-way acquisition and construction of this project will be provided by the Charter County Transportation Surtax levied pursuant to Section 29.121 of the Code. This project was specifically listed in the PTP as one of the Board requested improvement projects for Commission District 2.

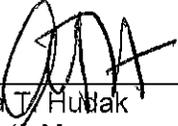

## **Track Record/Monitor**

The Public Works and Waste Management Department (PWWM) is the entity overseeing this item and the person responsible is Mr. Francisco Fernandez, Chief Real Estate Officer, Highway Engineering and Right-of-Way Division.

**Background**

This resolution is for the approval of the acquisition of Parcel 8, which is required for PWWM's programmed improvements to NW 37 Avenue, from NW North River Drive to NW 79 Street. This project consists of road widening, beautification, and right-of-way improvements. The area to be acquired by PWWM for the street improvements is legally described in Exhibit A and illustrated in the parcel location map in Exhibit B, attached hereto. This project will improve traffic mobility and capacity along the heavily industrialized corridor. This project consists of the reconstruction and widening of an existing two (2) lane undivided roadway to a three (3) lane roadway, including parking lanes, sidewalks, curb and gutters, a new storm drainage system, signalization, pavement markings and signage and roadway lighting.

The subject property was appraised on January 1, 2014, which established the market value at \$11,300.00. Therefore, an offer was made to the owner, at the appraised value pursuant to Resolution No. R-696-09. A counteroffer was received in the amount of \$28,298.00 from the owner. After extensive negotiations, and in order to settle this matter, the owner and the County agreed on the amount of \$18,698.00, including compensation for the property acquired, and for any and all fees and costs that may have been incurred by the seller. This \$18,698.00 settlement amount is recommended as being in the best interest of the County, considering the statutory requirement that the County, absent such a settlement, must pay for the owner's attorneys' fees, expert fees, and costs. Additionally, the County would save the time, resources, and expenses associated with eminent domain proceedings which would have otherwise been required. It is, therefore, requested that the attached Contract for Sale and Purchase in the amount of \$18,698.00 be approved and that the Mayor or the Mayor's designee perform all acts necessary to effectuate the purchase of the property.

2. **PURCHASE PRICE.** Buyer agrees to pay Seller(s) for the property referenced in Exhibit "A", the sum of **\$18,698.00 (Eighteen Thousand Six Hundred and Ninety Eight Dollars)** for the parcel denoted as Parcel 8. This \$18,698.00 is a total lump sum payment for the real estate to be acquired in fee simple inclusive of all fees and costs to be paid for in the taking, which includes if applicable attorney fees and costs, cost of improvements, cost to cure, cost of damages, and or restoration costs, and is to be paid at closing by Miami-Dade County or designee, by county check. 3. **INTEREST CONVEYED.** Seller(s) are the recorded owners of the fee simple title to the subject Property, and agree to convey good, marketable and insurable title by Warranty Deed.

4. **AD VALOREM TAXES.** Buyer a political subdivision of the State of Florida, is exempt from payment of ad valorem taxes. 5. **TITLE INSURANCE.** Buyer may, within fifteen (15) business days of the effective date of this Contract, obtain a marketable title insurance commitment and Buyer may at Buyer's expense obtain an owner's marketable title insurance policy (ALTA Form "B") from a title insurance company licensed by the State of Florida in the amount of the purchase price. Said policy shall show a good, marketable and insurable title to the Property in the Seller(s) name. In addition, the policy shall insure title to the Property for the period between closing and recording of the warranty deed. In connection herewith, Seller(s) agree(s) to provide all affidavits and other documents as required by the title insurer. Buyer shall have ten (10) business days from receipt of title documents to inspect said title documents and report defects, if any, in writing to the Seller(s). If Seller(s) is/are unable, after reasonable diligence, to make the title good, marketable and insurable and acceptable to Buyer, except that Buyer may waive any defects and proceed with closing at Buyer's option, Buyer may elect to file an eminent domain action for the sole purpose of obtaining clear title to the property, and Seller(s) agree(s) that the full compensation for such taking shall be the purchase price designated in paragraph 2 hereof and nothing more whatsoever; and Seller(s) further agree(s) to cooperate fully with Buyer in the eminent domain suit, filing whatever papers, documents or pleadings to accomplish the vesting of title in the Buyer for said purchase price.

6. **ENVIRONMENTAL CONDITIONS.** Buyer shall, at its own cost and expense and at least 30 days prior to the date of closing, obtain a "Letter of Current Enforcement Status and Recommendations for a Right-of-Way Improvement Project" of the Property from the Miami-Dade County Department of Environmental Resources Management (DERM). If the "Letter of Current Enforcement Status and Recommendations for a Right-of-Way Improvement Project" or subsequent testing confirms any contamination on the Property, the Buyer may elect not to close and this contract shall be rendered null and void and both Buyer and Seller(s) shall be released of all obligations, or to negotiate a mutually acceptable solution, including an adjustment in the purchase price if necessary.
