RESOLUTION NO. R-232-16

RESOLUTION AUTHORIZING THE SALE OF SIX COUNTY-OWNED PROPERTIES LOCATED IN FLORIDA CITY AT A TOTAL PRICE OF \$67,500.00 TO THE CITY OF FLORIDA CITY IN ACCORDANCE WITH SECTION 125.38, FLORIDA STATUTES; AUTHORIZING THE WAIVER OF ADMINISTRATIVE ORDER NO. 8-4 AS IT PERTAINS TO REVIEW BY THE PLANNING ADVISORY BOARD; AUTHORIZING THE CHAIRPERSON OR THE VICE-CHAIRPERSON OF THE BOARD TO EXECUTE COUNTY DEED; AND DIRECTING THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO TAKE ALL ACTIONS NECESSARY TO ACCOMPLISH THE CONVEYANCE OF SAID PROPERTIES AND TO EXERCISE ALL RIGHTS SET FORTH IN THE COUNTY DEED

**WHEREAS**, the City of Florida City (the "City") submitted an application, dated January 22, 2016, to the County, a copy of which is attached hereto as Attachment "A" and incorporated herein by reference, requesting the conveyance of six County-owned properties located within the City's municipal boundaries, which are more fully described in Attachments "B," "C," "D," "E," "F," and "G" attached hereto and incorporated herein by reference (the "County Properties"); and

**WHEREAS**, the City has a large supply of affordable, low income tax credit and public housing; and

**WHEREAS**, although there is a large supply of affordable, low income tax credit and public housing, the City has expressed a need for more market rate housing to be built in the City to house residents who do not otherwise qualify for such affordable, low income tax credit and public housing; and

**WHEREAS**, the City has also expressed that there is currently a shortage of market rate housing in the City; and

**WHEREAS**, the City advertised an Invitation to Bid seeking developers to develop 24 properties, including the County Properties and 18 properties owned by the City (the “City Properties”), with market rate housing; and

**WHEREAS**, the Invitation to Bid provides that the selected developer will not be bound to develop the County Properties in the event the County Properties are not conveyed to the City; and

**WHEREAS**, the City Commission has adopted a resolution to select DRE Development, LLC as the developer to develop the City Properties and the County Properties; and

**WHEREAS**, the City’s conveyance of the County Properties is conditioned on this Board’s approval of the conveyance of the County Properties to the City; and

**WHEREAS**, the City wishes to purchase the County Properties at a price of \$11,250.00 each which is the market value of each of the County Properties according to the Property Appraiser’s website; for a total price of \$67,500.00; and

**WHEREAS**, the County Properties are presently not buildable because they have been dug out and used for drainage, and therefore, the County Properties will require significant fill before they are buildable; and

**WHEREAS**, the City believes that by conveying the County Properties to the City, the City would be in a better position to expedite the construction of housing by the developer on the County Properties and the City Properties; and

**WHEREAS**, pursuant to Administrative Order No. 8-4, on June 23, 2015, Miami-Dade Internal Services Department announced the availability of the County Properties to all County departments to determine if they were interested in the County Properties; however no County department has expressed an interest in any of the County Properties; and

**WHEREAS**, this Board has reviewed and is satisfied with the information submitted in accordance with Resolution No. R-333-15 regarding the County Properties, which is attached hereto as Attachment “H” and incorporated by reference; and

**WHEREAS**, this Board finds that pursuant to Section 125.38, Florida Statutes, the County Properties are not needed for County purposes and that the conveyance of the County Properties to the City would be required for the intended use of promoting community interest and welfare; and

**WHEREAS**, this Board further finds pursuant to Section 125.38, Florida Statutes, that the conveyance of the County Properties to the City serves the best interest of the County and the residents of the City by creating housing that will elevate the income flowing into this area, thereby increasing economic prosperity in the community, and fulfilling the need for market rate housing; and

**WHEREAS**, the conveyance of the County Properties to the City is subject to the deed restriction described in the County Deed, attached hereto as Attachment “I,” that the County Properties shall be developed with market rate housing to be sold, or in the alternative, rented,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that:**

**Section 1.** The foregoing recitals are incorporated in this resolution and are approved.

RE: City Acquisition of County-owned Lots

Dear Commissioner Moss:

Currently, the City of Florida City has a large supply of affordable, low income tax credit and public housing. Although this type of housing is much needed by our residents, there is also a need for market rate housing, which is currently lacking in the City, to house families who do not otherwise qualify for affordable, low income tax credit and public housing. Such market rate housing would give rise to a general elevation of income flowing into this area, and would likewise result in an increase in economic prosperity in the community.

In an effort to increase the supply of market rate housing within the City, the City published an Invitation to Bid (ITB) on October 16, 2015 for 24 lots, including six owned by the County. These six lots are folio numbers:

16-7825-007-0120  
 16-7825-007-0100  
 16-7825-007-0090  
 16-7825-007-0080  
 16-7825-007-0070  
 16-7825-007-0060

Bids were due and received by the City on December 8, 2015. The ad was run in the Miami Herald. There were also a number of developers who expressed interest in the properties and each of them were emailed a copy of the ITB. The ITB required the bidders to bid in two ways, (1) the bidders provided a bid for all 24 lots and (2) they provided a bid for only the 18 lots already owned by the City. The bidding was done this way because we had not received an assurance from the County that the County would convey the six lots to us subject to the County Commission's approval. The ITB provided for the possibility of a two part sales process. We will close on the 18 lots and then option the six lots to be received from the County to the high bidder with closing to occur after conveyance of the lots from the County to the City. The City Commission will meet on January 27, 2016 to

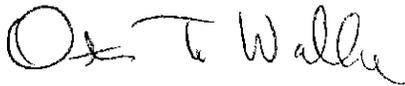

consider a resolution to award the properties to the highest bidder, DRE Development, LLC.

The housing units to be built will be owner occupied market rate housing, which will satisfy a need in the community. This will be one of the few market rate developments in the City. In the event there is a downturn in the market and the developer is unable to sell the units, the City would like the option to allow the developer to rent the units until they are sold. It is anticipated that all 24 structures will be completed in 24-30 months.

The City believes that by conveying the six County lots to the City, the City would be in a better position to expedite the construction of market rate housing by a developer on the County and City lots. To expedite this construction, the City is requesting that the County, in accordance with Section 125.38, Florida Statutes, sell the above listed six lots to the City for \$11,250 each, which is the assessed value of each of the lots according to the County's Property Appraiser's website. It should be noted that the six County lots were originally dug out for drainage and will require significant fill before they are buildable and will also require clearance from DERM. In light of the great need for market rate housing within the City, the City believes that the sale of the six lots and the construction of such housing would promote public and community interest and welfare.

Sincerely yours,

Otis T. Wallace, Mayor
