Subject: Miami-Dade Economic Advocacy Trust Second Annual Black Male Youth  
Mental Health Conference Project Application For The Children's Trust Program  
Grant Funds

Resolution No. R-1028-15

**RECOMMENDATION**

It is recommended that the Board of County Commissioners (Board) ratify the County Mayor or the County Mayor's designee's action in applying for The Children's Trust funds in the amount of \$19,967.00 (Grant), on behalf of the Miami-Dade Economic Advocacy Trust (Trust), with a local cash match of \$3,000.00 provided by the Trust and an in-kind match of \$6,170.00. It is further recommended that the Board authorize the Trust to receive and expend grant funds and to execute such contracts, agreements, memoranda of understanding, and amendments as may be required by program guidelines, after review by the County Attorney's Office for form and legal sufficiency. It is also recommended that the Board authorize the County Mayor or the County Mayor's designee or the Trust, to apply for, receive, and expend additional future funds that may become available under this program; to file and execute any amendments to the application for and on behalf of the County; and to exercise amendments, modifications, renewal, cancellation, and termination clauses of any contracts and agreements, following review by the County Attorney's Office for form and legal sufficiency.

**SCOPE**

The Trust will convene the Second Annual Black Male Youth Mental Health Conference Series: *Helping to Guide Parents, Youth, and Police: Creating Policies and Practices to Secure a Harmonious Community*. The 2015 conference series will build on a prior theme of positioning mental health service providers, community leaders, educators, parents, and youth, to engage Black male youth and support their ability to produce positive life outcomes. The Grant will be used to cover the cost of the conference. The conference and the two forums will be held in County Commission Districts 1, 3, and 8.

**FISCAL IMPACT/FUNDING SOURCE**

The grant request of \$19,967.00 includes a cash match of \$3,000.00 from the Trust's trust account, which includes a budget line item for conferences, and an in-kind match of \$6,170.00 in staff support time. The project will not have an adverse fiscal impact to the County.

**TRACK RECORD/MONITOR**

The Trust has an extensive history of managing special projects and funded programs. The Trust will coordinate project implementation and management. The Trust will monitor and process the disbursement and expenditure of grant funds, and manage programmatic and fiscal reporting in accordance with project reporting and auditing procedures stipulated by The Children's Trust.

**BACKGROUND**

The Trust was established by the Board pursuant to Ordinance No. 92-12, as amended and codified at Article XLVIII, Section 2-501, et seq. of the Code of Miami-Dade County (Code). The Trust is a revocable trust, which is an agency and instrumentality of the County. The purpose of the Trust is to ensure the equitable participation of Blacks in Miami-Dade County's economic growth through advocacy and monitoring of economic conditions and economic development initiatives in the County.

The 2015 Black Male Youth Mental Health Conference Series builds on the prior theme of equipping mental health service providers, community leaders, educators, parents, and youth on how to produce positive outcomes with Black male youth. The focus of the 2015 conference will include violence prevention with adolescent males. The scope of violence prevention within this framework is designed to:

- Help service providers, educators, and community leaders' work in a more culturally competent manner which both engages youth, and allows them to acquire better conflict resolution skills, especially in their interactions with authority figures;
- Assist children and their parents in having a dialogue on what is needed to live more peaceful lives; and
- Inform the community regarding conference outcomes that are intended to support societal, legislative and policy changes.

On December 8, 2015, over 200 youth and mental health providers, educators, and leaders of organizations and agencies, will gather to promote the utilization of best practices and community-generated strategies to work effectively with Black male youth and their families. Two follow-up forums will be held on December 9 and 10.

The Trust has over 30 years of experience in planning and convening conferences, workshops, forums, seminars, and breakfast meetings, on a variety of topics (Youth Engagement, Family Empowerment, Economic Development, Advocacy, and Business Development).

The collaborative and participating partners for the conference and forums include: national and regional scholars and experts in their field (John V. Elmore, Esq., Kevin Washington, Ph.D., Cheryl Tawede Grills, Ph.D., Marva M. Robinson, Psy.D. and Joan A. Muir, Ph.D.). County Departments, and local agencies and organizations will include: Miami-Dade Police Department; Miami-Dade Juvenile Service Department; Miami-Dade Community Action and Human Service Department; the Association of Black Psychologist; Fatherhood Task Force of South Florida, Inc.; BME; Camillus House; Inc.; Children of Inmates; Chrysalis; Gang Alternative; Institute for Child and Family Health; New Horizons Community Mental Health

The short turnaround time imposed by The Children's Trust, did not allow sufficient time for the processing of the resolution and its submission to the Board prior to submission of the application. Further, although, the Trust, as an agent and instrumentality of the County, is authorized to act for the County in the performance and enforcement of all contracts, the Trust, pursuant to Section 2-506 of the Code, is not authorized, without the prior approval of the Board, to enter into or amend any contract which shall require the expenditure of funds in excess of the amounts appropriated to the Trust by the Board. Since the grant amount exceeds the amount appropriated to the Trust by the Board, the Trust seeks authorization from the Board to receive and expend the funds as well as any additional funds that may become available in the future.
