Subject: Resolution Approving Interlocal Agreement with the Village of Palmetto Bay and Authorizing its Execution for a Building Better Communities General Obligation Bond Economic Development Fund Grant for Downtown Palmetto Bay Development Project

This item was amended at the July 14, 2016 Economic Prosperity Committee meeting to adopt and incorporate recommendations from the Office of the Inspector General related to: 1) waiving the eligibility requirements for applicants of Project 124 funds, as set forth in the Administrative Rules and as amended by Resolution No. R-668-10, to allow the Village of Palmetto Bay to be an eligible applicant, and 2) requiring that pay requisitions include documentary evidence demonstrating the actual expenditure of funds prior to release of concurrent grant funds.

Recommendation

Attached for consideration by the Board of County Commissioners (Board) is a resolution that approves an Interlocal Agreement (Interlocal) with the Village of Palmetto Bay, Florida (Village), which is associated with a previously approved allocation by this Board in the amount of \$7.5 million from Building Better Communities General Obligation Bond (BBC-GOB) Program Project No. 124 Economic Development Fund (Project No. 124) for Downtown Palmetto Bay Development (GOB Project). The attached resolution also authorizes the County Mayor or County Mayor's designee to execute the Interlocal Agreement on behalf of the County if approved by the Board.

It is recommended that the Board approve the Interlocal between the Village and the County. Approval of the Interlocal will fund certain public infrastructure improvements (described in Exhibit A to the Interlocal) in connection with the revitalization of its Downtown District in the southwestern area of the Village (Development). Phase I of the Development is the Downtown Streetscape Project, which involves the transformation of Franjo Road into a pedestrian-friendly street, and the construction of new lateral roads. Phase II is the Transit Station that involves the construction of a transit station with ground retail and upper level parking.

The total anticipated cost of the public infrastructure improvements under Phase I is projected at \$12.44 million. The Village will be responsible for the remaining \$4.94 million. Pursuant to the Interlocal, all reimbursements to the Village shall be in accordance with the BBC-GOB Program Administrative Rules (Administrative Rules).

It is also recommended that the Board waive the eligibility requirements for applicants of Project 124 funds, as set forth in the Administrative Rules and as amended by Resolution No. R-668-10, to allow the Village to be an eligible applicant for Project 124 funds so that the Village can receive the funds to proceed with the GOB Project. Lastly, it is recommended that the Board waive the requirements of Resolution No. R-130-06, which requires that all contracts must be fully negotiated and executed by a non-County party, because the Village needs to reapprove the amended Agreement.

Scope

The GOB Project shall conduct Phase I along Franjo Road and an ancillary street from SW 184 Street to US 1 and Phase II along Franjo Road and Hibiscus Street, which is located in County Commission District 8 and represented by Commissioner Daniella Levine Cava.

Although economic development opportunities and job creation are expected to accrue primarily in County Commission District 8, the overall impact of renewed economic activity and additional jobs that will result from the Development are expected to be countywide.

Fiscal Impact/Funding Source

The Interlocal provides that \$7.5 million from the BBC-GOB Project No. 124 shall be made available to the Village on a reimbursable basis for costs related to the GOB Project. The funding source for the Interlocal is BBC-GOB Program bond proceeds.

The County anticipates reimbursement funding under the Interlocal to be made available in fiscal year 2017-2018. The Interlocal will partially offset the cost of roadway improvements, new drainage, underground utilities, expanded sidewalks, pavers, traffic circles, lighting, landscaping, new lateral roads and construction of parking garage and amenities of eligible infrastructure.

Track Record/Monitor

Leland Salomon, Deputy Director of the Department of Regulatory and Economic Resources will be responsible for monitoring the Agreement.

Background

Pursuant to Resolution No. R-334-15 adopted on April 21, 2015, the Board approved a \$7.5 million allocation from BBC-GOB Program Project No. 124 for the GOB Project and directed the County Mayor or County Mayor's designee to begin negotiating the terms of an interlocal agreement.

The Interlocal before the Board adequately addresses each of the applicable requirements in the Administrative Rules as amended by Resolution No. R-668-10 adopted on June 15, 2010, with the exception of the requirement that the grant be in an amount between \$10 million and \$15 million, which the Board waived through the resolution authorizing the allocation (Resolution No. R-334-15).

Furthermore, the Interlocal requires the Village to provide evidence that the Village funded an amount of capital cost from Village funds equal to 39.71 percent of the invoice amount being submitted to the County for reimbursement. The Village shall also be responsible for the management of the Project. It is anticipated that the Village will be reimbursed for eligible costs over a period of 18 months, which will satisfy the Federal reimbursement requirements as well as the County's policy that reimbursements be disbursed over a period that is no more than five (5) years.

WITNESSETH:

WHEREAS, on July 20, 2004, the Board enacted Resolution Nos. WHEREAS, Resolution No. R-914-04 was one of those resolutions and it approved the issuance of general obligation bonds in the aggregate principal amount of \$352,162,000 "to construct and improve walkways, bikeways, bridges and access to the Seaport, and other municipal and neighborhood infrastructure improvements to enhance quality of life" in accordance with the projects listed on Appendix A to the Resolution ("Appendix A"); and

WHEREAS, one of the projects listed on Appendix A was Project 124 entitled "Economic Development Fund" with a project description of "provide infrastructure improvements to spur economic development and attract new businesses to the community in order to create jobs" ("Project 124"); and

WHEREAS, the Board in Resolution No. R-334-15 adopted on April 21, 2015 approved an allocation not to exceed \$7,500,000.00 ("Funding Allocation") to the Village from Project 124 for certain public infrastructure improvements described in Exhibit A to this Agreement ("Project") in connection with the revitalization of its Downtown District in the southwestern area of the Village in an effort to spur economic development in the immediate and adjacent areas; and

WHEREAS, the County anticipates funding the full amount of the Funding Allocation (\$7,500,000.00) in Fiscal Year 2017-2018 in accordance with the requirements in Section 2 and the funding plan in Section 4; and

WHEREAS, the County and the Village wish to enter into this Agreement to set forth the terms pursuant to which the County will disburse the Funding Allocation to the Village; and

WHEREAS, both the Village and County have authorized, by resolution, the execution and delivery of this Agreement,

NOW THEREFORE, the parties agree as follows:

Section 1. Parties, Effective Date and Term. The parties to this Agreement are the Village and the County. The County Mayor has delegated the responsibility of administering this Agreement to the County's Office of Management and Budget or its successor or assigns ("OMB").

This Agreement shall take effect upon the date written above upon its execution by the authorized officers of the County and the Village and shall terminate upon the satisfaction and completion of all the terms and conditions by the County and the Village.

Section 2. Funding Requirements and Reimbursement Schedule. Subject to the availability of GOB bond/note proceeds ("Funds"), the requirements in this Section 2, the funding plan in Section 4 and the terms of this Agreement, the County agrees to make disbursements to the Village, as soon as is practical, from available Funds, after receipt of invoices from the Village for eligible capital costs incurred in connection with the Project. With each request for reimbursement, the Village shall also provide a written statement that (a) the Village is not in default pursuant to the provisions of this Agreement; (b) the Project has not been materially altered without the County's approval; (c) all requirements of the funding plan in Section 4 have been met; and (d) the reimbursement is in compliance with the IRC Reimbursement Rules defined below in this Section 2.

All Funds shall be disbursed on a reimbursement basis in accordance with the County's BBC GOB Administrative Rules which are attached as Attachment 1 ("Administrative Rules") and incorporated in this Agreement by reference. Other than the Funding Allocation pursuant to this Agreement, the County has no obligation to provide the Village with any financial support in excess of the Funding Allocation. Cost overruns are the sole responsibility of the Village. The Village understands and agrees that reimbursements to the Village shall be made in accordance with federal laws governing the BBC GOB Program, specifically the Internal Revenue Code of 1986 and the regulations promulgated under it. Any reimbursement request by the Village for eligible Project expenses shall be made no later than eighteen (18) months after the latter of (a) the date the original expenditure is paid, or (b) the date the Project is placed in service or abandoned, but in no event more than three (3) years after the original expenditure is paid by the Village (the "IRC Reimbursement Rules").

It is anticipated that the Project shall be placed in service by June 2018 which is the expected completion date of the Downtown Palmetto Bay Project. For purposes of this Agreement, "placed in service" shall mean the date on which the Project is certified as completed by the Village of Palmetto Bay. Any significant delay in completion may impact the County's ability to reimburse the Village due to the IRC Reimbursement Rules.

The County shall only be obligated to reimburse the Village provided the Village is not in breach of this Agreement and from available Funds and no other revenues of the County. The Funding Allocation shall be reduced by the amount of Funds disbursed from time to time pursuant to this Agreement. The County shall administer, in accordance with the Administrative Rules, available Funds as authorized by Board Resolutions.

Section 3. Project Description. The Project scope includes the revitalization of Palmetto Bay's Downtown District in the southwestern area of the Village in an effort to spur economic development in the immediate and adjacent areas, as described in Resolution No. R-334-15 adopted by the Board. The Project plans to transform Franjo Road, downtown's future Main Street, into a pedestrian-friendly street, create lateral roads to enhance connectivity, and build a multimodal transit station on Village-owned land. The Project will be divided into two phases; Phase 1; the Downtown Streetscape project, involves the transformation of Franjo Road into a pedestrian-friendly street, and the construction of new lateral roads. Phase 2; the Transit Station, involves the construction of a transit station with ground retail and upper level parking.

If the Village wishes to revise the Project for the purpose of completing the Project and such revisions substantially alter the Project, the Village shall notify OMB in writing. OMB shall submit the request to the Mayor and/or Board for consideration as soon as it is practical. It is understood that the review process may take up to ninety days (90).

Section 4. Funding Plan. The total cost of Phase I of the Project is approximately \$12,440,000.00. Of that amount, the Village is responsible for approximately \$4,940,000.00 (39.71%) from its own funds and the County will fund \$7,500,000.00 (60.29%) from the Funding Allocation. The Funding Allocation shall only reimburse the Village for expenses set forth in Exhibit A which include eligible soft costs up to 17% of the Funding Allocation and eligible capital costs of the Project. No portion of the Funding Allocation shall be used to reimburse the Village for working capital expenses i.e. security, traffic control. The Village shall demonstrate that its share of the Project costs (approximately \$12,440,000.00) is available before the County makes its initial disbursement to the Village from the Funding Allocation. Each invoice from the Village submitted to the County for reimbursement shall include evidence that the Village funded an amount of capital costs from Village funds equal to 39.71% of the invoice amount being submitted to the County for reimbursement and for which the Village is not seeking reimbursement from the County (e.g. on a \$1 million invoice, the County reimburses \$602,900 or 60.29% to the Village and the Village invests \$397,100 or 39.71%). This evidence shall demonstrate the actual expenditure of funds (i.e. cancelled checks or other forms of payment to the contractor performing construction work) prior to the release of concurrent grant funds.

Section 5. Compliance with Laws. Each party agrees to abide by and be governed by all Applicable Laws necessary for the development and completion of the Project. "Applicable Law" means any applicable law (including, without limitation, any environmental law), enactment, statute, code, ordinance, administrative order, charter, tariff, resolution, order, rule, regulation, guideline, judgment, decree, writ, injunction, franchise, permit, certificate, license, authorization, or other direction or requirement of any governmental authority, political subdivision, or any division or department thereof, now existing or hereinafter enacted, adopted, promulgated, entered, or issued. Notwithstanding the foregoing, "Applicable Laws" and "applicable laws" shall expressly include, without limitation, all applicable zoning, land use, DRI

and Florida Building Code requirements and regulations, all applicable impact fee requirements, all requirements of Florida Statutes, specifically including, but not limited to, Section 255.05 related to payment and performance bonds, Section 255.20 related to contractor selection and Section 287.055 related to competitive selection of architects and engineers, all requirements of Chapters 119 and 286 of the Florida Statutes, Section 2-11.15 of the Code (Art in Public Places), and all other applicable requirements contained in this Agreement and Exhibit 1, which is hereby incorporated in this Agreement by this reference.

Section 6. Village Obligations. All records of the Village and its contractors pertaining to the Project shall be maintained in Miami-Dade County and, upon reasonable notice shall be made available to representatives of the County. In addition, the Office of Inspector General of Miami-Dade County shall have access thereto for any of the purposes provided in Section 2-1076 of the Code of Miami-Dade County.

The Village shall cause each contract to include a provision that contractor shall comply with all requirements of Section 2-1076, and that contractor will maintain all files, records, accounts of expenditures for contractor's portion of the work and that such records shall be maintained within Miami-Dade County's geographical area and the County shall have access thereto as provided in this Agreement.

The Village shall comply with the requirements of Florida Statutes related to retainage of funds due a contractor and shall include appropriate language in its construction contracts and shall require the contractor to include such language in its subcontracts.

All applicable County Rules, Regulations, Ordinances, Resolutions, Administrative Orders, and the County Charter referenced in this Agreement are posted on the County's website: "miamidade.gov".

Section 7. Accounting, Financial Review, Access to Records and Audits. The Village shall maintain adequate records to justify all charges, expenses, and costs incurred which represent the funded portion of the Project for at least three (3) years after completion of the Project. The County shall have access to all books, records, and documents as required in this section for the purpose of inspection or auditing during normal business hours.

Pursuant to Section 2-1076 of the Miami-Dade County Code, the County shall have the right to engage the services of an Independent Private-Sector Inspector General ("IPSIG") to monitor and investigate compliance with the terms of this Agreement. THE MIAMI-DADE COUNTY OFFICE OF THE INSPECTOR GENERAL ("OIG") shall have the authority and power to review past, present and proposed County programs, accounts, records, contracts and transactions, and contracts such as this Agreement for improvements some cost of which is funded with County funds.

As such, the OIG may, on a random basis, perform audits on this Agreement throughout the duration of said Agreement (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County.

The OIG shall have the power to retain and coordinate the services of an IPSIG who may be engaged to perform said random audits, as well as audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not

limited to, project design, establishment of bid specifications, bid submittals, activities of the Village and contractor and their respective officers, agents and employees, lobbyists, subcontractors, materialmen, staff and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud. The OIG shall have the power to subpoena witnesses, administer oaths and require the production of records. Upon ten (10) days written notice to the Village (and any affected contractor and materialman) from OIG, the Village (and any affected contractor and materialman) shall make all requested records and documents available to the OIG for inspection and copying.

The OIG shall have the power to report and/or recommend to the Board whether a particular project, program, contract or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program may include reporting whether the project is on time, within budget and in conformity with plans, specifications, and applicable law. The OIG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The OIG is authorized to investigate any alleged violation by a contractor of its Code of Business Ethics, pursuant Miami-Dade County Code Section 2-8.1.

The provisions in this Section shall apply to the Municipality, its contractors and their respective officers, agents and employees. The Village shall incorporate the provisions in this Section in all contracts and all other agreements executed by its contractors in connection with the performance of this Agreement. Any rights that the County has under this Section shall not be the basis for any liability to accrue to the County from the Municipality, its contractors or third parties for such monitoring or investigation or for the failure to have conducted such monitoring or investigation and the County shall have no obligation to exercise any of its rights for the benefit of the Municipality. This provision shall survive the early termination and/or the expiration of this Agreement.

Section 8. Relationship of the Parties. The parties agree that the Village is an independent entity responsible solely for the Project and not an agent or servant of the County. No party or its officers, elected or appointed officials, employees, agents, independent contractors or consultants shall be considered employees or agents of any other party, nor to have been authorized to incur any expense on behalf of any other party, nor to act for or to bind any other party, nor shall an employee claim any right in or entitlement to any pension, workers' compensation benefit, unemployment compensation, civil service or other employee rights or privileges granted by operation of law or otherwise, except through and against the entity by whom they are employed.

Section 9. Liability. The parties to this Agreement shall not be deemed to assume any liability for the negligent or wrongful acts, or omissions of the other party. Nothing contained herein shall be construed as a waiver, by either party, of the liability limits established in Section 768.28 of the Florida Statutes. The Village acknowledges that the County, its employees, Commissioners and agents are solely providing funding assistance for the Project and are not involved in the design, construction, operation or maintenance of the Project.

Section 10. Breach, Opportunity to Cure and Termination.

(a) Each of the following shall constitute a default by the Village:

- (1) If the Village uses all or any portion of the Funding Allocation for costs not associated with the Project (i.e., ineligible costs), and the Village fails to cure its default within thirty (30) days after written notice of the default is given to the Village by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Village commences diligently and thereafter continues to cure.
- (2) If the Village shall breach any of the other covenants or provisions in this Agreement other than as referred to in Section 10(a)(1) and the Village fails to cure its default within thirty (30) days after written notice of the default is given to the Village by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Village commences diligently and thereafter continues to cure.
- (3) If the Village fails to complete the Project within three (3) years of the effective date of this Interlocal Agreement'

(b) The following shall constitute a default by the County:

- (1) If the County shall breach any of the covenants or provisions in this Agreement and the County fails to cure its default within thirty (30) days after written notice of the default is given to the County by the Village; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the County commences diligently and thereafter continues to cure.

(c) Remedies:

- (1) Upon the occurrence of a default as provided in Section 10(a)(1) and such default is not cured within the applicable grace period, in addition to all other remedies conferred by this Agreement, the Village shall reimburse the County, in whole or in part as the County shall determine, all funds provided by the County hereunder.
- (2) Either party may institute litigation to recover damages for any default or to obtain any other remedy at law or in equity (including specific

performance, permanent, preliminary or temporary injunctive relief, and any other kind of equitable remedy).

- (3) Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default.
- (4) Any failure of a party to exercise any right or remedy as provided in this Agreement shall not be deemed a waiver by that party of any claim for damages it may have by reason of the default.

(d) Termination:

- (1) Notwithstanding anything herein to the contrary, either party shall have the right to terminate this Agreement, by giving written notice of termination to the other party, in the event that the other party is in material breach of this Agreement.
- (2) Termination of this Agreement by any Party is not effective until five (5) business days following receipt of the written notice of termination.
- (3) Upon termination of this Agreement pursuant to Section 9(d)(1) above, no party shall have any further liability or obligation to the other party except as expressly set forth in this Agreement; provided that no party shall be relieved of any liability for breach of this Agreement for events or obligations arising prior to such termination.

Section 11. Litigation Costs/Venue. In the event that the Village or the County institutes any action or suit to enforce the provisions of this Agreement, each party in such litigation shall be responsible for its own costs and legal expenses, including attorney's fees, in connection with such action or suit. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. The County and the Village agree to submit to service of process and jurisdiction of the State of Florida for any controversy or claim arising out of or relating to this Agreement or a breach of this Agreement. Venue for any court action between the parties for any such controversy arising from or related to this Agreement shall be in the Eleventh Judicial Circuit in and for Miami-Dade County, Florida, or in the United States District Court for the Southern District of Florida, in Miami-Dade County, Florida.

Section 12. Naming Rights and Advertisements. It is understood and agreed between the parties hereto that the Village is funded by Miami-Dade County. Further, by acceptance of these funds, the Village agrees that Project(s) funded by this Agreement shall recognize and adequately reference the County as a funding source. In the event that any naming rights or advertisement space is offered on a facility constructed or improved with BBC GOB Program

funds, then Miami-Dade County's name, logo, and slogan shall appear on the facility not less than once and equal to half the number of times the most frequent sponsor or advertiser is named, whichever is greater. Lettering used for Miami-Dade County will be no less than 75% of the size of the largest lettering used for any sponsor or advertiser unless waived by the Board. The Village shall ensure that all publicity, public relations, advertisements and signs recognize and reference the County for the support of all Project(s). - The grant may reimburse up to 100 percent of public infrastructure costs per project, but subject to a cap of the lesser of \$3 million or the total amount of grant funding available within such Targeted Urban Area.
- Actual grant funds would be disbursed on a reimbursement basis only after verified completion of the public infrastructure project upon receipt of an audited financial accounting of infrastructure development costs and subject to funding availability and compliance with federal tax laws.
- Grants would be disbursed over no more than a 5 year period from the date the public infrastructure improvements are completed when taxable bonds are issued to fund such public infrastructure improvements. If tax-exempt bonds are issued for the public infrastructure improvements reimbursements for such public infrastructure improvements will be disbursed over no more than a three year period from the date of the expenditure but in no case later than 18 months from the date the public infrastructure project is placed in service.
- Benchmarks for required non-infrastructure capital investments in a Project will be established and specified in the Grant Agreement, and disbursement of grant funds would be subject to attainment of said benchmarks. A clawback provision in the event that established benchmarks are not met subsequent to disbursement of grant funds shall be included in the Grant Agreement. The Grant Agreement shall require that the grant recipient provide collateral securing the clawback provision. The collateral may include, but shall not be limited to, any instrument such as a personal guarantee, performance bond, restrictive covenant, or any other collateral as

appropriate. A prorated grant disbursement may be allowed when actual project investment falls short of benchmarks.

- As a condition of the grant award for public infrastructure improvements, the grant recipient agrees as a matter of contract to the application of Section 2-11.16 of the Code on the portion of the project that is specifically tied to EDF-funded public infrastructure improvements.

3. Determination and Evaluation

The County Mayor or the County Mayor's designee will review and evaluate each Funding Application Package and may recommend to the Board an award of a Funding Allocation by submitting a resolution seeking award of grant funds and approval of the terms of a Grant Agreement or Interlocal Agreement, as the case may be. The County Mayor or the County Mayor's designee may convene a committee of members of the Task Force on Urban Economic Revitalization, community leaders and/or economic development experts to assist in the review of Project 320 grant applications. Any such entity shall adhere to protocols specified under Administrative Order No. 3-31 and Florida law.

C) Determination and Evaluation of Applications for Other Funds

If an Application Submission Period is established, then following closure of the Application Submission Period, the County Mayor or the County Mayor's designee will review and evaluate each Funding Application Package for funding eligibility or ineligibility. The County Mayor or the County Mayor's designee may use entities such as the following to assist him in the review and may create Project Review Committees.

Historic Preservation Fund

- Dade Heritage Trust
- Historic Preservation Board

Not-for-Profit Community Organization Capital Fund

- Alliance for Human Services
- Dade Community Foundation

Primary Healthcare Facilities Fund

- Office of Countywide Health Care Planning

Any such entity shall adhere to protocols specified under Administrative Order No. 3-31 and Florida law. Funding Allocations for eligible projects may be recommended to the County Mayor or the County Mayor's designee by the Project Review Committee. The County Mayor or the County Mayor's designee and the Project Review Committee may determine that a Funding Application Package be classified as:

- a) **Ineligible.** Declaration that the Project identified in a Funding Application Package is ineligible.
- b) **Conditionally Eligible.** Declaration that a Project is eligible for funding upon satisfaction of specified conditions.

- c) **Eligible.** Declaration that a Project identified in a Funding Application Package is fully eligible.

Funding Application Packages determined to be Eligible or Conditionally Eligible shall be reviewed and competitively evaluated to recommend Funding Allocations. A listing of all Funding Application Packages shall be presented to the Board by the County Mayor or the County Mayor's designee in the form of a Resolution stating the eligibility determination, presenting the funding recommendations of the County Mayor or the County Mayor's designee based on the competitive evaluation and seeking approval for the award of a Funding Allocation and the disbursement of funds. In the event that an award of a Funding Allocation to a Conditionally Eligible Recipient is approved by the Board, staff shall verify that all conditions precedent have been satisfied prior to executing a Grant Agreement or an Interlocal Agreement, as the case may be.

ARTICLE III – GRANT ADMINISTRATION

SECTION 1. FUNDING ALLOCATION ADMINISTRATION & REIMBURSEMENT POLICY

A) Grant Agreement or Interlocal Agreement

- 1) As a condition of award of a Funding Cycle Allocation, the County and the Recipient shall enter into a Grant Agreement or an Interlocal Agreement, as the case may be, which sets forth the responsibilities and duties of each regarding administration of the approved Project and approved Funding Cycle Allocation.
- 2) The Grant Agreement or the Interlocal Agreement, as the case may be, shall specify the following and shall incorporate such other terms and conditions as may be required by particular circumstances:
 - a) A Project Narrative/Description of Project, including location of Project, and beginning and end dates;
 - b) An overall budget for the final Project, identifying additional sources of revenue;
 - c) A Funding Cycle Allocation and Funding Allocation line item budget (proposed use of BBC GOB funds);
 - d) If the Recipient is a Community-Based Organization or other entity (not a Municipality or Public Agency), a letter of commitment of matching funds validly executed committing the organization to raise any additional capital funds necessary to complete the Project, and committing to provide operating, maintenance and programming funds upon completion of the Project, all as authorized and approved by the Recipient's Board of Directors or governing entity;
 - e) If the Recipient is a Municipality or Public Agency, a letter of commitment of matching funds validly executed committing the organization to appropriate capital funds necessary to complete the Project and to provide operating, maintenance and programming funds upon completion of the Project, all as authorized and approved by the governing board of such Municipality or Public Agency;
 - f) Certification of ownership, or evidence of lease or other use agreement for a minimum un-expired term of 25 years;
 - g) Business plan and/or operating pro-forma, defining and identifying strategies to address the impact the Project will have on the organization's operational structure; and
 - h) A list of consultants that will be involved in the development of the Project (e.g., Owner's project manager(s), Architecture and Engineering team, Specialty Consultants, Developers, General Contractor or Construction Manager, etc.) as they become

available.

B) **Pre-Agreement Expenses.** The incurring of Pre-Agreement Expenses by a Recipient creates no obligation on the County to execute a Grant Agreement or Interlocal Agreement, as the case may be, or otherwise satisfy those expenses. However, prior to the effective date of the Grant Agreement or Interlocal Agreement, as the case may be, a Recipient may incur eligible Pre-Agreement Expenses and then after the effective date of the Grant Agreement or Interlocal Agreement, as the case may be, be reimbursed for those costs, provided that:

- 1) The costs and activities are funded as part of the Funding Allocation award and are in compliance with the requirements of the Ordinance and these rules.
- 2) For those Projects funded by bond proceeds from bond sales subsequent to the sale of the Series 2005 Bonds, reimbursement of Pre-Agreement Expenses is limited to those Pre-Agreement Expenses incurred one (1) year prior to the first day of the Application Submission Period, unless previously approved by the Board. Pre-Agreement Expenses in the case of Economic Development Fund projects are limited to those Pre-Agreement Expenses incurred one (1) year prior to the application for an Economic Development Fund award.
- 3) The Recipient has notified the County Mayor or the County Mayor's designee in writing of the intent to submit eligible Pre-Agreement expenses for reimbursement within 30-days of a Grant Agreement or Interlocal Agreement being executed. Recipients shall send a letter addressed to the County Mayor or the County Mayor's designee for review and approval of eligible expenses.

C) **Payment.** Recipients are paid allocated funds subject to the following conditions:

- 1) **BBC GOB Program Administration.** Not more than one percent (1%) of the value of each Funding Allocation award may be earmarked for all costs incidental to the administration of the BBC GOB Program.
- 2) **Timing.** With the exception of eligible Pre-Agreement Expenses, Project costs eligible for reimbursement shall be incurred between the effective date of, and the Project completion date identified in, the Grant Agreement or the Interlocal Agreement, as the case may be.
- 3) **Soft Cost Limits.** Project Soft Costs for Planning Services, Design Services and Project Administration, as defined in Article 1 Section 4, "Soft Costs", are eligible for funding provided that bond proceeds utilized to pay for such costs do not exceed seventeen percent (17%) of the total bond proceeds allocated to a given Project. This limitation may be waived by the Board. Where a major Project is funded in phases, this cost limit may not necessarily apply to each individual Project phase, but must apply to the Funding Allocation for the Project.

In order for GOB project to effectively comply with the Sustainable Building Ordinance (Ordinance 07-65), the amount eligible for reimbursement for project soft costs will be increased from 17% to 20% to accommodate both the costs of green building design, commissioning and pre-certification services in accordance with the Sustainable Buildings Ordinance and Implementing Order 8-8. For those projects where it is not practical to attain

certification, design services can be employed to implement design interventions that on the average will result in an estimated payback of up to 10 years. Typical categories of payback include, but are not limited to, energy efficiency, water efficiency, productivity and operations, and maintenance.

- 4) Recipients will implement their own procurement process; however, they shall comply with all applicable Federal, State and local laws and regulations, including the County ordinances and regulations.
- 5) Recipients are responsible for managing the day-to-day operations of Funding Cycle Allocation supported activities, and maintaining communications with the County Mayor or the County Mayor's designee regarding the Project. Recipients must monitor Funding Cycle Allocation supported activities to assure compliance with the Ordinance, these rules, the Grant Agreement or Interlocal Agreement, as the case may be, and all applicable Federal, State and local requirements.
- 6) Payments to the Recipient may be withheld at any time that the Recipient fails to comply with the terms of the Grant Agreement or the Interlocal Agreement, as the case may be. Funds withheld for failure to comply with the terms of the Grant Agreement or the Interlocal Agreement, as the case may be, but without suspension of the Funding Cycle Allocation shall be released to the Recipient upon subsequent compliance. Recipients will not be required to reimburse the County for payments already received by the County unless the Recipient fails to acquire, purchase, construct, develop and/or operate the Project for the purpose described in the Funding Application Package or is otherwise in default under the Grant Agreement or Interlocal Agreement.
- 7) Recipient's must complete the authorized signature form (Exhibit A).
- 8) a. In general, payment shall be made on a reimbursement basis. A Funding Cycle Allocation Recipient may submit a Request for Advance Payment form (Exhibit B) for review and approval by the County Mayor or the County Mayor's designee. Approved Recipients may receive an advance payment no more that 180 days in advance of the allocation schedule approved by the Board, for up to 25% of the value of the Funding Allocation for the subject Project.

b. However, in accordance with the guidelines reflected below, the County Mayor or the County Mayor's designee may, on a case-by-case basis and at his sole discretion, consider advance payment of up to 90% of a Municipality's Funding Allocation for a specific project. Upon the decision by the County Mayor or the County Mayor's designee that a request for advance payment of up to 90% of a Municipality's Funding Allocation for a specific Project will be considered, the guidelines below will be applied consistently and in their entirety.

Conditions under which a Municipality may receive up to 90% of its Funding Allocation for a subject Project:

- A Municipality must not owe money to the County and the County must not have any outstanding claims against the Municipality;
- Project activity to date is proceeding on-schedule;
- Construction schedules are being updated on a monthly basis and all required

documentation has been submitted to Miami-Dade's Office of Capital Improvements (OCI);

- The Municipality must have contract(s) in place to complete the Project and no outstanding claims or disputes can exist between the Municipality and their contractors on the Project; and
- Municipality payments to contractors, subcontractors and suppliers are being made timely.

Field Evaluations will be conducted on a case-by-case basis by Miami-Dade's Office of Capital Improvements (OCI) and will include items such as:

- Field audit determination that the Project is on-schedule including physical construction; and
- Follow-up field audit inspections will be performed by OCI to ensure Project completion:

OCI will submit a written recommendation to the County Mayor or County Mayor's designee to approve any disbursement under these provisions. The Municipalities will be required to execute a supplemental agreement acknowledging these terms.

Safeguards/Corrective Actions to be implemented by the County in case of non-compliance by a Municipality with the BBC-GOB Program Administrative Rules or if satisfactory progress is not being maintained will include:

- Funding for municipal or other GOB-funded Project projects to be performed by the subject Municipality will be withheld;
- The County will ask to be reimbursed the amount given to the Municipality as part of the Grant Agreement and/or withheld funds due to the Municipality from other County funding sources such as PTP; and
- If the Municipality refuses to reimburse the County the amount due under the Grant Agreement, the County may employ all available means to recover the subject funds up to and including litigation.

The aforementioned safeguards will be implemented by the County in Cases of non-compliance. All conditions shall be a part of all Interlocal Agreements with a Municipality. All existing Interlocal Agreements will be amended to include the provisions referenced above and all new Interlocal Agreements will likewise include these provisions.

Any disbursement of funds under these provisions will be reported to the Board.

c. All advance payments received by a Recipient shall be maintained in a separate interest bearing account and may not be commingled with other funds. All advances and interest earned must be fully accounted for. The Recipient shall submit evidence of interest earned to the County with any subsequent reimbursement request. The amount of interest earned shall be deducted from such subsequent payment to the Recipient. If at any time the amount of interest earned is greater than the reimbursement request the Recipient shall submit payment to the county an amount equal to the interest earned less the reimbursement request. Upon the County's receipt of the payment and any required supporting documentation from the Recipient, the reimbursement request may be paid. Checks must be

made payable to Miami-Dade County Board of County Commissioners and forwarded to the County Executive Office.

- 9) Recipients must submit reimbursement/payment requests no later than quarterly. If a Recipient is unable to submit a reimbursement/payment request by the quarterly deadline, a written justification indicating the reason for the delay and expected submission date is required to be submitted by the deadline. Failure to comply with this requirement shall render the Recipient in non-compliance with the Administrative Rules and may result in reduction or forfeiture of payment, at the discretion of the County Mayor or the County Mayor's designee. Failure to submit two consecutive requests shall be deemed a forfeiture of all rights unless specifically waived by the County Mayor or the County Mayor's designee. The Recipient must submit a written explanation for such delays in order to be considered for a waiver of this requirement and all such waivers shall be made at the sole discretion of the County Mayor or the County Mayor's designee.
- 10) Recipients shall complete, sign, and submit to the County the appropriate Reimbursement Request forms as necessary (Exhibits D through H) accompanied by supporting documentation (i.e., copies of invoices, receipts and check payments).
- 11) Reimbursement requests for Fixtures, Furniture & Equipment items must be included and approved in the Grant Agreement or the Interlocal Agreement, as the case may be, prior to acquisition. Written requests for Fixtures, Furniture & Equipment approval must be accompanied by Exhibit H.
- 12) In accordance with State law, five percent (5%) of the value of the BBC GOB Program for a given Project shall be retained by the County for all projects in excess of \$100,000, unless otherwise recommended in writing by staff and approved by the Board. Upon completion of a Project, a signed project completion certificate (Exhibit I) must be submitted with the final reimbursement request forms in order for the remaining retainage to be released.
- 13) The County Mayor or the County Mayor's designee may require that reimbursement requests for any Funding Allocations requiring a cash match must be accompanied by documentation of the expenditure of committed match funds (i.e., copies of invoices, canceled checks, etc.).
- 14) Each Recipient will ensure that all contractors and consultants perform in accordance with the terms, conditions, drawings and specifications of their contracts or purchase orders and that all Federal, State and local contracting rules apply.
- 15) Each Recipient shall maintain an accounting system, which meets generally accepted accounting principles, and shall maintain all required financial records to properly account for all Building Better Communities General Obligation Bond funds and any supplemental funds used for the Project. The Recipient shall at all times maintain a separate accounting of all Building Better Communities General Obligation Bond funds.
- 16) Each Recipient shall be responsible for reporting, on a continuous, on-going basis, any contractual relationship established to perform work on the project, start dates, progress payments, completion dates, etc. in the system provided by the County.

- 17) The Recipient shall be responsible for completing the Project. If the total cost of the Project exceeds the value of the Funding Allocation, then the Recipient must provide any supplemental funds required. In the event that supplemental funds are necessary for completion of a Project, as of the point in time that it is known that supplemental funds are needed, the Recipient must demonstrate that such supplemental funds have been committed to the Project prior to and as a condition of disbursement or further disbursement of Funding Cycle Allocations. The requirement for a Recipient to provide supplemental funds may be modified, in part or whole, by the Board, to the extent that it approves in writing any reduction or change to the Project scope of work in accordance with the Ordinance. Approval of any reduction or change in scope of work is at the sole discretion of the Board.

D) Acquisition Projects. Guidelines and requirements for administering Acquisition Project Funding Allocations are as follows:

- 1 Appraisal Required. Prior to acquisition of a Project site, a Recipient must obtain an appraisal or appraisals supporting the fair market value of the land to be acquired. Pursuant to State law, if the property is \$500,000 or less in appraised value, one appraisal is required. If the property exceeds \$500,000 in appraised value, two appraisals are required.
- 2 Amount Authorized for Payment. The amount of Funding Cycle Allocation authorized for payment for land acquisition shall in no case exceed the Funding Allocation available for the Project. In the event that the negotiated acquisition price exceeds by ten percent or greater the appraised value of the land, the disbursement of Funding Allocation shall be conditioned upon a written justification for the purchase price and other conditions attendant to the proposed purchase, which justification is declared satisfactory by the Board in writing. Appraisal costs are eligible Funding Allocation costs as long as the appraised property is being realistically and seriously considered for Acquisition, regardless of the outcome.
- 3 Environmental Survey. The Recipient may not acquire land for a BBC GOB Program funded Project until a Phase I environmental survey is completed, which demonstrates that the property is suitable for its intended general use and for the specific Project. GOB funds may be used for the necessary clean-up a Phase II environmental survey may require provided the scope of the Project is not impacted. Changes to the scope of the Project require BCC approval.
- 4 Signage. For six months following an Acquisition, the County shall post a sign, in the general design provided by the County, containing the Building Better Communities General Obligation Bond logo, identifying the source of Project funding. The cost of such a sign is eligible for payment from the Funding Allocation.
- 5) Ownership. Title to land acquired with BBC GOB Program funds or facilities constructed/developed with Building Better Communities General Obligation Bond funds shall vest with a Public Agency, a legally incorporated 501(c)(3) not-for-profit Community-Based Organization, or an active and duly registered Florida for-profit corporation or other recognized business entity.

E) Development Projects. Guidelines and requirements for administering Development Project Funding Allocations are as follows:

1) Licensed Contractors; Contractor Bonds. Duly licensed contractors shall perform all construction. Construction contracts for work in excess of the threshold amounts established in Section 255.20 of the Florida Statutes shall require payment and performance bonds, which comply with the requirements of Section 255.05, Florida Statutes, to the extent applicable.

2) Cost Elements.

- a) Construction Equipment. Recipients are required to use their own equipment, if available. If a Recipient's equipment is used, the maximum Funding Allocation payment shall cover operating and routine maintenance costs of such equipment; the Funding Allocation excludes any depreciation or replacement cost from payment. If a Recipient's equipment is used, a report or source document must describe the work performed, indicate the hours used and be related to the Project. If a Recipient does not have needed construction equipment available, then the Recipient may rent such equipment.
- b) Construction Supplies and Materials. Supplies and materials may be purchased for a specific Project or may be drawn from a central stock, providing they are claimed at a cost no higher than that which the Recipient paid. When supplies and/or materials are purchased with the intention of constructing a piece of equipment, structure or part of a structure, the costs that are charged as supplies and materials may be capitalized according to the Recipient's normal practice or policy. If capitalized, only the cost reasonably attributable to the Project may be claimed under the Project.
- c) Personnel or Employee Services. Services of the Recipient's employees who perform work directly related to the accomplishment of the Project are eligible costs payable from the Funding Allocation. These costs must be computed according to the Recipient's prevailing wage or salary scales and may include fringe benefit costs, such as vacations, sick leave, FICA, MICA, health and life insurance, and workers compensation at the Recipient's established fringe benefit rate. Costs charged to the Project must be computed on the basis of actual time spent on the Project, and supported by time and attendance records describing the work performed on the Project. Overtime costs may be allowed under the Recipient's established policy, provided that the regular work time was devoted to the same Project. Salaries and wages claimed for employees working on allocation-funded Projects must not exceed the Recipient's established rates for similar positions or rates per industry standards. Alternative methodologies for established wage rates must be pre-approved by the Board.
- d) Consultant Services. The costs of consultant services necessary for the Project are eligible for payment from the Funding Allocation. The Recipient must pay consultants according to the Recipient's customary or established method and rate. No consultant fee may be paid to the Recipient's own employees.

3) Cost Activities.

- a) Construction activities. The cost of all necessary construction activities, from site preparation (including demolition, survey, excavation and other site work) to the completion of a structure is eligible for payment from the Funding Allocation.

- b) Fixtures, Furniture and Equipment. Except for Projects funded by the Economic Development Fund, the cost of Fixtures, Furniture and Equipment necessary to operate the facility are eligible for payment from the Funding Allocation if approved in the Grant Agreement or the Interlocal Agreement, as the case may be, and a detailed list of eligible items is submitted in writing and approved by the County Mayor or the County Mayor's designee prior to its purchase (See Article III, Section 1 (c)). Costs for consumable goods shall not be considered eligible for payment from the Funding Allocation. Also, refer to Article I, Section 4 for a detailed definition of Fixtures, Furniture and Equipment.
- c) Interpretive Signs and Aids. The cost of signs, display boards or other interpretive aids relating to the Project are eligible for payment from the Funding Allocation.
- d) Signage. During the time period of Development, the County shall post a sign in a prominent location at the Project site in the general design provided by the County depicting the Building Better Communities General Obligation Bond logo and identifying the source of funding for the Project. The cost of such a sign is eligible for payment from the Funding Allocation.

Recipients are encouraged to use value-engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions.

4) The following is a nonexclusive list of costs ineligible for payment from the Funding Allocation:

- a) Funding Application costs.
- b) Ceremonial expenses.
- c) Expenses for publicity.
- d) Bonus payments unless specifically authorized by the Board.
- e) Charges in excess of the lowest responsive and responsible bid or proposal in accordance with the governing rules and procedures of the Recipient, when the law requires the Recipient to utilize competitive selection. In the event a selection process is used, other than a low bid process any cost in excess of the cost of the highest ranked firm shall be considered ineligible.
- f) Charges for deficits or overdrafts.
- g) Charges incurred contrary to the policies and practices of the Recipient.
- h) Interest expense (May be reimbursed at the discretion of the Board if incurred during the construction period and is attributable only to the construction period).
- i) Litigation expenses or judgments.
- j) The cost of services, material or equipment obtained under any other program.

k) Costs of discounts not taken.

l) The cost of purchasing a non-refundable option when acquiring land.

F) Budget Changes.

- 1) Recipients shall adjust their Project budgets to reflect actual costs and updated cost estimates and shall submit adjusted Project budgets to the County Mayor or the County Mayor's designee as soon as the recipient is aware of a material budget change.
- 2) Budget adjustments may not exceed the 17% Soft Cost limitation for design, planning, and program administration, with the exception of those projects meeting the Sustainable Building Ordinance, nor exceed the Project Funding Allocation without approval of the Board.
- 3) Recipients shall obtain the prior written approval of the Board whenever budget adjustments are anticipated as outlined in a, b, and c below. The request must be in the same budget format the Recipient used in the Grant Agreement or Interlocal Agreement, as the case may be, and shall be accompanied by a narrative justification for the proposed revision. Such request for adjustment shall, if approved, amend the Grant Agreement or Interlocal Agreement, as the case may be. Requests for budget changes shall be considered whenever any of the following adjustments are required:
 - a) For any Project involving both Acquisition and Development activities, any proposed budget transfers from Development to Acquisition.
 - b) Any proposed reduction or revision of the scope or objectives of the Project (regardless of whether there is an associated budget adjustment) that substantially changes the original intent of a project.
 - c) Any change that would increase Soft Costs for planning, design, and project administration which exceeds the limit specified in Article III, Section 3 (c)(1).

In the event that a Recipient has completed the approved scope of work for a Project and has unexpended funds, the Recipient may submit a request to the County Executive Office to expend these funds in an existing or new budget line item for the Project. The County Mayor or the County Mayor's designee is authorized to approve such budget changes and expenses not to exceed 15% of the total budget.

G) Cost Overruns. The Recipient shall fund all cost overruns. During the execution of work on a Project, the Recipient may find that actual Project costs exceed the approved budget. For cost overruns that will require additional funding for the Project, or otherwise require a budget adjustment for which prior Board approval is required pursuant to paragraph E above, the Recipient shall:

- 1) Provide a justification for the additional costs;
- 2) Identify available funds for the completion of the Project; and, if necessary

- 3) Request from the Board a change or revision in the Project scope consistent with the terms of the Ordinance and the Authorizing Resolutions.

The Board, at its discretion, may authorize in writing a change or revision in the scope of the Project: (i) where change or revision of the scope is consistent with the Ordinance; and (ii) where the change or revision is justified by the Recipient; and (iii) where the Recipient does not have sufficient funds to complete the Project with the available funds. Under those circumstances, the Board, in its sole discretion, may identify other funds available under the Ordinance for the Project.

SECTION 2. COMPLIANCE RESPONSIBILITIES

The following constitute general requirements for program compliance:

- A) An annual independent audit of the Building Better Communities General Obligation Bond funds must be submitted by all Recipients to the County Executive Office no later than six months after the close of the Recipient's fiscal year for which a Funding Allocation was received and each year thereafter until Project completion. The audit report must include the Fund Summary Status Report, Exhibit J. The audit must be performed by certified independent auditors and include the following:

- 1) Test for compliance with the Grant Agreement or Interlocal Agreement, as the case may be, Miami-Dade County Ordinance No. 05-47, applicable resolutions and the Building Better Communities General Obligation Bond Administrative Rules.
- 2) Test to verify compliance with advance requirements.
- 3) Sufficient tests, as determined by the independent auditor to verify true and accurate reflection of Project expenditures.
- 4) Tests to verify expenditure of required match dollars.
- 5) Verification of the Fund Summary Status Report.

- B) Land and facilities acquired, developed, improved or rehabilitated by Funding Allocation shall be dedicated and maintained in perpetuity for the use and benefit of the general public except where leases are in effect. Any land, facilities, or equipment acquired with Building Better Communities General Obligation Bond funds may not be sold or transferred without the written consent of the County and may require an equitable reimbursement of bond funding based on residual value. All projects shall be open to the public at reasonable times and shall be managed in a safe and attractive manner appropriate for public use.

- C) Funding Allocation for the purposes of development, improvement, rehabilitation or restoration shall be expended for these purposes only on lands owned by a Recipient or on lands for which the Recipient holds a lease or other use agreement. Such lease or other use agreement must be for an unexpired minimum term of 25 years. The Funding Allocation Recipient may demonstrate the eligibility of the Project to the reasonable satisfaction of the Board, through a joint ownership, use, franchise or other agreement, evidencing that the lands and/or the Project will be utilized for the public benefit, consistent with the terms of the Ordinance, for a term of at least 25 years in duration. The lease must not be revocable at will.

- D) Recipient shall maintain all financial and programmatic records, supporting documents and other records pertinent to the Funding Allocation for a period of three years from the starting date defined below. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the three year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular three year period, whichever is later. When Funding Allocation support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the County its single or last expenditure report for that period. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report.
- E) The Board and the County, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers or other records of the Recipient in order to make audits, examinations, excerpts and transcripts.

Office of the Miami-Dade County Inspector General (IG) (MDC Code Section 2-1076) shall have the authority and power to review past, present and proposed County programs, accounts, records, contracts and transactions. The IG shall have the power to subpoena witnesses, administer oaths and require the production of records. Upon ten (10) days written notice to the Recipient from IG, the Recipient shall make all requested records and documents available to the IG for inspection and copying. The IG shall have the power to report and/or recommend to the Board whether a particular project, program, contract or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program may include reporting whether the project is on time, within budget and in conformity with plans, specifications, and applicable law. The IG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The IG may, on a random basis, perform audits on all County contracts throughout the duration of said contract (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County. To pay for the functions of the Office of the Inspector General, any and all payments to be made to the Recipient under the Grant Agreement will be assessed one quarter of one percent of the total amount of the payment, to be deducted from each progress payment as the same becomes due unless, as stated in the Code or the Grant Agreement, the Project is federally or state funded and federal or state law or regulations preclude such a charge. The Recipient shall in stating its agreed prices be mindful of this assessment.

The IG shall have the power to retain and coordinate the services of an independent private sector inspector general (IPSIG) who may be engaged to perform said random audits, as well as audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the contractor, its officers, agents and employees, lobbyists, County staff and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud.

- F) If a Recipient materially fails to comply with any term of an award, the Board or the County Mayor or the County Mayor's designee may take one or more of the following actions, as appropriate in the circumstances:

- 1) Temporarily withhold cash payments pending correction of the deficiency by the Recipient;
 - 2) Disallow all or part of the cost of the activity or action not in compliance;
 - 3) Wholly or partly suspend or terminate the current award for the Recipient's Project;
 - 4) Withhold further Funding Allocation awards from the Recipient; or
 - 5) Take other remedies that may be legally available.
- G) Any of the enforcement actions listed in paragraph F above, taken by the County Mayor or the County Mayor's designee, which are contested and unresolved between the Recipient and the County within thirty days of such action, will result in the Board providing the Recipient with an opportunity to be heard on the issue. Said hearing will occur within sixty days of the Board receiving the Recipient's written request. Staff will recommend appropriate action to the Board.
- H) Costs to Recipient resulting from obligations incurred by the Recipient during a suspension or after termination of an award are not eligible for reimbursement unless the County Manager expressly authorizes them in the notice of suspension or termination or subsequently authorizes reimbursement in writing. Other costs incurred by the Recipient during suspension or after termination which are necessary and not reasonably avoidable are eligible for reimbursement if:
- 1) The costs result from obligations which were properly incurred by the Recipient before the effective date of suspension or termination, were not in anticipation of it, and in the case of a termination, are non-cancelable; and
 - 2) The costs would be eligible for reimbursement if the award was not suspended or if the award expired normally at the end of the funding period in which the termination takes effect.
- I) Inspections. Staff of the Board or the County, or both, shall periodically inspect each Project to ensure compliance with these rules, the Ordinance, and the Grant Agreement or Interlocal Agreement, as the case may be. Staff shall perform an inspection of the Project site to ensure compliance prior to release of the final Funding Allocation payment.

SECTION 3. REPORTS

Recipients are required to submit the Project Status Report no later than monthly (Exhibit E), in the format stipulated by the County Mayor or the County Mayor's designee.
