RESOLUTION NO. R-670-16

RESOLUTION DECLARING A STATE OF PUBLIC AWARENESS OF MOSQUITO-BORNE ILLNESSES AND THE THREAT THEY POSE TO THE RESIDENTS OF MIAMI-DADE COUNTY; DIRECTING THE COUNTY MAYOR OR MAYOR'S DESIGNEE TO EDUCATE AND INFORM THE PUBLIC OF THE THREAT OF MOSQUITO-BORNE ILLNESSES

WHEREAS, a number of mosquito-borne illnesses have been found in Miami-Dade County, including the dengue fever, chikungunya virus, and most recently, the Zika virus; and

WHEREAS, the Zika virus causes a disease for which no known cure exists, causing fever, rashes, joint pain, and conjunctivitis; and

WHEREAS, Zika virus disease in pregnant women has been linked to subsequent birth defects, including microcephaly; and

WHEREAS, many babies born to mothers infected by the Zika virus die in infancy, and the majority, if not all, of those who survive will have severe long-term developmental problems; and

WHEREAS, additionally, the Brazil Ministry of Health has reported an increased number of people who have been infected with the Zika virus who also have Guillain-Barre syndrome, an uncommon sickness of the nervous system in which a person's own immune system damages the nerve cells, causing muscle weakness and sometimes paralysis; and

WHEREAS, Zika virus is primarily transmitted to humans from mosquitos; however, it is also sexually transmitted, and public health officials and epidemiologists alike have not been able to determine the full list of possible ways the virus may be transferred; and

WHEREAS, mosquitos become infected when they feed on a person already infected with the virus, then they spread the virus to other people through bites; and

WHEREAS, Zika virus is transmitted by the *Aedes* species mosquito, the same type of mosquito that spreads dengue and chikungunya viruses; and

WHEREAS, these mosquitos typically lay eggs in and near standing water in things like buckets, bowls, animal dishes, flower pots and vases, and live indoors and outdoors near people; and

WHEREAS, of the 113 Zika diagnoses statewide, 44 individuals have been identified in Miami-Dade County as of May 18, 2016; and

WHEREAS, there have been no locally acquired Zika virus cases in the United States, but experts say that it is inevitable that infected mosquitos will start biting people and spreading the virus in this country; and

WHEREAS, mosquito season in South Florida begins in late May and ends in October; and

WHEREAS, Miami-Dade TV is the County's government access television station, carried by all cable television systems in Miami-Dade County, and is an excellent outlet for informing the public of the risks of mosquito-borne illnesses; and

WHEREAS, this Board desires to increase public awareness of the threat of mosquito-borne illnesses by declaring a state of public awareness of mosquito-borne illnesses and the threat they pose to the residents of Miami-Dade County,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:

Section 1. Declares a state of public awareness of mosquito-borne illnesses and the threat they pose to the residents of Miami-Dade County.

Section 2. Directs the County Mayor or Mayor's designee to educate and inform the public of the threat of mosquito-borne illnesses. Such efforts to educate and inform must include advertisement on Miami-Dade TV.

The Prime Sponsor of the foregoing resolution is Senator Javier D. Souto. It was offered by Commissioner **Dennis C. Moss**, who moved its adoption. The motion was seconded by Commissioner **Rebeca Sosa** and upon being put to a vote, the vote was as follows:
