

# Memorandum

**Date:** June 7, 2016  
**To:** Honorable Chairman Jean Monestime  
and Members, Board of County Commissioners  
**From:** Carlos A. Gimenez  
Mayor   
**Subject:** Recommendation for Approval to Exercise the Remaining Renewal Periods  
under Contract No. EPP-RFP8570-7(10), Electronic Voting System

Agenda Item No. 8(F)(6)

Resolution No. R-475-16

## Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the County Mayor or County Mayor's designee to approve the three (3) remaining option to renew periods under *Contract No. EPP-RFP8570-7(10), Electronic Voting System*. The Electronic Voting System (System) is administered by the Information Technology and Communications Departments on behalf of the Clerk of the Board and the County Commission. The Board's approval is required as the value of the requested renewal periods bring the aggregate contract value over the Mayor's delegated authority. This item is exempt from Committee review per Ordinance No. 07-139, which permits contract renewals to be heard directly by the Board.

The contract was awarded in June 2008 under the delegated authority at the time to Granicus Inc. (Granicus) for a one-year term with ten (10) one-year options to renew. The contract provides the County with an Electronic Voting System through which votes are tabulated and attendance captured at Board and Committee meetings. Through the System, votes per item are electronically recorded when Commissioners vote on an item via individual touch screen panels. The System then automatically logs voting information in the Clerk of the Board's meeting minutes and publishes that information by posting it on the County's intranet. In addition, the system is used for the webcasting and later archiving of Board and Committee meetings as well as certain press conferences. The system is also used to house departmental training videos for use throughout the County.

Prior to the decision to exercise the remaining option to renew periods, market research was conducted to assess competitive factors such as pricing, quality, product features, operational functionality and capital commitment by the vendor. Exercising the renewal periods is in the County's best interest as Granicus is the proprietary owner of the System and thus the sole provider of the required maintenance and support services for the hardware components as well as the hosting services for the associated software.

## Scope

The impact of this item is countywide in nature.

## Fiscal Impact/Funding Source

The contract, which is in it's the seventh, one-year option to renew period, is valued at \$78,000 and expires on June 10, 2016. As seen in the table below, the total value of the three (3) requested renewal periods is \$234,000. If all renewal periods are exercised, the contract's expiration date will be June 10, 2019, and the contract's cumulative value will be \$1,223,570.

Pursuant to Resolution No. R-98-12, staff contacted the awarded vendor to negotiate the renewal pricing for the next available option to renew period. The result was a continuation of the original contract pricing. Accordingly, it is in the best interests of the County to renew this contract for continuity of service and pricing.
