The Infill Housing Initiative ~~>>Program<<~~ shall encourage the redevelopment of vacant, dilapidated or abandoned property through the sale or ~~>>conveyance<<~~ of County property to qualified developers and the inclusion of privately owned vacant, dilapidated or abandoned properties ~~>>located in the Infill Target Areas<<~~. ¹ Words stricken through and/or ~~[[double bracketed]]~~ shall be deleted. Words underscored and/or ~~>>double arrowed<<~~ constitute the amendment proposed. Remaining provisions are now in effect and remain unchanged.

>>Program<< is primarily designed to create affordable homeownership of single-family homes, the County under limited circumstances may at its sole discretion permit developers to rent these homes to qualified >>very low<< low or moderate income families.

Sec. 17-122. Definitions.

(a) *Adjusted for family size.* Adjusted in a manner that results in an income eligibility level that is lower for households having fewer than four people, or higher for households having more than four people, than the base income eligibility for >>very low<< low and moderate income households, based upon a formula established by the United States Department of Housing and Urban Development (HUD).

(b) *Affordable.* Where the rental payments or mortgage payments, including taxes and insurance, does not exceed 30 percent of the amount which represents the percentage of the median annual gross income for >>very low<< low and moderate income households. However, it is not the intent to limit an individual household's ability to devote more than 30 percent of its income for housing, and housing for which a household devotes more than 30 percent of its income shall be deemed affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30 percent benchmark.

(c) *Annual gross income.* Annual income as defined under the Section 8 housing assistance payments programs in 24 C.F.R. part 5; annual income as reported under the census long form for the recent available decennial census; or adjusted gross income as defined for purposes of reporting under Internal Revenue Service Form 1040 for individual federal annual income tax purposes. The County shall calculate income by annualizing verified sources of income for the household as the amount of income to be received in a household during the 12 months following the effective date of the determination.

(d) *Certificate of Qualification.* A certificate >>or other document<< issued by the Miami-Dade >>Public<< Housing >>and Community Development Department, its successor department<< ~~[[Agency]]~~ or an outside agency that has been authorized by the County to qualify households, establishing that a household is qualified to purchase an eligible home. ~~[[Certificates of Qualification shall be valid for 12 months.]]~~

The control period begins on the initial sale date of the eligible home and resets automatically every 20 years for a maximum of 60 years, except that in the event the home is owned by the same owner for an entire ~~[[30]]~~>>20<<-year period, said home shall be released from the affordability restrictions.

(g) *Eligible Housing or Eligible Home.* Any dwelling unit that is: (i) located on an infill parcel; (ii) constructed ~~[[or rehabilitated]]~~ in accordance with this article; ~~[[and]]~~ (iii) used as the primary residence of a qualified household >>(iv) has individual utility meters for each of the provided utility services; and (v) sold in fee simple<<.

(h) *Eligible Person or Eligible Household.* One or more natural persons or a family that has not previously owned or had interest in a home during the previous three years and that has been determined by the County to meet the eligibility requirements of a >>very low,<< low or moderate income household according to the income limits adjusted to family size published annually by the United States Department of Housing and Urban Development based upon the annual gross income of the household. In addition, Infill Target Areas shall include those portions of Neighborhood Revitalization Strategy Areas not otherwise covered under the UIA and TUA; and any geographic locations in Miami-Dade County which are designated by the Federal Government as empowerment zones shall be included in the definition of TUA at the time of such designation.

Notwithstanding any default, foreclosure by the third party lender, deed in lieu of foreclosure, or subsequent transfer of the property resulting from the foregoing, the restrictions set forth in the County Deed shall remain in full force and effect, and shall constitute a restrictive covenant which shall run with the land, notwithstanding any other term herein; provided, however, the covenants required herein shall not be senior to any instrument securing permanent financing from the Federal Housing Administration, Fannie Mae, Freddie Mac, or similar senior lender. In such covenants, the control period and other restrictions on the eligible home shall not survive any foreclosure in accordance with such senior lender's guidelines and restrictions. <<

(3) The covenant shall be controlled for a minimum of twenty (20) years and shall automatically reset every 20 years for a maximum of 60 years, except that in the event an eligible home is owned for an entire 20-year control period by the same individual(s), said individual(s) shall automatically be released from the Declaration of Restrictive Covenants.

Sec. 17-124.1. Eligibility of households for eligible home.

(a) Eligibility requirements to purchase an eligible home shall be pursuant to an ~~[[administrative]]~~ >>implementing<< order approved by the Board of County Commissioners and shall be based on household size and income. (b) Each qualified household purchasing an eligible home shall be required to record a mortgage in favor of Miami-Dade County with an amount equal to the value of the ~~[[land]]~~ >>mortgage amount<< at the time of the initial sale of the home. A promissory note shall be executed by each qualified household and secured by said mortgage. Said mortgage shall set forth the same covenants, along with the refinancing and resale restrictions as those included in the restrictive covenants required by this section.

(c) Eligibility for continued ownership of an eligible home shall be contingent upon the qualified household's use of the eligible home as his or her primary residence. A qualified household that no longer occupies the home as their primary residence shall be in default of the mortgage recorded against the eligible home by the County and the Declaration of Restrictive Covenants.

To ensure that the assessed value of the affordable home reflects consideration of the aforesaid restrictions, County shall submit a copy of the recorded covenant to the Miami-Dade Property Appraiser's Office ~~[[immediately]]~~ after closing. Upon receiving said covenant, the Property Appraiser's Office will make a notation in the records available to the public that the home is subject to affordable housing restrictions and, for subsequent assessments during the control period, will ensure that the assessed value reflects consideration of the housing restrictions.

(e) Subject to the availability of funding, the County will provide affordable mortgage loans through the use of Surtax and SHIP funds to qualified households who purchase infill housing. (4) No resale of an eligible home shall be considered to be in compliance with this article until all required documents and affidavits have been submitted to and approved by the County.

(5) The County shall either approve or disapprove all required documents and affidavits in writing within fifteen business days after they are submitted to the County.
