Subject: Recommendation for Approval to Extend Prequalification Pool No. IB5709-0/16, Floor
Machine Parts and Repair Services

Agenda Item No. 8(F)(2)

Resolution No. R-472-16

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request to extend *Prequalification Pool No. IB5709-0/16, Floor Machine Parts and Repair Services*, for five (5) additional years and increase expenditure authority by \$238,000. This pool was established on May 1, 2011 for a five-year term and provides County departments with access to prequalified vendors who compete via spot market quotes to repair various floor machines, including, but not limited to, scrubbers, vacuum cleaners, buffers, pressure washers, burnishers, wet-vacs, dryers and shampoo machines. The pool was extended administratively by three (3) months to enable departments to continue receiving services while this item travelled to the Board.

The requirements and terms and conditions of the pool would not change if a replacement solicitation were to be issued. It is anticipated that the same vendors would prequalify for the replacement solicitation. Additional qualified vendors may be added to the pool at any time during the term of the pool, subject to bi-annual ratification by the Board.

This prequalification pool will remain advertised on the County's Procurement Management Services website to encourage additional participation. Outreach to registered vendors was conducted to encourage prequalified vendors to apply. All three (3) pool vendors are local firms, of which one (1) is a certified Small Business Enterprise. It is in the County's best interest to modify the existing pool for an additional five-year period so user departments are able to continue purchasing floor machine parts and repair services for their equipment.

This item is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This item may only be considered by the Board if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this pool extension. If the CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this item, I will request a withdrawal of this item.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

This pool has an existing allocation of \$256,000 and expires on July 31, 2016. The requested additional allocation of \$238,000 is based on anticipated usage during the five-year extension period. The allocation for the extension period is less than the current amount due to a reduction in overall anticipated usage as set forth in the table below.

Department	Existing Allocation	Additional Allocation Requested	Modified Allocation	Funding Source	Contract Manager
Aviation	\$9,000	\$0	\$9,000	Proprietary Funds	Neivy Garcia
Corrections and Rehabilitation	40,000	39,000	79,000	General Fund	Ana Hassun
