

Memorandum

Date: May 17, 2016

To: Honorable Chairman Jean Monestime
 and Members, Board of County Commissioners

From: Carlos A. Gimenez
 Mayor 

Subject: Request for Additional Time and Expenditure Authority to Contract No. C-1084(5),
 Microsoft Computer Equipment, Accessories, Hardware, Related Software and
 Services

Agenda Item No. 8(F)(4)

Resolution No. R-371-16

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize: (1) six (6) months of additional time and increased expenditure authority up to \$594,000 to *Contract C-1084(5), Microsoft Computer Equipment, Accessories, Hardware, Related Software and Services*, for the Information Technology Department; and (2) the accessing of an additional one-year renewal term if exercised by the State of Minnesota and an additional \$980,000 in expenditure authority.

The County accessed this competitively-established State of Minnesota contract to purchase Microsoft Surface Pro Tablets for County staff working in the field who require remote network access. The County's access of this contract was extended by the Board via Resolution No. R-567-15 and then administratively to ensure continuity of service while this item travels to the Board for approval.

The State of Minnesota extended its contract through December 31, 2016 with an option to renew for one (1) additional one-year term. Approval of this request to extend aligns the County's term of access with the State of Minnesota's contract term. The additional funds will be used to purchase Microsoft Surface Pro Tablets on behalf of the Public Library System, Police, Fire Rescue and the Water and Sewer Departments and to support operational needs throughout the County.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The County's access of this contract expires June 30, 2016. The contract has a current allocation of \$1,983,000. If this request is approved, the contract will have a modified value of \$2,577,000 and an expiration date of December 31, 2016. The requested increase for the six-month extension period is based on projected needs during that period.

If the State of Minnesota exercises the one-year option to renew term and the County accesses that term, the value of the option to renew term will be \$980,000.
