TRACK RECORD/MONITORING: Jorge R. Cibran, AIA, Director of Development Division for the Department

Background:

The Department issued a competitive solicitation on May 27, 2015 titled: Request for Applications No. 2015-01 to Developer Pool Pursuant to RFQ #794A, #794B and #794C for Redevelopment of Liberty Square and Lincoln Gardens "*Liberty Square Rising*" (RFA). Liberty Square is the County's largest and oldest public housing site. It contains approximately 57 acres and is bounded by NW 67 Street and NW 62 Street, NW 15 Avenue and NW 12 Avenue. Lincoln Gardens is a vacant 9 acre site located at 4701 NW 24 Court (approximately two (2) miles from Liberty Square). The development of these two (2) sites comprises the project commonly known as "Liberty Square Rising." The services to be provided under this contract will include but are not limited to: (1) obtaining project financing; (2) providing employment opportunities for very low-, low- and moderate-income residents' housed in development areas; (3) providing participation for small and minority firms, and women-owned enterprises, certified pursuant to Section 3 of the Housing and Urban Development Act of 1968; (4) engagement with community stakeholders and residents to receive input on various aspects of the project, such as crime prevention through environmental design, unit configurations, amenities and job training; and (5) providing development of both public and non-public housing, and other uses with a mixed-finance, mixed-income, and mixed-use approach.

Six (6) proposals were received in response to the solicitation by the due date of July 9, 2015. Subsequently, a ten (10)-member selection committee was appointed comprised of individuals from the community, the resident council of Liberty Square, academia, and County staff. The Chairwoman of the selection committee was a non-voting member. The voting selection committee members reviewed the proposals and scored them based on evaluation criteria indicated in the solicitation. There was a 45 point differential between the two (2) top-ranked firms, Atlantic Pacific Communities, LLC (Atlantic Pacific) and Related Urban. Even though Atlantic Pacific received the highest overall point total, eight (8) out of nine (9) voting selection committee members scored Related Urban higher than Atlantic Pacific.

On January 20, 2016, the selection committee chair forwarded a memorandum advising me of the scoring results (Exhibit A). A decision was made that the County would proceed by requesting best and final offers, which is permitted under the solicitation, from the two (2) highest-ranked firms, (Exhibit B). On January 22, 2016, the selection committee chair forwarded a letter to Atlantic Pacific and Related Urban informing them of our decision. The intention of the best and final offer was to secure the best possible financial return to the County, and most beneficial combination of housing options and amenities consistent with the best interest of the residents of Liberty Square and Miami-Dade County. Atlantic Pacific and Related Urban submitted their best and final offers by the due date of February 5, 2016.

The voting selection committee evaluated the best and final offers submitted by Atlantic Pacific and Related Urban, and scored them based on the evaluation criteria indicated for the best and final offers. The results were then forwarded to me on March 2, 2016 by the selection committee chair, along with a recommendation to enter into negotiations with the Related Urban. I approved the recommendation to enter into negotiations with the highest ranked proposer, Related Urban. The result of the best and final offers, the recommendation to enter into negotiations, and my approval of the recommendation is attached as Exhibit C of this memorandum. Negotiations resulted in ground leases for Liberty Square and Lincoln

Gardens, and a master development agreement, which are attached as Exhibits A, B, and C to the resolution. Therefore, it is recommended that the Board award the development of Liberty Square Rising and site control, through ground leases, to Related Urban. It is the County's intent to negotiate other mixed-finance agreements with Related Urban after Housing and Urban Development's approval of the County's demolition and disposition applications.

In order to proceed with the development of public housing sites, the County, as a public housing authority, must seek prior approval from Housing and Urban Development. This requires the submission, to Housing and Urban Development, of a demolition and disposition application for the existing Liberty Square public housing development, and a disposition application for the Lincoln Gardens public housing site. This Board adopted Resolution No.R-1017-08, authorizing the County Mayor or the County Mayor's designee to submit a demolition and disposition application to Housing and Urban Development for Lincoln Gardens. The application was submitted to Housing and Urban Development on March 23, 2009 and approved for demolition on July 24, 2009. In its application, the Department proposed to retain the 9.06 acres of vacant land in anticipation of future redevelopment as mixed-finance housing for low-income families. The County cannot submit its applications to Housing and Urban Development without first obtaining approval from the Board. Therefore, it is recommended that the Board approve the attached resolution, authorizing the County Mayor or the County Mayor's designee to submit a disposition and/or demolition application for the Liberty Square site and a disposition application for the Lincoln Gardens site.

The information provided on Exhibit D of this memorandum is being submitted as required by Resolution Nos. R-376-11 and R-333-15.

In addition, a greater financial return to the County was included in the BAFOs, as summarized in Attachment A.

The Selection Committee was tasked with reviewing, evaluating and scoring the BAFO's from Atlantic Pacific Communities, LLC, and Related Urban. The Selection committee evaluated the BAFO's and scored them on the evaluation criteria indicated in the BAFO's (See Attachment B – Instructions to the Selection Committee). The Selection Committee met on February 18th, 2016 to review BAFO and tabulate scoring by Selection Committee members. PREMISES AND TERM

Landlord leases and demises to Tenant and its successors and assigns, subject to and with the benefit of the terms, covenants, conditions and provisions of this Lease, the Land for the Term unless sooner terminated in accordance with the provisions contained in this Lease.

ARTICLE III

RENT

3.1. Rent. Tenant covenants and agrees to pay to Landlord as rent under this Lease (i) an annual rental amount equal to \$53,000.00 (increasing each year at four percent (4%) per year) ("**Annual Rent**"), payable out of fifty percent (50%) of the available (net) cash flow that is distributable by Tenant to its manager, after payment of any deferred developer fees and (ii) a one-time capitalized lease payment, to be paid upon the Commencement Date, in the maximum amount of \$600,000.00 (the "**Capitalized Payment**"), which amount is calculated by multiplying the maximum number of units (*i.e.*, 240) times \$2,500.00 "**Base Rent**" means the sum of Annual Rent and the Capitalized Payment. If fewer than 240 units are constructed at the Premises, the Capitalized Payment shall be reduced on a unit-for-unit basis. The Capitalized Payment shall be due upon the Commencement Date. Any portion of the Annual Rent not paid in any given year shall be deferred to the following year. No Annual Rent shall accrue until after full payment of any deferred developer fees. Base Rent shall be made payable to the Board of County Commissioners, c/o Public Housing and Community Development, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time designate in writing, as set forth herein. Prior to the Commencement Date, Tenant is not obligated to pay Base Rent or any other sums to Landlord under this Lease.

3.2. Surrender. Upon the expiration of this Lease by the passage of time or otherwise, Tenant will quietly yield, surrender and deliver up possession of the Premises to Landlord. In the event Tenant fails to vacate the Premises and remove such personal property as Tenant is allowed to remove from the Premises at the end of the Term, or at the earlier termination of this Lease, Landlord shall be deemed Tenant's agent to remove such items from the Premises at Tenant's sole cost and expense. Furthermore, should Tenant fail to vacate the Premises in accordance with the terms of this Lease at the end of the Term, or at the earlier termination of

this Lease, Tenant shall pay to Landlord a charge for each day of occupancy after expiration or termination of the Lease in an amount equal to 150% of Tenant's Rent prorated on a daily basis. Such charge shall be in addition to any actual damages suffered by Landlord by Tenant's failure to vacate the Premises, for which Tenant shall be fully liable, it being understood and agreed, however, that Tenant shall under no circumstances be liable to Landlord for any incidental, indirect, punitive or consequential damages (including, but not limited to, loss of revenue or anticipated profits).

3.3. Utilities. Tenant shall pay or cause to be paid all charges for water, gas, sewer, electricity, light, heat, other energy sources or power, telephone or other service used, rendered or supplied to Tenant in connection with the Premises.

3.5. Taxes. Tenant understands and agrees that as a result of Landlord's fee ownership of the Premises, for state law purposes, the Premises may become exempt from any ad valorem taxes. Landlord represents to Tenant that any such exemption should remain in effect notwithstanding that Landlord is entering into this Lease. However, during the Term should, for any reason whatsoever, the Premises become exempt and then again become subject to ad valorem taxes or any other real estate taxes, fees, impositions and/or charges imposed during the Term (and any extensions thereof) upon the Premises ("**Real Estate Taxes**"), Tenant shall be required to pay all Real Estate Taxes, prior to delinquency without notice or demand and without set-off, abatement, suspension or deduction. If the folio identification number applicable to the Premises shall also contain other property not specifically included in, or a part of, the Premises, Tenant shall only be required to pay the portion of Real Estate Taxes exclusively attributable to the Premises. provided, however, nothing herein contained shall obligate or hold Tenant responsible prior to the Commencement Date for any costs, expenses, claims or demands made by any party associated with the Premises or for any claims stemming from Landlord's and/or its officers', employees' or agents' misconduct or negligence, unless such costs, expenses, claims or demands arise from the acts or omissions of Tenant, its agents, contractors, employees, members, or invitees.. Tenant expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Tenant shall in no way limit the responsibility to indemnify, keep and save harmless and defend Landlord or its officers, employees, agents and instrumentalities as herein provided..

4.2. Landlord's Environmental Responsibility and Representations.

(a) Except to the extent that an environmental condition is aggravated or exacerbated by the negligent or willful acts or omissions of Tenant, its agents or contractors, Tenant shall not be responsible under this Lease for any claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement action of any kind, and all costs and expenses incurred in connection therewith arising out of: (i) the presence of any Hazardous Substances in, on, over, or upon the Premises first affecting the Premises as of or prior to the Commencement Date, whether now known or unknown; or (ii) the failure of Landlord or its agents or contractors prior to the Commencement Date to comply with any Environmental Laws relating to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Substances into, on, under or from the Premises at any time, whether or not such failure to comply was known or knowable, discovered or discoverable prior to the Commencement Date.

- 1) except as may be referenced in the Environmental Assessments, as applicable, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling, treatment, transportation or disposal of any Hazardous Substances;
- 2) except as may be referenced in the Environmental Assessments, as applicable, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises ("**Environmental Cleanup Work**") in order to comply with any Environmental Laws;
- 3) except as may be referenced in the Environmental Assessments, as applicable, and to the best of Landlord's knowledge, no notice from any governmental authority or any person has ever been served upon Landlord, its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Premises, and neither

Landlord, its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order; and

- 4) except as may be referenced in the Environmental Assessments, as applicable, and to the best of Landlord's knowledge, no part of the Land is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Substances emanating from the Land.

(a) Tenant agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Premises for work or materials furnished to Tenant it being provided, however, that Tenant shall have the right to contest the validity thereof. Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Improvements or any change, alteration or addition thereto. IN THE EVENT THAT ANY MECHANIC'S LIEN SHALL BE FILED, TENANT SHALL EITHER (A) PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW OR (B) TRANSFER SUCH LIEN TO BOND WITHIN NINETY (90) DAYS FOLLOWING THE FILING THEREOF. NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE TENANT OR TO ANYONE HOLDING ANY OF THE PREMISES THROUGH OR UNDER THE TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE LANDLORD IN AND TO ANY OF THE PREMISES. THE LANDLORD SHALL BE PERMITTED TO POST ANY NOTICES ON THE PREMISES REGARDING SUCH NON-LIABILITY OF THE LANDLORD.

(b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, whether due to the actions of Tenant or any person other than Landlord, against the Premises.

(c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant shall give reasonable security to insure payment of such lien or encumbrance and to prevent any sale or forfeiture of the Premises by reason of such nonpayment, and Tenant hereby indemnifies Landlord for any such liability or penalty.

Upon the termination after final appeal of any proceeding relating to any amount contested by Tenant pursuant to this Section 4.3, Tenant shall immediately pay any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right after five (5) business days' notice to Tenant to make any such payment on behalf of Tenant and charge Tenant therefor.

(d) Nothing contained in this Lease shall be construed as constituting the consent or request of Landlord, expressed or implied, to or for the performance of any labor or services or the furnishing of any materials for construction, alteration, addition, repair or demolition of or to the Premises or of any part thereof.

4.4. Insurance Requirements.

Beginning on the Commencement Date and continuing until the expiration or earlier termination of the Term, Tenant shall at all times obtain and maintain, or cause to be maintained, insurance for Tenant and the Premises as described in Exhibit B.

(a) Tenant and Landlord agree that Tenant shall construct or rehabilitate multifamily residential housing for low-income, family, elderly, disabled, special needs or other population and uses acceptable to the County on the Land after HUD's approval of Landlord's disposition application and all applicable mixed-finance agreements and documents. Notwithstanding the preceding sentence, it is understood by the parties that HUD's approval of the Landlord's disposition application and the mixed finance agreements and documents is not a condition precedent to entering into this Lease or a condition precedent to Tenant's obtaining site control of the Premises.

(b) Tenant covenants, promises and agrees that during the Term of this Lease it shall not devote the Premises or any part thereof to uses other than those consistent with this Lease and the requirements of all applicable documents to be executed between Landlord and Tenant (collectively, the "**Landlord/Tenant Documents**"). Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the Term, Tenant covenants, promises and agrees that:

- 1) 100% of the units in the Premises will be set aside as Public Housing Units workforce or market-rate housing and other housing to be occupied by low, very low and extremely low income households.

- 3) Except as otherwise provided in the Act, no portion of the Premises may be disposed of before the expiration of the 10-year period beginning upon the conclusion of the fiscal year for which such amounts were provided, as required by Section 9(e)(3) of the Act (or any successor provision);
- 4) Neither the Premises, nor any part thereof, may be demolished other than in accordance with the Applicable Public Housing Requirements.

(d) In the event of a conflict between the Public Housing Requirements and this Lease, the Public Housing Requirements shall govern.

5.2. Residential Improvements.

(a) Tenant shall construct the Improvements on the Land in conformance with the Plans and Specifications. Tenant shall cause the Improvements to be substantially completed and placed in service in accordance with the Landlord/Tenant Documents. Tenant shall construct the Improvements and make such other repairs, renovations and betterments to the Improvements as it may desire (provided that such renovations and betterments do not reduce the number of units or bedroom count at the Premises) all at its sole cost and expense, in accordance with (i) the Landlord/Tenant Documents and (ii) any mortgage encumbering Tenant's leasehold estate, in a good and workmanlike manner, with new materials and equipment whose quality is at least equal to that of the initial Improvements, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Tenant shall apply for, prosecute, with reasonable diligence, procure or cause to be procured, all necessary approvals, permits, licenses or other authorizations required by applicable governmental authorities having jurisdiction over the Improvements for the construction and/or rehabilitation, development, zoning, use and occupation of the Improvements, including, without limitation, the laying out, installation, maintenance and replacing of the heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems, fixtures, wires, pipes, conduits, equipment and appliances and water, gas, electric, telephone, drain and other utilities that are customary in developments of this type for use in supplying any such service to and upon the Premises. Landlord shall, without expense to Landlord absent consent therefor, cooperate with

Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.

(b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the development proposals and applications or to the Plans and Specifications, nor shall Tenant take any action to increase or decrease the total number of Public Housing Units, other housing units, and/or other uses on the Land, unless authorized in accordance with Landlord/Tenant Documents or otherwise approved by Landlord in writing and in advance.

5.3. Tenant's Obligations.

(a) Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including without limitation the landscaping, irrigation, heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not the fault of Tenant, its agents, employees, invitees, visitors, and contractors. All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes.

(b) Except as may otherwise be approved or deemed approved in accordance with the Landlord/Tenant Documents, Tenant shall not make any alteration, improvement, or addition to the Premises having a cost greater than \$50,000.00 or demolish any portion thereof, without first presenting to Landlord complete plans and specifications therefor and obtaining Landlord's written consent thereto, which consent shall not unreasonably be withheld so long as, in Landlord's reasonable judgment such alteration, improvement, addition or demolition will not violate this Lease or impair the value of the Property.

5.4. Compliance with Law.

(a) Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws (including but not limited to section 255.05, Florida Statutes), ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.

(b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:

(c) Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.

(d) Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party.

5.5. Ownership of Improvements/Surrender of Premises.

At all times during the Term, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease.

5.6. Easements.

Landlord agrees that Landlord shall not unreasonably withhold or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

5.7. Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with Applicable Public Housing Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld.

(b) If applicable, Tenant shall have the right to enter a sublease of any part of the premises (a "**Sublease**") to an entity that is affiliated with Tenant, subject to the approval and consent of Landlord, which will not be unreasonably withheld.. Additionally, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be for a use compatible with the standards and requirements set forth in this Section 5 or for public, low-income or special needs affordable housing. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) In the event Tenant's Sublessee is successful in obtaining LIHTC for that portion of the Premises which is subject to the Sublease, but Tenant is not successful in obtaining LIHTC for the portion of the property not subleased and remaining subject to this Lease, Landlord and Tenant agree to modify this Lease so as to make it a direct lease between Landlord and the Sublessee, for the subleased Premises.

5.8 Creating Sustainable Buildings.

a) Tenant shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council's Leadership in Energy and Environmental Design ("**LEED**"); Florida Green Building Coalition ("**FGBC**") or ICC 700 National Green Building Standards ("**NGBS**"), but shall not be required to obtain a Silver certification rating from LEED, FGBC or NGBS relative to the Development. Though Tenant's goal is to obtain such certification rating, if Tenant does not obtain such certification rating, provided it has used its commercially reasonable efforts to do so, Tenant shall not be in default under this Lease and Landlord shall have no right to enforce the terms of this Section 5.8 or exercise any remedies relative to such absence of a certification rating.

b) The LEED Silver certification or designation relative to the Development is outlined by the U.S. Green Building Council. Tenant agrees to regularly provide Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the FGBC or NGBS. As noted earlier in this Section 5.8, the Development may not necessarily be constructed in a manner so as to achieve a Silver certification rating from LEED or certification from NGBC or NGBS.

c) Further, the LEED Silver certification or designation, NGBC or NGBS certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the "normal" or "regular" energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Tenant specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Tenant will utilize "green building standards" in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. Tenant's decision whether to incorporate or adopt any such additional steps or means shall be made in Tenant's sole and absolute discretion.

ARTICLE VI

CASUALTY AND TAKING

6.1. Casualty.

Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant, Tenant may cancel this Lease after thirty (30) days' notice to Landlord, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes subject to the terms and provisions of any Permitted Leasehold Mortgage, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes, but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgage the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the

Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

6.2. Taking.

(a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

(b) Award. Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section 8.9), Landlord and Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by Landlord in collecting such award or payment (the "**Award**") will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to Landlord and/or Tenant. Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).

(c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "**Total Taking**"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the Easement, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Premises not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "**Partial Taking**"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, then Tenant may terminate this Lease, and Tenant's portion of the Award shall be paid to Tenant, provided that any and all monetary obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking, Tenant shall be entitled to receive and retain an equitable portion of the Award and, if Tenant does not terminate this Lease, Tenant shall

apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the term hereof, the Award shall be apportioned between Tenant and Landlord based on the ratio of the remaining term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the terms of the Permitted Leasehold Mortgages, notwithstanding any provision herein to the contrary, Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(f) No Existing Condemnation. Landlord represents and warrants that as of the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Lease Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence construction of Improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

6.3. Termination upon Non-Restoration.

Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full and Tenant shall be entitled to make a claim for an award.

ARTICLE VII

CONDITION OF PREMISES

7.1. Condition; Title. The Premises are demised and let in an "as is" condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is.

Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its "as-is" and "where-is" condition, with any and all faults, and with the understanding that Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord's representations, warranties and/or obligations contained in this Lease.

Tenant shall, within thirty (30) days following the Lease Date, obtain a title commitment to insure Tenant's leasehold interest in the Premises. Tenant shall address same in accordance with Section 7.3.

7.2. No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord's fee interest in the Land other than the Permitted Encumbrances. Landlord's fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or lien in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days' written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

7.3. Landlord's Title and Quiet Enjoyment. Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant ("**Defects**"), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability—so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns.

Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease subject to the rights of subtenants under their leases.

ARTICLE VIII

DEFAULTS AND TERMINATION

8.1. Default.

The occurrence of any of the following events shall constitute an event of default ("**Event of Default**") hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or

(b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord or such additional time, as determined in the Landlord's sole discretion, as would be required to cure same with the exercise of reasonable diligence; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called "**Bankruptcy Laws**"), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert

in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property and not discharged within ninety (90) days, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease which is not rescinded within sixty (60) days after notice from Landlord.

8.2. Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3. Termination. Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below:

(a) Tenant fails to cause the Commencement Date to occur within eleven (11) months following the Lease Date.

(b) Tenant and Landlord fail to obtain final approval of this Lease by the Miami-Dade Board of County Commissioners, which shall be within the Board's sole discretion (signature of this Lease by Landlord shall be *prima facie* evidence of such approval).

(c) Institution of proceedings in voluntary bankruptcy by Tenant

(d) Institution of proceedings in involuntary bankruptcy against Tenant if such proceedings continue for a period of Ninety (90) days or more.

(e) Assignment of Lease by Tenant for the benefit of creditors.

(f) A final determination of termination of this Lease in a court of law in favor of Landlord in litigation instituted by Tenant against Landlord, or brought by Landlord against Tenant.

(g) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord with respect to Tenant's failure to cure a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such 30 day period).

8.4. Remedies Following Termination. Upon termination of this Lease, Landlord may:

- 1) retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and
- 2) enforce its rights under any bond outstanding at the time of such termination; and
- 3) require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

8.5. Regulatory Default.

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 8.1:

Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 8.1 (a "**Regulatory Default**"), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.

(a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the

applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that, other than if fraud on the part of Tenant is the Regulatory Default alleged by Landlord, if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.

(b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

8.6. Performance by Landlord.

If Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant except to the extent Tenant is in the process of curing same. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

8.7. Costs and Damages.

Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

8.8. Remedies Cumulative.

The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages.

Neither Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant for construction of the Improvements and closed on or about the Commencement Date (the "**Permitted Leasehold**

Mortgages"). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to Tenant with respect to any default under the provisions of this Lease, Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a "**Permitted Leasehold Mortgagee**"), provided that each such Permitted Leasehold Mortgagee shall have delivered to Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by Tenant under this Lease within the same period of time specified for Tenant to cure such default. Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Premises for such purpose.

(c) Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by Tenant.

(d) In the case of a default by Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of Landlord or (iii) the Permitted Leasehold Mortgagee needs possession of the Premises to cure such default and is attempting to obtain possession of the Premises) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire Tenant's interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without Landlord's consent, may, upon acquiring Tenant's leasehold estate and interest in this Lease, without further consent of Landlord and without HUD's consent, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to Landlord its written agreement to be bound by all of the

provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

(1) Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to Landlord under this Lease), and such written request is accompanied by payment to Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by Landlord, pays any and all costs and expenses incurred by Landlord in connection with the execution and delivery of the new lease, less the net income collected by Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by Tenant to Landlord; and

(2) Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to Landlord shall thereupon be assigned and transferred without recourse by Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.

(3) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

ARTICLE IX

SOVEREIGNTY AND POLICE POWERS

9.1. County as Sovereign

It is expressly understood that notwithstanding any provision of this Lease and Landlord's status thereunder:

(a) Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and

(b) Landlord shall not by virtue of this Lease be obligated to grant Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises but will cooperate with Tenant's attempt to secure same.

9.2. No Liability for Exercise of Police Power.

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

(a) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist Tenant, regardless of the purpose required for such cooperation;

(b) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;

(c) To apply for or assist Tenant in applying for any county, city or third party permit or needed approval; or

(d) To contest, defend against, or assist Tenant in contesting or defending against any challenge of any nature;

and, except as otherwise set forth in this Lease, this Lease shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of Landlord or any other applicable governmental agencies in the exercise of its police power; and Landlord shall be released and held harmless, by Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any

building permit and/or certificate of occupancy or tax exemption will require Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, Landlord shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. ARTICLE XI

INDEPENDENT PRIVATE INSPECTOR GENERAL AND MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEWS

11.1. Independent Private Inspector General Reviews.

Pursuant to Miami-Dade County Administrative Order 3-20, Landlord has the right to retain the services of an Independent Private Sector Inspector General (hereinafter "IPSIG"), whenever Landlord deems it appropriate to do so. Upon written notice from Landlord, Tenant shall make available to the IPSIG retained by Landlord, all requested records and documentation pertaining to this Lease for inspection and reproduction. Landlord shall be responsible for the payment of these IPSIG services, and under no circumstance shall Tenant incur any charges relating to these IPSIG services. The terms of this provision herein, apply to Tenant, its officers, agents, employees, subcontractors and assignees. Nothing contained in this provision shall impair any independent right of Landlord to conduct an audit or investigate the operations, activities and performance of Tenant in connection with this Lease. The terms of this Section shall not impose any liability on Landlord by Tenant or any third party.

11.2 Miami-Dade County Inspector General Review

According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General which may, on a random basis, perform audits on all Miami-Dade County agreements, throughout the duration of said agreements, except as otherwise provided below.

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Miami-Dade County agreements including, but not limited to, those agreements specifically exempted above. The Miami-Dade County Inspector General is authorized and empowered to review past, present and proposed Landlord and Tenant contracts, transactions, accounts, records, agreements and programs. In addition, the Inspector General has the power to subpoena witnesses, administer oaths, require the production of records and monitor existing projects and programs. Monitoring of an existing project or program may include a report concerning whether the project is on time, within budget and in conformance with plans, specifications and applicable law. The Inspector General is empowered to analyze the necessity of and reasonableness of proposed change orders to a contract. The Inspector General is empowered to retain the services of independent private sector inspectors general (IPSIG) to audit, investigate, monitor, oversee, inspect and review operations, activities, performance and procurement process, including but not limited to project design, specifications, proposal submittals, activities of Tenant, its officers, agents and employees, lobbyists, Landlord staff and elected officials to ensure compliance with contract specifications and to detect fraud and corruption.

Upon written notice to Tenant from the Inspector General or IPSIG retained by the Inspector General, Tenant shall make all requested records and documents available to the Inspector General or IPSIG for inspection and copying. The Inspector General and IPSIG shall have the right to inspect and copy all documents and records in Tenant's possession, custody or control which, in the Inspector General's or IPSIG's sole judgment, pertain to performance of

the contract, including, but not limited to original estimate files, change order estimate files, worksheets, proposals and agreements form and which successful and unsuccessful subcontractors and suppliers, all project-related correspondence, memoranda, instructions, financial documents, construction documents, proposal and contract documents, back-charge documents, all documents and records which involve cash, trade or volume discounts, insurance proceeds, rebates, or dividends received, payroll and personnel records, and supporting documentation for the aforesaid documents and records.

ARTICLE XII

RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL

12.1. Landlord's Intent to Market Premises.

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises ("**Sales Notice**"). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale ("**Tenant's Notice**") upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the Closing shall be ninety (90) days after the date of Tenant's Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property, subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 12.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

12.2. Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 12.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a "**Sales Offer**"), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Premises to such third party for an aggregate sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the

Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 12.2 shall be revived and again shall be enforceable.

12.3. Mortgagee Rights. Tenant's rights with respect to any option to purchase the Premises as set forth in this Article XII shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to Tenant, without requiring any consent or approval by Landlord.

ARTICLE XIII

ADDITIONAL PROVISIONS PERTAINING TO REMEDIES

13.1 Reinstatement. Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease.

13.2 Notice. Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant.

13.3 Investor. Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder.

13.4 New Managing Member. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default without first giving to the Investor reasonable time, not to exceed 60 days, to replace Tenant's managing member and/or admit an additional managing member and cause the new managing member to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor of the substitution or admission of a new managing member of Tenant within 30 days following Landlord's notice to Tenant and the Investor of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the managing member, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor or the new managing member.

ARTICLE XIV

MISCELLANEOUS

14.1. Construction.

Landlord and Tenant agree that all the provisions hereof are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate section thereof.

In the event of a dispute or difference between Landlord and Tenant as to any obligation which either may assert the other is obligated to perform or do, then the party against whom such obligation is asserted shall have the right and privilege to carry out and perform the obligation so asserted against it without being considered a volunteer or deemed to have admitted the correctness of the claim, and shall have the right to bring an appropriate action at law, equity or otherwise against the other for the recovery of any sums expended in the performance thereof and in any such action, the successful party shall be entitled to recover in addition to all other recoveries such reasonable attorneys' fees as may be awarded by the Court.

14.3. Compliance with Governing Requirements.

Notwithstanding anything to the contrary herein, Landlord and Tenant hereby agree to comply with any and all applicable HUD notice and consent requirements set forth in the Governing Documents by providing notice to HUD as required in the Governing Documents.

14.3. No Waiver.

Failure of either party to complain of any act or omission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

If any terms, covenant, provision or condition of this Lease or the application thereof to any person or circumstances shall be declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, provisions and conditions of this Lease and their application to persons or circumstances shall not be affected thereby and shall continue to be enforced and recognized as valid agreements of the parties, and in the place of such invalid or unenforceable provision there shall be substituted a like, but valid and enforceable, provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties.

14.6. Decision Standards.

In any approval, consent or other determination by any party required under any provision of this Lease, the party shall act reasonably, in good faith and in a timely manner, unless a different standard is explicitly stated.

14.7. Bind and Inure.

Unless repugnant to the context, the words **Landlord** and **Tenant** shall be construed to mean the original parties, their respective successors and assigns and those claiming through or under them respectively. The agreements and conditions in this Lease contained on the part of Tenant to be performed and observed shall be binding upon Tenant and its successors and assigns and shall inure to the benefit of Landlord and its successors and assigns, and the agreements and conditions in this Lease contained on the part of Landlord to be performed and observed shall be binding upon Landlord and its successors and assigns and shall inure to the benefit of Tenant and its successors and assigns. No holder of a mortgage of the leasehold interest hereunder shall be deemed to be the holder of said leasehold estate until such holder shall have acquired indefeasible title to said leasehold estate.

14.8. Estoppel Certificate.

Each party agrees from time to time, upon no less than thirty (30) days' prior notice from the other or from any Permitted Leasehold Mortgagee, to execute, acknowledge and deliver to the other, as the case may be, a statement certifying that (i) this Lease is unmodified and in full force and effect (or, if there have been any modifications, that the same is in full force and effect as modified and stating the modifications), (ii) the dates to which the Rent has been paid, and that no additional rent or other payments are due under this Lease (or if additional rent or other payments are due, the nature and amount of the same), and (iii) whether there exists any uncured default by the other party, or any defense, offset, or counterclaim against the other party, and, if so, the nature of such default, defense, offset or counterclaim.

14.9. Recordation.

Simultaneously with the delivery of the Lease the parties have delivered a memorandum, notice or short-form of this Lease or this Lease which Tenant shall record in the appropriate office of the Public Records of Miami-Dade County. If this Lease is terminated before the Term expires, the parties shall execute, deliver and record an instrument acknowledging such fact and the date of termination of this Lease.

14.10. Notice.

Any notice, request, demand, consent, approval, or other communication required or permitted under this Lease shall be in writing, may be delivered on behalf of a party by such party's counsel, and shall be deemed given when received, if (i) delivered by hand, (ii) sent by registered or certified mail, return receipt requested, or (iii) sent by recognized overnight delivery service such as Federal Express, addressed as follows:

14.12. Amendment.

This Lease may be amended by mutual agreement of Landlord and Tenant, provided that all amendments must be in writing and signed by both parties and that no amendment shall impair the obligations of Tenant to develop and operate the Premises. Tenant and Landlord hereby expressly stipulate and agree that, they will not modify this Lease in any way nor cancel or terminate this Lease by mutual agreement nor will Tenant surrender its interest in this Lease, including but not limited to pursuant to the provisions of Section 6.3, without the prior written consent of all Permitted Leasehold Mortgagees and, following the admission of the Investor, Tenant's Investor. ARTICLE II

PREMISES AND TERM

Landlord leases and demises to Tenant and its successors and assigns, subject to and with the benefit of the terms, covenants, conditions and provisions of this Lease, the Land for the Term unless sooner terminated in accordance with the provisions contained in this Lease.

ARTICLE III

RENT

3.1. Rent. Tenant covenants and agrees to pay to Landlord as rent under this Lease (i) an annual rental amount equal to \$280,885.00 (increasing each year at four percent (4%) per year) ("**Annual Rent**"), payable out of fifty percent (50%) of the available (net) cash flow that is distributable by Tenant to its manager, after payment of any deferred developer fees and (ii) a one-time capitalized lease payment, to be paid upon the Commencement Date for an applicable phase of the Development, in the maximum amount of \$3,330,000.00 (the "**Capitalized Payment**"), which amount is calculated by multiplying the maximum number of units (*i.e.*, 1332) *times* \$2,500.00. "**Base Rent**" means the sum of Annual Rent and the Capitalized Payment. The Capitalized Payment shall be apportioned among the phases of the Development on a *pro rata* basis, calculated by multiplying \$2,500.00 *times* the total number units to be constructed in an applicable phase. If fewer than 1332 units are constructed at the Premises, the Capitalized Payment for an applicable phase shall be reduced on a unit-for-unit basis. The Capitalized Payment for an applicable phase of the Development shall be due upon the Commencement Date for such phase. Any portion of the Annual Rent not paid in any given year shall be deferred to the following year. No Annual Rent shall accrue until after full payment of any deferred developer fees. Base Rent shall be made payable to the Board of County Commissioners, c/o Public Housing and Community Development, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time designate in writing, as set forth herein. Prior to an applicable Commencement Date for a phase of the Development, Tenant is not obligated to pay Base Rent or any other sums to Landlord under this Lease for such phase or any subsequent phase.

3.2. Surrender. Upon the expiration of this Lease by the passage of time or otherwise, Tenant will quietly yield, surrender and deliver up possession of the Premises to Landlord. In the event Tenant fails to vacate the Premises and remove such personal property as Tenant is allowed to remove from the Premises at the end of the Term, or at the earlier termination of this Lease, Landlord shall be deemed Tenant's agent to remove such items from the Premises at

Tenant's sole cost and expense. Furthermore, should Tenant fail to vacate the Premises in accordance with the terms of this Lease at the end of the Term, or at the earlier termination of this Lease, Tenant shall pay to Landlord a charge for each day of occupancy after expiration or termination of the Lease in an amount equal to 150% of Tenant's Rent prorated on a daily basis. Such charge shall be in addition to any actual damages suffered by Landlord by Tenant's failure to vacate the Premises, for which Tenant shall be fully liable, it being understood and agreed, however, that Tenant shall under no circumstances be liable to Landlord for any incidental, indirect, punitive or consequential damages (including, but not limited to, loss of revenue or anticipated profits).

3.3. Utilities. Tenant shall pay or cause to be paid all charges for water, gas, sewer, electricity, light, heat, other energy sources or power, telephone or other service used, rendered or supplied to Tenant in connection with the Premises.

3.5. Taxes. Tenant understands and agrees that as a result of Landlord's fee ownership of the Premises, for state law purposes, the Premises may become exempt from any ad valorem taxes. Landlord represents to Tenant that any such exemption should remain in effect notwithstanding that Landlord is entering into this Lease. However, during the Term should, for any reason whatsoever, the Premises become exempt and then again become subject to ad valorem taxes or any other real estate taxes, fees, impositions and/or charges imposed during the Term (and any extensions thereof) upon the Premises ("**Real Estate Taxes**"), Tenant shall be required to pay all Real Estate Taxes, prior to delinquency without notice or demand and without set-off, abatement, suspension or deduction. If the folio identification number applicable to the Premises shall also contain other property not specifically included in, or a part of, the Premises, Tenant shall only be required to pay the portion of Real Estate Taxes exclusively attributable to the Premises. In addition, Tenant shall be required to pay for any water, electric, sewer, telephone or other utility charges incurred by Tenant during the Term or any extensions thereof which are limited solely to the Premises.

ARTICLE IV

INDEMNITY, LIENS AND INSURANCE

4.1. Indemnity for Tenant's Acts. Landlord shall continue to operate the Premises until the Commencement Date as provided in Section 5.1(b), below. From the Commencement Date and thereafter, Tenant shall indemnify and hold harmless Landlord and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which Landlord or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Lease by Tenant or its employees, agents, servants, members, principals or subcontractors. Tenant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of Landlord, where applicable, including appellate

proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon provided, however, nothing herein contained shall obligate or hold Tenant responsible prior to the Commencement Date for any costs, expenses, claims or demands made by any party associated with the Premises or for any claims stemming from Landlord's and/or its officers', employees' or agents' misconduct or negligence, unless such costs, expenses, claims or demands arise from the acts or omissions of Tenant, its agents, contractors, employees, members, or invitees.. Tenant expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Tenant shall in no way limit the responsibility to indemnify, keep and save harmless and defend Landlord or its officers, employees, agents and instrumentalities as herein provided..

4.2. Landlord's Environmental Responsibility and Representations.

(a) Except to the extent that an environmental condition is aggravated or exacerbated by the negligent or willful acts or omissions of Tenant, its agents or contractors, Tenant shall not be responsible under this Lease for any claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement action of any kind, and all costs and expenses incurred in connection therewith arising out of: (i) the presence of any Hazardous Substances in, on, over, or upon the Premises first affecting the Premises as of or prior to the Commencement Date, whether now known or unknown; or (ii) the failure of Landlord or its agents or contractors prior to the Commencement Date to comply with any Environmental Laws relating to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Substances into, on, under or from the Premises at any time, whether or not such failure to comply was known or knowable, discovered or discoverable prior to the Commencement Date.

(b) Landlord represents and warrants to Tenant that, as of the date hereof:

- 1) except as may be referenced in the Environmental Assessments, as applicable, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling, treatment, transportation or disposal of any Hazardous Substances;
- 2) except as may be referenced in the Environmental Assessments as applicable, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises ("**Environmental Cleanup Work**") in order to comply with any Environmental Laws;
- 3) except as may be referenced in the Environmental Assessments, as applicable, and to the best of Landlord's knowledge, no notice from any governmental authority or any person has ever been served upon Landlord, its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Premises, and neither Landlord, its agents or employees has ever been informed of any

threatened or proposed serving of any such notice of violation or corrective work order; and

- 4) except as may be referenced in the Environmental Assessments, as applicable, and to the best of Landlord's knowledge, no part of the Land is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Substances emanating from the Land.

4.3. Liens.

(a) Tenant agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Premises for work or materials furnished to Tenant it being provided, however, that Tenant shall have the right to contest the validity thereof. Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Improvements or any change, alteration or addition thereto. IN THE EVENT THAT ANY MECHANIC'S LIEN SHALL BE FILED, TENANT SHALL EITHER (A) PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW OR (B) TRANSFER SUCH LIEN TO BOND WITHIN NINETY (90) DAYS FOLLOWING THE FILING THEREOF. NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE TENANT OR TO ANYONE HOLDING ANY OF THE PREMISES THROUGH OR UNDER THE TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE LANDLORD IN AND TO ANY OF THE PREMISES. THE LANDLORD SHALL BE PERMITTED TO POST ANY NOTICES ON THE PREMISES REGARDING SUCH NON-LIABILITY OF THE LANDLORD.

(b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, whether due to the actions of Tenant or any person other than Landlord, against the Premises.

(c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant shall give reasonable security to insure payment of such lien or encumbrance and to prevent any sale or forfeiture of the Premises by reason of such nonpayment, and Tenant hereby indemnifies Landlord for any such liability or penalty.

Upon the termination after final appeal of any proceeding relating to any amount contested by Tenant pursuant to this Section 4.3, Tenant shall immediately pay any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right after five (5) business days' notice to Tenant to make any such payment on behalf of Tenant and charge Tenant therefor.

(d) Nothing contained in this Lease shall be construed as constituting the consent or request of Landlord, expressed or implied, to or for the performance of any labor or services or the furnishing of any materials for construction, alteration, addition, repair or demolition of or to the Premises or of any part thereof.

4.4. Insurance Requirements.

Beginning on the Commencement Date and continuing until the expiration or earlier termination of the Term, Tenant shall at all times obtain and maintain, or cause to be maintained, insurance for Tenant and the Premises as described in Exhibit B.

ARTICLE V

USE OF PREMISES; COVENANTS RUNNING WITH THE LAND

5.1. Use; Covenants.

(a) Tenant and Landlord agree that Tenant shall construct or rehabilitate multifamily residential housing for low-income, family, elderly, disabled, special needs or other population and uses acceptable to the County on the Land after HUD's approval of Landlord's disposition application and all applicable mixed-finance agreements and documents. Notwithstanding the preceding sentence, it is understood by the parties that HUD's approval of the Landlord's disposition application and the mixed finance agreements and documents is not a condition precedent to entering into this Lease or a condition precedent to Tenant's obtaining site control of the Premises.

(b) Tenant covenants, promises and agrees that during the Term of this Lease it shall not devote the Premises or any part thereof to uses other than those consistent with this Lease and the requirements of all applicable documents to be executed between Landlord and Tenant (collectively, the "**Landlord/Tenant Documents**"). Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the Term, Tenant covenants, promises and agrees that:

- 1) 100% of the units in the Premises will be set aside as Public Housing Units, workforce or market-rate housing, and other housing to be occupied by low, very low and extremely low income households.
- 2) Except as otherwise provided in the Act, the Premises shall be maintained and operated under the terms and conditions applicable to public housing, as set forth in the Applicable Public Housing Requirements, during the 20-year period that begins on the latest date on which modernization with public housing capital funds is completed, as required by Section 9(d)(3)(B) of the Act (or any successor provision);
- 3) Except as otherwise provided in the Act, no portion of the Premises may be disposed of before the expiration of the 10-year period beginning upon the

conclusion of the fiscal year for which such amounts were provided, as required by Section 9(e)(3) of the Act (or any successor provision);

- 4) Neither the Premises, nor any part thereof, may be demolished other than in accordance with the Applicable Public Housing Requirements.

Notwithstanding the foregoing, prior to the Commencement Date, Tenant agrees that Landlord shall have a continued right of entry onto the Premises for the purposes of Landlord's continued operation of the Improvements existing as of the Lease Date and maintenance of the Premises during the period prior to the Commencement Date. Landlord shall, during this period, continue to operate the Improvements in the manner in which Landlord has operated them prior to the Lease Date and shall be responsible for all aspects of maintaining, leasing, operating, insuring and administering the Premises. If, prior to the Commencement Date, the Premises is destroyed or damaged, or becomes subject to a Taking, to any extent whatsoever, Tenant may, in its sole discretion, terminate this Lease by written notice to Landlord, whereupon neither party hereto shall have any further rights or obligations hereunder.

(c) The provisions of the Applicable Public Housing Requirements and this Section 5.1 are intended to create a covenant running with the land and, subject to the terms and benefits of the Public Housing Requirements, to encumber and benefit the Premises and to bind for the Term Landlord and Tenant and each of their successors and assigns and all subsequent owners of the Premises, including, without limitation, any entity which succeeds to Tenant's interest in the Premises by foreclosure of any Permitted Leasehold Mortgage or instrument in lieu of foreclosure.

(d) In the event of a conflict between the Public Housing Requirements and this Lease, the Public Housing Requirements shall govern.

5.2. Residential Improvements.

(a) Tenant shall construct the Improvements on the Land in conformance with the Plans and Specifications. Tenant shall cause the Improvements to be substantially completed and placed in service in accordance with the Landlord/Tenant Documents. Tenant shall construct the Improvements and make such other repairs, renovations and betterments to the Improvements as it may desire (provided that such renovations and betterments do not reduce the number of units or bedroom count at the Premises) all at its sole cost and expense, in accordance with (i) the Landlord/Tenant Documents and (ii) any mortgage encumbering Tenant's leasehold estate, in a good and workmanlike manner, with new materials and equipment whose quality is at least equal to that of the initial Improvements, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Tenant shall apply for, prosecute, with reasonable diligence, procure or cause to be procured, all necessary approvals, permits, licenses or other authorizations required by applicable governmental authorities having jurisdiction over the Improvements for the construction and/or rehabilitation, development, zoning, use and occupation of the Improvements, including, without limitation, the laying out, installation, maintenance and replacing of the heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems, fixtures, wires, pipes, conduits, equipment and appliances and water, gas, electric, telephone, drain and other utilities that are customary in developments of this type for use in supplying any such service to and upon the Premises. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing,

replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.

(b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the development proposals and applications or to the Plans and Specifications, nor shall Tenant take any action to increase or decrease the total number of Public Housing Units, other housing units, and/or other uses on the Land, unless authorized in accordance with the Landlord/Tenant Documents or otherwise approved by Landlord in writing and in advance.

5.3. Tenant's Obligations.

(a) Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including without limitation the landscaping, irrigation, heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not the fault of Tenant, its agents, employees, invitees, visitors, and contractors. All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes.

(b) Except as may otherwise be approved or deemed approved in accordance with the Landlord/Tenant Documents, Tenant shall not make any alteration, improvement, or addition to the Premises having a cost greater than \$50,000.00, or demolish any portion thereof, without first presenting to Landlord complete plans and specifications therefor and obtaining Landlord's written consent thereto, which consent shall not unreasonably be withheld so long as, in Landlord's reasonable judgment such alteration, improvement, addition or demolition will not violate this Lease or impair the value of the Property.

5.4. Compliance with Law.

(a) Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws (including but not limited to section 255.05, Florida Statutes), ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.

(b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:

(c) Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall

remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.

(d) Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party.

5.5. Ownership of Improvements/Surrender of Premises.

At all times during the Term, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease.

5.6. Easements.

Landlord agrees that Landlord shall not unreasonably withhold or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

5.7. Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not (1) assign this Lease or any of its

rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with Applicable Public Housing Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld.

(b) If applicable, Tenant shall have the right to enter a sublease of any part of the premises (a "**Sublease**") to an entity that is affiliated with Tenant, subject to the approval and consent of Landlord, which will not be unreasonably withheld.. Additionally, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be for a use compatible with the standards and requirements set forth in this Section 5 or for public, low-income or special needs affordable housing. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) In the event Tenant's Sublessee is successful in obtaining LIHTC for that portion of the Premises which is subject to the Sublease, but Tenant is not successful in obtaining LIHTC for the portion of the property not subleased and remaining subject to this Lease, Landlord and Tenant agree to modify this Lease so as to make it a direct lease between Landlord and the Sublessee, for the subleased Premises.

5.8 Creating Sustainable Buildings.

a) Tenant shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council's Leadership in Energy and Environmental Design ("**LEED**"); Florida Green Building Coalition ("**FGBC**"); or ICC 700 National Green Building Standards ("**NGBS**"), but shall not be required to obtain a Silver certification rating from LEED, FGBC or NGBS relative to the Development. Though Tenant's goal is to obtain such certification rating, if Tenant does not obtain such certification rating, provided it has used its commercially reasonable efforts to do so, Tenant shall not be in default under this Lease and Landlord shall have no right to enforce the terms of this Section 5.8 or exercise any remedies relative to such absence of a certification rating.

b) The LEED Silver certification or designation relative to the Development is outlined by the U.S. Green Building Council. Tenant agrees to regularly provide Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the FGBC or NGBS. As noted earlier in this Section 5.8, the Development

may not necessarily be constructed in a manner so as to achieve a Silver certification rating from LEED or certification from FGBC or NGBS.

c) Further, the LEED Silver certification or designation, FGBC or NGBS certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the "normal" or "regular" energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Tenant specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Tenant will utilize "green building standards" in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. Tenant's decision whether to incorporate or adopt any such additional steps or means shall be made in Tenant's sole and absolute discretion.

ARTICLE VI

CASUALTY AND TAKING

6.1. Casualty.

Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant, Tenant may cancel this Lease after thirty (30) days' notice to Landlord, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes subject to the terms and provisions of any Permitted Leasehold Mortgage, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes, but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgage the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

6.2. Taking.

(a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

(b) Award. Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section 8.9), Landlord and Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by Landlord in collecting such award or payment (the "Award") will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to Landlord and/or Tenant. Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).

(c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "**Total Taking**"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the Easement, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Premises not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "**Partial Taking**"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, then Tenant may terminate this Lease, and Tenant's portion of the Award shall be paid to Tenant, provided that any and all monetary obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking, Tenant shall be entitled to receive and retain an equitable portion of the Award and, if Tenant does not terminate this Lease, shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the term hereof, the Award shall be apportioned between Tenant and Landlord based on the ratio of the remaining term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the

terms of the Permitted Leasehold Mortgages, notwithstanding any provision herein to the contrary, Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(f) No Existing Condemnation. Landlord represents and warrants that as of the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Lease Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence construction of Improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

6.3. Termination upon Non-Restoration.

Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full and Tenant shall be entitled to make a claim for an Award.

ARTICLE VII

CONDITION OF PREMISES

7.1. Condition; Title. The Premises are demised and let in an "as is" condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its "as-is" and "where-is" condition, with any and all faults, and with the understanding that Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord's representations, warranties and/or obligations contained in this Lease.

Tenant shall, within thirty (30) days following the Lease Date, obtain a title commitment to insure Tenant's leasehold interest in the Premises. Tenant shall advise Landlord as to any title matters that Tenant deems objectionable and Landlord shall address same in accordance with Section 7.3.

7.2. No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord's fee interest in the Land other than the Permitted Encumbrances. Landlord's fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or lien in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days' written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

7.3. Landlord's Title and Quiet Enjoyment. Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant ("Defects"), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability, so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns.

Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease subject to the rights of subtenants under their leases.

ARTICLE VIII

DEFAULTS AND TERMINATION

8.1. Default.

The occurrence of any of the following events shall constitute an event of default ("**Event of Default**") hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or

(b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord or such additional time, as determined in Landlord's sole discretion, as would be required to cure same with the exercise of reasonable diligence; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called "**Bankruptcy Laws**"), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of

competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property and not discharged within ninety (90) days, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease which is not rescinded within sixty (60) days after notice from Landlord.

8.2. Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3. Termination. Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below:

(a) Tenant fails to cause the Commencement Date to occur within eleven (11) months following the Lease Date.

(b) Tenant and Landlord fail to obtain final approval of this Lease by the Miami-Dade Board of County Commissioners, which shall be within the Board's sole discretion (signature of this Lease by Landlord shall be *prima facie* evidence of such approval).

(c) Institution of proceedings in voluntary bankruptcy by Tenant

(d) Institution of proceedings in involuntary bankruptcy against Tenant if such proceedings continue for a period of Ninety (90) days or more.

(e) Assignment of Lease by Tenant for the benefit of creditors.

(f) A final determination of termination of this Lease in a court of law in favor of Landlord in litigation instituted by Tenant against Landlord, or brought by Landlord against Tenant.

(g) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord with respect to Tenant's failure to cure a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such 30 day period).

8.4. Remedies Following Termination. Upon termination of this Lease, Landlord may:

(a) retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and

(b) enforce its rights under any bond outstanding at the time of such termination; and

(c) require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

8.5. Regulatory Default.

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 8.1:

Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 8.1 (a "**Regulatory Default**"), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.

(a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that, other than if fraud on the part of Tenant is the Regulatory Default alleged by Landlord, if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.

(b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

8.6. Performance by Landlord.

If Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant except to the extent Tenant is then in the process of curing same. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

8.7. Costs and Damages.

Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

8.8. Remedies Cumulative.

The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages.

Neither Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant for renovation of the Improvements and closed on or about the Commencement Date (the "**Permitted Leasehold Mortgages**"). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to Tenant with respect to any default under the provisions of this Lease, Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a "**Permitted Leasehold Mortgagee**"), provided that each such Permitted Leasehold Mortgagee shall have delivered to Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by Tenant under this Lease within the same period of time specified for Tenant to cure such default. Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Premises for such purpose.

(c) Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by Tenant.

(d) In the case of a default by Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of Landlord or (iii) the Permitted Leasehold Mortgagee needs possession of the Premises to cure such default and is attempting to obtain possession of the Premises) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire Tenant's interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without Landlord's consent, may, upon acquiring Tenant's leasehold estate and interest in this Lease, without further consent of Landlord and without HUD's consent, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

(1) Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to Landlord under this Lease), and such written request is accompanied by payment to Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by Landlord, pays any and all costs and expenses incurred by Landlord in connection with the execution and delivery of the new

lease, less the net income collected by Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by Tenant to Landlord; and

(2) Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to Landlord shall thereupon be assigned and transferred without recourse by Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.

(3) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

ARTICLE IX

SOVEREIGNTY AND POLICE POWERS

9.1. County as Sovereign

It is expressly understood that notwithstanding any provision of this Lease and Landlord's status thereunder:

(a) Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and

(b) Landlord shall not by virtue of this Lease be obligated to grant Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises but will cooperate with Tenant's attempt to secure same.

9.2. No Liability for Exercise of Police Power.

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

- (a) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist Tenant, regardless of the purpose required for such cooperation;
- (b) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;
- (c) To apply for or assist Tenant in applying for any county, city or third party permit or needed approval; or
- (d) To contest, defend against, or assist Tenant in contesting or defending against any challenge of any nature;

and, except as otherwise set forth in this Lease, this Lease shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of Landlord or any other applicable governmental agencies in the exercise of its police power; and Landlord shall be released and held harmless, by Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, Landlord shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of Landlord to adopt any of Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Lease.

ARTICLE X

PUBLIC RECORDS ACT

10.1 As it relates to this Lease and any subsequent agreements and other documents related to the Development, Tenant and any of its subsidiaries, pursuant to Section 119.0701, Florida Statutes, shall:

- (a) Keep and maintain public records that ordinarily and necessarily would be required by Landlord in order to perform the service;

- (b) Provide the public with access to public records on the same terms and conditions that the County would provide the records and at a cost that does not exceed the cost provided in the Florida Public Records Act, Miami-Dade County Administrative Order No. 4-48, or as otherwise provided by law;
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and
- (d) Meet all requirements for retaining public records and transfer to Landlord, at no Landlord cost, all public records created, received, maintained and/or directly related to the performance of this Lease that are in possession of Tenant upon termination of this Lease. Upon termination of this Lease, Tenant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to Landlord in a format that is compatible with the information technology systems of Landlord.

10.2 For purposes of this Article X, the term "public records" shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business of Landlord.

10.3 In the event Tenant does not comply with the public records disclosure requirements set forth in Section 119.0701, Florida Statutes and this Article X of this Agreement, Landlord County shall avail itself of the remedies set forth in Article VIII of this Agreement.

ARTICLE XI

INDEPENDENT PRIVATE INSPECTOR GENERAL AND MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEWS

11.1. Independent Private Inspector General Reviews.

Pursuant to Miami-Dade County Administrative Order 3-20, Landlord has the right to retain the services of an Independent Private Sector Inspector General (hereinafter "IPSIG"), whenever Landlord deems it appropriate to do so. Upon written notice from Landlord, Tenant shall make available to the IPSIG retained by Landlord, all requested records and documentation pertaining to this Lease for inspection and reproduction. Landlord shall be responsible for the payment of these IPSIG services, and under no circumstance shall Tenant incur any charges relating to these IPSIG services. The terms of this provision herein, apply to Tenant, its officers, agents, employees, subcontractors and assignees. Nothing contained in this provision shall impair any independent right of Landlord to conduct an audit or investigate the operations, activities and performance of Tenant in connection with this Lease. The terms of this Section shall not impose any liability on Landlord by Tenant or any third party.

11.2. Miami-Dade County Inspector General Review

According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General

which may, on a random basis, perform audits on all Miami-Dade County agreements, throughout the duration of said agreements, except as otherwise provided below.

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Miami-Dade County agreements including, but not limited to, those agreements specifically exempted above. The Miami-Dade County Inspector General is authorized and empowered to review past, present and proposed Landlord and Tenant contracts, transactions, accounts, records, agreements and programs. In addition, the Inspector General has the power to subpoena witnesses, administer oaths, require the production of records and monitor existing projects and programs. Monitoring of an existing project or program may include a report concerning whether the project is on time, within budget and in conformance with plans, specifications and applicable law. The Inspector General is empowered to analyze the necessity of and reasonableness of proposed change orders to a contract. The Inspector General is empowered to retain the services of independent private sector inspectors general (IPSIG) to audit, investigate, monitor, oversee, inspect and review operations, activities, performance and procurement process, including but not limited to project design, specifications, proposal submittals, activities of Tenant, its officers, agents and employees, lobbyists, Landlord staff and elected officials to ensure compliance with contract specifications and to detect fraud and corruption.

Upon written notice to Tenant from the Inspector General or IPSIG retained by the Inspector General, Tenant shall make all requested records and documents available to the Inspector General or IPSIG for inspection and copying. The Inspector General and IPSIG shall have the right to inspect and copy all documents and records in Tenant's possession, custody or control which, in the Inspector General's or IPSIG's sole judgment, pertain to performance of the contract, including, but not limited to original estimate files, change order estimate files, worksheets, proposals and agreements form and which successful and unsuccessful subcontractors and suppliers, all project-related correspondence, memoranda, instructions, financial documents, construction documents, proposal and contract documents, back-charge documents, all documents and records which involve cash, trade or volume discounts, insurance proceeds, rebates, or dividends received, payroll and personnel records, and supporting documentation for the aforesaid documents and records.

ARTICLE XII

RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL

12.1. Landlord's Intent to Market Premises.

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises ("**Sales Notice**"). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale ("**Tenant's Notice**") upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the Closing shall be ninety (90) days after the date of Tenant's Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord

of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property, subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 12.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

12.2. Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 12.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a "**Sales Offer**"), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Premises to such third party for an aggregate sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

12.3. Mortgagee Rights. Tenant's rights with respect to any option to purchase the Premises as set forth in this Article XII shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to Tenant, without requiring any consent or approval by Landlord.

ARTICLE XIII

ADDITIONAL PROVISIONS PERTAINING TO REMEDIES

13.1 Reinstatement. Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease.

13.2 Notice. Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor elects to cure the Event of Default or other

breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant.

13.3 Investor. Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder.

13.4 New Managing Member. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default without first giving to the Investor reasonable time, not to exceed 60 days, to replace Tenant's managing member and/or admit an additional managing member and cause the new managing member to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor of the substitution or admission of a new managing member of Tenant within 30 days following Landlord's notice to Tenant and the Investor of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the managing member, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor or the new managing member.

ARTICLE XIV

MISCELLANEOUS

14.1. Construction.

Landlord and Tenant agree that all the provisions hereof are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate section thereof.

14.2. Performance Under Protest.

In the event of a dispute or difference between Landlord and Tenant as to any obligation which either may assert the other is obligated to perform or do, then the party against whom such obligation is asserted shall have the right and privilege to carry out and perform the obligation so asserted against it without being considered a volunteer or deemed to have admitted the correctness of the claim, and shall have the right to bring an appropriate action at law, equity or otherwise against the other for the recovery of any sums expended in the performance thereof and in any such action, the successful party shall be entitled to recover in addition to all other recoveries such reasonable attorneys' fees as may be awarded by the Court.

14.3 Compliance with Governing Requirements.

Notwithstanding anything to the contrary herein, Landlord and Tenant hereby agree to comply with any and all applicable HUD notice and consent requirements set forth in the Governing Documents by providing notice to HUD as required in the Governing Documents.

14.4. No Waiver.

Failure of either party to complain of any act or omission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

14.5. Headings.

The headings used for the various articles and sections of this Lease are used only as a matter of convenience for reference, and are not to be construed as part of this Lease or to be used in determining the intent of the parties of this Lease.

14.6. Partial Invalidity.

If any terms, covenant, provision or condition of this Lease or the application thereof to any person or circumstances shall be declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, provisions and conditions of this Lease and their application to persons or circumstances shall not be affected thereby and shall continue to be enforced and recognized as valid agreements of the parties, and in the place of such invalid or unenforceable provision there shall be substituted a like, but valid and enforceable, provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties.

14.7. Decision Standards.

In any approval, consent or other determination by any party required under any provision of this Lease, the party shall act reasonably, in good faith and in a timely manner, unless a different standard is explicitly stated.

14.8. Bind and Inure.

Unless repugnant to the context, the words **Landlord** and **Tenant** shall be construed to mean the original parties, their respective successors and assigns and those claiming through or under them respectively. The agreements and conditions in this Lease contained on the part of Tenant to be performed and observed shall be binding upon Tenant and its successors and assigns and shall inure to the benefit of Landlord and its successors and assigns, and the agreements and conditions in this Lease contained on the part of Landlord to be performed and observed shall be binding upon Landlord and its successors and assigns and shall inure to the benefit of Tenant and its successors and assigns. No holder of a mortgage of the leasehold interest hereunder shall be deemed to be the holder of said leasehold estate until such holder shall have acquired indefeasible title to said leasehold estate.

14.9. Estoppel Certificate.

Each party agrees from time to time, upon no less than thirty (30) days' prior notice from the other or from any Permitted Leasehold Mortgagee, to execute, acknowledge and deliver to the other, as the case may be, a statement certifying that (i) this Lease is unmodified and in full force and effect (or, if there have been any modifications, that the same is in full force and effect as modified and stating the modifications), (ii) the dates to which the Rent has been paid, and that no additional rent or other payments are due under this Lease (or if additional rent or other payments are due, the nature and amount of the same), and (iii) whether there exists any uncured default by the other party, or any defense, offset, or counterclaim against the other party, and, if so, the nature of such default, defense, offset or counterclaim.

14.10. Recordation.

Simultaneously with the delivery of the Lease the parties have delivered a memorandum, notice or short-form of this Lease or this Lease which Tenant shall record in the appropriate office of the Public Records of Miami-Dade County. If this Lease is terminated before the Term expires, the parties shall execute, deliver and record an instrument acknowledging such fact and the date of termination of this Lease.

14.11. Notice.

Any notice, request, demand, consent, approval, or other communication required or permitted under this Lease shall be in writing, may be delivered on behalf of a party by such party's counsel, and shall be deemed given when received, if (i) delivered by hand, (ii) sent by registered or certified mail, return receipt requested, or (iii) sent by recognized overnight delivery service such as Federal Express, addressed as follows:

14.13. Amendment.

This Lease may be amended by mutual agreement of Landlord and Tenant, provided that all amendments must be in writing and signed by both parties and that no amendment shall impair the obligations of Tenant to develop and operate the Premises. Tenant and Landlord hereby expressly stipulate and agree that, they will not modify this Lease in any way nor cancel or terminate this Lease by mutual agreement nor will Tenant surrender its interest in this Lease, including but not limited to pursuant to the provisions of Section 6.3, without the prior written consent of all Permitted Leasehold Mortgagees and, following the admission of the Investor, Tenant's Investor. Tenant and Landlord further agree that they will not, respectively, take advantage of any provisions of the United States Bankruptcy Code that would result in a termination of this Lease or make it unenforceable.

14.14. Governing Law, Forum, and Jurisdiction.

Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

14.18. Non-Merger.

Except upon expiration of the Term or upon termination of this Lease pursuant to an express right of termination set forth herein, there shall be no merger of either this Lease or

2. Nature of Agreement.

This Agreement sets forth the principal terms that have been agreed to by the parties concerning the Development (as defined below). It is anticipated that this Agreement will constitute the "Master Development Agreement" for the Development. The parties are executing this Agreement to establish the principal terms of the transaction in order to enable both parties to proceed with an understanding of their obligations and agreements with regard to the Development.

This Agreement is intended to provide an overall framework for a cooperative, public-private, highly coordinated approach to implementation of the redevelopment plan of the Development. The County and the Developer agree to work with each other in good faith to execute any subsequent agreements that may be needed to complete the Development. Without limitation, the Developer will coordinate and lead a comprehensive community engagement and planning process (the "**Community Engagement and Planning Process**") that will solicit meaningful input from all stakeholders (including but not limited to residents, the resident councils, businesses, and local representatives), the County, and the South Florida Housing Studies Consortium. The parties acknowledge and agree that significant amendments and modifications will be required upon completion of such master planning activities. As a result, this Agreement serves as the overall framework for further discussions and modification as a result of the Community Engagement and Planning Process.

3. Development Feasibility and Structure.

- (a) Request for Proposals and Developer's Response. On May 27, 2015, the County sought proposals under Request for Application No. 2015-1 (the "**RFA**") to Developer Pool pursuant to RFQ #794A, #794B and #794C for the Development from qualified housing developers. The Developer submitted a response to the RFA on July 9, 2015 and a best and final offer (the "**Best and Final Offer**") on February 5, 2016, and the County recommended negotiations with the Developer with respect to a Master Development Agreement. The County hereby approves the designation of the Developer as the developer for the Development, and as the County's "**Partner**," as described in 24 C.F.R. § 905.108, for the mixed-finance development of public housing units (as well as those other activities described herein), subject to and in accordance with the terms and conditions provided herein. The County also approves the further assignment of development rights to other phase-specific development entities which are affiliated with the Developer for each Phase, and upon such assignment, the Developer's responsibilities hereunder will cease and be of no further effect, and such responsibilities will transfer to such other phase-specific entity.
- (b) Development Overview: The parties acknowledge and agree that the Development will be carried out in multiple phases (each referred to as a "**Phase**"). The Parties hereby agree that the initial Phase of the Development, referred to herein as "**Lincoln Gardens Development**" or "**Phase 1A**" shall be a mixed finance development, consisting of the construction of approximately 240 units (or the maximum permitted by applicable zoning requirements) at the residential development commonly known as Lincoln

Gardens, which Lincoln Gardens Development is currently unimproved land. A total of 117 of the 240 units shall be set aside as "public housing," as that term is defined in the U.S. Housing Act of 1937 (the **"PHA-Assisted Units"**), the remaining 123 units shall be affordable units, and all 240 units will be operated and maintained as qualified Low Income Housing Tax Credit (**"LIHTC"**) Units under Section 42 of the Internal Revenue Code of 1986 (**"Section 42"**), as amended, for a period of not less than the Tax Credit Compliance Period and any applicable extended use period (as such term is defined in Section 42 and required by the Florida Housing Finance Corporation (**"FHFC"**)). Notwithstanding the foregoing, the Developer will work with the County to determine the feasibility of converting 12 units in Phase 1A to workforce or market-rate housing units.

The next Phase of the Development (**"Liberty Square Phase 1B"**) shall be a mixed finance development, consisting of the construction of a new 216-unit residential development at the Liberty Square development. The next Phase of the Development (**"Liberty Square Phase 3B"**) shall be a mixed finance development, consisting of the construction of a new 144-unit residential development at the Liberty Square development. A total of 104 of the 144 units shall be PHA-Assisted Units, the remaining 40 units shall be affordable units, and all 144 units will be operated and maintained as LIHTC Units under Section 42 for a period of not less than the Tax Credit Compliance Period and any applicable extended use period (as such term is defined in Section 42) and required by the FHFC.

The next Phase of the Development ("**Liberty Square Phase 5**") shall be a privately financed development, consisting of the construction of a new grocery store with regional or national market presence at the Liberty Square development.

The initial Schematic Plans for Lincoln Gardens and Liberty Square Phase 1B are attached hereto at Exhibit C-1 and Exhibit C-2 (hereinafter referred to as the "**Scope of Work**"). An initial development budget for the non-commercial Phases of the Development is attached hereto as Exhibit D (hereinafter referred to as the "**Development Budget**"). An initial development schedule is attached hereto as Exhibit E (hereinafter referred to as the "**Development Schedule**"). A description of the unit types, sizes and targeted income levels (the "**Unit Mix**") is attached as Exhibit F. A list of key development team members is attached as Exhibit J.

The Developer will organize and collaborate with two universities at workshops designed to solicit resident and other community input regarding goals and a common vision for the Development, which shall include a discussion of all of the master plan elements of the Development (land use, transportation, community services, housing choices, urban design, crime

prevention, implementation, etc.). In addition, the Developer shall organize and lead a specific charrette with the express purpose of focusing on concept development. The charrette will be attended by the Development team, the families of Liberty Square, the County, as well as other stakeholders and community leaders.

At the conclusion of the Community Engagement and Planning Process and as the planning for the Development progresses, the parties mutually agree to supplement such exhibits with a more refined budget and other development information containing achievable sources, which budget shall be tied to a redevelopment and/or rehabilitation schedule and realistic timeframes for securing development sources. The Developer will submit updates to the Scope of Work, the Development Schedule, the Development Budget and the Unit Mix (collectively, the "**Redevelopment Plan**") for the County's review and comment, and the Developer shall be required to obtain County's approval, such approval not to be unreasonably withheld, with respect to "**Material Changes**" and as changes become necessary. At a minimum, all the development updates shall be provided in monthly intervals. After County provides County's approval of Redevelopment Plan, any other changes, other than material changes, shall be deemed effective upon the Partner's providing to the County notice of said change. Subject to the preceding sentence, the following shall be considered "**Material Changes**":

- (1) Changes to the Unit Mix;
- (2) An increase in the Development Budget by more than 10%; or
- (3) Changes to the Development Schedule that delay Construction Completion or lease-up by more than ninety (90) calendar days.

Furthermore, the County and Developer acknowledge and agree that while a Ground Lease has been entered into by and between the County and RUDG Lincoln Gardens, LLC (the "**Lincoln Gardens Ground Lease**") to reflect the site control granted to the Developer's affiliates with respect to Lincoln Gardens and a separate Ground Lease has been entered into by and between the County and RUDG Liberty Square, LLC to reflect the site control granted to the Developer's affiliates with respect to Liberty Square (the "**Liberty Square Phase 1B Ground Lease**"), this comprehensive rehabilitation and/or redevelopment will occur in multiple phases and the County will enter into various ground leases and permit various sub-ground leases with various affiliates of the Developer with respect to each of the various phases that collectively comprise the Development. Additionally, the County will enter into various ground leases for site control purposes with owner entities to satisfy applicable funding application requirements.

The parties acknowledge and agree that the number of PHA-Assisted Units contemplated herein is intended to provide each current resident household shown on the County rent rolls at Liberty Square a right to return to the Development. In furtherance thereof, current residents at Liberty Square will have a first right, at their sole discretion, to occupy PHA-Assisted Units at

Lincoln Gardens upon Construction Completion of the Lincoln Gardens Development. In addition, approximately seventy (70) units will be rehabilitated at Liberty Square to provide temporary relocation during the development of Liberty Square Phase 1B. Finally, as part of the Community Engagement and Planning Process, to assure residents of options and choice in the development process, if a resident desires to move from the Development, the County will work with the Developer to seek Section 8 tenant protection vouchers ("TPVs").

- (c) Ownership Entities for Rental Phase and Selection of Investor. The Developer has formed RUDG Lincoln Gardens, LLC (the "**Lincoln Gardens Owner Entity**") to own the Lincoln Gardens Development and RUDG Liberty Square, LLC (the "**Liberty Square Phase 1B Owner Entity**") to own Liberty Square Phase 1B. Similar owners will be formed for each subsequent phase of the Development (each, an "**Owner Entity**"). Each Owner Entity will have a managing member that will be a limited liability company controlled by the Developer. The principal equity interest in the Owner Entity with respect to any Phase which will consist entirely of LIHTC Units will be owned by a low income housing tax credit investor that is selected by the Developer in its sole discretion.

In cases where the unit mix includes PHA-Assisted Units, as well as affordable and/or market rate units, the PHA-Assisted Units shall be considered "fixed" and not "floating," and identified as such in the HUD PIC website.

Notwithstanding the foregoing set forth in Section 3(a) through (c), this Agreement and the parties' obligations hereunder are contingent upon the final approval of this Agreement by the Miami-Dade Board of County Commissioners (the "**Board**"), which shall be within the Board's sole discretion. If the Board, in its sole discretion, does not approve of the Agreement, this Agreement shall be null and void.

4. **Redevelopment Responsibilities.**

- (a) Developer Responsibilities: As more specifically set forth herein, the Developer shall be responsible for development services in connection with the new construction work and/or rehabilitation in each phase of the Development. The Developer shall be responsible to manage and maintain the continued occupancy of any phase of the Development when such site is disposed of to the Developer (or earlier if agreed to by the parties), as well as carrying out all other work for which Developer is responsible, as such responsibilities are detailed in this Agreement. payable to the County pursuant to Energy Policy Act of 2005, Section 179D, for energy retrofits applicable for public buildings where, the owner may allocate the deduction "only to the designer." The "designer" is defined as "an architect, engineer, contractor, environmental consultant or energy services provider who creates the technical specifications for a new building or an addition to an existing building that incorporates energy efficient commercial building property." The designer cannot claim the deduction without full signoff from the County.

- (15) On preservation/rehabilitation projects, the Developer shall not reduce the size of existing units in any material respect to obtain more units within the same building envelope or change the unit designation (family, elderly, mixed-population, etc.) without a written request and written approval from the County, provided that the County has provided the Developer a written description of such unit designation.

Time extension reviews shall include an evaluation of the critical path analysis to confirm whether the time extension has impacted the Critical Path.

- (21) The Developer shall carefully review and coordinate the work of its consultants to minimize architect/engineer errors and omissions, and minimize any change orders, including additional costs and time extensions on the project. The County shall not approve additional costs/fees for A/E errors and omissions or any other costs/fees related to conditions which could have reasonably been discovered or should have been discovered with appropriate due diligence by the developer and/or its consultants, contractors or other vendors.

- (24) HUD Demolition and Disposition approval requirements - The approval requires that the demolition and disposition documents include a clause stipulating that if the Developer fails to develop and operate the property as outlined in the demolition and disposition application for at least 40 years for the PHA-Assisted Units and 30 years for non-PHA-Assisted Units, the County will cause the lease to terminate. The evidentiary documents are subject to the review and approval of the HUD Miami HUB (and Field Counsel) or such other office designated by HUD, and should contain the following provisions:
- (25) The property shall be maintained for the approved use ("**Use Restrictions**") for a period of not less than 30 years (or a longer time as required by the HUD Public Housing Field Office or applicable HUD requirements) ("**Use Period**") from the date the use first commences;

- (26) Use Restrictions shall be in a first priority position against the property (e.g. prior to any financing documents or other encumbrances) during the Use Period;
- (27) The approved Owner Entity shall maintain ownership and operation of the property during the Use Period. The Owner Entity shall not convey, sublease or transfer the Property without prior approval from the County at any point during the Use Period other than pursuant to customary transfer provisions;
- (28) If the Owner Entity fails to develop and use the property as outlined in the County's approval documents at any point during the Use Period, subject to applicable notice and cure periods the ground lease shall terminate and all interests in the property shall automatically be vested in the County.
- (29) If all property interests is returned to the County during the Use Period, the County shall immediately contact HUD to determine the future use of the Property and any necessary legal documentation (e.g. a Declaration of Trust) that must be recorded against the Property;
- (30) The County is responsible for monitoring and enforcing the Use Restrictions during the Use Period.
- (31) The Developer will establish a number of community benefits at the Development (referred to herein as the "**Community Benefits Program**"). A preliminary description of the Community Benefits Program is set forth at Exhibit A.
- (32) The various Phases of the Development will generate a number of financial benefits ("**Financial Benefits**"), as such Financial Benefits are further described at Exhibit B.
- (33) The Developer shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council's Leadership in Energy and Environmental Design ("**LEED**"); Florida Green Building Coalition (FGBC); or ICC 700 National Green Building Standard ("**NGBS**"), but shall not be required to obtain a Silver certification rating from LEED, FGBC or NGBS relative to the Development. Though the Developer's goal is to obtain such certification rating, if the Developer does not obtain such certification rating, provided it has used its commercially reasonable efforts to do so, the Developer shall not be in default under this Agreement and the County shall have no right to enforce the terms of this Agreement with respect to default or exercise any remedies relative to such absence of a certification rating. The LEED Silver certification or designation relative to the Development is outlined

by the U.S. Green Building Council. The Developer agrees to regularly provide the County with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the FGBC or NGBS. As noted earlier herein, the Development may not necessarily be constructed in a manner so as to achieve a Silver certification rating from LEED or certification from FGBC or NGBS. Further, the LEED Silver certification or designation, FGBC or NGBS certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the "normal" or "regular" energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, the Developer specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform the County of any and all such additional methods or ways that the Developer will utilize "green building standards" in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. The Developer's decision whether to incorporate or adopt any such additional steps or means shall be made in the Developer's sole and absolute discretion.

The Developer's obligations under this Section 4(a) of this Agreement shall survive the termination of this Agreement.

- (c) County's Responsibilities. As more specifically described herein, County is responsible for the following activities related to the Development (such list is not intended to be exhaustive):
- i. Developing and submitting all necessary property demolition and/or disposition applications to HUD (provided that the Developer shall have an opportunity to review and comment on the same prior to submission);
 - ii. Approving Owner Entity admissions and occupancy criteria and related property management documents such as the Public Housing lease and Community Policies, which approvals shall not be unreasonably withheld, delayed or conditioned;
 - iii. Reviewing, approving, and submitting the mixed finance proposal and evidentiaries to HUD;
 - iv. Providing public housing funds (which may include Capital Fund Financing Program funds), Surtax Funds and General Obligation Bond Funds that are legally available in the total amount of \$46 million, and allowing the use of a portion of such funds as a loan for predevelopment activities in

accordance with the HUD Cost Control and Safe Harbor Standards for Rental Mixed Finance Development (the "HUD Safe Harbor Standards");

- v. Providing all of the operating subsidy received from HUD relative to the PHA-Assisted Units on an annual basis and subject to any HUD pro-ration or other HUD-generated subsidy adjustment (including those "add-ons," as described at 24 C.F.R. Part 990), except that the Developer shall pay to the County: (i) an amount equal to five percent (5%) of subsidy received if HUD proration is less than ninety-two percent (92%); (ii) an amount equal to six percent (6%) of subsidy received if HUD proration is between ninety-two percent (92%) and ninety-four and ⁹⁹/₁₀₀th percent (94.99%); or (iii) an amount equal to seven percent (7%) of subsidy received if HUD proration is ninety-five percent (95%) or above;
- vi. Providing the PHA-Assisted Units' share of those funds appropriated to the County under Section 9(d) of the United States Housing Act of 1937, as amended (the "Act") that are permitted to be utilized as operating subsidy in accordance with Section 9(g)(1) of the Act. The percent amount to be provided as operating subsidy indicated above shall be determined annually by (i) dividing the total amount of Capital Funds awarded to the County by the total number of PHA-Assisted Units in the County's portfolio; and (ii) multiplying the resulting per unit amount by twenty percent (20%);
- vii. Work with the Developer and departments of the County to help facilitate off-site infrastructure improvements necessary for the Development;
- viii. Cooperating with the Developer in the Developer's application for and executing, as needed, all zoning, permitting and similar governmental applications and permits necessary for the Development;
- ix. Coordinating with the residents, other stakeholders in the County and other stakeholders on Development-related issues; and
- x. Obtaining all necessary HUD approvals (including as related to disposition approvals, environmental approvals in accordance with 24 C.F.R. Part 50 or Part 58, mixed finance approvals), providing reports and maintaining communications with HUD. Notwithstanding the foregoing, the County will provide copies of all items to Developer prior to submission to HUD in order to permit the Developer to provide input and comment with respect to the same.

(d) Unit Management Software.

- i. The Developer must use the County's current system of record, Emphasys Elite, for the purposes of entering re-certification data, HUD PIC submissions, and reporting. The Developer will be responsible for any associated software license, support, and training costs. The County will make the application available to the Developer and will be responsible for the user account management and security. The County will not provide any e-mail or telecommunications services and will not provide any technical support related

to the Developer's information technology infrastructure, including but not limited to desktops, servers, routers, or related network connectivity. The Developer will also be responsible for any maintenance and development costs associated with any application or database interfixes to the County's current system of record.

5. Fees.

- (a) Developer Fee. The parties agree to seek approval from HUD of the maximum allowable developer fee permitted by the Florida Housing Finance Corporation for the Development of eighteen percent (18%) in the budgeted amount set forth at Exhibit D hereto (if applicable), with respect to four (4%) Low-Income Housing Tax Credit transactions and sixteen percent (16%) with respect to nine percent (9%) Low-Income Housing Tax Credit transactions (in the budgeted amount set forth at Exhibit D hereto, if applicable), based upon satisfying the factors outlined and approved by HUD in order to exceed the HUD Safe Harbor Standards. The Developer agrees that the County shall earn a fee, to be structured in a manner reasonably acceptable to the parties, equal to 40% of the total Developer Fee described herein.
- (b) Ground Lease and Other Payments. With respect to the ground lease to be entered for each Phase, the Developer or its subsidiary or designee agrees to pay an annual rental amount to be determined with respect to each Phase, which amount will be inflated each year at a predetermined rate, and which will be payable solely out of (50%) of the available cash flow that is distributable to the manager of such party, after payment of any deferred developer fees and payment of any priority items set forth in the phase specific operating or partnership agreement. Any portion of the annual rental amount not paid, in any given year, shall be deferred to the following year. No annual rental amount shall accrue until after full payment of any deferred developer fees. In addition, each ground lease shall provide for a capitalized lease payment (each, a "Capitalized Payment") in the amount of \$2,500 for each unit, with such Capitalized Payment to be paid upon Financial Closing of such Phase. The estimated Capitalized Payment is (i) \$3,330,000 for all phases of Liberty Square (assuming 1,332 total units) and (ii) \$600,000 for Lincoln Gardens (assuming 240 total units), subject to adjustment for Unit Mix. The Developer shall not owe any amounts in connection with an applicable ground lease until the Financial Closing for such phase.
- (c) In addition to the above-described fees, the County will receive a fee upon execution of the Ground Lease in the amount of \$200,000 for Lincoln Gardens and \$400,000 for Liberty Square. Such fees shall be held in escrow until the later of achievement of (i) all zoning; (ii) permitting; and (iii) HUD approvals for the Lincoln Gardens Development and Liberty Square Phase 1B. Forty-five percent (45%) of each fee will be applied against the Capitalized Payments at the applicable Financial Closing and the balance of each fee shall be an additional payment to the County.

6. Payment Provisions for County Funds (if applicable).

- (a) The Developer shall submit to the County, not more often than monthly, a payment request for County funds in a form and format acceptable to the County, for expenditures for the work completed and incurred.
- (b) Each payment request shall be carefully reviewed and evaluated for accuracy, completeness and compliance with this agreement by the Developer prior to its submission to the County. Each payment request shall identify, by line item and by reference to the corresponding element of the Budget, (a) the total costs to date incurred, (b) the corresponding portion of the compensation due to developer, if applicable (c) the amounts, if any, of previous payments, (d) the portion, if any, of such costs and/or fee for which a payment is requested under the payment request and any other provisions reasonably required (with reasonable advance notice) by the County. Each payment request shall be accompanied by separate billing statements or invoices from each consultant, sub-consultant, contractor or sub-contractor (herein vendors) to which payment has been made or will be made. The County shall not be required to make advance payments or deposits.
- (c) Payment requests shall not be processed until a proper payment request (herein proper invoice) has been received by the County from the Developer. Proper invoice means an invoice which conforms to the payment requirements of the County. A proper invoice shall include a statement by the Developer waiving claims for extra direct and indirect costs or time associated with work preceding the date of the invoice, or a statement in sufficient detail containing all rights reserved for work already performed. All present requirements or future rules pertaining to the execution of a proper invoice will be made available to the Developer in a timely manner. The Developer shall make payments to all vendors included in each respective payment request within five (5) business days of receipt of funds from the County. The Developer shall include the provisions of this section in all sub-contracts, and require all vendors to include this provision in their contracts with other vendors.
- (d) The time at which payment for service is due from the County shall be calculated from the date on which a proper invoice is received by the County. The time at which payment shall be due from the County to the Developer shall be forty-five (45) days from receipt by the County of a proper invoice from the Developer. In any case in which an improper invoice is submitted by the Developer, the County shall, within ten (10) days after the improper invoice is received, notify the Developer that the invoice is improper and indicate what corrective action on the part of the Developer is needed to make the invoice proper.
- (e) Final payment shall not be made to the Developer until the Developer has resolved all pending Davis-Bacon wage rate compliance issues and restitution is made (or placed in escrow for unfound workers) to all workers determined by the County to be underpaid. At a minimum, an amount equal to the cost of all pending Davis-Bacon non-compliance issues shall be retained until such issues are resolved to the County's satisfaction.

- (f) For non-County funds, the Developer shall provide a report, in a form and format acceptable to County, indicating payment requests and approved amounts received by the Developer for all funding sources and percentage of Construction Completion. In addition, the Developer shall provide, on a monthly basis, a construction schedule and construction budget, with anticipated changes to the budget and schedule, along with a change order log, and the Developer will meet with the County at the County's request, at thirty day intervals, to review and discuss the monthly report. Any proposed changes will be subject to the approval provisions set forth in this Agreement.

7. Property Management Responsibilities.

- (a) Designation of Property Manager. The initial property manager for each phase of the Development shall be TRG Management Company, LLP, an affiliate of the Developer (the "**Management Agent**"). The Management Agent shall be responsible for the day-to-day operation of each phase of the Development including but not limited to compliance, collections, leasing, payment of invoices and maintenance. Specific duties shall be further detailed in the initial agreement between the Management Agent and the Owner Entity, and such agreements are subject to the County's reasonable approval (the "**Management Agreement**"). The designation of the County as a successor Management Agent, co-Management Agent or sub-Management Agent may be considered and negotiated by the parties, upon terms and conditions that are acceptable to the parties and subject to the approval of any investors and lenders.
- (b) Admissions Policies. The parties agree that the occupancy will be carried out with respect to the Development as follows:
 - i. The existing resident households shall have the right of first refusal to occupy PHA-Assisted Units in each phase of the Development once the scope of work described in this Agreement is complete with respect to such Phase, subject to screening by the Management Agent for income relative to low-income housing tax credit compliance. The residents at Liberty Square shall have the right of first refusal to occupy the PHA-Assisted Units at Lincoln Gardens, at their sole discretion.
 - ii. Any vacancies to PHA-Assisted Units not filled by Existing Residents (either at initial occupancy or thereafter) will be filled by applicants who are referred from the County's waiting list, subject to screening by the Management Agent for income and other low-income housing tax credit compliance matters. The parties agree that a site-based waiting list will not be used. The parties acknowledge and agree that the County's Admissions and Continued Occupancy Policy will be revised, as necessary, to reflect the foregoing and that a referral process will be formulated by the parties to ensure that lease-up occurs in a timely manner.
- (c) Property Management Fee. The Management Agent shall receive a management fee equal to 6% of the effective gross income.

8. Termination.

- (a) Termination for Convenience. The County reserves the right to terminate this Agreement, in whole or in part, at any time for the convenience of the County, if the County shall determine in good faith that it is infeasible, in the County's best interest, or contrary to that interest to proceed with the Development. In the event of a termination for convenience under this Agreement, the County shall deliver to the Developer a Notice of Termination within thirty (30) days specifying the extent to which the performance of the work under this Agreement is terminated, and the date upon which such termination becomes effective. If the performance of the work under this Agreement is terminated in whole or in part, the County shall be liable to the Developer for reasonable and proper construction related costs only resulting from such termination, and shall not include any costs (direct or indirect) related to applications for funding/financing, and/or preparation of development strategies, and/or similar expenses, but shall include Community Engagement and Planning Process costs and repayment of all fees paid upon execution of the respective ground leases in accordance with Section 5(b) hereof. In addition, any predevelopment loans advanced to the Developer will be deemed satisfied in connection with the assignment of work product in accordance with subsection (f) below. Within thirty (30) days after receipt of the Notice of Termination, the Developer shall present a proper claim setting out in detail: (i) the total cost of all third-party costs incurred to date of termination including architectural, engineering, and similar types of costs, and also including any loans from third parties; (ii) the cost (including reasonable profit) of settling and paying claims under subcontracts and material orders for work performed and materials and supplies delivered to the site, or for settling other liabilities of Developer incurred in performance of its obligations hereunder; (iii) the cost of preserving and protecting the work already performed until the County or its assignee takes possession thereof or assumes responsibility and (iv) compensation to Developer for all tasks performed to date equal to thirty percent (30%) of projected developer fee if applicable financing has been secured. Within ninety (90) days after receipt of the claim from the Developer, the County shall either respond to the Developer's claim or make a final payment to the Developer in the event there is no dispute relative to Claim. Furthermore, the Developer may terminate this Agreement for infeasibility, but only to the extent the Developer first made good faith efforts to pursue an alternative course of action, and in such event, shall be limited to reimbursement for those costs as set forth in (i)-(iv) of this Section 8(a). In an event of a dispute regarding the claim, the parties hereto shall avail themselves of the dispute resolution process more fully described in Exhibit H, Paragraph I.
- (b) Termination for Cause. Either Party may terminate this Agreement for cause, at any time, on the giving of notice to the other party of the grounds asserted for such termination and failure of the other Party to cure such grounds within thirty (30) days from receipt of such notice ("**Termination for Cause**"). Notwithstanding anything to the contrary contained herein, suspension from participation in any government programs, which suspensions, for the purposes hereof, are defined to include but not be limited to any sanctions

imposed by HUD pursuant to 24 C.F.R. Part 24, shall be grounds for termination of this Agreement for cause without opportunity for cure. By execution of this Agreement, Developer hereby certifies to the County that it is not suspended, debarred or otherwise prohibited from participation in any government programs.

In the event of a termination of this Agreement by the County or the Developer which is determined to constitute a breach hereof by the County or the Developer, the party in breach shall be liable to the non-breaching party in accordance with applicable law for all actual damages caused thereby.

- (c) Fraud, Misrepresentation or Material Misstatement. The County may terminate this Agreement if Developer attempts to meet its contractual obligations hereunder with the County through fraud, misrepresentation or material misstatement.
- (d) Debarment. The foregoing notwithstanding, any individual, corporation or other entity that attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be debarred from County contracting for up to five (5) years in accordance with the County debarment procedures. The Developer may be subject to debarment for those reasons set forth in Section 10-38 of the County Code.
- (e) Remedies. In the event that the County exercises its right to terminate this Agreement following an Event of Default, the Developer shall, upon receipt of such notice, unless otherwise directed by the County:
 - i. Stop work on the date specified in the notice (the “**Effective Termination Date**”);
 - ii. Take such actions as may be necessary for the protection and preservation of the County’s materials and property;
 - iii. Cancel orders;
 - iv. Upon payment by the County for such work product and payment of other amounts due in accordance with this Section 8, assign to the County and deliver to any location designated by the County any non-cancelable orders for deliverables that are not capable of use except in the performance of this Agreement and has been specifically developed for the sole purpose of this Agreement and not incorporated in the Services; and
 - v. Take no voluntary action (unless otherwise required by legal obligations) which will increase the amounts payable by the County under this Agreement.
- (f) Developer Shall Deliver Work Product in Event of Termination. In the event that this Agreement is terminated under this Section 8, Developer agrees that it shall promptly deliver to County, or cause to be delivered to County, any concrete, transferable, and useable third party work product generated in connection with the Development, and will assign to County all of its right,

title, and interest to such work product, without reservation in exchange for County's payment of funds paid by Developer (including funds borrowed from third parties) for such work product, along with amounts due to the Developer hereunder. Developer shall be under no obligation to deliver any work product in its possession unless the County shall have reimbursed it for the cost thereof (and paid to the Developer any other amounts due hereunder) or shall have agreed to offset the cost thereof against any indebtedness owing from the Developer to the County. No payment shall be due, however, if the Developer has committed fraud, misrepresentation, material misstatement, or in the event of termination for an Event of Default pursuant to Section 9, provided, however, that the County has a predevelopment loan in effect with respect to such work product..

- (g) Automatic Termination. This Agreement shall automatically terminate (unless caused by the County's failure to timely perform the County's obligations hereunder) with respect to the respective individual Phases set forth below at no cost to the County if:

1. The Developer is unable to secure funding and financing consistent with an approved Redevelopment Plan with terms and conditions (including payments to the County) acceptable to the County for the Lincoln Gardens Development Phase 1A or Liberty Square Phase 1B within twenty-four (24) months after execution of this Agreement.

2. The Developer is unable to secure funding and financing consistent with an approved Redevelopment Plan with terms and conditions (including payments to the County) acceptable to the County for all subsequent Phases of the Development within sixty (60) months after execution of this Agreement.

Upon termination of this Agreement for an applicable Phase, the Developer shall have no further development rights to the undeveloped portion(s) of such Phase under this Agreement, the applicable Phase ground lease or any other agreements. The Developer and the County shall coordinate and execute appropriate agreements, contracts or other applicable documents to return the undeveloped portions of such Phase to the County.

Notwithstanding the foregoing, failure to achieve financing shall not be deemed an "Event of Default" hereunder.

9. Event of Default.

- (a) An Event of Default shall mean a breach of this Agreement by the Developer after expiration of any applicable notice and cure period without such cure. Without limiting the generality of the foregoing, and in addition to those instances referred to herein as a breach, an Event of Default shall include, but not limited to, the following:

- i. the Developer has not delivered deliverables on a timely basis;
- ii. the Developer has made a Material Change to the Project Schedule without the County's approval;

- iii. the Developer has refused or failed to supply enough properly skilled staff personnel;
- iv. the Developer has failed to make prompt payment to subcontractors or suppliers for any Services;
- v. the Developer has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Developer's creditors, or the Developer has taken advantage of any insolvency statute or debtor/creditor law or if the Developer's affairs have been put in the hands of a receiver;
- vi. the Developer has failed to obtain the approval of the County where required by this Agreement;
- vii. the Developer has failed in any material respect with respect to the representation of any warranties stated herein;
- viii. the Developer has failed to comply with the public records disclosure requirements set forth in Section 119.0701 of the Florida Statutes and Section 26 of this Agreement;
- ix. the Developer has failed to comply with any and all UFAS requirements and obligations; and
- x. the Developer has made a Material Change to the Project Budget without the County's approval.

(b) If the County shall terminate this Agreement for default, the County or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, and reports after payment, if applicable.

(c) Notwithstanding the foregoing, this Agreement shall not be terminated for default if the delay in completing the work arises from unforeseeable causes beyond the reasonable control of the Developer (any such failure or other cause or event being referred to herein as a **"Force Majeure Event"**). Examples of such causes include (a) acts of God or the public enemy, (b) material acts or failure to act, or delays in action, of the County, HUD, or other governmental entity in either its sovereign or contractual capacity, (c) material acts or failure to act of another contractor (other than a contractor or subcontractor to the Developer or the Owner Entity) in the performance of a contract with the County, (d) fires, (e) floods, (f) strikes or labor disputes, (g) freight embargoes, (h) unavailability of materials, (i) unusually severe weather, (j) delays of subcontractors or suppliers at any tier arising from unforeseeable causes beyond the control and without fault or negligence of both the Developer and the subcontractors or suppliers, and (k) delay caused by litigation that is not between the County and the Developer.

10. Notice of Default – Opportunity to Cure. Notwithstanding anything in this Agreement to the contrary, if an Event of Default occurs in the determination of the County and the County wishes to declare an Event of Default or otherwise terminate this Agreement for cause to the extent, as provided under this Agreement, the County shall notify the Developer (the **"Default Notice"**), specifying the basis for such Event of Default and the extent to which performance of work under this Agreement is terminated, and advising the Developer that such default must be cured immediately or this Agreement with the County

may be terminated. The Default Notice thereof shall specify the nature of the claimed Event of Default, the Phase(s) to which such Event of Default relates, and, if such Event of Default shall be reasonably subject to adequate cure, the Default Notice shall state (i) the actions required to be taken by the Developer to cure the Event of Default, and (ii) the reasonable time (up to sixty (60) days but no less than thirty (30) days (the "Cure Period")) within which Developer shall respond with a showing that all required actions have been taken, provided that the Developer shall have such additional time as is reasonably necessary to cure such Event of Default so long as the Developer has diligently commenced and is proceeding in a reasonable diligent manner toward curing such Event of Default. During any cure period so provided, the Developer shall proceed diligently with performance of any work required by this Agreement for any Phase(s) which is not the subject of the claimed Event of Default. Following expiration of the stated cure period (unless the Developer has diligently commenced and is proceeding in a reasonable diligent manner toward curing such Event of Default, as provided hereinabove), the County shall deliver a second notice stating either that the Event of Default has been adequately cured or that the Agreement is terminated with respect to the Phase(s) to which such Event of Default relates.

11. **Remedies in the Event of Default.** If an Event of Default occurs and remains uncured pursuant to Section 9 herein, the County may, as its sole remedy, terminate this Agreement with respect to the Phase(s) to which such Event of Default relates in accordance with Section 10 hereof. In addition, the Developer shall be liable for all direct (but not consequential) damages to the County resulting from such Event of Default. In no event shall the County be entitled to bring any suit or proceeding for specific performance.
12. **Lien Waivers.** Developer agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Development for work or materials furnished to Developer it being provided, however, that Developer shall have the right to contest the validity thereof. Developer shall not have any right, authority or power to bind the County, the Development or any other interest of the County in the Development and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Development, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Improvements or any change, alteration or addition thereto. IF ANY MECHANIC'S LIEN SHALL BE FILED, DEVELOPER SHALL BOND OVER, PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW. NOTICE IS HEREBY GIVEN THAT THE COUNTY SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE DEVELOPER OR TO ANYONE HOLDING ANY OF THE DEVELOPMENT THROUGH OR UNDER THE DEVELOPER, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE COUNTY IN AND TO ANY OF THE DEVELOPMENT. THE COUNTY SHALL BE PERMITTED TO POST ANY NOTICES ON THE DEVELOPMENT REGARDING SUCH NON-LIABILITY OF THE COUNTY.

Developer shall promptly pay all persons or entities furnishing labor and material with respect to any work performed by Developer or its contractor on or about the Development, and shall obtain and deliver to Landlord "releases" or waivers of liens from all parties doing work on or about the

Development, along with an affidavit from Developer stating that all bills have been paid with regard to such work and that there are no outstanding obligations, except in the ordinary course of business, owed with respect to any such work performed on the Development.

13. Indemnification.

- (a) Developer Indemnity. The Developer shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses, or damages, including reasonable attorney fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Developer or its employees, agents, servants, partners, principals or subcontractors, subject to the following sentence. The Developer shall pay all the County's direct (but not consequential) losses in connection therewith, provided Developer is adjudicated liable, and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The Developer expressly understands and agrees that any insurance protection required by the Agreement or otherwise provided by the Developer shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided. Notwithstanding anything to the contrary herein, such indemnification by the Developer shall not cover claims or losses to the extent caused solely by the negligence, gross negligence or intentional wrongful acts or omissions of the County or its officers, employees, agents or instrumentalities.
- (b) County Responsibility. The County shall indemnify and hold harmless the Developer and its affiliates, subsidiaries, officers, agents, employees, representatives, successors and assigns from any and all liability, losses, or damages, including reasonable attorney fees and costs of defense, which the Developer or its affiliates, subsidiaries, officers, agents, employees, representatives, successors and assigns may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the County or officers, employees, agents and instrumentalities. The County shall pay all claims and losses in connection therewith, and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of the Developer, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The County's indemnification obligations in this Section 13(b) shall be subject to the provisions of Section 768.28, Fla. Stat., whereby the County shall not be liable to pay a personal injury or property damage claim or judgment by any one person which exceeds the sum of Two Hundred Thousand and No/100 Dollars (\$200,000.00), or any claim or judgments or portion thereof, which when totaled with all other occurrence, exceeds the sum of Three Hundred Thousand and No/100 Dollars (\$300,000.00), but only to the extent the limitations set forth in that Statute are applicable. Notwithstanding anything to the contrary herein,

such indemnification by Miami-Dade County shall not cover claims or losses to the extent caused solely by the negligence, gross negligence or intentional wrongful acts or omissions of the Developer or its affiliates, subsidiaries, officers, agents, employees, representatives, successors and assigns.

- (c) The obligations of the parties under this Section 13 of this Agreement to indemnify and hold harmless the other party shall survive the termination of this Agreement.

14. Insurance.

The Developer shall maintain coverage as required in A through C below throughout the term of this Agreement. If any portions of this Agreement are assigned, insurance must be provided in the name of the assignee. If material changes are made to the scope, it may be necessary to amend the insurance requirements. The Developer shall furnish to Miami-Dade County, Public Housing and Community Development Department, 701 NW 1 CT. 16th floor, Miami, Florida 33136-3914, Certificate(s) of Insurance or applicable cover note(s) evidencing insurance coverage that meets the requirements outlined below:

Notwithstanding the foregoing, any term contained in this Agreement that is not specifically contained in the Financial Closing documents will survive the termination of this Agreement as it relates to the Financial Closing of a Phase. The parties acknowledge that certain subject matter of this Agreement relates to activities that are intended to survive the term hereof, and so the parties acknowledge and agree to effectuate such matters in the Financial Closing documents with respect to each Phase.

19. County's Sovereignty. It is expressly understood that, subject to the other provisions of this Agreement:

- (a) The County retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from reasonably

Applicable HUD General Conditions for Construction Contracts

Conduct of Work

1. Disputes

- (a) "Claim," as used in this clause, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to the contract. A claim arising under the contract, unlike a claim relating to the contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim. The submission may be converted to a claim by complying with the requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.
- (b) Except for disputes arising under the clauses entitled *Labor Standards and Labor Standards- Nonroutine Maintenance*, herein, all disputes arising under or relating to this contract, including any claims for damages for the alleged breach thereof which are not disposed of by agreement, shall be resolved under this clause.
- (c) All claims by the Developer shall be made in writing and submitted to the Contracting Officer for a written decision. A claim by the County against the Developer shall be subject to a written decision by the Contracting Officer.
- (d) County shall be the "Contracting Officer." The Contracting Officer shall, within 60 (unless otherwise indicated) days after receipt of the request, decide the claim or notify the Developer of the date by which the decision will be made.
- (e) The Contracting Officer's decision shall be final unless the Developer (1) appeals in writing to a higher level in the County in accordance with the County's policy and procedures, (2) refers the appeal to an independent mediator or arbitrator, or (3) files suit in a court of competent jurisdiction. Such appeal must be made within (30 unless otherwise indicated) days after receipt of the Contracting Officer's decision.
- (f) The Developer shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under or relating to the contract, and comply with any decision of the Contracting Officer.

2. Lead-Based Paint

The Developer shall comply with the requirements concerning lead-based paint contained in the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821-4846) as implemented by 24 C.F.R. Part 35.

3. Health, Safety, and Accident Prevention

- (a) In performing this contract, the Developer shall:
 - i. Ensure that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his/her health and/or safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation;
 - ii. Protect the lives, health, and safety of other persons;
 - iii. Prevent damage to property, materials, supplies, and equipment; and
 - iv. Avoid work interruptions.
- (b) For these purposes, the Developer shall:
 - i. Comply with regulations and standards issued by the Secretary of Labor at 29 C.F.R. Part 1926. Failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96), 40 U.S.C. § 3701 et seq.; and
 - ii. Include the terms of this clause in every subcontract so that such terms will be binding on each subcontractor.
- (c) The Developer shall maintain an accurate record of exposure data on all accidents incident to work performed under this contract resulting in death, traumatic injury, occupational disease, or damage to property, materials, supplies, or equipment, and shall report this data in the manner prescribed by 29 C.F.R. Part 1904.
- (d) The Contracting Officer shall notify the Developer of any noncompliance with these requirements and of the corrective action required. This notice, when delivered to the Developer or the Developer's representative at the site of the work, shall be deemed sufficient notice of the noncompliance and corrective action required. After receiving the notice, the Developer shall immediately take corrective action (unless Developer disputes the notification in accordance with Section 1). If the Developer fails or refuses to take corrective action promptly, the Contracting Officer may issue an order stopping all or part of the work until satisfactory corrective action has been taken. The Developer shall not base any claim or request for equitable adjustment for additional time or money on any stop order issued under these circumstances.
- (e) The Developer shall be responsible for its subcontractors' compliance with the provisions of this clause. The Developer shall take such action with respect to

any subcontract as Miami-Dade County (the "County"), the Secretary of Housing and Urban Development, or the Secretary of Labor shall direct as a means of enforcing such provisions.

4. Royalties and Patents

The Developer shall pay all royalties and license fees. It shall defend all suits or claims for infringement of any patent rights and shall save the County harmless from loss on account thereof; except that the County shall be responsible for all such loss when a particular design, process or the product of a particular manufacturer or manufacturers is specified and the Developer has no reason to believe that the specified design, process, or product is an infringement. If, however, the Developer has reason to believe that any design, process or product specified is an infringement of a patent, the Developer shall promptly notify the Contracting Officer. Failure to give such notice shall make the Developer responsible for resultant loss.

5. Clean Air and Water

The contractor shall comply with the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq., the Federal Water Pollution Control Water Act, as amended, 33 U.S.C. § 1251 et seq., and standards issued pursuant thereto in the facilities in which this contract is to be performed.

6. Energy Efficiency

The Developer shall comply with mandatory standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94-163) for the State in which the work under the contract is performed.

7. Subcontracts

(a) Definitions. As used in this contract:

- i. "Subcontract" means any contract, purchase order, or other purchase agreement, including modifications and change orders to the foregoing, entered into by a subcontractor to furnish supplies, materials, equipment, and services for the performance of the prime contract or a subcontract.
- ii. "Subcontractor" means any supplier, vendor, or firm that furnishes supplies, materials, equipment, or services to or for the Developer or another subcontractor.

(b) The Developer shall not enter into any subcontract with any subcontractor who has been temporarily denied participation in a HUD program or who has been suspended or debarred from participating in contracting programs by any agency of the United States Government or of the state in which the work under this contract is to be performed.

(c) The Developer shall be as fully responsible for the acts or omissions of its subcontractors, and of persons either directly or indirectly employed by them as for the acts or omissions of persons directly employed by the Developer.

- (d) The Developer shall insert appropriate clauses in all subcontracts to bind subcontractors to the terms and conditions of this contract insofar as they are applicable to the work of subcontractors.
- (e) Nothing contained in this contract shall create any contractual relationship between any subcontractor and the County or between the subcontractor and HUD.

8. Subcontracting with Small and Minority Firms, Women's Business Enterprise, and Labor Surplus Area Firms.

The Developer shall take the following steps to ensure that, whenever possible, subcontracts are awarded to small business firms, minority firms, women's business enterprises, and labor surplus area firms:

- (a) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (b) Ensuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;
- (c) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises;
- (d) Establishing delivery schedules, where the requirements of the contract permit, which encourage participation by small and minority businesses and women's business enterprises; and
- (e) Using the services and assistance of the U.S. Small Business Administration, the Minority Business Development Agency of the U.S. Department of Commerce, and State and local governmental small business agencies.

9. Equal Employment Opportunity.

During the performance of this contract, the Developer agrees as follows:

- (a) The Developer shall not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, sexual orientation, gender identity, or gender expression.
- (b) The Developer shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, sexual orientation, gender identity, or gender expression. Such action shall include, but not be limited to, (1) employment, (2) upgrading, (3) demotion, (4) transfer, (5) recruitment or recruitment advertising, (6) layoff or termination, (7) rates of pay or other forms of compensation, and (8) selection for training, including apprenticeship.

- (c) The Developer shall post in conspicuous places available to employees and applicants for employment the notices to be provided by the Contracting Officer that explain this clause.
- (d) The Developer shall, in all solicitations or advertisements for employees placed by or on behalf of the Developer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, sexual orientation, gender identity, and gender expression.
- (e) The Developer shall send, to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, the notice to be provided by the Contracting Officer advising the labor union or workers' representative of the Developer's commitments under this clause, and post copies of the notice in conspicuous places available to employees and applicants for employment.
- (f) The Developer shall comply with Executive Order 11246, as amended, and the rules, regulations, and orders of the Secretary of Labor.
- (g) The Developer shall furnish all information and reports required by Executive Order 11246, as amended, Section 503 of the Rehabilitation Act of 1973, as amended, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto. The Developer shall permit access to its books, records, and accounts by the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (h) In the event of a determination that the Developer is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract may be canceled, terminated, or suspended in whole or in part, and the Developer may be declared ineligible for further Government contracts, or Federally assisted construction contracts under the procedures authorized in Executive Order 11246, as amended. In addition, sanctions may be imposed and remedies invoked against the Developer as provided in Executive Order 11246, as amended, the rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.
- (i) The Developer shall include the terms and conditions of this clause in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued under Executive Order 11246, as amended, so that these terms and conditions will be binding upon each subcontractor or vendor. The Developer shall take such action with respect to any subcontract or purchase order as the Secretary of Housing and Urban Development or the Secretary of Labor may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided that if the Developer becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Developer may request the United States to enter into the litigation to protect the interests of the United States.

- (j) Compliance with the requirements of this clause shall be to the maximum extent consistent with, but not in derogation of, compliance with section 7(b) of the Indian Self-Determination and Education Assistance Act and the Indian Preference clause of this contract.

10. Employment, Training, and Contracting Opportunities for Low-Income Persons, Section 3 of the Housing and Urban Development Act of 1968.

- (a) The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- (b) The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- (d) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.
- (e) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 135.

- (f) Noncompliance with HUD's regulations in 24 C.F.R. Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- (g) With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).
- (h) The contractor shall provide monthly reports indicating all new hires on the project for each week in the reporting period.

11. Limitations on Payments made to Influence Certain Federal Financial Transactions.

- (a) The Developer agrees to comply with Section 1352 of Title 31, United States Code which prohibits the use of Federal appropriated funds to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract; the making of any Federal grant; the making of any Federal loan; the entering into of any cooperative agreement; or the modification of any Federal contract, grant, loan, or cooperative agreement.
- (b) The Developer further agrees to comply with the requirement of the Act to furnish a disclosure (OMB Standard Form LLL, Disclosure of Lobbying Activities) if any funds other than Federal appropriated funds (including profit or fee received under a covered Federal transaction) have been paid, or will be paid, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a Federal contract, grant, loan, or cooperative agreement.

12. Examination and Retention of Developer's Records

- (a) The County, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Developer's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

- (b) The Developer agrees to include in first-tier subcontracts under this contract a clause substantially the same as paragraph (a) above. "Subcontract," as used in this clause, excludes purchase orders not exceeding \$10,000.
- (c) The periods of access and examination in paragraphs (a) and (b) above for records relating to (1) appeals under the Disputes clause of this contract, (2) litigation or settlement of claims arising from the performance of this contract, or (3) costs and expenses of this contract to which the County, HUD, or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such appeals, litigation, claims, or exceptions.
- (d) Lunches, dinners, etc. are not acceptable reimbursable expenses.
- (e) Acceptable reimbursable expenses are defined as:
- (f) Payments to Developer shall be based on services rendered/work completed, not costs incurred for deposits/retainers.

13. Labor Standards - Davis-Bacon and Related Acts.

If the total amount of this contract exceeds \$2,000, the Federal labor standards set forth in the clause below shall apply to the development or construction work to be performed under the contract.

- (a) Minimum Wages.
 - i. All laborers and mechanics employed under this contract in the development or construction of the project(s) involved will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 C.F.R. Part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Developer and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 C.F.R. § 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the regular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits in the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 C.F.R. § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; provided, that the

employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 C.F.R. § 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Developer and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

- ii. Any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when all the following criteria have been met: (A) The work to be performed by the classification requested is not performed by a classification in the wage determination; and (B) The classification is utilized in the area by the construction industry; and (C) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.
- iii. If the Developer and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employee Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.
- iv. In the event the Developer, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator of the Wage and Hour Division for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.
- v. The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (a)(2)(ii) or (iii) of this clause shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in classification.
- vi. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the Developer shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash

equivalent thereof.

- vii. If the Developer does not make payments to a trustee or other third person, the Developer may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program; provided, that the Secretary of Labor has found, upon the written request of the Developer, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the Developer to set aside in a separate account assets for the meeting of obligations under the plan or program.
- (b) Withholding of funds. HUD or its designee shall, upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the Developer under this contract or any other Federal contract with the same prime Developer, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime Developer, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the Developer or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working in the construction or development of the project, all or part of the wages required by the contract, HUD or its designee may, after written notice to the Developer, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the Developer, disburse such amounts withheld for and on account of the Developer or subcontractor to the respective employees to whom they are due.
- (c) Payrolls and basic records.
 - i. Payrolls and basic records relating thereto shall be maintained by the Developer during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working in the construction or development of the project. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made, and actual wages paid. Whenever the Secretary of Labor has found, under 29 C.F.R. § 5.5(a)(1)(iv), that the wages of any laborer or mechanic include the amount of costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the Developer shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Developers employing

apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

- ii. The Developer shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Contracting Officer for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under subparagraph (c)(1) of this clause. This information may be submitted in any form desired. Optional Form WH-347 (Federal Stock Number 029-005-00014-1) is available for this purpose and may be purchased from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. The Developer is responsible for the submission of copies of payrolls by all subcontractors. (Approved by the Office of Management and Budget under OMB Control Number 1214-0149.)
- iii. Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the Developer or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:
 - (1) That the payroll for the payroll period contains the information required to be maintained under paragraph (c) (1) of this clause and that such information is correct and complete;
 - (2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 C.F.R. Part 3; and
 - (3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.
- iv. The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirements for submission of the "Statement of Compliance" required by subparagraph (c)(2)(ii) of this clause.
- v. The falsification of any of the above certifications may subject the Developer or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 3729 of Title 31 of the United States Code.
- vi. The Developer or subcontractor shall make the records required under subparagraph (c)(1) available for inspection, copying, or transcription by

authorized representatives of HUD or its designee, the Contracting Officer, or the Department of Labor and shall permit such representatives to interview employees during working hours on the job. If the Developer or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the Developer, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 C.F.R. § 5.12.

(d) Apprentices.

- i. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship and Training, Employer and Labor Services (OATELS), or with a State Apprenticeship Agency recognized by OATELS, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by OATELS or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the Developer as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated in this paragraph, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the Developer's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event OATELS, or a State Apprenticeship Agency recognized by OATELS, withdraws approval of an apprenticeship program, the Developer will no longer be permitted to utilize apprentices at less than the applicable

predetermined rate for the work performed until an acceptable program is approved.

- ii. Trainees. Except as provided in 29 C.F.R. § 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. Re: Agenda Item No. 8(K)(2), Liberty Square Rising Project

Dear Mr. Gimenez:

RUDG appreciates the opportunity to partner with Miami-Dade County and the residents and stakeholders of Liberty Square as a part of the transformational Liberty Square Rising development. We have continued to engage with community stakeholders as promised. As a result of our community engagement, RUDG wishes to voluntarily proffer to the County the following amendments to the proposed agreement being considered by the Board of County Commissioners.

1. Lincoln Gardens.

The Master Development Agreement shall be amended to provide that the initial phase of the development shall be Liberty Square Phase 1B. All references in the Master Development Agreement to the Lincoln Gardens Development as the initial phase shall be deleted.

The development of the Lincoln Gardens Development shall be subject to the express approval, by a majority vote of the Board of County Commissioners, of the plan for development of Lincoln Gardens Development which results from the Developer's participation in the Community Engagement and Planning Process. The plan for development shall be contained in a report (hereinafter the "Lincoln Gardens Report") created in consultation with the residents and businesses within the Brownsville area to ensure that the community's vision for the redevelopment plan for the Lincoln Gardens Development is incorporated into the final plan. The Lincoln Gardens Report shall contain at a minimum the following: (a) a description of all advertising and community outreach efforts engaged in by the Developer, (b) the number, location and attendance at community meetings conducted, (c) copies of the agenda and minutes of meetings conducted, (d) a summary of the input, recommendations and other testimony received, orally or in writing in connection with the meetings or other efforts at community outreach, (e) a summary of how the Developer's proposed plan addresses the input received, (f) identification of instances where the Developer's proposed plan differs from the input received and an explanation for such differences, (g) a description of future plans for further community outreach during the process of development and (h) the name of community partners in connection with the engagement and a description of the scope of their

the Board for the Board's approval by resolution or motion. In the event that the Board does not approve the plan contained within the Lincoln Gardens Report, the Developer shall consider the Board's input and amend or restate the plan to address those concerns after community input, as necessary. This process shall continue until approval by the Board of the plan. Upon approval of the plan, the Developer shall be authorized to proceed with the Lincoln Gardens Development in accordance with the approved plan and other timelines and conditions set forth in this Agreement.

2. **Option and Right of First Refusal.** Section 42 shall be added to the Master Development Agreement as follows:

42. Option and Right of First Refusal.

During the period commencing on the 15th anniversary of the first day of the first taxable year of the applicable Compliance Period, Miami-Dade County will have the right of first refusal to acquire the Apartment Complex for an amount equal to all transfer fees, costs, expenses and taxes (including taxes owed by the Developer and the tax credit investor(s) as a result of the transfer) related to the transfer.

3. **Mixed-Income Rental Housing.** Exhibit A to the MDA shall be revised to add the following to the Mixed-Income Rental Housing section:

The public housing units shall be dispersed throughout this development and no more than 50% of the units in any phases 1A, 1B, 2, 3A, 3B, 4B, 4C, 4D, as identified in 3(b) of the MDA, shall be public housing units.

4. **Development Overview.** Revise Section 3(b)(2) of the MDA as follows:

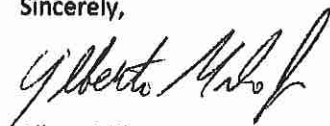

(2) An increase in the Development Budget by more than 5%; however, the County shall not be required to provide any funding in excess of the \$46 million indicated in Section 4, (c), IV, of this Agreement to pay for the costs of any increases in the Development Budget; or

5. **Property Management Responsibilities.** Revise the MDA paragraph 7(b)(ii) to add "and equitable" after the word "timely" and before the word "manner."

Mr. Mayor, once again RUDG understands the magnitude of the opportunity to address the residents' and Liberty Square stakeholders' observations and ask that you take these five (5) proposed amendments into consideration as a part of any approval of Item 8(K)(2) of the July 6, 2016 Commission Agenda.

Dear Mayor Gimenez:

As you are aware, our firm represents RUDG, LLC, the recommended proposer in connection with the referenced agenda item. Yesterday, RUDG sent you a list of voluntary amendments to the Master Development Agreement for your consideration.
