Memorandum

Date: May 17, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Resolution Authorizing an Interlocal Lease Agreement between the Town of Bay Harbor Islands and Miami-Dade County for Provision of Library Services by the Miami-Dade Public Library System at the Town of Bay Harbor Islands Community Center

This substitute version differs from the original in that: (1) it specifies that the \$10.00 per year lease payment will be paid from Library user fees and fines assessed pursuant to IO 4-97 and (2) the funding source for staffing, operating, and capital costs will be Library Taxing District Revenues.

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the execution of the attached Interlocal Lease Agreement (Interlocal) between Miami-Dade County (County) and the Town of Bay Harbor Islands (Town), a municipal corporation of the State of Florida. This Interlocal establishes the terms and conditions by which the Miami-Dade Public Library System (MDPLS) will provide library services to the Town within the Bay Harbor Islands Community Center, located at 1185 95 Street, Bay Harbor Islands, Florida.

The Bay Harbor Islands Town Council approved this Interlocal (Attachment 1) at its March 14, 2016 meeting. Additionally, the Town Council also approved a Resolution to join the Miami-Dade Library Taxing District effective October 1, 2016 (Attachment 2).

Scope

The property is located in County Commission District 4, represented by Commissioner Sally A. Heyman.

Fiscal Impact/Funding Source

As a result of the Town becoming a part of the Miami-Dade Library Taxing District, the provision of library services to the Town will be revenue-neutral. It is estimated that the Town will generate an additional \$224,000 in new revenue to the Library Taxing District in FY 2016-17. The additional revenue will fully offset MDPLS' estimated start-up and operating expenditures to provide library services to the Town in FY 2016-17, as well as future-year operating expenditures. The funding source for staffing, operating, and capital costs will be Library Taxing District Revenues, and the \$10.00 per year lease payment will be paid from Library user fees and fines assessed pursuant to IO 4-97.

Track Record/Monitor

The County has no record of negative performance issues with the Town. Ray Baker, Assistant Director for the MDPLS, is managing this project for the County.

Delegation of Authority

Authorizes the County Mayor or the County Mayor's designee to execute the attached Interlocal Agreement, and exercise all cancellation, termination, renewal and other County rights conferred herein, except that any amendment to the Interlocal Agreement shall be brought to the Board approval.

Background

Over the past several years, the Town has been in the process of finalizing the design and interior build-out of its new 8,000 square foot community center. Throughout this process, the Town has expressed interest in joining the Miami-Dade Library Taxing District, as well as in having a small library location (1,500 square feet) built-out within the community center. The last extensive discussions between the Town and MDPLS occurred in October 2012. In June 2015, the Town Mayor and Manager approached the County to re-visit the feasibility of the Town joining the Library Taxing District and establishing a library location. MDPLS began negotiations with the Town, including multiple site visits to the proposed location, and multiple meetings with the Town Manager, Assistant Town Manager, and the Town's architect for the community center/library location. The County and the Town were able to reach agreement on a service model that ensures the provision of a full-service library within the designated location, while also ensuring that revenue generated by the Town joining the Library Taxing District fully offsets future-year operating expenditures.

Some of the highlights of the Interlocal are as follows:

- The Town will be solely responsible for the cost of the build-out of the community center, inclusive of the approximately 1,500 square feet of space to be partitioned for the library;
- The Town will cover the cost of all utilities, janitorial service, pest control, and building repairs and maintenance in Year 1 of the Interlocal; in Year 2, the County will begin to make an annual payment of \$3,600 to the Town, with a one (1) percent annual increase each year thereafter;
- The County will pay a nominal lease payment to the Town of \$10.00 per year for use of the facility;
- The County will be responsible for staffing the library, as well as providing the materials collection, furniture, information technology equipment, and related items necessary to function as a full-service library; and
- The County will operate the library five (5) days (40 hours per week) in Year 1, with operating hours to be aligned with peak usage of the community center.

The term of the Interlocal Lease Agreement will be 30 years with the right to renew the Interlocal for two (2) additional 30-year terms upon mutual agreement. The co-location of the proposed branch with the Town's community center provides a unique partnership opportunity that will allow the Town and the County to maximize programming opportunities, to the benefit of both the Town residents and the residents of the entire Miami-Dade Library Taxing District. Additionally, this partnership is reflective of MDPLS' strategic direction in creating flexible, community-oriented locations that maximize opportunities for access to library resources and services.

Additionally, the TOWN shall install security cameras/burglar alarm system for the building that is able to hold 30 days of camera recordings, and, cooperate with the COUNTY when access is needed to security camera or related incident records.

2. Obligations of the COUNTY

- a. The COUNTY, through its Miami-Dade Public Library System (MDPLS), at its sole cost and expense, will operate a full-service library facility within the aforementioned location, including the provision to the TOWN of on-site Library staff, a wide-ranging collection of printed books and materials, computers, tablets, and Wi-Fi for in-house use within the library facility. The residents of Bay Harbor Islands will also enjoy access to all existing and future MDPLS facilities, as well as access to all other services, rights and privileges currently afforded to members of the Miami-Dade Library Taxing District.
- b. The COUNTY shall work with the TOWN on tailoring programming offerings, provided either directly by MDPLS, or in partnership with TOWN staff, to meet the needs of TOWN residents, as well as to ensure the ongoing success of this partnership.
- c. For the first year of this lease, the COUNTY will provide 5 days of service per week (40 hours of service), and will work with the TOWN on establishing the hours and days of operation to best align with peak usage of the Bay Harbor Community Center by TOWN residents. Prior to the beginning of the second year of this lease, and each year thereafter, the COUNTY will work with the

TOWN to further refine operating hours and days of operation, staffing levels, materials collection, programming levels, capital expenditures, or, some combination thereof, to address community interests and needs, as necessary.

However, the provision of Library hours, services, equipment, materials, and staffing are ultimately subject to the availability of funding to the entire Miami-Dade Library Taxing District, that which is approved annually by the Miami-Dade County Board of County Commissioners. The library branch will be operated in accordance with all rules and regulations of the Miami-Dade Public Library System. The estimated first-year start-up and operating costs are detailed in Exhibit B, attached hereto.

- d. The COUNTY shall be responsible for equipping the library space with items needed to operate a full-service library branch, including furniture, shelving, printed books and materials, office equipment, computer hardware and software, and other information technology equipment.

3. Library Access

It is agreed that the completed library space shall be open to use by all County residents, regardless of residency within the TOWN.

Upon completion, the library shall be named the "Miami-Dade Public Library System Bay Harbor Islands Branch". The COUNTY shall provide, and the TOWN shall allow, signage that is in accordance with both, County branding standards and code provisions for signage at Library facilities, as well as applicable TOWN code provisions for exterior signage.

During Year One of the Lease, the TOWN will be responsible for all costs associated with electric, water & sewer, janitorial, building repairs and maintenance, and pest control services for the library space. Beginning in Year Two of the Lease (October 1, 2017), and each year thereafter, the COUNTY will make an annual payment of \$3,600 to the TOWN as a contribution towards the TOWN's expenditures on the aforementioned items. This amount will increase by one (1) percent beginning on October 1, 2018, and increase by one (1) percent each year thereafter. At the conclusion of this Interlocal Agreement, all COUNTY property shall remain the property of the COUNTY, and all TOWN property shall remain the property of the TOWN. The COUNTY and the TOWN shall establish a mutually agreeable timeframe for removal of all COUNTY property at the conclusion of the lease.

The County Mayor and the Town Manager shall have the authority to cancel this Agreement in the name of the COUNTY and TOWN, respectively. If this Interlocal Agreement is terminated by the TOWN, the TOWN recognizes that it remains part of the Miami-Dade Library Taxing District until such time as the TOWN COUNCIL approves a Resolution, meeting the requirements and withdrawal timelines of the Miami-Dade County Property Appraiser's Office, to withdraw from the Miami-Dade Library Taxing District. Alternatively, the TOWN, at its sole cost and expense may identify an alternate location, mutually agreed upon by the COUNTY and the TOWN, to continue providing library service within the TOWN's municipal boundaries. The COUNTY recognizes that the TOWN has agreed to join the Miami-Dade Library Taxing District with the understanding that a branch location will be located within the municipal boundaries of the TOWN, and, that if this Interlocal Agreement is terminated by the COUNTY, the COUNTY, at its sole cost and expense, would be required to identify an alternate location to provide library service within the TOWN.

TOWN TO JOIN THE MIAMI-DADE LIBRARY TAXING
DISTRICT.**

WHEREAS, the Miami-Dade Public Library System ("MDPLS") provides public library services reflecting the informational, educational, and recreational needs of the County; and

WHEREAS, the MDPLS funding model is a special taxing district. By definition, a special taxing district is a geographic area in which particular services are provided exclusively to residents of that area. According to MDPLS' special taxing district ("Library Taxing District") provides 94% of the MDPLS' revenues; the other funds are made up of state aid, fines and fees, and other miscellaneous revenues including grant funding. The current MDPLS Millage rate (or rate of taxation) for the Library Taxing District is 0.2840. In other words, a property valued at \$100,000 would yield \$28.40 in taxes for the Library Taxing District; and

WHEREAS, the Town is finalizing the Bay Harbor Community Center at 1185 95th Street, Bay Harbor Islands ("Community Center"), that includes space designated for a library facility; and

WHEREAS, the Town and Miami-Dade County ("County") have negotiated certain terms and conditions, related to provision of library services to the Town, including a provision requiring the County to provide Library service at the Community Center within ninety (90) days or less of the Town joining the Library Taxing District, as well as terms and conditions for the County's occupancy of the designated library space within the Community Center; and

WHEREAS, the Town is required to join the Library Taxing District in order to have a library branch within the Community Center.

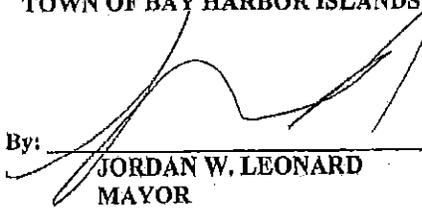

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF BAY HARBOR ISLANDS THAT:

1. The Town shall join the Library Taxing District effective October 1, 2016.
