<b>Recommendation Summary for North Central Urban Area District (NCUAD)</b>	
<b>Commission District</b>	2
<b>Applicant</b>	Liberty NW 79th Street, LLC
<b>Summary of Requests</b>	This application is to update the land use regulating plan of the NCUAD in order to change the designation of the subject parcel from Mixed-Use Corridor to Mixed-Use Special.
<b>Location</b>	2160 NW 79 Street, Miami-Dade County, Florida
<b>Property Size</b>	±1.15-acres
<b>Existing Zoning</b>	North Central Urban Area District
<b>Existing Land Use</b>	Vacant
<b>2020 - 2030 CDMP Land Use Designation</b>	Urban Center
<b>Comprehensive Plan Consistency</b>	Consistent with interpretative text, goals, objectives and policies of the CDMP
<b>Applicable Zoning Code Section(s)</b>	Section 33-284.89.3 Amendments to Urban Center District Land Use Plan Category or Other Regulating Plan
<b>Recommendation</b>	<b>Approval</b>

**REQUEST:**

MODIFICATION of the land use regulating plan of the North Central Urban Area District in order to change the designation of the subject parcel from Mixed-Use Corridor to Mixed-Use Special.

**PROPERTY HISTORY & DESCRIPTION:**

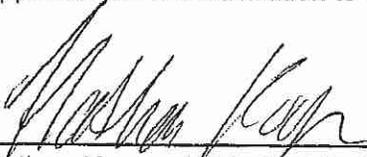

The property that is the subject of this application is located at 2160 NW 79 Street. Pursuant to Resolution No. 5-ZAB-236-97, prior to the adoption of the North Central Urban Area District (NCUAD), the property was the subject of a public hearing that included the approval of a use variance to permit a used car sales lot with mechanical repairs in the BU-2, Special Business District as would be permitted in the BU-3, Liberal Business District, along with additional approvals of a 5' wide landscape buffer where 7' is required and spacing less than the required 500' from a residential district. On August 2, 2011, the Board of County Commissioners (BCC) adopted Ordinance No. 11-65 establishing the **North Central Urban Area District (NCUAD)**. The properties within NCUAD boundaries were rezoned to NCUAD on July 19, 2012 pursuant to Resolution No. Z-14-12. At the time of the rezoning, the land use regulating plan classified the subject property as MC, Mixed-Use Corridor, which did not permit automotive uses as of right; the automotive use was permitted to continue as a non-conforming use. The approval of this application would permit the modification of the land use regulating plan to change the designation of the subject property from MC, Mixed-Use Corridor to MCS, Mixed-Use Corridor Special, which permits automotive-related and other commercial uses not permitted under the MC designation.

**RECOMMENDATION:**

In staff's opinion, the modification of the NCUAD land use regulating plan for the subject property would provide uses similar to those permitted on the properties to the north and west, which are designated as MCS on the NCUAD land use regulating plan. Staff notes that the existing MC designation does not permit automotive related uses nor certain BU-3 uses unless they are explicitly listed in the Standard Urban Center Land Use Group table under MC. Uses that are permitted in the MCS category include residential, civic, office and commercial, including automotive-related. Staff notes that the proposed MCS category also permits automotive uses, as was previously permitted on the property prior to the rezoning to NCUAD.

The location of the property along NW 79 Street, a well-travelled 6-lane major roadway, is appropriate for the type of uses permitted in the MCS category. Staff opines that those uses permitted in the MCS category are **compatible** with existing uses in the area, and the intensification of uses will be in harmony with the surrounding area.

The proposed amendment to this ordinance would permit the redevelopment of the subject property with uses which are **compatible** with those found in the area and **consistent** with the intensification policies provided by the CDMP urban center text. Therefore, staff recommends approval of the modification to the land use regulating plan of the NCUAD.
