**Subject:** Fiscal Impact Statement for Ordinance Relating to Special Taxing Districts, Regarding Notice to Purchasers of Residential Property

---

The proposed ordinance would be implemented by the Parks, Recreation and Open Spaces Department (PROS), Special Assessment Districts Division. It would require petitioners of new special taxing districts to prepay the costs of the recordation of taxing district(s) at the time of the filing of the petition. Funding is provided by annual tax assessments against affected property through the annual combined real property tax bill. Therefore, implementation of this ordinance will not have a fiscal impact to Miami-Dade County.

PROS will provide notice of the enactment of this legislation to the real estate industry.

**Date:** March 5, 2019

**To:** Honorable Chairwoman Audrey M. Edmonson  
and Members, Board of County Commissioners

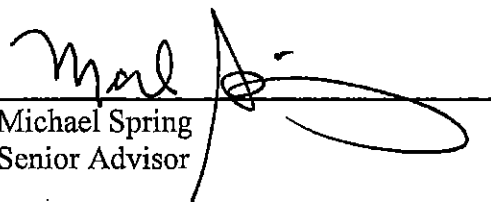

**From:** Carlos A. Gimenez  
Mayor 

**Subject:** Social Equity Statement for Ordinance Amending Section 18-20.2 of the Code of Miami-Dade County Regarding Notice to Purchasers of Residential Property

---

The proposed ordinance amends Section 18-20.2 of the Code of Miami-Dade County, Florida to require sellers to provide notice on the contract for sale and purchase, or an addendum to such contract, of the existence of a special taxing district or of the pendency of a petition to create such a district. In addition, subsequent sellers shall have the same obligation to provide notice if the prior year's tax bill for the property, which is subject to the transaction, reflected a special assessment for said special taxing district. Further, petitioners of new special taxing districts will also be required to provide a disclosure statement that will be recorded in the public records of Miami-Dade County, Florida upon the creation of the district.

If approved, these requirements will more adequately provide notification to buyers who can then avoid the potential hardship of acquiring property without knowing that it is subject to annual assessments, regardless of their demographics or income levels.

**WHEREAS**, this Board has the exclusive authority to approve the establishment of special taxing districts within the boundaries of Miami-Dade County (“County”) pursuant to Section 1.01 (A) (11) of the County’s Home Rule Charter and Chapter 18 of the Code of Miami-Dade County, Florida; and

**WHEREAS**, this Board recognizes that there is a need to provide adequate and full disclosure about special taxing districts, including the requirement to pay annual assessments, to all potential purchasers of real property located within a special taxing district prior to the execution of a purchase contract and the final sale of the real property; and

**WHEREAS**, by the enactment of section 18-20.2 of the Code, this Board has previously required developers of new residential property located within a special taxing district to disclose the existence of a special taxing district within the real estate contract; and

**WHEREAS**, these existing requirements do not provide adequate notice to subsequent purchasers of residential property that a property is subject to the payment of an annual assessment for the improvements or services provided by a special taxing district; and

**WHEREAS**, this Board wishes to avoid the potential hardship to residential property owners who acquire property without knowing that it is subject to such annual assessments; and

**WHEREAS**, this Board, on February 6, 2018, enacted Ordinance No. 18-12 ("Ordinance 18-12"), amending section 18-20.2 of the Code by requiring notice to all buyers of real property that the property being acquired is located within a special taxing district, in order to ensure that such buyers are on notice of the actual costs of owning the property; and

**WHEREAS**, members of the real estate industry have contacted County staff to express additional ideas regarding different ways to achieve the goal of providing notice to buyers of property within special taxing districts without requiring the buyer's signature on the instrument conveying title; and

**WHEREAS**, the implementation of Ordinance No. 18-12 has previously been delayed by this Board to allow time to consider the input of the real estate industry; and

**WHEREAS**, after considering the input of the real estate industry, this Board wishes to further amend section 18-20.2 of the Code to protect the interests of Miami-Dade County residential property owners, while also considering the input of the real estate industry,
