

Memorandum

Date: July 6, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

Agenda Item No. 8(F)(4)

From: Carlos A. Gimenez
Mayor

Subject: Recommendation for Approval to Award Energy Policy Act of 2005 Consultant Services

Resolution No. R-616-16

Recommendation

It is recommended that the Board of County Commissioners (Board) approve award of *Contract No. RFP-00297, Energy Policy Act of 2005 Consultant Services*, to Efficiency Energy, LLC (Efficiency Energy) for the delivery of consulting services to enable the County to capitalize on tax rebate revenues available under federal law for qualifying energy efficient buildings and construction projects. The Regulatory and Economic Resources Department, through its Office of Resilience, will oversee this contract on behalf of the County.

Section 179D of the Internal Revenue Service Code (Energy Efficient Commercial Buildings Deduction) enacted under Section 1331 of the Energy Policy Act of 2005 allows designers, including architects, engineers, contractors and environmental consultants, to receive tax deductions for completing qualifying energy efficient construction projects on property owned by local governments. This is the case only where the government entity owner allocates the deduction to the designer. Under this contract, Efficiency Energy shall assist the County in the (1) negotiation of agreements with project designers to maximize payment to the County in return for the County's assignment of the tax deduction to the designer, (2) determination of project eligibility, (3) achievement of tax deductibility, and (4) identification of future projects that are eligible for tax deductions.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

Under the contract, Efficiency Energy will receive 15 percent of the rebate revenue the County retains from the designer over the contract's initial five-year term and five (5), one-year options to renew. Negotiations with Efficiency Energy resulted in a reduction from the original proposed retention of 20 percent of the rebate revenue. Actual revenues cannot be determined until eligible projects have been identified and tax deductibility has been confirmed by Efficiency Energy. However, the potential revenue value of the contract, including the optional years, may exceed \$1,000,000.

The allocation requested for the five-year term is \$300,000. Should the legislation allowing these deductions be further extended beyond the current December 31, 2016 cutoff, and the County chooses to exercise the five (5), one-year options to renew, the estimated cumulative allocation would be \$800,000.

Department	Allocation	Funding Source	Contract Manager
Regulatory and Economic Resources	\$300,000	Rebate Revenue	Patricia Gomez
Total	\$300,000		

Track Record/Monitor

Beth Goldsmith of the Internal Services Department is the Procurement Contracting Officer. Patricia Gomez of the Regulatory and Economic Resources Department is the Contract Manager.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the contract, including any cancellation, renewal and extension provisions, pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.

Vendor Recommended for Award

A Request for Proposals (RFP) was issued under full and open competition on November 2, 2015. Two (2) proposals were received in response to the solicitation. The RFP method of award was used to obtain the best value to the County by conducting a qualitative review of proposals, including qualifications, experience, and technical capability.

The Contractor shall exercise control over the means and

manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the County shall be that of an independent contractor and not as employees and agents of the County.

ARTICLE 14. AUTHORITY OF THE COUNTY'S PROJECT MANAGER

- a) The Contractor hereby acknowledges that the County's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, this Agreement including without limitations: questions as to the value, acceptability and fitness of the Services; questions as to either party's fulfillment of its obligations under the Contract; negligence, fraud or misrepresentation before or subsequent to acceptance of the Contractor's Proposal; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.
- b) The Contractor shall be bound by all determinations or orders and shall promptly comply with every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Contractor agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.
- c) The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in this Article. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- d) In the event of such dispute, the parties to this Agreement authorize the County Mayor or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the County Mayor's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the County Mayor within 10 days of the occurrence, event or act out of which the dispute arises.
- e) The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Mayor is entitled to exercise discretion or judgement or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be fair and impartial when exercised or taken. The County Mayor, as appropriate, shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

ARTICLE 15. MUTUAL OBLIGATIONS

- a) This Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereto unless acknowledged in writing by the duly authorized representatives of both parties.
- b) Nothing in this Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.
- c) In those situations where this Agreement imposes an indemnity obligation on the Contractor, the County may, at its expense, elect to participate in the defense if the County should so choose. Section 1331 of the Federal Energy Policy Act of 2005, as amended, enacted and later extended §179D of the Internal Revenue Service Code, which provides a tax deduction with respect to energy efficient buildings. (See *Attachment No.1- 2 U.S.C. §179D* and *Attachment 2- IRB: 2008-14, Notice 2008-40*). §179D allows a deduction to a taxpayer for: 1) part or all of the cost of energy efficient commercial building property that the taxpayer places in service after December 31, 2005, and before January 1, 2017, unless otherwise extended, and 2) part or all of the cost of certain partially qualifying commercial building property that the taxpayer places in service after December 31, 2005, and before January 1, 2017, unless otherwise extended.

In the case of energy efficient commercial building property (or partially qualified commercial building property for which a deduction is allowed under §179D) that is installed on or in property owned by a Federal, State or local governmental or political subdivision thereof, the owner of the property may assign the §179D deduction to the Designer. If the assignment of a §179D to a Designer satisfies the requirements of this section, the deduction will be allowed only to that Designer. The deduction will be allowed to the Designer for the taxable year that includes the date on which the property is placed in service. The Contractor shall not act as a representative or otherwise contract with a Designer for any County project for which services are provided under any contract awarded as a result of this solicitation.
