Agenda Item No. 8(L)(1)

Resolution No. R-556-16

Subject: Rescinding Resolution No. R-987-14 - Allocation of Economic Development Fund
Project 124 to Miami Executive Aviation, LLC., Aviation Corporate Hangar Project

Recommendation

It is recommended that the Board of County Commissioners (Board) rescind the \$500,000.00 allocation of funding from the Building Better Communities General Obligation Bond (BBC-GOB) Program, Economic Development Fund Project 124 (Project No. 124) to Miami Executive Aviation Corporate Hangar, LLC (Developer), which was authorized through Resolution No. R-987-14.

Scope

This project is located in District 1, which is represented by Commissioner Barbara J. Jordan.

Fiscal Impact/Funding Source

There will be no fiscal impact to the County with the approval of this item. Rescinding the \$500,000.00 allocation to the Developer will make the funds available for reallocation to other eligible Project No. 124 projects.

Background

On November 5, 2014, the Board approved Resolution No. R-987-14, which allocated \$500,000.00 to the Developer for the Aviation Corporate Hangar Project and also directed the Mayor or Mayor's designee to begin negotiating the terms of a grant agreement. The Resolution further directed that the grant agreement between the County and the Developer be submitted to the Board for approval.

In April 2015, the Department of Regulatory and Economic Resources provided the Developer with a draft grant agreement in an effort to begin negotiations. The Developer acknowledged receipt, but did not return the grant agreement with draft changes to commence negotiations. In July 2015, a revised grant agreement was sent to the Developer with a submission deadline. The Developer communicated that a grant agreement would not be submitted by the deadline. In November 2015, staff communicated to the Developer that an extension of six (6) months had been granted in order to continue negotiating grant agreements. At that point, the Developer advised they would not be pursuing BBC-GOB Program funding. Therefore, it is recommended that the Board rescind the allocation to the Developer for the Aviation Corporate Hangar Project.
