RE: Public Health Trust Property: 14701 NW 27th Avenue

The public health needs of Miami-Dade County dwarf the capacity of any one organization. Our team of healthcare providers at Jackson Health System was excited to learn of the City of Opa-locka's vision to redevelop the property at 14701 NW 27th Avenue in support of the wellness needs in that part of our community.

Jackson has not operated this facility in many years, and we would not be able to immediately redevelop it in the face of so many competing strategic priorities. It is clearly in the best interest of our taxpayer-owners for this site to receive the focused attention envisioned by the civic and medical leaders who have championed this plan.

Please know that you have our full support for the transfer to the City of Opa-locka for the purpose of expanding healthcare services. Thank you for your continued leadership on this important topic.

If you have any questions, please feel free to call me.

and Members, Public Health Trust Board of Trustees
