Such services shall be pursuant to appropriate agreements between the CONSULTANT and the Sub-consultants, which shall contain provisions that preserve and protect the rights of the Owner under this Agreement. Nothing contained in this Agreement shall create any contractual relationship between the Owner and the Sub-consultants.

The CONSULTANT shall not change any Sub-consultant without prior approval by the Director in response to a written request from the CONSULTANT stating the reasons for any proposed substitution. Any approval of a Sub-consultant by the Owner shall not in any way shift the responsibility for the quality and acceptability by the Owner of the services performed by the Sub-consultant from the CONSULTANT to the Owner. The CONSULTANT shall cause the names of Sub-consultants responsible for significant portions of the Services to be inserted on the Plans and Specifications, subject to the approval of the Owner.

The CONSULTANT may employ Sub-consultants to assist the CONSULTANT in performing specialized Services. Payment of such Sub-consultants employed at the option of the CONSULTANT shall be the responsibility of the CONSULTANT and shall not be cause for any increase in compensation to the CONSULTANT for the performance of the Primary Services. when in its sole discretion it deems such termination is in the best interest of the Owner. **ARTICLE 8**

**COMPENSATION FOR PRIMARY SERVICES**

Unless otherwise authorized by Amendment to this Agreement, payments to the Consultant for Services and Reimbursable Expenses performed shall not exceed **Five Million Dollars (\$5,000,000.00)** and shall be disbursed as reflected herein.

All allocations of money as between Primary Services and Reimbursable Expenses are for budgetary purposes only. The County, in issuing service orders, may transfer monies between such service categories without restraint, subject to the overall contract allocation for this Agreement. Owner agrees to pay the Consultant and the Consultant agrees to accept for all Services rendered pursuant to this Agreement, the amounts determined in accordance with this article. No payment will be made to the Consultant for work performed without a Service Order.

8.1 **PAYMENT FOR PRIMARY SERVICES:** The fee for Services authorized in accordance with this Agreement will be computed by one (1) of the following three methods:

8.1.1 Compensation to the Consultant for Primary Services shall be based as follows:

8.1.1.1 Flat rate: When approved based on resume qualifications and experience, compensation to the Consultant for Services shall be on the basis of flat rates in accordance compensation schedule below. Any other classifications that may be used during the course of performing the Services and the hourly rate for such classifications shall only be authorized by Service Order.

<b>CATEGORY</b>	<b>TITLE</b>	<b>FLAT RATE (\$/HR)</b>
I	Principal*	\$216.00
II	Project Manager **	\$243.00
III	Managing Consultant/Manager **	\$210.00
IV	Senior Consultant**	\$151.00
V	Technical Specialist II **	\$151.00
VI	Consultant **	\$108.00
VII	Technical Specialist I**	\$108
VIII	Admin/Support	\$70.00

\* As listed on Appendix 1

\*\* As listed on Appendix 2

The maximum flat rate for all other personnel, not listed above shall not exceed **\$185.00** per hour. The Owner reserves the right to adjust the maximum flat rate.

8.1.1.2 Not to Exceed: Under this compensation basis, the Consultant is

compensated for the actual time of personnel engaged directly in performing Services under this Agreement. In addition, the Consultant is compensated for other related services necessary to complete the required services. A not to exceed cap for the total fee for each assignment given under this compensation basis shall be established prior to the issuance of the Service Order. The compensation method shall be in accordance with the compensation schedule as shown in 8.1.1.1 of this Agreement.

8.1.1.3 Agreed Lump Sum: Under this compensation basis, the Consultant agrees to perform specifically described Services for an agreed fixed dollar amount of compensation.

8.1.1.4 Overtime Employees that are salaried are not required to be paid time and one half for work over 40 hours. The following formula will be utilized for calculating overtime for salaried employees: Forty (40) hours multiplied by the base pay rate (\$) multiplied by the appropriate multiple (M) (if applicable); plus Hours Worked Beyond Forty (40) Hours During Week (Hrs) multiplied by the pay rate (\$) multiplied by 1.1. Using conventions contained in Microsoft Excel, the equation for this would be:

$$(40*\$*M) + (Hrs*\$*1.1)$$

For Employees that are on an hourly basis and are required to be paid at a time and one half overtime rate, the following formula will be utilized for calculating overtime: Hours Worked Beyond Forty (40) Hours During Week (Hrs) multiplied by the premium pay rate (\$\*1.5) and then multiplied by 1.1. Using conventions contained in Microsoft Excel, the equation for this would be:

$$(40*\$*M) + (Hrs*\$*1.5*1.1)$$

**EXAMPLE**

*Hours worked during week = 50*

*Pay rate = \$30/hr.*

*Multiplier = 2.65*

$$(40*30*2.65) + (10*30*1.1) = 3180 + 330 = \$3510 \text{ or}$$

**EXAMPLE**

*Hours worked during week = 50*

*Pay rate = \$30/hr.*

*Multiplier = 2.65*

$$(40*30*2.65) + (10*30*1.5*1.1) = 3180 + 495 = \$3675$$

8.1.1.5 Consultant shall not invoice Owner for charges for office, rent or overhead expenses of any kind, including but not limited to, insurance, telephone (except long distance calls authorized by the Owner), and utility charges, office/drafting supplies, depreciation of equipment, professional dues, subscriptions, reproduction of drawings and/or specifications for internal use, mailing, stenographic, clerical, nor shall it invoice for other employee time or travel and subsistence not directly related to the Project. The multiple factor set forth above shall cover all such costs pertinent to the Project.

8.3 INVOICES AND METHODS OF PAYMENT: The CONSULTANT shall submit monthly to the Project Manager, one (1) copy of a duly certified invoice for payments due on account of the portion(s) of the Services performed and eligible for payment based upon the agreed terms of the Service Order. A copy of the applicable Service Order shall accompany the original copy of the invoice. The format, content, and submittal date of the invoice shall be as specified by the Project Manager. Resubmitted partially rejected invoices shall separately indicate the previously undisputed amount of the invoice.

8.4 PAYMENT TO SUB-CONSULTANTS: All payments to Sub-consultant(s) employed hereunder shall be the sole responsibility of the CONSULTANT unless otherwise provided for herein or within a Service Order. The CONSULTANT shall, upon receipt of progress and/or final billing(s) from such Sub-consultant(s) for Services satisfactorily performed incorporate such billing(s) in the manner and to the extent appropriate to the applicable payment basis(es), in the next following invoice submitted by the CONSULTANT to the Owner. The CONSULTANT shall not submit invoices that include charges for Services by Sub-consultant(s) unless such Services have been performed satisfactorily and the charges are, in the opinion of the CONSULTANT, payable to such Sub-consultant(s). - 8.7 **PAYMENT FOR ABANDONED, TERMINATED OR SUSPENDED SERVICES:** In the event of termination or suspension of the services or abandonment of a Project Element(s) (including the failure of the Owner to advertise the Contract Documents for bids, or the Owner's failure to award a Contract for the Work on the basis of any such bids received, within the time limits set forth in this agreement) the CONSULTANT shall be compensated as follows:
- 8.7.1 Payment for Services completed and approved prior to receipt by the CONSULTANT of notice of abandonment of a Project Element, termination, or suspension, for which payment has not yet been made to the CONSULTANT by the Owner, shall be made in the same manner as would have been required had such abandonment of a Project Element, termination, or suspension not occurred.
- 8.7.2 For Services partially completed and satisfactorily performed prior to receipt by the CONSULTANT of notice of abandonment of a Project Element, termination, or suspension, the CONSULTANT shall be compensated on the basis of payment in same manner as would have been required had such abandonment of a Project Element, termination, or suspension not occurred, adjusted to the level of completion portion of the service. A claim by the CONSULTANT for compensation shall be supported by such data as the Owner may reasonably require.   - 1. One concern controls or has the power to control the other, or
  - 2. A third party or parties controls or has the power to control both, or

Examples of affiliation include:
  - 1. Nature of control in determining affiliation.

Every firm is considered to have one or more parties who directly or indirectly control or have the power to control it. Control may be affirmative or negative and it is immaterial whether it is exercised so long as the power to control exists.
  - 2. Identity of interest between and among persons as an affiliation determinant.

Affiliation can arise between or among two or more persons with an identity of interest, such as members of the same family or persons with common investments in more than one firm. In determining who controls or has the power to control firm, persons with an identity of interest may be treated as though they were one person.

  4. Affiliation through common management. Affiliation generally arises where officers, directors, or key employees serve as the majority or otherwise as the controlling element of the board of directors and/or the management of another firm.
  5. Affiliation through common facilities. Affiliation generally arises where one firm shares office space and/or employees and/or other facilities with another firm, particularly where such firms are in the same or related industry or field of operations, or where such firms were formerly affiliated.
  6. Affiliation with a newly organized firm. Affiliation generally arises where former officers, directors, principal stockholders, and/or key employees of one firm organize a new firm in the same or a related industry or field of operation, and serve as its officers, directors, principal stockholders, and/or key employees, and the firm is furnishing or will furnish the other firm with subconsulting agreements, financial or technical assistance, proposal or performance bond indemnification, and/or other facilities, whether for a fee or otherwise.
  7. Affiliation through contractual relationships. Affiliation generally arises where one firm is dependent upon another firm for consulting agreements and business to such a degree that its economic viability would be in jeopardy without such agreements/business.
  8. Affiliation under joint venture arrangements.
- D. Gross Annual Revenues.
1. In size determinations, size eligibility requires that the firm may not exceed the three year average gross annual revenues in the applicable standard.

2. Definitions. For the purpose of determining annual gross revenues of a firm:
  - a. "Accrual Basis" means a method of accounting in which accounts and notes receivable are recorded in the regular books of account for the period in which the firm first has a claim of right to them.

However, the term revenues excludes proceeds from sales of capital assets and investments, proceeds from transactions between a firm and its domestic and foreign affiliates, amounts collected for another by a travel agent or real estate agent, and taxes collected for remittance to a taxing authority.
  - d. "Regular Books of Account" means the general ledger or other book of final entry and, if used, the journals or other books of original entry.
  - e. "Completed Fiscal Year" means a taxable year including any short period. Taxable year and short period have the meaning attributed to them by the IRS.

Annual Gross Revenues of a firm which has been in business for three (3) or more completed fiscal years means the arithmetic annual average revenue of the firm over its last three (3) completed fiscal years (total revenue compiled over the entire three (3) year period would be divided by three).
  - b. Annual Gross Revenues of a firm which has been in business for less than three (3) fiscal years means the arithmetic annual average revenue over the time period the firm has been in business (total revenues compiled over the period the firm has been in business,

divided by the number of weeks, including fractions of a week, the firm has been in business, multiplied by (52).

- c. Annual Gross Revenues of a firm which has been in business three or more years but has a short year in the last three years will be the arithmetic annual average revenue over the two full years and the short year. The short period may appear at the beginning, middle or end of the three year calculation period.

4. Method of determining annual gross revenues.

- a. Revenue may be taken from the regular books of account of the firm. If the firm so elects, or has not kept regular books of account, or the IRS has found such records to be inadequate and has reconstructed income of the firm, then revenues shown on the federal income tax return of the firm may be used in determining annual gross revenues. Revenue shown on the regular books of account or the Federal Income tax return on a basis other than accrual must be restated to show revenue on an accrual basis for all fiscal years.
- b. Where the federal income tax return of a firm shows its annual gross revenues to be less than seventy-five (75) percent of the applicable size standard, the firm need not restate its revenue to an accrual basis prior to determining annual revenues.
- c. Where a short period is included in the firm's most recent three (3) years, annual gross revenues are calculated by dividing the sum of the revenues of the short year and the revenues of the two (2) full fiscal years by the sum of the number of weeks in the short fiscal year and the number of weeks in the two full fiscal years, and multiplying that figure (the weekly average revenues) by fifty-two (52).

5. Annual gross revenues of affiliates.

- a. If a firm has acquired an affiliate or been acquired as an affiliate during any portion of the applicable averaging period used to calculate, the annual gross revenues to determine size status (including before certification), the revenues of both the firm and the affiliate(s)/acquirer will be aggregated to compute size. Such aggregation of revenues will occur for each entire fiscal year of both the applicant and the affiliate(s)/acquirer, irrespective of the length of

time the affiliation existed during said fiscal year, as long as an affiliation existed at any point during that fiscal year.

- E. Annual gross revenues and adjusted gross revenues of affiliated.
  - 1. The annual gross revenues and adjusted gross revenues of affiliates shall be included in determining size status of the applicant.

Each department and agency shall forward the list by August 1 of each year to SBD for use in the formulation of the CBE-A/E objectives.
- B. Each department and agency, in conjunction with its contracting and purchasing activities, shall compile and maintain a list of its consultants' ownership demographics. These lists shall be updated at least quarterly and forwarded to SBD. Contract documents shall require that all requests for payment by the prime consultants include a list of all subconsultants who have performed work, and shall contain the prompt payment provisions outlined in the CBE-A/E ordinance.
- C. SBD shall prepare standard proposal participation provisions. Each issuing department including the Public Health Trust must use these standard proposal participation provision documents for all agreements with agreement set-asides or subconsultant goals unless SBD approves substitute proposal documents. When proposal documents for agreements with set-asides or subconsultant goals are advertised, they shall include a web link to the CBE-A/E Certification List.
- D. SBD shall notify departments of the recommended agreement set-aside, or subconsultant goal.
- E. Subsequent to a recommendation and prior to agreement advertisement, each department shall advise SBD of any change in the scope of work of an agreement. SBD shall review the change and recommend to the County Manager whether the agreement requires further review due to the change in the scope of work. Each department shall advise SBD of post-award changes in scope and all change orders that require Board of County Commissioners' approval shall be submitted to SBD. SBD shall review the changes and change orders and recommend to the County Manager whether the

agreement requires further review due to the change in the scope of work, and report on the prime consultant's current status of CBE-A/E compliance.

- F. Each department shall advise SBD of any agreement advertisement dates that are in excess of one hundred twenty (120) days of the initial recommendation to apply a set-aside or a goal in order to allow SBD to identify any changes in availability. Each department shall advise SBD of any agreement cancelled or not advertised within one hundred eighty (180) days after review and the agreement must be resubmitted to SBD to re-establish availability.

V. PROCEDURE FOR RECOMMENDATION OF AGREEMENT SET-ASIDES OR SUBCONSULTANT GOALS

Each individual project specific award and multiple project contracts (if the multiple projects contract 10% utilization objective has not been met) as mandated by the CBE-A/E ordinance for the purchase of architectural, landscape architectural, engineering, or surveying and mapping services, shall be reviewed for application of Tier 1 CBE-A/E set-asides or subconsultant goals. The procedure for applying Tier 1 CBE-A/E set-asides or subconsultant goals on such services are as follows:

- A. Each department, as applicable, shall review anticipated agreements for application of Tier 1 and/or Tier 2 CBE-A/E set-asides or subconsultant goals.
- B. Departments shall work in conjunction with SBD in recommending whether agreements should be set-aside for Tier 1 and/or Tier 2 CBE-A/Es or have subconsultant goals applied. The department shall submit the appropriate items from the following to the Director of SBD:
  - 1. For each recommendation to have an agreement set-aside for Tier 1 and/or Tier 2 CBE-A/Es or to have a subconsultant goal applied, a memorandum should be included providing an appropriate brief description as follows:
    - a) Project title and number;
    - b) A complete breakdown of all the required professional services, including identification by their respective technical certification categories;

- c) Estimated percentage of work for each of the required professional services;
  - d) A history of previous purchases to include the sizes of the previously successful consultants as appropriate for the previous three (3) years; and
  - e) The recommendation as to whether to set-aside the agreement or to place a subconsultant goal on the agreement.
2. An agreement may be set-aside for Tier 1 and/or Tier 2 CBE-A/Es or may have subconsultant goals applied to a given agreement when availability has been established for the Standard Industry Classification/North American Industry Classification System (SIC/NAICS) category in which the agreement is classified and the forecast of future expenditures by program area indicates that an agreement set-aside for Tier 1 and/or Tier 2 CBE-A/Es or a subconsultant goal will be appropriate.

#### A. GENERAL GUIDANCE

1. The selection of an agreement for Tier 1 set-aside and/or Tier 2 subconsultant goal shall include consideration of the following:
  - a. The impact of the project as it relates to the CBE-A/E objective;
  - b. The previous agreements used in the particular SIC/NAICS category;
  - c. The relative impact of economic incentives;
  - d. The effects of other agreement set-asides or subconsultant goals taken or reasonably expected to be taken in the SIC/NAICS category and their expected effects during the life expectancy of the agreement;
  - e. The impact of the agreement set-aside or subconsultant goal on potential competitors; and
  - f. Consideration of selection among various programs as set forth by the Review Committee.

- g. Availability of certified CBEs (3 or more) for each of the technical certification categories assigned to the project.

## B. AGREEMENT SET-ASIDES

1. A recommendation of a set-aside is appropriate when:
  - a. The estimated professional services fee is \$1 - \$1,000,000 for Tier 1 CBE-A/Es and \$1,000,001 or greater for Tier 2 CBE-A/Es for architectural, landscape architectural, engineering, or surveying and mapping professional services;
  - b. The quality, quantity and type of opportunities provided by the agreement are appropriate for applying a Tier 1 and/or Tier 2 set-aside(s);
  - c. Three (3) or more Tier 1 and/or Tier 2 CBE-A/Es as appropriate are available to provide the quality, quantity and type of opportunities afforded by the proposed agreement.
2. Set-asides should be used to provide large economic incentives. When possible, consideration should be given for splitting large agreements into smaller agreements to allow for greater program participation.

## C. SUBCONSULTANT GOAL

1. A recommendation to apply a subconsultant goal to a particular agreement is appropriate when:
  - a. The agreement has identifiable opportunities, which, according to normal industry practice, are appropriate for subconsulting in a specific professional service area within SIC/NAICS and technical certification category;
  - b. The quality, quantity and types of opportunities provided are appropriate for applying a subconsultant goal.
2. Effective competition exists for setting a particular subcontractor goal in that three (3) or more CBE-A/Es certified within the applicable professional service area within SIC/NAICS and technical certification category are available.

3. A memorandum identifying and briefly describing all agreements or proposals, including justification for sole source, for which a recommendation is being made not to set aside the agreement or not to place a subconsultant goal on the agreement, and information to support such a recommendation.

#### D. REVIEW PROCESS

1. SBD shall publish a list of projects under review daily on the department's webpage. SBD shall review the proposed contracts and the departmental recommendations. Should SBD and the Department(s) not agree on recommended measures or goals, then the contract will go through the Review Committee Process, as detailed below. Upon obtaining departmental concurrence with the recommended measure, SBD shall post projects and recommended goals daily on the SBD web page.
2. SBD shall consider public comments in writing on projects pre- and post measure or goal recommendations.

SBD and the contracting department shall review comments and make recommendations, as applicable, to the Mayor or designee.
5. Changes to goal recommendations, approved by the Mayor or designee, as a result of public comment shall require issuance of an addendum to the project advertisement.

#### VI. DOCUMENTATION TO ESTABLISH SET ASIDES OR SUBCONSULTANT GOALS

The County Mayor or designee shall establish a standing Review Committee (RC) to consider documentation for the establishment of set-asides or subconsultant goals where SBD and the contracting department have not

established consensus. SBD shall consider the following when recommending a set-aside or subconsultant goal:

- A. For each recommendation of an agreement set-aside or subconsultant goal, a copy of the department's recommendation; a memorandum briefly describing the analysis of the agreement and basis for providing a recommendation; verification of ability to submit a proposal for Tier 1 or Tier 2 set-aside agreements and a recommendation report that includes a listing of all professional service areas on which availability was established and subconsultant goals were based.
- B. A brief memorandum identifying all services for which a recommendation of no agreement set-aside or no subconsultant goal is being made and providing information to support the recommendation.

## VII. REVIEW COMMITTEE PROCESS

SBD is responsible for recommending to the Mayor or designee whether to apply CBE-A/E set-asides, or subconsultant goals to a contract. The Mayor or designee may accept, reject, modify or otherwise alter SBD's or Review Committee's recommendation.

- A. All recommendations shall be agreed upon between SBD and the contracting department, prior to final recommendation to the Mayor or designee.
- B. The Mayor or designee shall establish a standing Review Committee (RC) to meet periodically, or as often as needed, to review when consensus is not reached between SBD and the contracting department. The RC will make recommendations to the Mayor or designee.
- C. The RC shall conduct public deliberations and make recommendations whether to apply CBE-A/E, set-asides or subconsultant goals to a contract. The Mayor or designee may accept, reject, modify or otherwise alter SBD's or Review Committee's recommendation.
- D. The standing members of the RC shall be: Director, Public Works Department; Director, Office of Capital Improvements; Director, Department of Procurement Management; a rotating Director of the County's capital departments or their designees; and a County Manager appointed Chairperson. A quorum of the RC shall be three (3) members. Staff support shall be provided to the Review Committee by SBD.

- E. SBD shall staff the RC and make recommendations of measures to the RC and County Mayor or designee.
- F. The RC shall meet as needed. SBD shall timely publish meetings, listing the meeting location, date and time. All RC meetings are subject to Government-in-the-Sunshine requirements. The chair shall allow participation of the public at RC meetings consistent with accomplishing the agenda of the RC.
- G. The RC shall have authority to promulgate rules of general application to carry out its responsibilities, which rules are subject to review and approval by the County Mayor or designee.
- H. The RC may, after public deliberation and consideration of alternatives, accept, reject, modify or otherwise alter the staff recommendation. The County Mayor or designee may accept, reject, modify or otherwise alter SBD's recommendations. The Board of County Commissioners may accept, reject, modify or otherwise alter the County Manager's recommendations. The Mayor may accept or veto the Board of County Commissioners' recommendations. In accordance with the policy established by the Board of County Commissioners, the Board of County Commissioners may overrule the Mayor's veto.

#### VIII. AGREEMENT ADMINISTRATION - AGREEMENT SET-ASIDES

- A. Solicitations for County professional services agreements that are set-aside under the CBE-A/E program shall consider proposals solely from CBE-A/Es. In order to submit a proposal on a set-aside agreement, the proposer must be certified as a CBE-A/E prior to proposal submission date. A CBE-A/E awarded a set-aside agreement shall not transfer to a non-CBE-A/E, through subconsulting or otherwise, any part of the actual work of the agreement unless the proposal documents expressly and specifically permit such transfer as consistent with normal industry practice or the CBE-A/E requests and receives prior to agreement award, an approval letter from SBD.
- B. A CBE-A/E that performs the work of a set-aside agreement with its own forces may count such work towards reducing the CBE-A/E goal applied to the agreement by a maximum of one hundred (100) percent.
- C. Respondent's Responsibilities for CBE-A/E Set-Asides
  - 1. Proposals documents shall require proposers to submit a Letter of Agreement, Certificate of Assurance or equivalent for each subconsultant

to be utilized in satisfaction of a set-aside. The Letter of Agreement, or equivalent, shall be signed by the prime and the subconsultant and shall at a minimum state the type of work that the subconsultant will perform, the technical certification category, and the percentage that the amount of the fees payable to the subconsultant bears to the overall fees payable under the contract. Failure to submit the required Letter of Agreement, or equivalent, at the time of proposal submission shall render the proposal non-responsive.

2. Proposers may cure immaterial irregularities in the Letter of Agreement submitted not later than forty eight (48) hours following written notification by the Department of Small Business Development. Immaterial irregularities shall be those items which, in the County's sole discretion, do not affect either the assurance of agreement between the prime proposer and the subconsultant or the proposer's assurances to the County that the stated measure will be met. Examples include, but are not limited to improperly executed letters, the listing of unidentifiable CBE-A/Es and percentage miscalculations that are not mere clerical errors apparent on the face of the Letter of Agreement.
  3. Failure of a proposer to cure the immaterial irregularities within the stated period following notification shall result in disqualification of the proposer for contract award.
- D. The following shall constitute a violation of this Implementing Order as they relate to an agreement that is set-aside:
1. Submission of a "Letter of Agreement" of CBE-A/E subconsultants that the respondent knew or should have known is incomplete or inaccurate;
  2. After proposal submission due date, deviations from the "Letter of Agreement" without the written approval of SBD;
  3. The utilization of a non-certified CBE-A/E;
  4. A CBE-A/E serving as a conduit for CBE-A/E work awarded to a firm as a CBE-A/E but which is being performed by a non-CBE-A/E firm;
  5. Not obtaining or retaining CBE-A/E certification while performing work designated for CBE-A/E firms;
  6. Failure to submit monthly utilization reports;

*92*

7. Failure to comply with CBE-A/E certification requirements including not maintaining a place of business in Miami-Dade County, not reporting organizational and operational changes, providing inaccurate or false information, and other certification related violations;
8. Modifications to the terms and/or prices of payment to a CBE-A/E without prior approval from SBD; or
9. Unjustified failure to enter into a written subconsultant agreement with a CBE-A/E after listing the firm on a "Letter of Agreement."

#### IX. AGREEMENT ADMINISTRATION - SUBCONSULTANT GOALS

##### A. SUBCONSULTANT GOALS

The purpose of a subconsultant goal is to have portions of the work under the prime consultant performed by available subconsultants that are certified CBE-A/Es for agreement values totaling not less than the percentage of the prime agreement value set out in the proposal form. Subconsultant goals may be applied to an agreement when estimates made prior to proposal advertisement identify the quality, quantity and type of opportunities in the agreement and CBE-A/Es are available to afford effective competition in providing a percentage of these identified services.

After a proposal is advertised or other formal public notice given, the established subconsultant goal may be reduced only with the approval of the County Commission or the Public Health Trust. Proposal documents shall include documentation demonstrating the basis for the subconsultant goal established in the agreement.

##### 1. RESPONDENT RESPONSIBILITIES FOR SUBCONSULTANT GOALS

Respondents must submit a completed Letter of Agreement at the time of proposal submission identifying all Tier 1 and/or Tier 2 CBE-A/Es to be utilized to meet the subconsultant goal, the professional service designation of work each will perform, and the percentage of such work. The Letter of Agreement constitutes a written representation by the respondent that, to the best of the respondent's knowledge, the CBE-A/Es listed are qualified and available to perform as specified. The Letter of Agreement is a commitment by the respondent that, if awarded the agreement, it will enter into written subconsultant agreements with the

identified CBE-A/Es for the scope of work at the percentage set forth in the Letter of Agreement. Failure to submit the required documents within the required time frames may render the proposal nonresponsive or be subject to sanctions or penalties as outlined in the contract or in this Implementing Order.

- a. All such subconsultant agreements shall be in writing and shall be executed by the prime consultant and the CBE-A/E subconsultant utilized to meet the subconsultant goal.
- b. Respondents who fail to submit the required Letter of Agreement at the time of proposal submission shall be considered non-responsive.
- c. Respondents that submit a defective Letter of Agreement may be voidable. Examples of defects include, but are not limited to, an incomplete Letter of Agreement, the listing of an unidentifiable CBE-A/E, and percentage miscalculations that are not mere clerical errors apparent on the face of the Letter of Agreement.
- d. A successful respondent that is a CBE-A/E or a CBE-A/E joint venture may perform up to one hundred percent (100%) of a CBE-A/E subconsultant goal with its own forces. The remaining subconsultant goal work shall be performed by other CBE-A/Es.
- e. Expenditures to subconsulting CBE-A/Es shall be counted toward meeting specified subconsultant goals as follows:
  - (1) One hundred percent (100%) of the expenditures to a CBE-A/E that performs a commercially useful function in the supply of services required for the fulfillment of the agreement;
  - (2) One hundred percent (100%) of the expenditures to CBE-A/Es that subconsult work further to non-CBE-A/Es, only if the proposal documents expressly and specifically permit such subconsulting as consistent with normal industry practice, or if the respondent or CBE-A/E requests and receives prior to agreement award an approval letter from SBD;
  - (3) One hundred percent (100%) of the expenditures to CBE-A/Es that perform actual work with their own forces;

- (4) None of the expenditures to a CBE-A/E that acts essentially as a conduit to transfer funds to a non-CBE-A/E unless the proposal documents expressly and specifically permit such transfers as consistent with normal industry practice or the respondent or CBE-A/E requests and receives prior to agreement award an approval letter from SBD; and
  - (5) Only expenditures to CBE-A/Es made under a written subconsultant agreement executed by both the prime consultant and the CBE-A/E shall be counted towards meeting the subconsultant goal.
- f. In order to assure at the time of proposal submission, agreement upon the above information between the prime consultant and the CBE-A/E subconsultant so identified, the prime consultants must submit a Letter of Agreement, Certificate of Assurance or equivalent for each subconsultant to be utilized in satisfaction of a subconsultant goal. The Letter of Agreement, Certificate of Assurance or equivalent, shall be signed by the prime and the subconsultant and shall at a minimum state the type of work that the subconsultant will perform, the technical certification category, and the percentage that the amount of the fees payable to the subconsultant bears to the overall fees payable under the contract. Failure to submit the required Letter of Agreement, or equivalent, at the time of proposal submission shall render the proposal non-responsive.
- g. Proposers may cure immaterial irregularities in the Letter of Agreement, Certificate of Assurance, or equivalent, submitted not later than forty eight (48) hours following written notification by the Department of Small Business Development. Immaterial irregularities shall be those items which, in the County's sole discretion, do not, affect either the assurance of agreement between the prime proposer and the subconsultant or the proposer's assurances to the County that the stated measure will be met. Immaterial irregularities include those correctable items specifically identified in the form approved by the Director of Small Business Development for purposes of verifying compliance. Failure of a proposer to cure the immaterial irregularities within the stated period following notification shall result in disqualification of the proposer for contract award. To prove lack of availability, respondents must submit the following:

- (1) Unavailability Certificates either completed and signed by all of the CBE-A/Es available to perform the scopes of work are completed and signed by the respondent explaining the contacts with all of the CBE-A/Es available to perform the scopes of work, statements or actions of the CBE-A/Es showing unavailability, and the reason(s) why the CBE-A/Es' signature could not be obtained;
- (2) A listing of any proposals received from a CBE-A/E, the scope of work and percentage of work, and the respondent's reasons for rejecting each proposal;
- (3) A statement of the respondent's contacts with SBD for assistance in determining available CBE-A/Es;
- (4) A description of the respondent's process for soliciting and evaluating proposals from CBE-A/Es, including copies of telephone logs detailing time, date and name of contacts with potential subconsultants;
- (5) Respondents may establish a CBE-A/E as unavailable if its proposal is not reasonably competitive with comparable proposals of non-CBE-A/Es for the same scope of work. To establish a CBE-A/E as unavailable if its proposal is not considered reasonably competitive, the prime consultant must furnish SBD with copies of all proposals received from all firms, both CBE-A/Es and non-CBE-A/Es, for each specific scope of work for which they are claiming that the proposal is not reasonably competitive. A CBE-A/E's proposal will be considered reasonably competitive if its proposal, for the same scope of work, is within 25% of the proposal of comparably sized non-CBE-A/E firms;

Respondents whose proposals do not meet the specified goal, and who do not prove lack of availability as indicated in 1(g) above, are not in compliance with this Implementing Order.

The following shall constitute non-compliance with this Implementing Order as it relates to an agreement which has a CBE-A/E subconsultant goal:

- (1) The utilization of a non-certified CBE-A/E;

- (2) A CBE-A/E serving as a conduit for CBE-A/E work awarded to a firm as a CBE-A/E but which is being performed by a non-CBE-A/E firm;
- (3) A prime consultant not meeting CBE-A/E subconsultant goal requirements;
- (4) Not obtaining or retaining CBE-A/E certification while performing work designated for CBE-A/E firms;
- (5) Failure to submit monthly utilization reports;
- (6) Deviations from the Letter of Agreement without prior approval from SBD;
- (7) Termination of the CBE-A/E's agreement without prior approval from SBD;
- (8) Reduction of the scope of work of a CBE-A/E subconsultant without prior approval from SBD;
- (9) Modifications to the terms and/or prices of payment to a CBE-A/E without prior approval from SBD; or
- (10) Unjustified failure to enter into a written subconsultant agreement with a CBE-A/E after listing the firm on a Letter of Agreement.

#### B. COUNTY RESPONSIBILITIES

1. After considering the quality, quantity and type of opportunities provided by the agreement, and the availability of CBE-A/Es to afford effective competition in providing the professional services required under the agreement, each department or DPM will recommend to SBD the type and level of agreement set-aside, or subconsultant goal that could be applied.
2. SBD shall review the Letters of Agreement, Certificates of Assurance or equivalents, and Unavailability Certificates to determine compliance with the agreement set-aside, or subconsultant goal stated in the proposal documents. The Compliance Monitor may meet with a respondent before recommending that the Contract Officer determine noncompliance. This

written recommendation shall be forwarded to the respondent and the Contract Officer.

3. In the event that the Contracting Officer receives a recommendation of non-compliance from the Compliance Monitor, he or she may conduct a meeting or hearing at which the respondent shall be afforded an opportunity to present data supporting its compliance with the goal. The Contracting Officer shall consider the evidence and make a determination as to compliance.

#### X. DESIGN-BUILD CONTRACTS

The design portion of the design-build contract is subject to the procedures outlined in this Implementing Order.

#### XI. PROMPT PAYMENT

It is the County's intent that all firms, including CBE-A/Es providing professional services to the County, shall receive payments promptly in order to maintain sufficient cash flow.

##### A. PRIME CONSULTANT RESPONSIBILITIES

1. A prime consultant shall include in its billing to Miami-Dade County or the Public Health Trust copies of those portions of the billings from CBE-A/E subconsultants utilized to meet the subconsultant goal applicable to the agreement which the prime consultant approves and whose cost is included in the payment amount requested from Miami-Dade County or the Public Health Trust.
2. Prime consultant agreements to which a CBE-A/E subconsultant goal has been applied shall require that billings from CBE-A/Es be promptly reviewed and payment made to such CBE-A/Es on those amounts not in dispute within two (2) business days of receipt of payment therefore. The foregoing notwithstanding, the prime consultant shall pay billings from CBE-A/E subconsultants with whom they are in direct privity that are not in dispute within the timeframe and implemented by this Implementing Order.
3. The prime consultant on an agreement to which a CBE-A/E subconsultant goal has been applied shall inform SBD, the Contracting Officer, and the CBE-A/E subconsultant, in writing, of those amounts billed by the CBE-

A/E which are in dispute, and the specific reasons why they are in dispute, within seven (7) calendar days of submittal of such billing by the CBE-A/E subconsultant to the prime consultant.

4. Failure of the prime consultant to comply with the applicable requirements of Section XI (A) (3) above shall result in the prime consultant's forfeiture of the right to use the dispute as justification for not paying the CBE-A/E subconsultant and payment shall be forthcoming from the prime consultant.

#### B. COUNTY RESPONSIBILITIES

1. Proposal documents for agreements with CBE-A/E agreement set-asides, or subconsultant goals shall require that billings from subconsultants under prime consultant agreements with Miami-Dade County or the Public Health Trust that are a CBE-A/E agreement set-aside or which contain a subconsultant goal shall be promptly reviewed and payment made by the County or Trust on those amounts not in dispute within fourteen (14) calendar days of receipt of such billing by the County or the Trust.
2. SBD may investigate reported instances of late payment to CBE-A/Es.

#### C. FINANCE DEPARTMENT RESPONSIBILITIES

The Finance Department shall review billings from prime consultants under prime consultant agreements with Miami-Dade County or the Public Health Trust that are a CBE-A/E agreement set-aside or which contain a subconsultant goal and make payment on those amounts not in dispute within fourteen (14) calendar days of receipt of billing.

### XII. AGREEMENT ADMINISTRATION - COMPLIANCE AND MONITORING

#### A. Compliance Review

1. The Compliance Monitor shall review respondent's submission for compliance with this Implementing Order on every agreement to which a CBE-A/E agreement set-aside, or subconsultant goal has been applied. The purpose of this review shall be for the Compliance Monitor to consider whether to recommend the respondent's proposal is determined to be in compliance or noncompliance with the requirements of this Implementing Order. The Compliance Monitor may consider relevant

information from any person in making this decision. The Compliance Monitor may require the respondent to produce information deemed pertinent and appropriate and may obtain further information from whatever sources the Compliance Monitor deems appropriate.

2. The Compliance Monitor shall notify the respondent in writing stating the facts and the reasons on which the non-compliance is based. The respondent may request a meeting within five (5) business days from the date of the notification of non-compliance. The respondent shall supply further relevant information as required by the Compliance Monitor. No new altered Letter of Agreement will be accepted.
3. The Compliance Monitor shall make a written recommendation to the Contracting Officer, which shall include a statement of the facts and reasons for which the non-compliance is based.
4. Following receipt of a recommendation of non-compliance from the Compliance Monitor, the Contracting Officer shall review the Compliance Monitor's recommendation of respondent's noncompliance with this Implementing Order. The Contracting Officer shall notify the respondent of such non-compliance. The respondent may request a meeting within five (5) business days from the date of notification of non-compliance with the Contracting Officer if the Contracting Officer was not present at the first meeting referenced in Subsection (A)(2) above. The respondent shall supply further relevant information as required by the Compliance Monitor. No new altered Letter of Agreement will be accepted.
5. The Contracting Officer, in conjunction with the Compliance Monitor, may conduct an informal meeting with the respondent. Other parties may be invited to offer information relevant to the issue of the respondent's non-compliance.
6. The Contracting Officer shall provide a written determination of the respondent's compliance with this Implementing Order, along with a recommendation whether to award the agreement to the respondent, to the County Manager. A copy of such recommendation shall be sent to the respondent. Such recommendation shall not affect the power of the Board of County Commissioners to reject the respondent's bid for any other reason or to take such action on the recommendation of the Contracting Officer as the Board deems appropriate.

7. Consideration of other proposals. If the Contracting Officer or Compliance Monitor deems it advisable in the interest of expediting the award of the agreement, the procedures set forth in this subsection may be carried out with respect to the proposals of one or more additional respondents at the same or different time with each such proceeding to be separately conducted.
8. Failure of respondent to participate. The respondent will be bound by the proceedings under this subsection to which they have been given required notice without regard to their participation or lack of participation. A lack of participation upon receiving notices and requests pursuant to this Implementing Order shall not be grounds for reconsideration of any action taken in the proceedings.
9. Miami-Dade County shall not award an agreement to any respondent which, in its determination, fails to comply with the applicable requirements of this Implementing Order. Nothing herein shall relieve any respondent from any of the terms, conditions or requirements of the contract or modify Miami-Dade County's rights as reserved in the agreement document.

B. Post-Award Compliance and Monitoring

1. Approval of Subconsultant Agreements

The Successful Respondent shall submit to the Contracting Officer, for approval, written subconsultant agreements corresponding in all respects to the Successful Respondent's Letter of Agreement. The Successful Respondent shall enter into a written subconsultant agreement with each listed CBE-A/E subconsultant and shall thereafter neither terminate any such subconsultant agreement, nor reduce the scope of work to be performed by, or decrease the price to be paid to the CBE-A/Es thereunder, without in each instance obtaining prior written approval of the Contracting Officer. The Contracting Officer shall not give a final written determination without a recommendation from the Compliance Monitor.

2. Access to Records

Successful respondents and CBE-A/Es shall permit the County to have access during normal business hours to books and records relating to the respondent's compliance with the agreement set-aside, or subconsultant

goal applied to the agreement or relating to CBE-A/E compliance with certification requirements. Such books and records include but are not limited to corporate documents, charters, organizational filings, tax filings, registrations, licenses, stock registrations, partnership agreements, contracts, subcontracts, joint venture agreements, telephone logs, checking accounts, journals, ledgers, correspondence, pension and benefits documents, and documents and records between the respondent or the CBE-A/E and other entities. This right of access shall be granted for one year after completion of the work or full payment of the agreement obligations, whichever comes last, or for one year after the expiration of CBE-A/E certification.

3. Access to Job Site

Successful respondents and CBE-A/Es shall permit the County to have access to project locations during normal business hours in order to conduct visual inspections and employee interviews.

4. Monthly/Quarterly Reporting

The successful respondent on a project that is a CBE-A/E agreement set-aside or on a project with CBE-A/E subconsultant goals shall submit monthly a Utilization Report to the Compliance Monitor through the Contracting Officer on or before the tenth working day following the end of the month the report covers. The Compliance Monitor shall give standard reporting forms to the successful respondent. The Utilization Report is to be completed by the successful respondent. Where a subconsultant goal has been imposed, the Utilization Report shall include information on CBE-A/Es utilized to meet such subconsultant goal. Failure to comply with the reporting requirements may result in the imposition of contractual sanctions or administrative penalties by the County.

5. Deviations from the Letter of Agreement

- a. In the event that, during the performance of an agreement, the CBE-A/E is not able to provide the services specified on the Letter of Agreement, the successful respondent must locate a CBE-A/E to substitute for the unavailable CBE-A/E, unless the respondent can prove the lack of an available CBE-A/E to provide the services to be provided by the prior CBE-A/E. The successful respondent must receive approval for substitution from SBD by submitting a request in writing addressed to the Director of SBD through the Contracting Officer. The request must include

a revised Letter of Agreement to include the substitute CBE-A/E. The Compliance Monitor will review the request and make a recommendation regarding the substitution to the Contracting Officer. A successful respondent that cannot secure a substitute CBE-A/E must provide a written statement to the Compliance Monitor and Contracting Officer that includes a list of the names, addresses, and telephone numbers of all CBE-A/Es contacted, and the date of contact for each CBE-A/E. All certified CBE-A/Es certified in the appropriate professional service area under the technical certification categories must be contacted in order to prove lack of an available CBE-A/E.

b. The Compliance Monitor shall be responsible for monitoring the performance of the successful respondent regarding compliance with agreement set-asides, or subconsultant goals applied to the agreements. The Compliance Monitor may, at his or her discretion, investigate deviations in the utilization of CBE-A/Es from that described on the Letter of Agreement, and make recommendations regarding compliance to the Contracting Officer. The Contracting Officer shall not make a final determination without a recommendation regarding compliance from the Compliance Monitor. Deviations from the goal stated in the agreement that shall be monitored include, but are not limited to:

- (1) Termination of a CBE-A/E's subconsultant agreement;
- (2) Reduction in the scope of work to be performed by a CBE-A/E;
- (3) Modifications to the terms of payment or price to be paid to a CBE-A/E; or
- (4) Failure to enter into a subconsultant agreement with a CBE-A/E being utilized to meet a subconsultant goal.

c. Excuse from entering into subconsultant agreements:

If, prior to execution of a subconsultant agreement required by this Implementing Order, the successful respondent submits a written request to the Contracting Officer demonstrating to the satisfaction of the Contracting Officer that, as a result of a change in circumstances beyond his/her control of which he/she was not aware and could not reasonably have been aware until subsequent to the date of the award of the agreement, a CBE-A/E who is to enter into such subconsultant agreement has unreasonably refused to execute the subconsultant

agreement, or is not available, the successful respondent shall be excused from executing such subconsultant agreement. The procedures of paragraphs (e) and (f) below shall apply to this paragraph.

d. Termination of Subconsultant Agreements:

If, after execution of a subcontract required by this Implementing Order, the successful respondent submits a written request to the Contracting Officer and demonstrates to the satisfaction of the Contracting Officer that, as a result of a change in circumstances beyond his/her control of which he/she was not aware and could not be reasonably have been aware, until subsequent to the date of execution of such subconsultant agreement, a CBE-A/E, who entered into such subconsultant agreement has committed a material breach of the subconsultant agreement, the successful respondent shall be entitled to exercise such rights as may be available to him/her to terminate the subconsultant agreement. The procedures of paragraphs (e) and (f) below apply to this paragraph.

e. County's Determination of Respondent's Excuse or Termination:

If the successful respondent at any time submits a written request to the Contracting Officer under the prior two paragraphs, the Contracting Officer as soon as practicable, shall determine whether the Successful Respondent has made the requisite demonstration, and shall not determine that such a demonstration has not been made without first providing the successful respondent, upon notice, an opportunity to present pertinent information and arguments. The procedures of paragraph (f) below apply to this paragraph.

f. Alternative Subconsultant Agreements:

- 1) If the successful respondent is excused from entering into a subconsultant agreement or rightfully terminates a subconsultant agreement under this Implementing Order and without such subconsultant agreement, the Successful Respondent will not achieve the level of CBE-A/E participation upon which the agreement was awarded, the Successful Respondent shall make every reasonable effort to propose and enter into an alternative subconsultant agreement or subconsultant agreements for the same work to be performed by another available CBE-A/E as appropriate, for a subconsultant agreement price or prices totaling not less than the subconsultant agreement price under the excused or terminated

subconsultant agreement, less all amounts previously paid thereunder.

- 2) The Successful Respondent must submit to the Compliance Officer a revised Letter of Agreement to include the substitute CBE-A/E.
- 3) A successful respondent that cannot secure a substitute CBE-A/E must provide a written statement to the Compliance Monitor and Contracting Officer that includes a list of the names, addresses, telephone numbers, and the date of contact for each CBE-A/E. All CBE-A/Es certified within the appropriate professional service area under the technical certification categories must be contacted.
- 4) The Compliance Monitor may require the successful respondent to produce such information as the Compliance Monitor deems appropriate and may obtain further information from other sources. The Compliance Monitor shall make his/her recommendation under this paragraph to the Contracting Officer and forward a copy to the respondent.
- 5) The Contracting Officer will consider objections to the Compliance Monitor's recommendation only if such written objections are received by the Contracting Officer within five calendar days from the successful respondent's receipt of the Compliance Monitor's recommendation. The Contracting Officer with or without a hearing, and as he/she in his/her discretion may determine, will reply to the successful respondent's written objection within ten (10) days of receipt of these objections.

### XIII. SANCTIONS FOR AGREEMENT VIOLATIONS

Proposal and agreement documents shall provide that, notwithstanding any other penalties or sanctions provided by law, a respondent's violation of or failure to comply with this ordinance or this Implementing Order may result in the imposition of one or more of the following sanctions:

- A. The suspension of any payment or part thereof until such time as the issues concerning compliance are resolved;
- B. Work stoppage;

- C. Issuance of fines of up to two (2%) percent of the contract amount, said fines to be deducted from invoices;
- D. Termination, suspension, or cancellation of the agreement in whole or part;
- E. In the event a respondent or CBE-A/E attempts to comply with the provisions of this ordinance through fraud, misrepresentation, or material misstatement, or is found after a hearing to have discriminated in violation of Article VII of Chapter 11A of the Miami-Dade County Code, the County shall, whenever practicable, terminate the agreement or require the termination or cancellation of the subconsultant agreement for the project on which the respondent or CBE-A/E committed such acts. In addition, and as a further sanction, the County Manager or his or her designee may impose any of the above-stated sanctions on any other agreements or subconsultant agreements the respondent or CBE-A/E has on County projects. In each instance, the respondent or CBE-A/E shall be responsible for all direct and indirect costs associated with such termination or cancellation including attorney's fees and costs. The respondent or CBE-A/E may also be subject to debarment.
- F. In the event that a respondent fails to achieve the CBE-A/E measures after the agreement completion, the respondent will be required to make up the CBE-A/E deficit for an amount equal to double the amount of the CBE-A/E measure deficiency. The procedures for making up the CBE-A/E deficit are as follows:
  - 1. Upon completion of a County agreement with CBE-A/E measures, the compliance monitor for SBD, in accordance with County Code governing the CBE-A/E program, will obtain the final Monthly Utilization Report and determine if the respondent has met the CBE-A/E measures.
  - 2. If the respondent has not met the CBE-A/E measures, the compliance officer will notify the respondent in writing of the CBE-A/E deficit.
  - 3. If the respondent is found in non-compliance with the CBE-A/E measures, the compliance officer may issue a letter of noncompliance requesting that the respondent make up the CBE-A/E deficit on an existing or future County agreement for double the amount of the deficit on the agreement in question. The respondent will also be required to submit a plan indicating any current or future County agreements in which the CBE-A/E deficit will be remedied.

4. The respondent must respond to SBD in writing within ten business days from the date of the non-compliance letter. The respondent must acknowledge receipt of the non-compliance letter and provide a plan to make up the CBE-A/E measure.
5. The compliance monitor will review the plan for approval.
6. When an agreement is identified in which the CBE-A/E measure deficit will be remedied, the respondent will provide a Letter(s) of Agreement for the CBE-A/E firm(s) that will be utilized in making up the deficit.
7. The respondent will remain in a non-compliance status until the CBE-A/E make-up goal has been achieved.
8. Failure of the respondent to make up the CBE-A/E measure when opportunities are available on existing or future County agreements, will result in the sanctions or the imposition of other penalties, or as referenced in Sections XIII and XIV.

Some of the agreement violations that may result in the imposition of the sanctions listed in Section XIII above include, but are not limited to, the following:

- a. A CBE-A/E serving as a conduit for CBE-A/E work awarded to a firm as a CBE-A/E but which is being performed by a non-CBE-A/E firm;
- b. A prime consultant not meeting CBE-A/E Program subconsultant goal requirements;
- c. Not obtaining or retaining CBE-A/E certification while performing work designated for CBE-A/E firms;
- d. Failure to submit monthly utilization reports;
- e. Failure to comply with CBE-A/E certification requirements, including not maintaining a place of business in Miami-Dade County, not reporting organizational and operational changes, providing inaccurate or false information, and other certification related violations;
- f. Failure to maintain certification;

- g. Deviations from the Letter of Agreement without prior approval from SBD;
- h. Termination of the CBE-A/E's agreement without prior approval from SBD;
- i. Reduction of the scope of work of a CBE-A/E subconsultant agreement without prior approval from SBD;
- j. Modifications to the terms and/or prices of payment to a CBE-A/E without prior approval from SBD; or
- k. Unjustified failure to enter into a written subconsultant agreement with a CBE-A/E after listing the firm on a Letter of Agreement to meet a subconsultant goal.

#### XIV. ADMINISTRATIVE PENALTIES

##### A. DEBARMENT

1. The County may debar a CBE-A/E or a non-CBE-A/E for violation of, or non-compliance with, the provisions of the County Code governing the program, this Implementing Order, or implementing proposal documents.
2. Causes for debarment are as noted in Section 10-38 of the Code. These include but are not limited to, a preponderance of evidence that the CBE-A/E has forfeited a bond or defaulted on financial assistance, either of which was provided under the CBE-A/E program; or if any individual or corporation, partnership or other entity, or any individual officer, shareholder with a significant interest, director or partner of such entity, qualifying agent or affiliated business of such entity attempts to comply with the provisions of this ordinance through fraud, misrepresentation, or material misstatement.

##### B. DECERTIFICATION

Violations of certification requirements are addressed in Section II of this Implementing Order.

##### C. SUSPENSION

If the determination of the County Mayor or designee is that the contractor or subcontractor failed to comply and that such failure was pervasive, the Mayor or designee may order that the contract work be suspended or terminated, and that the non-complying contractor or subcontractor and the principal owners and/or qualifying agent thereof be prohibited from bidding on or otherwise participating in County construction contracts for a period not exceed three (3) years.

#### D. MONETARY PENALTIES

1. If the determination of the County Mayor or designee is that the contractor or subcontractor failed to comply and that such failure was limited to isolated instances and was not pervasive, the County Mayor or designee may, in the case of a goal deficit, order a penalty amount to be withheld from the contractor for such noncompliance as follows: for the first deficit, a penalty in an amount equal to 10% of the amount thereof; for the second deficit, a penalty in an amount equal to 20% thereof; for the third and successive deficits, a penalty in an amount equal to 30% thereof. A fourth violation and finding of noncompliance, shall constitute a default of the subject contract and shall be cause for suspension or termination in accordance with the contract's terms and debarment in accordance with the debarment procedures of the County. Monies received from payment of penalties imposed hereunder shall be deposited in a separate account and shall be utilized solely to defray SBD's costs of administering Section 10-33.02 of the Code of Miami-Dade County.
2. If the required payment is not made within thirty (30) days of the administrative hearing or final resolution of any appeal there from, the non-complying contractor or subcontractor and the principal owner(s) and qualifying agent(s) thereof shall be prohibited from bidding on or otherwise participating in County construction contracts for a period not to exceed three (3) years.

#### XV. APPEALS PROCESS

- A. Any firm that is denied certification, decertified, or issued a determination of noncompliance with the requirements of this Implementing Order and Section 2-10.4.01, Code of Miami-Dade County may appeal such action. The Compliance Monitor shall notify the affected party, in writing, setting forth the reasons for the determination and advising of this appeals process. The affected party may appeal the determination by filing a written appeal with the

Director of SBD within thirty (30) days of receipt of the notice. This appeals process does not apply to appeals of decisions made pursuant to bid documents implementing the CBE-A/E program when such proposal documents provide procedures for appeals of such decisions.

B. Decisions by the County Mayor or designee shall be final.

C. PROCEDURES FOR ADMINISTRATIVE HEARING:

The procedure for administrative hearings shall provide that:

1. SBD will schedule a hearing date before a hearing officer, upon timely receipt of a request for an administrative hearing along with a \$250 nonrefundable filing fee to appeal a determination of non-compliance with the requirements of this Implementing Order, section 2-10.4.01, Code of Miami-Dade County, as amended, or implementing bid documents.
2. The prevailing party shall not incur any additional expenses, fees or penalties. The unsuccessful appellant shall be responsible for all additional fees, costs and penalties associated with the appeal
3. SBD shall serve upon the firm, consultant (or subconsultant) and/or lessee a notice of hearing within five (5) working days of the appointment of the administrative hearing officer. Such notice shall include:
  - a. A copy of SBD's determination of non-compliance, outlining alleged prohibited practices upon which it is based;
  - b. A description of the administrative penalties being considered;
4. An administrative hearing shall be scheduled to be heard before an administrative hearing officer within twenty (20) days after service of the notice. The notice shall also advise the appellant that he or she may be represented by an attorney, may present documentary evidence and verbal testimony, and may cross-examine or rebut evidence and testimony presented against them.
5. Within five (5) days after completion of the administrative hearing, the administrative hearing officer shall transmit his/her findings of fact, conclusions, and recommendations together with a transcript of all evidence taken before him/her and all exhibits received by him/her, to the Mayor or

designee, who (i) may sustain, reverse or modify the hearing officer's recommendations and (ii) shall render a final decision, in writing. The determination of the Mayor may be reviewed by an appropriate court in the manner provided in the Florida Rules of Appellate Procedure.

D. QUALIFICATIONS OF HEARING OFFICERS:

1. Administrative hearing officers shall be residents of Miami-Dade County who possess outstanding reputations for civic pride, interest, integrity, responsibility, and business or professional ability. Appointments shall be made by the County Manager or his or her designee. The list of administrative hearing officers should include retired judges who are licensed and admitted to practice law in the State of Florida, or arbitrators or mediators certified by the Eleventh Judicial Circuit or State Bar Association. Appointees should become acquainted with this Implementing Order and the provisions of section 2-10.4.01, Code of Miami-Dade County, as amended, applicable to the particular violation(s) to be heard. Additional qualifications include, but are not limited to, experience in equal opportunity, anti-discrimination, contracting, procurement, bonding or financial services activities. Such appointments shall be submitted to the Clerk of the Board of County Commissioners for ratification by the Clerk. The Clerk shall submit an annual report to the Board on the number of women who have served as administrative hearing officers.
2. The County Mayor or designee shall appoint as many administrative hearing officers as are deemed necessary. Every effort will be made to ensure that the appointment of hearing officers reflect the diversity of the demographics of Miami-Dade County. Appointments shall be made for a term of one (1) year. Any administrative hearing officer may be reappointed at the discretion of the County Mayor, subject to ratification by the Clerk of the Board of County Commissioners. There shall be no limit on the number of reappointments that may be given to any individual administrative hearing officer; provided, however, that a determination as to reappointment must be made for each administrative hearing officer at the end of his or her one-year term. The County Mayor shall have the authority to remove administrative hearing officers at any time. Appointments to fill a vacancy shall be for the remainder of the unexpired term.
3. Administrative hearing officers shall not be County employees but shall be compensated at a rate to be determined by IO.
