WHEREAS, Miami-Dade County contracts for a wide range of private security guard services; and

WHEREAS, in contracting for security guard services, the County commonly uses armed security guards at County facilities; and

WHEREAS, these armed security guards are deployed in County facilities that are heavily used by County employees, residents and visitors to Miami-Dade County such as Miami International Airport, courthouse facilities, public transit facilities and County Hall; and

WHEREAS, the Board wants to ensure the safety of its employees, residents and visitors by requiring that any armed security guards provided under County contracts are lawful, highly-trained and competent professionals; and
