

Memorandum

Date: July 6, 2016

To: Honorable Chairman Jean Monestime
 and Members, Board of County Commissioners

Agenda Item No. 8(F)(12)

From: Carlos A. Gimenez
 Mayor

Subject: Request for Additional Expenditure Authority to Contract No. 5941-0/17, Turnout Gear Inspection, Repair and Cleaning

Resolution No. R-624-16

Recommendation

It is recommended that the Board of County Commissioners authorize increased expenditure authority of \$700,000 to *Contract No. 5941-0/17, Turnout Gear Inspection, Repair and Cleaning*, for the Miami-Dade County Fire Rescue Department. This contract was originally approved on February 26, 2013 under the County Mayor's delegated authority for a five-year term and is used by the Fire Rescue Department for inspection, cleaning, repair, decontamination and tracking services for turnout/bunker gear (i.e., personal protective equipment used by firefighters). A firefighter's bunker gear consists of a helmet, hood, coat, trousers, gloves and boots. The proper maintenance of that gear is set by the National Fire Protection Association (NFPA) Standard 1851, which establishes requirements for the selection, care, and maintenance of fire-fighting protective ensembles to reduce health and safety risks associated with improper maintenance, contamination or damage.

The Fire Rescue Department has a bunker gear cleaning program that initially had a relatively low level of staff participation. From 2006 to 2016, staff participation in the bunker gear cleaning program has increased by approximately 55 percent. The department forecasts continued levels of increased staff participation in the program throughout the remainder of the contract term due to a greater collective understanding of the import of having personal protective equipment serviced on a yearly basis. The increased participation levels has resulted in the near depletion of the department's current allocation, necessitating this request for increased spending authority.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

This contract expires on April 30, 2018 and had an initial allocation of \$802,000. Since contract award, there has been one (1) modification valued at \$161,000 approved under the administrative delegated authority, resulting in the current \$963,000 allocation. If approved, this modification will authorize additional expenditure authority of \$700,000, increasing the total contract value to \$1,663,000 as set forth below.

Department/Agency	Existing Allocation	Additional Allocation Requested	Modified Allocation	Funding Source	Contract Manager
Fire Rescue	\$963,000	\$700,000	\$1,663,000	Fire District	Marianela Betancourt
Total:	\$963,000	\$700,000	\$1,663,000
