Subject: Recommendation for Approval to Establish a Pre-Qualification Pool: Gas and Electric Appliance Repair Services and Replacement Parts

Agenda Item No. 8(F)(1)

Resolution No. R-368-16

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the establishment of a pre-qualification pool, RTQ-00256, for the purchase of gas and electric appliance repair services and replacement parts for multiple County departments. The pool includes four (4) groups: 1) Repair of Commercial Electrical Appliances; 2) Repair of Commercial and Residential Gas Appliances; 3) Repair of Residential Electrical Appliances; and 4) Replacement Parts. The Miami-Dade Corrections and Rehabilitation Department has the largest allocation under the pool and will use the pool to maintain kitchen equipment (e.g., refrigerators, freezers, ranges, ovens, fryers, cook tanks and utility distribution systems) at its correctional facilities.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the pool's eight-year term is \$2,285,000. The current contract, 9081-4/14, is valued at \$3,075,000 for five (5) years and six (6) months. The method of award has been revised from a fixed price schedule to a prequalification pool, allowing the County to maximize competitive pricing while ensuring resource availability. The allocation has been reduced by approximately \$273,000 per year based on projected usage by County departments over the term of the pool.

Department	Allocation	Funding Source	Contract Manager
Aviation	\$20,000	Proprietary Funds	Neivy Garcia

Delegated Authority

Upon approval of this item, a pool of prequalified vendors will be established to participate in spot market competitions. The County Mayor or the County Mayor's designee will have the authority to solicit pricing and award contracts up to an aggregate amount of the allocation authorized by the Board.

The County Mayor or the County Mayor's designee will also have the authority to (a) exercise all provisions of the solicitation documents and any resulting contracts pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38, and (b) add vendors to the pool at any time, subject to ratification by the Board on a bi-annual basis.

Vendors Pre-Qualified for Pool

A Request to Qualify (RTQ) was issued on June 25, 2015 under full and open competition. The method of award was to prequalify all responsive and responsible vendors that met the minimum requirements as specified in the RTQ for participation in future spot market competitions. Eight (8) vendors responded to the solicitation, of which five (5) vendors satisfied the pre-qualification criteria. Additional qualified vendors may be added to the pool during the term of the RTQ.

Due Diligence

The lists that were referenced include convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to contractor responsibility.

Pursuant to Resolution No. R-140-15, prior to the re-procurement of the contract, a full review of the scope of services was conducted to ensure the replacement pool award best reflects the County's current needs. The review included conducting market research, posting a draft solicitation for industry comment, and holding meetings and drafting sessions with user departments.

Applicable Ordinances and Contract Measures

- The two (2) percent User Access Program provision applies and will be collected on all purchases, where permitted by the funding source.

- The Small Business Enterprise (SBE) Bid Preference and Local Preference ordinances will be applied at the time of spot market competition. An SBE set-aside applies for spot market competition up to \$100,000 when there are three (3) or more SBE-certified firms available.
