

Memorandum

Date: June 7, 2016

To: Honorable Chairman Jean Monestime  
 and Members, Board of County Commissioners

Agenda Item No. (8)(F)(1)

From: Carlos A. Gimenez  
 Mayor

Subject: Request for Additional Time and Expenditure Authority to Prequalification Pool No. 9122-4/15-4, Veterinary Services

Resolution No. R-471-16

**Recommendation**

It is recommended that the Board of County Commissioners (Board) approve an extension of *Prequalification Pool No. 9122-4/15-4, Veterinary Services*, for five (5) additional years and increase expenditure authority by \$1,250,000. This pool was established on September 15, 2009 for a two-year term with four (4) one-year options to renew for use by the Miami-Dade Animal Services Department to obtain veterinary services. The pool consists of pre-qualified veterinarians that supplement Animal Service's veterinary staff.

The requirements, terms, and conditions of the pool would not change if a replacement solicitation were to be issued. It is anticipated that the same vendors would prequalify for a replacement solicitation. Additional qualified vendors may be added to the pool at any time during the term of the pool, subject to bi-annual ratification by the Board. This prequalification pool will remain advertised on the Internal Services Department's Procurement Management Services website to encourage additional participation. Outreach to registered firms was conducted to increase the number of prequalified firms. It is in the County's best interest to modify the existing pool for an additional five-year period so Animal Services is able to continue purchasing supplementary veterinary services.

**Scope**

The impact of this item is countywide in nature.

**Fiscal Impact/Funding Source**

This pool has an existing allocation of \$876,000 for the current 18-month term, which includes a six-month administrative extension, and expires on June 30, 2016. This requested additional allocation of \$1,250,000 is based on the anticipated usage during the five-year extension period. The yearly allocation for the extension period has decreased due to the hiring of two (2) full-time veterinarians.

Department	Existing Allocation for the Current Option to Renew Term	Additional Allocation Requested	Modified Allocation	Funding Source	Contract Manager
Animal Services	\$876,000	\$1,250,000	\$2,126,000	General Fund	Maria Serrano
Total	\$876,000	\$1,250,000	\$2,126,000		

**Track Record/Monitor**

Caroline Burgos, CPPB, of the Internal Services Department is the Procurement Contracting Officer.

**Delegated Authority**

The County Mayor or County Mayor's designee will have the authority to exercise all provisions of any resultant contract pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.

The County Mayor or the County Mayor's designee may add qualified vendors to the pool at any time during the term of the pool, subject to bi-annual ratification by the Board. The County Mayor or the County Mayor's designee will also have the authority to solicit pricing and award contracts up to an aggregate contract amount of the allocation authorized by the Board.
