RESOLUTION NO. R-1083-19

RESOLUTION REQUESTING THAT THE COUNTY MAYOR OR THE COUNTY MAYOR’S DESIGNEE APPOINT FULL TIME STAFF WHOSE SOLE RESPONSIBILITIES WILL BE TO REVIEW, PROCESS AND MONITOR MATTERS RELATED TO THE CONSTRUCTION OR REHABILITATION OF WORKFORCE AND AFFORDABLE HOUSING; AND REQUIRING A REPORT

WHEREAS, there is a severe shortage of workforce and affordable housing that is available to the residents of Miami-Dade County; and

WHEREAS, according to a May 31, 2018 study published by Smart Assets, Miami ranks fourth in the nation as the “Most Severely Housing Cost Burdened Cities;” and

WHEREAS, according to the study, “Miami was hit hard by the housing crisis and hasn’t fully recovered;” and

WHEREAS, the study states further that “19.3 [percent] of Miami city residents are severely housing cost burdened, and 19.8 [percent] spend 30 to 50 [percent] of their income on housing costs;” and

WHEREAS, “[m]edian household income in Miami is lower than the nation’s overall median income;” and

WHEREAS, according to a July 12, 2018 article published by USA Today, Miami, Fort Lauderdale and West Palm Beach were identified as second in the nation where people are struggling to find affordable housing; and

WHEREAS, according to the article “[t]he ratio of home price-to-income increased more than twice as fast in Miami than it did nationwide over the past five years;” and

WHEREAS, this Board has implemented a number of housing and development programs that are designed to increase the supply of workforce and affordable housing, targeting households whose incomes do not exceed 140 percent of the area median income established by the U.S. Department of Housing and Urban Development for Miami-Dade County, including, but not limited to, the Infill Housing Initiative, Workforce Housing Development Program, Public Housing, Section 8 Housing Choice Voucher, Section 8 Moderate Rehabilitation, Documentary Stamp Surtax, State Housing Initiative Partnerships, HOME Investment Partnership, Community Development Block Grant, and Building Better Communities General Obligation Bond programs; and

WHEREAS, this Board has also taken certain steps to expedite the construction and rehabilitation of affordable and workforce housing, including, but not limited to, the recent adoption of Ordinance No. 19-52, which applies certain zoning incentives currently available for properties in the Workforce Housing Development Program to properties in the Miami-Dade County Infill Housing Initiative Program and other County housing programs and providing more flexibility for redevelopment of nonconforming residential lots under those programs; and Resolution No. R-752-19, approving Implementing Order No. 4-120, which relates in part to expedited plan review programs for workforce and affordable housing; and

WHEREAS, during the July 16, 2019 Housing, Social Services and Economic Development Committee meeting, the Commissioners expressed concerns that more can be done to expedite the construction or rehabilitation of workforce and affordable housing, including requesting that the County Mayor consider appointing full-time staff whose sole responsibilities will be to process and monitor matters related to the construction or rehabilitation workforce and affordable housing, including, but not limited to, planning, zoning, permitting, public works and water and sewer connections; and

WHEREAS, this Board believes that having dedicated staff assigned for the purposes described above would assist the County to reach its goal of producing 10,000 affordable and workforce housing units, which this Board set as a policy when it adopted Resolution No. R-625-19, and would further assist the County in meeting the increasing demand for more workforce and affordable housing in Miami-Dade County,
