Miami-Dade County

Additional 2016 Federal Legislative Priorities

June 7, 2016

- **Homeless Assistance Grants – ADVOCATE** and **SUPPORT** renewing and expanding investments for permanent supportive housing to allow Miami-Dade to meet the national goal of ending chronic homelessness by 2017.
- **Surface Transportation Block Grant Set Aside Program (STBG) – SUPPORT**
Formerly known as the Transportation Alternatives Program, the FAST act set aside approximately \$800 million/year for bike and pedestrian projects (within this pot, retained the recreational trail program). Miami-Dade County needs STBG funds to help plan, design and construct a wide variety of active transportation corridors, bike paths and trails and streetscape improvements that generate not only healthy transportation options but also generate economic activity and growth.
- **Public Housing & Section 8 Housing - ADVOCATE** for increased federal funding from HUD for public housing and Section 8 programs. Funding for these programs will ensure the preservation of existing housing stock and improvement of federally-funded programs that provide crucial affordable housing and rental subsidies to low-income families.
- **Sea Level Rise Mitigation - SUPPORT** efforts to provide federal funding for beach sea level rise mitigation and erosion on an as-needed basis.
