Subject: Resolution Authorizing the Acceptance of a Perpetual Easement from the Florida Department of Transportation for the Miami-Dade County Department of Transportation and Public Works to Exercise the Continued Operation and Maintenance of the Existing Brickell Loop Metromover System along SE 1 Avenue between SE 5 Street and SE 6 Street, Miami, Florida; and Authorizing the County Mayor or the County Mayor's Designee to Exercise Any and All Rights Conferred Therein

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution for the acceptance of a perpetual easement from the Florida Department of Transportation (FDOT) for the Miami-Dade County Department of Transportation and Public Works (DTPW) to exercise the continued operation and maintenance of the existing Brickell Loop Metromover System along FDOT owned SE 1 Avenue between SE 5 Street and SE 6 Street, Miami, Florida; and authorizing the County Mayor or the County Mayor's Designee to exercise any and all rights conferred therein.

SCOPE

The easement is located within Commissioner Bruno A. Barreiro's District 5.

FISCAL IMPACT

There is no fiscal impact to the County with the conveyance of this easement.

TRACK RECORD/MONITOR

It is customary for FDOT, or the County, to convey or donate easements for public necessities. The person responsible for monitoring this easement is Froilan I. Baez, Chief, DTPW's Right of Way, Utilities and Joint Development Division.

BACKGROUND

In 1980, FDOT acquired a parcel of land for a project along South Miami Avenue, as scoped in its Financial Project ID No. 251039-1-52-01. The parcel was to provide vehicular and pedestrian connection between SE 5 Street and SE 6 Street. Prior to the construction of the Brickell Loop Metromover System the County constructed a two (2) lane road upon said parcel for access needed to the local neighborhood. The City of Miami (City) has been maintaining this roadway since 1988 without any formal transfer of ownership. As such, FDOT desires to transfer SE 1 Avenue between SE 5 Street and SE 6 Street to the City since this road is not part of its State Road Highway System.

As part of this transfer DTPW requests an easement be granted to the County for the purpose of operating and maintaining the existing Brickell Loop Metromover System. FDOT previously conveyed to the County easements for roadway crossings along the same Metromover path at SE 7 Street, SE 8 Street, and SE 13 Street pursuant to Resolution R-1338-90. Unfortunately, SE 1 Avenue between SE 5 and SE 6 Streets was unidentified as a state road crossing and was, therefore, not included in the resolution.

Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

The easement described in Exhibit "A" is required before the conveyance of the roadway to the City as referenced in the Perpetual Easement attached to the resolution.
