Subject: Recommendation for Approval to Award Short-Term Ground Lease Agreement to Culmer Holdings, LLC, as Assignee of Atlantic Pacific Communities, LLC, Pursuant to Request for Proposal (RFP) No. 01082, Redevelopment of Culmer Place and Culmer Gardens

Recommendation

This memorandum supersedes and replaces the award recommendation memorandum that was filed with the Clerk of the Board on September 17, 2019.

It is recommended that the Board of County Commissioners (Board):

1. In accordance with section 125.35, Florida Statutes, approve and authorize the County Mayor or the County Mayor's designee to execute a 11-month Ground Lease Agreement (Lease) with Culmer Holdings, LLC, as assignee of Atlantic Pacific Communities, LLC ("APC"), for the purpose of providing site control to APC for the redevelopment of Culmer Place and Culmer Gardens public housing developments (Project Site), pursuant to *Request for Proposal (RFP) No. RFP-01082, Redevelopment of Culmer Place and Culmer Gardens* for the Public Housing and Community Development Department;
2. Waive the bid protest process pursuant to sections 2-8.3 and 2-8.4 of the Code of Miami-Dade County in order to allow APC the opportunity to apply for competitive funds from the Florida Housing Finance Corporation's State Apartment Incentive Loan Program (SAIL Program), by the application deadline in early October 2019; and
3. Authorize the County Mayor or County Mayor's designee to exercise all provisions contained in the Lease including, but not limited to, termination provisions and the following provisions that authorize the County Mayor or the County Mayor's designee to (a) review and approve documents, plans, applications, lease assignments and requests required or allowed by APC to be submitted to the County pursuant to the Lease; (b) consent to actions, events, and undertakings by APC or extensions of time periods for which consent is required by the County, including, but not limited to, extensions of time for the performance of any obligation by APC under the Lease; (c) execute any and all documents on behalf of the County necessary or convenient to the foregoing approvals, consents, and appointments; (d) assist APC with and execute on behalf of the County any applications or other documents, needed to comply with applicable regulatory procedures and to secure financing, permits or other approvals to accomplish the construction of any and all improvements in and refurbishments of the property; (e) amend the Lease to correct any typographical or non-material errors, to address revisions or supplements hereto of a non-material nature or to carry out the purposes of the Lease; (f) execute or consent, at the County Mayor or the County Mayor's designee sole discretion, to subleases with APC's assignees, including any amendments, extensions, and modifications thereto; (g) execute recognition and non-disturbance agreements and issue estoppel statements; and (h) to take all other necessary actions that may be required by the Florida Housing Finance Corporation or other funding sources, to preserve site control.

Approval of the Lease is the first step in the award process as this establishes required site control prior to submission of the SAIL Program's application. Expediting the approval process is consistent with Public Housing and Community Development Department's need to provide assurances to the United

States Department of Housing and Urban Development (HUD) by March 2020 that the County is making significant progress on the Rental Assistance Demonstration Program (RAD Program). The County is planning to redevelop 7,718 public housing units under the RAD Program countywide.

Upon approval of the recommended short-term ground lease, the County will initiate negotiations for a Master Development Agreement with APC for the development of the Project site, which currently consist of 226 public housing units. APC proposes three possible scenarios for the development of the Project site, i.e. Scenarios A, B and C. Under Scenario A, APC proposes to develop the Project Site with 982 mixed-income units, including 226 RAD units if the County is able to acquire Reeves Park from the City of Miami. Under Scenario B, APC proposes to develop the Project Site with 1,402 mixed-income units, including 226 RAD units, in the event the County is unable to acquire Reeves Park. Finally, under Scenario C, APC proposes to develop the Project Site with 1,598 mixed-income units, including 226 RAD units, along with a public park if the County is able to acquire Reeves Park. The Master Development Agreement will be presented to the Board for approval at a later date. The County will also negotiate a long-term permanent ground-lease agreement with APC, subject to APC obtaining the required financing to make the project financially viable, obtaining all required HUD approvals, and any other required approvals, for the redevelopment of the Project Site. Presently, the County can only execute an 11-month ground lease without necessitating any required approvals from HUD. Any ground lease with a term of more 12 months or more will require HUD approval.

The County issued a competitive Request for Proposals to obtain proposals from developers who have the experience and capacity of obtaining the funding, and managing the construction, maintenance, and operation of a multifamily housing Project, including under the RAD Program. Six vendors responded to the solicitation. Over 2,600 vendors were notified via email and by BidSync, of which 282 viewed the solicitation, and 68 downloaded the solicitation.

APC's proposal demonstrated: 1) commitment to the HUD Section 3 compliance and other certified small and minority firms that are part of the development team; 2) extensive experience building multi-family and public housing units; 3) realistic timeline and action plan; and 4) a well-qualified development team, including professional consultants for the redevelopment of the Project Site, which currently consist of 226 public housing units. Therefore, it is in the best interest to the County to award the Lease to APC for the redevelopment of the Project Site.

Scope

The scope of this item is countywide in nature; however, the Project Site is Located in District 3.

Fiscal Impact/Funding Source

There is no fiscal impact for approving the Lease with an 11-month term. Although no rent is due under the Lease, the County intends to negotiate a Master Development Agreement and the long-term Ground Lease Agreement for the Project Site, which will result in revenue sharing and capital improvements to the Project Site.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority (1) to execute the Lease to exercise all provisions of the Lease including, but not limited to, termination provisions and the following provisions that authorize the County Mayor or the County Mayor's designee

to (a) review and approve documents, plans, applications, lease assignments and requests required or allowed by APC to be submitted to the County pursuant to the Lease; (b) consent to actions, events, and undertakings by APC or extensions of time periods for which consent is required by the County, including, but not limited to, extensions of time for the performance of any obligation by APC under the Lease; (c) execute any and all documents on behalf of the County necessary or convenient to the foregoing approvals, consents, and appointments; (d) assist APC with and execute on behalf of the County any applications or other documents, needed to comply with applicable regulatory procedures and to secure financing, permits or other approvals to accomplish the construction of any and all improvements in and refurbishments of the property; (e) amend the Lease to correct any typographical or non-material errors, to address revisions or supplements hereto of a non-material nature or to carry out the purposes of the Lease; (f) execute or consent to, at the County Mayor or the County Mayor's designee sole discretion, subleases with APC's assignees, including any amendments, extensions, and modifications thereto; (g) execute recognition and non-disturbance agreements and issue estoppel statements; and (h) to take all other necessary actions that may be required by the Florida Housing Finance Corporation or other funding sources, to preserve site control.

Vendor Recommended for Award

A Request for Proposals was issued under full and open competition. The County received five proposals and one "No Bid." The Competitive Selection Committee (CSC) recommended that the County enter into negotiations with the highest ranked proposer, APC. According to the CSC, APC, has the experience, qualifications, capacity, and demonstrated the financial strength and the past performance in constructing, maintaining, and operating multifamily housing for multiple public housing agencies.

Assistant County Attorney

Subject: Responsiveness Opinion re: RFP No. 01082, Redevelopment of Culmer Place and Culmer Gardens

I am in receipt of your memorandum dated June 10, 2019, in which you ask for a responsiveness determination as to proposals received from Housing Trust Group, LLC ("HTG"), McCormack Baron Salazar, Inc. ("MBS") and Preservation of Affordable Housing, Inc. ("POAH") in response to RFP No. 01082, Redevelopment of Culmer Place and Culmer Gardens (the "Solicitation." I rely on that memorandum and its accompanying materials consisting of each of the bidders' submissions in response to the Solicitation, the Solicitation, its accompanying addenda and our subsequent telephone conversations. If there are additional facts of which I should be made aware, please let me know, as those facts may alter the conclusions reached herein. Based on my review of these materials, this formal opinion is provided, finding whether the bidders' responses to the Solicitation are non-responsive.

Analysis

(1) HTG

According to your memorandum, "[p]ursuant to Proposer Information Section, Tab 1, Minimum Qualification Requirements of the Development Team, HTG did not provide documentation that demonstrates Proposer's ability to satisfy all of the minimum qualification requirements of the Development Team." In a telephone conversation, you have further advised me that the documentation that is missing are copies of all of the licenses of the development team and the license of the firm.

HTG's responsiveness to the Solicitation depends on the on the nature of the missing licenses and whether those licenses were held by HTG at the time of bid submission. Specifically, if the missing licenses relate to HTG's legal capacity to contract for the solicited services (a typical example is a general contracting license) and HTG held those licenses at the time of its bid submission, then its submission is responsive and HTG's failure to include copies of the licenses is a minor, waivable irregularity; if, on the other hand, HTG did not hold such a license at the time of its bid submission, then its submission is non-responsive. If the licenses do not relate to HTG's legal capacity to contract (e.g., a driver's license), then HTG's failure to include a copy of the

licenses do not render its submission non-responsive, and HTG may cure the defect after submission.

In the latter instance, this is because the County has discretion to accept proposals with minor variances absent any showing of substantial competitive advantage. It is axiomatic that the public purpose in competitive procurement is "best served by construing the bid requirements, if at all reasonable, in a way that would give all bidders an opportunity to bid." *Air Support Services International, Inc. v. Metropolitan Dade County*, 614 So. 2d 583 (Fla. 3d DCA 1993). Generally, a proposal may be rejected or disregarded if there is a material variance between the proposal and the advertisement. A variance is material if it gives the proposer a substantial advantage over other bidders and thereby restricts or interferes with competition. See *Robinson Electric Co. v. Dade County*, 417 So.2d 1032, 1034 (Fla. 3d DCA 1982). A minor variance, however, will not invalidate the proposal.

In addition, the United States Department of Housing and Urban Development's ("HUD") in its *Procurement Handbook for Public Housing Agencies* provides further guidance to public housing authorities on "minor informalities." The Handbook states the following:

Minor Informalities. The Contracting Officer may waive minor informalities or allow the bidder to correct them. Minor informalities are matters of form rather than substance. They are insignificant mistakes that can be waived or corrected without prejudice to the other bidders and have little or no effect on price, quantity, quality, delivery, or contractual conditions. Examples include failure to: return the number of signed bids required by the bid package; sign the bid, provided that the unsigned bid is accompanied by other documents indicating the bidder's intent to be bound (e.g., a signed cover letter or a bid guarantee); complete one or more certifications; or acknowledge receipt of an amendment or addendum, provided that it is clear from the bid that the bidder received the amendment/addendum and intended to be bound by its terms, or the amendment/addendum had a negli

gible effect on price, quantity, quality, or delivery.

Procurement Handbook for Public Housing Agencies at 6-8.

In contrast, where a license is required in order to offer to perform the services solicited under the Solicitation, the proposer must generally possess license at the time of bid submission. For example, with respect to construction contracting, under Florida law, a person (including a business entity) may not "[e]ngage in the business or act in the capacity of a contractor or advertise himself or herself or a business organization as available to engage in the business or act in the capacity of a contractor without being duly registered or certified." See Fla. Stat. § 489.127(1)(f). A firm engages in contracting, under the definition provided by Florida law, when it "submits a bid to . . . construct, repair, alter, remodel, add to, demolish, subtract from, or improve any building

or structure." See Fla. Stat. § 489.105(3). Accordingly, if HTG failed to have the required licenses at the time of the submission of their proposal, would render their proposal non-responsive. See Fla. Stat. § 489.127(1)(f); see also *Panhandle Grading & Paving, Inc. v. Dep't of Corrs.*, Case No. 93-4210BID, 1993 WL 943999, *5 (Fla. Div. Admin. Hrg's Oct. 4, 1993) (holding that a bidder that is not licensed to perform the work required is subject to § 489.127, and that the failure to hold the license is not a waivable variance because it "enables the bidder to refuse the contract once bids [are] opened").

I recommend that you (1) identify the licenses that were required under the Solicitation; (2) determine whether the licenses relate to a legal capacity to contract; (3) review public records (or inquire of HTG) to determine whether the licenses were held at the time of proposal submission; (4) obtain copies of the licenses, if any; and (5) apply the above instructions to determine whether the submission is responsive. Of course, we are available to assist with your review.

(2) MBS

The Solicitation requires that each proposer must submit Form 1, which is the Revenue and Income Streams Proposal. Further, on April 19, 2019, the County, through Addendum No. 3, advised all potential proposers that Form 1 that was originally attached to the Solicitation was being deleted in its entirety and replaced with the new Form 1 that is attached to Addendum No. 3. Form 1 states that "[t]he Proposer's revenue and income streams shall be submitted on this form." It also states that Revenue and Income Streams shall be in the manner stated herein in both Scenario A and B. Proposer is required to fill in the applicable blanks on this form." Additionally, section 4.1 of the Solicitation states: "Each proposal will be reviewed to determine if the proposal is responsive to the submission requirements outlined in this Solicitation. A responsive proposal is one which follows the requirements of this Solicitation, includes all documentation, is submitted in the format outlined in this Solicitation, is of timely submission, and has the appropriate signatures as required on each document. Failure to comply with these requirements may result in the proposal being deemed non-responsive at the sole discretion of the County's Attorney Office." Here, MBS failed to submit Form 1. Accordingly, MBS's failure to submit the form renders its bid non-responsive.

One court has explained that the purpose of the competitive bidding process is, among other things, "to secure fair competition upon equal terms to all bidders . . . and to afford an equal advantage to all desiring to do business with the county, by affording an opportunity for an exact comparison of bids." *Harry Pepper & Assocs., Inc. v. City of Cape Coral*, 352 So. 2d 1190, 1192 (Fla. 2d DCA 2977) (citing *Wester v. Belote*, 138 So. 721, 723-24 (Fla. 1931)). It is established that responses to a solicitation must be capable of assuring the County that, if accepted, the proposal will result in a contract that can be performed in accordance with the requirements of the solicitation. See, e.g., *Glatstein v. City of Miami*, 399 So. 2d 1005, 1007-1008 (Fla. 3d DCA 1981)

(relying on *Wester* for the proposition that Solicitation must include “reasonably definite plans or specifications, as a basis on which bids may be received”).

MBS’s failure to provide Form 1 as required by the Solicitation renders its bids non-responsive. MBS’s bid is not sufficient to provide the County with assurance that “the proposal will result in a contract that can be performed in accordance with the requirements of the solicitation.” *Glatstein*, 399 So. 2d at 1007-1008.

In light of this conclusion, we need not opine on the remaining issues related to MBS’s proposal that are raised in your memorandum.

(3) POAH

The following issues raised by your memorandum related to POAH’s proposal are matters of responsibility and not responsiveness. According to your memorandum, “[p]ursuant to Proposer Information Section, Tab 1, Minimum Qualification Requirements of the Development Team, POAH, like HTG, did not provide documentation that demonstrates Proposer’s ability to satisfy all of the minimum qualification requirements of the Development Team.” You have further advised me that the documentation that is missing are copies of all of the licenses of the development team and the license of the firm.

POAH’s proposal states under Tab 1: “Preservation of Affordable Housing (POAH) has a Development Team that meets and maintains all applicable licensing requirements and registration in the State of Florida, required for all phases of the Project including design, development and operation of the Project Site. (See attached supporting documentation.)” However, based on the review of their proposal, there are no attached documentation to support this statement. In addition to failing to provide the supporting documentation, POAH’s proposal appears to be missing the Suspension and Debarment Certification Form and Byrd Anti-lobbying Amendment Certification Form.

As with HTG, POAH’s responsiveness turns on what type of licenses are required and whether those licenses were held at the time of bid submission. I recommend that you follow the same steps with POAH’s submission, as with HTG’s.

Additionally, you indicate in your memorandum that it appears that POAH did not provide information concerning their proposed mentoring program as required by the Solicitation. The Solicitation requires proposers to “[d]escribe the proposed plan for a Developer Mentoring Program for Section 3 businesses and other certified small and minority firms, women-owned enterprises and labor surplus area firms and identified participating firms and/or individuals (herein firms and/or individuals). The mentoring program should include hands-on experience and training for firms and/or individuals indicated herein in the entire development process, including the redevelopment of this project.” Based on my review of POAH’s proposal, it appears that they have included a document that may purport to be their mentoring program. Between Tabs 11 and

13, POAH has included a document titled "Whittier Hiring Template." This document appears to be related to POAH's plan to include Section 3 businesses and other certified small and minority firms, women-owned enterprises and labor surplus area firms and identified participating firms and/or individuals in their plans for development of the Culmer sites. Therefore, the proposal can be evaluated and scores can be allocated by the selection committee.

You also mention that in the form titled Miami-Dade Procurement Management Services Proposal Submittal Form, POAH initialed the section of the form titled Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, but POAH "did not provide any statements in regards to this exception." The RFP provides that:

By executing this proposal through a duly authorized representative, the Proposer certifies that the Proposer is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, as those terms are used and defined in sections 287.135 and 215.473 of the Florida Statutes. In the event that the Proposer is unable to provide such certification but still seeks to be considered for award of this solicitation, the Proposer shall execute the proposal through a duly authorized representative and shall also initial this space: _____. In such event, the Proposer shall furnish together with its proposal response a duly executed written explanation of the facts supporting any exception to the requirement for certification that it claims under Section 287.135 of the Florida Statutes.

We are of the opinion that that you may send a written request to POAH, in accordance with the Code of Silence, to provide the duly executed written explanation of the facts supporting any exception to the requirement for certification that it claims under Section 287.135, Florida Statutes.

Finally, we also note on the same form POAH has checked off the box that either an individual, corporation, partnership, joint venture or other legal entity having an officer, director or executive who has been convicted of a felony in the past ten years. In addition to requesting the information concerning the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, you should also inquire about this matter.

Please feel free to contact me if you have any questions or concerns about the foregoing.

PREMISES AND TERM

Landlord leases and demises to Tenant and its successors and assigns, subject to and with the benefit of the terms, covenants, conditions and provisions of this Lease, the Land for the Term unless sooner terminated in accordance with the provisions contained in this Lease. If the City of Miami conveys to Landlord fee simple title to the property legal described in attached Exhibit A1 (the property known as "Henry Reeves Park"), as contemplated by Scenario A, then, upon such conveyance from the City of Miami to the Landlord, Henry Reeves Park shall be incorporated into this Lease, without any further action by the parties, and constitute part of the Land for all purposes under this Lease.

ARTICLE III

RENT

3.1. Rent. On the Commencement Date, Tenant covenants and agrees to pay to Landlord as **Rent** under this Lease the lump sum ground lease payments for either Scenario A or Scenario B as set forth in Exhibit B. Rent shall be made payable to the Board of County Commissioners, c/o Public Housing and Community Development, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time

designate in writing, as set forth herein. Prior to the Commencement Date, Tenant is not obligated to pay Rent or any other sums to the Landlord under this Lease.

3.2. Surrender. Upon the expiration of this Lease by the passage of time or otherwise, Tenant will yield, surrender and deliver up possession of the Premises to Landlord. In the event Tenant fails to vacate the Premises and remove such personal property as Tenant is allowed hereunder to remove from the Premises at the end of the Term, or at the earlier termination of this Lease, Landlord shall be deemed Tenant's agent to remove such items from the Premises at Tenant's sole cost and expense. Furthermore, should Tenant fail to vacate the Premises in accordance with the terms of this Lease at the end of the Term, or at the earlier termination of this Lease, the Tenant shall pay to Landlord a charge for each day of occupancy after expiration or termination of the Lease in an amount equal to 150% of Tenant's Rent (applicable during the immediately preceding Lease Year) prorated on a daily basis. Such charge shall be in addition to any actual damages suffered by Landlord because of Tenant's failure to vacate the Premises, for which Tenant shall be fully liable, it being understood and agreed, however, that Tenant shall under no circumstances be liable to Landlord for any incidental, indirect, punitive or consequential damages (including, but not limited to, loss of revenue or anticipated profits).

3.3. Utilities. Commencing as of the Commencement Date, Tenant shall pay or cause to be paid all charges for water, gas, sewer, electricity, light, heat, other energy sources or power, telephone or other service used, rendered or supplied to Tenant in connection with the Premises.

3.4. Other. Commencing as of the Commencement Date, Tenant covenants to pay and discharge, when the same shall become due all other amounts, liabilities, and obligations which Tenant assumes or agrees to pay or discharge pursuant to this Lease, together with every fine, penalty, interest and cost which may be added for nonpayment or late payment thereof (provided that Tenant shall not be liable for any payment or portion thereof which Landlord is obligated to pay and which payment Landlord has failed to make when due); and, in the event of any failure by Tenant to pay or discharge the foregoing, Landlord shall have the right, after ten (10) business days' notice to Tenant, to make any such payment on behalf of Tenant and charge Tenant thereof.

3.5. Taxes. Tenant understands and agrees that as a result of the Landlord's fee ownership of the Premises, for State law purposes, the Premises may be exempt from any ad valorem taxes. Landlord represents to Tenant that any such exemption should remain in effect notwithstanding that Landlord is entering into this Lease. However, if during the Term of this Lease, commencing as of the Commencement Date, should, for any reason whatsoever, the Premises become exempt and then again become subject to ad valorem taxes or any other real estate taxes, fees, impositions and/or charges imposed during the Term upon the Premises and the building and/or other improvements constructed on the Premises by Tenant (Real Estate Taxes), Tenant shall be required to pay all Real Estate Taxes, prior to delinquency without notice or demand and without set-off, abatement, suspension or deduction. In the event that the folio identification number applicable to the Premises shall also contain other property not specifically included in, or a part of, the Premises, then Tenant shall only be required to pay the portion of such taxes exclusively attributable to the Premises.

3.6. Contested Obligations. If Tenant shall deem itself aggrieved by any Real Estate Taxes or other charges for which it is responsible hereunder and shall elect to contest the payment thereof, Tenant may make such payment under protest or, if postponement of such payment will not jeopardize Landlord's title to the Land, or subject Landlord to the risk of any criminal liability or civil liability or penalty, Tenant may postpone the same provided that it shall secure such payment

and the interest and penalties thereon and the costs of the contest on the determination or the proceedings or suit in which such contest may be had, by causing to be delivered to Landlord cash or other security satisfactory to Landlord, or a bond of indemnity of a good and solvent surety company, in form and amount satisfactory to Landlord. Either party paying any Real Estate Taxes or other charges shall be entitled to recover, receive and retain for its own benefit all abatements and refunds of such Real Estate Taxes or other charges, unless it has previously been reimbursed by the other party, in which case an equitable distribution will be made. Tenant agrees to save Landlord harmless from all costs and expenses incurred on account of Tenant's participation in such proceedings or as a result of Tenant's failure to pay Real Estate Taxes and other related charges with respect to the Premises. Landlord, without obligating itself to incur any costs or expenses in connection with such proceedings, shall cooperate with Tenant by providing such information and executing such applications, documents or filings as requested by Tenant, each with respect to such proceedings so far as reasonably necessary; provided, however, that Tenant acknowledges that the foregoing duty to cooperate will not require the Landlord to take any legal position contrary to the position taken by the Miami-Dade County Property Appraiser or Tax Collector in any such proceeding. Tenant shall not discontinue any abatement proceedings begun by it without first giving the Landlord written notice of its intent to do so and reasonable opportunity to be substituted in such proceedings. Landlord shall promptly furnish to Tenant a copy of any notice of any Real Estate Taxes received by Landlord.

3.7. Control and Liabilities. Landlord acknowledges and agrees that Landlord is and shall be, at all times prior to the Commencement Date, in use, control and occupancy of the Premises and all improvements located thereon. In connection with the foregoing, Landlord further acknowledges and agrees that Landlord is responsible for maintaining, repairing, securing, supervising and managing the Premises, including with respect to any third parties (e.g., tenants) located in the Premises. All debts, obligations and liabilities arising prior to the Commencement Date in the course of business of the Premises or otherwise in connection with the use, occupancy or operation thereof (including, but not limited to, all such liabilities for utilities, taxes and other costs and expenses related to the Premises; all such liabilities under or with respect to Environmental Laws or claims; all such liabilities under or with respect to any personal injury claims; and any and all obligations related to the operation, maintenance, repair, security, supervision and management of the Premises) are and shall be the obligation of Landlord, and Tenant shall not be liable or otherwise responsible for any such debts, obligations or liabilities or have any duties to the Landlord or any third parties with respect to the use, occupancy or operation of the Premises.

ARTICLE IV

INDEMNITY, LIENS AND INSURANCE

4.1. Indemnity for Tenant's Acts. Landlord shall continue to operate the Premises until the Commencement Date as provided in Section 5.1(b), below. From and after the Commencement Date, Tenant shall indemnify and hold harmless the Landlord and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the Landlord or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Lease by the Tenant or its employees, agents, servants, members, principals or subcontractors. Tenant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Landlord, where applicable, including appellate proceedings,

and shall pay all costs, judgments, and attorneys' fees which may issue thereon, provided, however, nothing herein contained shall obligate or hold Tenant responsible (i) for any costs, expenses, claims or demands made by any party associated with the Premises relating to acts or omissions occurring prior to the Commencement Date (including, but not limited to, any acts or omissions related to the operation, maintenance, repair, security, supervision or management of the Premises) or (ii) for any claims stemming from Landlord's and/or its officers', employees' or agents' acts or omissions (collectively **Landlord's Obligations**); it being agreed to by the Landlord and Tenant that Tenant shall have no liability or obligation whatsoever with respect to the Landlord's Obligations. Tenant expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Tenant shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Landlord or its officers, employees, agents and instrumentalities as herein provided.

4.2. Landlord's Environmental Responsibility and Representations.

(a) Except to the extent that an environmental condition is aggravated or exacerbated by the negligent or willful acts or omissions of Tenant, its agents or contractors, Tenant shall not be responsible under this Lease for any claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement action of any kind, and all costs and expenses incurred in connection therewith arising out of: (i) the presence of any Hazardous Substances in, on, over, or upon the Premises first affecting the Premises as of or prior to the Commencement Date, whether now known or unknown; or (ii) the failure of Landlord or its agents or contractors prior to the Commencement Date to comply with any Environmental Laws relating to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Substances into, on, under or from the Premises at any time, whether or not such failure to comply was known or knowable, discovered or discoverable prior to the Commencement Date.

(b) Landlord represents and warrants to Tenant that, as of the date hereof:

1. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling, treatment, transportation or disposal of any Hazardous Substances;
2. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises (**Environmental Cleanup Work**) in order to comply with any Environmental Laws;
3. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no notice from any governmental authority or any person has ever been served upon Landlord, its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in

connection with the Premises, and neither Landlord, its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order; and

4. except as may be referenced in the Environmental Assessments, and to the best of Landlord's knowledge, no part of the Land is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Substances emanating from the Land.

4.3. Liens.

(a) Tenant agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Premises for work or materials furnished to Tenant it being provided, however, that Tenant shall have the right to contest the validity thereof. Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of the Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with Tenant's development, construction or operation of the Improvements or any change, alteration or addition thereto made by or on behalf of Tenant. IN THE EVENT THAT ANY MECHANIC'S LIEN SHALL BE FILED, TENANT SHALL EITHER (A) PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW OR (B) TRANSFER SUCH LIEN TO BOND WITHIN NINETY (90) DAYS FOLLOWING THE FILING THEREOF. NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE TENANT OR TO ANYONE HOLDING ANY OF THE PREMISES THROUGH OR UNDER THE TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE LANDLORD IN AND TO ANY OF THE PREMISES. THE LANDLORD SHALL BE PERMITTED TO POST ANY NOTICES ON THE PREMISES REGARDING SUCH NON-LIABILITY OF THE LANDLORD.

(b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, due to the actions of Tenant or any person acting on behalf of or under the control of Tenant, against the Premises.

(c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant hereby indemnifies Landlord for any such liability or

penalty. Upon the termination after final appeal of any proceeding relating to any amount contested by Tenant pursuant to this Section 4.3, Tenant shall pay any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right, after ten (10) business days' notice to Tenant, to make any such payment on behalf of Tenant and charge Tenant therefor.

(d) Nothing contained in this Lease shall be construed as constituting the consent or request of Landlord, expressed or implied, to or for the performance of any labor or services or the furnishing of any materials for construction, alteration, addition, repair or demolition of or to the Premises or of any part thereof.

4.4. Insurance Requirements.

Beginning on the Commencement Date and continuing until the expiration or earlier termination of the Term, Tenant shall at all times obtain and maintain, or cause to be maintained, insurance for Tenant and the Premises as described in Exhibit C, or as otherwise approved in writing by Landlord.

ARTICLE V

USE OF PREMISES; COVENANTS RUNNING WITH THE LAND

5.1. Use; Covenants.

(a) Tenant covenants, promises, and agrees that commencing on the Commencement Date, during the Term of this Lease, it will operate the Premises and all elements thereof as mixed-used, mixed-income residential housing in compliance with the RAD Requirements for so long as they are applicable (*Permitted Use*). Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the term of this Lease, Tenant covenants, promises, and agrees that:

(i) It will (a) enter into the RAD HAP Contract when the same is presented by Landlord; (b) apply to Landlord for renewal of the RAD HAP Contract not later than ninety (90) days prior to the expiration of the RAD HAP Contract or any extension thereof, and (c) accept renewal of the RAD HAP Contract.

(ii) During the Term, Tenant will operate and maintain the RAD Units in accordance with the requirements of the RAD Program for so long as the RAD Use Agreement and RAD HAP Contract so require, except to the extent that any requirement may be specifically waived in writing by Landlord and/or HUD, as appropriate.

(iii) Neither the Improvements, nor any part thereof, may be demolished other than (1) in accordance with the RAD Requirements and with prior written approval of Landlord or (2) as part of a restoration from a casualty.

Notwithstanding the foregoing, prior to the Commencement Date, Tenant agrees that Landlord shall have a continued right of entry onto the Premises for the purposes of the Landlord's continued operation of the Improvements and maintenance of the Premises during the period prior to the Commencement Date. Landlord shall, during this period, continue to operate the Improvements in the manner in which Landlord has operated them prior to the Lease Date and

shall be responsible for all aspects of maintaining, leasing, operating, insuring and administering the Premises, as further described in Section 3.7 above. If, prior to the Commencement Date, the Premises is destroyed or damaged, or becomes subject to a taking by virtue of eminent domain, to any extent whatsoever, Tenant may, in its sole discretion, terminate this Lease by written notice to the Landlord, whereupon neither party hereto shall have any further rights or obligations hereunder.

(b) The provisions of the RAD Requirements and this Section 5.1 are intended to create a covenant running with the land and, subject to the terms and benefits of the RAD Requirements, to encumber and benefit the Premises and to bind, for the Term, Landlord and Tenant and each of their successors and assigns and all subsequent owners of the Premises, including, without limitation, any entity which succeeds to Tenant's interest in the Premises by foreclosure of any Permitted Leasehold Mortgage or instrument in lieu of foreclosure.

5.2. Residential Improvements.

(a) From and after the Commencement Date, Tenant shall construct the Improvements on the Land in conformance with the Plans and Specifications. Tenant shall cause the Improvements to be substantially completed and placed in service in accordance with the RAD Documents. Tenant shall construct the Improvements and make such other repairs, renovations and betterments to the Improvements as it may desire (provided that such renovations and betterments do not reduce the number of units or bedroom count at the Premises) all at its sole cost and expense, in accordance with (i) the RAD Documents and (ii) any mortgage encumbering the Tenant's leasehold estate, in a good and workmanlike manner, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Tenant shall apply for, prosecute, with reasonable diligence, procure or cause to be procured, all necessary approvals, permits, licenses or other authorizations required by applicable governmental authorities having jurisdiction over the Improvements for the construction and/or rehabilitation, development, zoning, use and occupation of the Improvements, including, without limitation, the laying out, installation, maintenance and replacing of the heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems, fixtures, wires, pipes, conduits, equipment and appliances and water, gas, electric, telephone, drain and other utilities that are customary in developments of this type for use in supplying any such service to and upon the Premises. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including, without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.

(b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the Development proposals and applications, Plans and Specifications, or to increase the total number of RAD Units and/or other units, and/or other uses on the Land, unless authorized in accordance with the RAD Documents or otherwise approved by Landlord in writing and in advance.

5.3. Tenant's Obligations.

(a) From and after the Commencement Date, Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including, without limitation, the landscaping, irrigation, heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not the fault of Tenant, its agents, employees, invitees, visitors, and contractors. All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes; provided, however, nothing herein contained shall obligate or hold Tenant responsible for any repairs, restorations, or replacements to the Improvements required as a result of an event, act or omission that occurred or existed prior to the Commencement Date.

(b) Tenant may make any alterations, improvements, or additions to the Premises as Tenant may desire, if the alteration, improvement, or addition will not change the Permitted Use of the Premises. Tenant shall, prior to commencing any such actions, give notice to Landlord and provide Landlord with complete plans and specifications therefor.

5.4. Compliance with Law:

(a) From and after the Commencement Date, Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws (including, but not limited to, Section 255.05, Florida Statutes), ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.

(b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:

1. From and after the Commencement Date, Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.

2. Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party.

5.5. Ownership of Improvements/Surrender of Premises.

At all times during the Term, following the Commencement Date, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Internal Revenue Tax Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. Subject to the rights of any Permitted Leasehold Mortgagee, at the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease.

5.6. Easements.

Landlord agrees that Landlord shall not unreasonably withhold, delay or deny its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises; provided, however, that Tenant acknowledges that the approval of such easements shall be subject to the approval of the Miami-Dade County Board of County Commissioners. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord that, in Tenant's opinion, such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

5.7. Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with the RAD Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any

or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which consent shall not be unreasonably withheld, delayed, or denied.

(b) Tenant shall have the right to enter into a sublease of any part of the Premises or to partially assign the Lease (in either case, referred to herein as a **Sublease**) to an entity that is Qualified Assignee, subject to the approval and consent of Landlord, which will not be unreasonably withheld, delayed or denied. The sublease agreement shall be in the form attached hereto and made part hereof as Exhibit D to this Lease. Additionally, no Sublease shall relieve Tenant of any obligations under the terms of this Lease, unless a release is granted by Landlord with respect to the portion of the Land so subleased or assigned. Additionally, each Sublease must be for a use compatible with the Permitted Use. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant non-disturbance agreements for any Sublessee which will provide that: in the event of a termination of this Lease due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) Upon the request of Tenant, Landlord and Tenant agree to modify this Lease so as to create a direct lease between Landlord and the sublessee or assignee, for the subleased or assigned portion of the Premises.

5.8. Creating Sustainable Buildings.

(a) Tenant shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council's Leadership in Energy and Environmental Design (LEED) or National Green Building Standards (NGBS), but shall not be required to obtain a Silver certification rating from LEED or NGBS relative to the Development. Though Tenant's goal is to obtain such certification rating, if Tenant does not obtain such certification rating, provided it has used its commercially reasonable efforts to do so, Tenant shall not be in default under this Lease and Landlord shall have no right to enforce the terms of this Section 5.8 or exercise any remedies relative to such absence of a certification rating.

(b) The LEED Silver certification or designation relative to the Development is outlined by the U.S. Green Building Council. Tenant agrees to regularly provide Landlord with copies of any and all records and/or reports (including, but not limited to, any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the NGBS. As noted earlier in this Section 5.8, the Development may not necessarily be constructed in a manner so as to achieve a Silver certification rating from LEED or certification from NGBS.

(c) Further, the LEED Silver certification or designation or NGBS certification is a description or label designed to establish the level of energy efficiency and sustainability for the Improvements in the overall Development; and should substantially improve the "normal" or

"regular" energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Tenant specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Tenant will utilize "green building standards" in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. Tenant's decision whether to incorporate or adopt any such additional steps or means shall be made in Tenant's sole and absolute discretion.

ARTICLE VI

CASUALTY AND TAKING

6.1. Casualty.

Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant, Tenant may cancel this Lease after thirty (30) days' notice to Landlord, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes subject to the terms and provisions of any Permitted Leasehold Mortgage, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, then subject to the terms and provisions of any Permitted Leasehold Mortgage, the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant without the prior written consent of the Permitted Leasehold Mortgagee in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

6.2. Taking.

(a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

(b) Award. Subject to the terms of the Permitted Leasehold Mortgages, the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the **Award**) will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to the Landlord and/or Tenant. The Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).

(c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a Total Taking), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the easements benefitting the Premises, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Premises not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a Partial Taking), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable and structurally sound, then Tenant may terminate this Lease, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of Rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to the condition the Premises or the Improvements were in immediately prior

to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the Term hereof, the Award shall be apportioned between the Tenant and the Landlord based on the ratio of the remaining Term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the terms of the Permitted Leasehold Mortgages, notwithstanding any provision herein to the contrary, the Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of Rent and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(f) No Existing Condemnation. Landlord represents and warrants that as of the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Lease Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the Improvements and Rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

6.3. Termination upon Non-Restoration.

Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable and structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full.

ARTICLE VII

CONDITION OF PREMISES

7.1. Condition; Title. The Premises are demised and let in an "as is" condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the

Premises, Tenant shall be deemed to have accepted the Premises in its "as-is" and "where-is" condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord's representations, warranties and/or obligations contained in this Lease.

Tenant shall, within thirty (30) days following the Lease Date, obtain a title commitment to insure Tenant's leasehold interest in the Premises. Tenant shall advise Landlord as to any title matters that Tenant deems objectionable and Landlord shall address same in accordance with Section 7.3 below.

7.2. No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord's fee interest in the Land other than the Permitted Encumbrances. Landlord's fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction, except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or lien in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days' written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

7.3. Landlord's Title and Quiet Enjoyment: Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. So long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment for the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant (Defects), then Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability.

Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

ARTICLE VIII

DEFAULTS AND TERMINATION

8.1. Default.

The occurrence of any of the following events shall constitute an event of default (***Event of Default***) hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III, and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided); or

(b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called ***Bankruptcy Laws***), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy;

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease; or

(i) Tenant fails to meet its obligations under the RAD HAP Contract.

Notwithstanding anything to the contrary in this Lease, an Event of Default shall not be deemed to have occurred and Tenant shall not be deemed in default under this Lease if the Event of Default or Tenant's default is a proximate result of HUD's failure to pay to Landlord the subsidies contemplated herein or Landlord's failure to pay the subsidies to Tenant pursuant to the RAD HAP Contract, or to meet Landlord's other obligations under this Lease.

8.2. Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions

of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3. Termination by Landlord. In addition to the Events of Default described in Section 8.1 above, the occurrence of any of the following shall give Landlord the right to terminate this Lease by providing not less than thirty (30) days' written notice to Tenant, setting forth Landlord's intent to exercise its rights to terminate:

(a) Tenant and Landlord fail to (i) cause HUD approval of all applicable evidentiary documents and a disposition by HUD to occur, and (ii) obtain all requisite HUD approvals in order for the Commencement Date to occur, or Tenant otherwise fails to obtain all requisite approvals and cause the Commencement Date to occur, within eleven (11) months following the Lease Date.

(b) Tenant and Landlord fail to obtain final approval by the Board of County Commissioners of any amendments to this Lease necessary to achieve the Commencement Date within eleven (11) months following the Lease Date, which shall be within the Board of County Commissioners' sole discretion except as otherwise specified herein.

(c) Institution of proceedings in voluntary bankruptcy by Tenant;

(d) Institution of proceedings in voluntary bankruptcy against the Tenant if such proceedings continue for a period of ninety (90) days or more;

(e) Assignment of Lease by Tenant for the benefit of creditors;

(f) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord, or brought by the Landlord against Tenant.

(g) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord, Tenant's failure to cure a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such thirty [30] day period).

8.4. Remedies Following Termination. Upon termination of this Lease, Landlord may:

1. retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and
2. enforce its rights under any bond outstanding at the time of such termination; and
3. require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord, any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

8.5. Regulatory Default.

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 5.1:

Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 5.1, (a **Regulatory Default**), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.

(a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.

(b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

8.6. Performance by Landlord.

Except as otherwise expressly set forth herein, if Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) days' notice (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

8.7. Costs and Damages.

Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including, without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

8.8. Remedies Cumulative.

The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages.

Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant for renovation of the Improvements and closed on or about the Commencement Date (**Permitted Leasehold Mortgages**). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a **Permitted Leasehold Mortgagee**), provided that each such Permitted Leasehold Mortgagee shall have delivered to the Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Premises for such purpose.

(c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by the Tenant.

(d) In the case of a default by the Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire the Tenant's interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings. Provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying

44

such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord's consent, may, upon acquiring the Tenant's leasehold estate and interest in this Lease, without further consent of the Landlord, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the Term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

(1) The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request from the Permitted Leasehold Mortgagee to Landlord is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease, less the net income collected by the Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease; provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord.

(2) Within 10 days after the delivery of an accounting therefor by the Landlord, Permitted Leasehold Mortgagee pays any and all costs and expenses incurred by the Landlord in connection with the execution and delivery of the new lease.

(2) Upon the execution and delivery of the new lease at the time payment is made in (1) and (2) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new tenant.

(3) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of

Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Internal Revenue Tax Code, any deadline to complete construction of the Improvements shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

ARTICLE IX

SOVEREIGNTY AND POLICE POWERS

9.1. County as Sovereign

It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

1. The Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and
2. The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

9.2. No Liability for Exercise of Police Power.

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation, including, but not limited to, the following:

- (i) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;
- (ii) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;
- (iii) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or

- (iv) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, the Landlord shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Lease.

ARTICLE X

10.1 As it relates to this Lease and any subsequent agreements and other documents related to the Development, Tenant and any of its subsidiaries, pursuant to Section 119.0701, Florida Statutes, shall:

- (a) Keep and maintain public records that ordinarily and necessarily would be required by Landlord in order to perform the service;
- (b) Upon request of from Landlord's custodian of public records identified herein, provide the public with access to public records on the same terms and conditions that Landlord would provide the records and at a cost that does not exceed the cost provided in the Florida Public Records Act, Miami-Dade County Administrative Order No. 4-48, or as otherwise provided by law;
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Lease's term and following completion of the work under this Lease if Tenant does not transfer the records to Landlord; and
- (d) Meet all requirements for retaining public records and transfer to Landlord, at no cost to Landlord, all public records created, received, maintained and/or directly

related to the performance of this Lease that are in possession of Tenant upon termination of this Lease. Upon termination of this Lease, Tenant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to Landlord in a format that is compatible with the information technology systems of Landlord.

For purposes of this Article X, the term "public records" shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business of Landlord.

In the event Tenant does not comply with the public records disclosure requirements set forth in Section 119.0701, Florida Statutes, and this Article X, Landlord shall avail itself of the remedies set forth in Article 8.2 of this Lease.

ARTICLE XI

RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL

11.1. Landlord's Intent to Market Premises.

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises (**Sales Notice**). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the Closing shall be ninety (90) days after the date of the Sales Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property,

subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 11.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

11.2. Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 11.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a **Sales Offer**), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Premises to such third party for an aggregate sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

11.3 Mortgagee Notice. Tenant shall provide notice to every applicable Permitted Leasehold Mortgagee as to its election to acquire the Premises pursuant to Sections 11.1 or 11.2, above. Such notice shall be delivered within five (5) days following Tenant's notice to Landlord evidencing its intent to purchase the Premises.

11.4 Mortgagee Rights. Tenant's rights with respect to any option to purchase the Premises as set forth in this Section 11 shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to the Tenant, without requiring any consent or approval by Landlord.

ARTICLE XII

INDEPENDENT PRIVATE INSPECTOR GENERAL AND MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEWS

12.1. Inspector General.

(a) Independent Private Inspector General Reviews

Pursuant to Miami-Dade County Administrative Order 3-20, the Landlord has the right to retain the services of an Independent Private Sector Inspector General (hereinafter IPSIG), whenever the Landlord deems it appropriate to do so. Upon written notice from the Landlord, the Tenant shall make available to the IPSIG retained by the Landlord, all requested records and documentation pertaining to this Lease for inspection and reproduction. The Landlord shall be responsible for the payment of these IPSIG services, and under no circumstance shall the Tenant incur any charges relating to these IPSIG services. The terms of this provision herein, apply to the Tenant, its officers, agents, employees, subcontractors and assignees. Nothing contained in this provision shall impair any independent right of the Landlord to conduct an audit or investigate the operations, activities and performance of the Tenant in connection with this Lease. The terms of this Section shall not impose any liability on the Landlord by the Tenant or any third party.

(b) Miami-Dade County Inspector General Review

According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General (*Inspector General*) which may, on a random basis, perform audits on all Miami-Dade County agreements, throughout the duration of said agreements, except as otherwise provided below.

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Miami-Dade County agreements including, but not limited to, those agreements specifically exempted above. The Miami-Dade County Inspector General is authorized and empowered to review past, present and proposed Landlord and Tenant contracts, transactions, accounts, records, agreements and programs. In addition, the Inspector General has the power to subpoena witnesses, administer oaths, require the production of records and monitor existing projects and programs. Monitoring of an existing project or program may include a report concerning whether the project is on time, within budget and in conformance with plans, specifications and applicable law. The Inspector General is empowered to analyze the necessity of and reasonableness of proposed change orders to a contract. The Inspector General is empowered to retain the services of IPSIG to audit, investigate, monitor, oversee, inspect and review operations, activities, performance and procurement process, including but not limited to project design, specifications, proposal submittals, activities of the Tenant, its officers, agents and employees, lobbyists, Landlord staff and elected officials to ensure compliance with contract specifications and to detect fraud and corruption.

Upon written notice to the Tenant from the Inspector General or IPSIG retained by the Inspector General, the Tenant shall make all requested records and documents available to the Inspector General or IPSIG for inspection and copying. The Inspector General and IPSIG shall have the right to inspect and copy all documents and records in the Tenant's possession, custody or control which, in the Inspector General's or IPSIG's sole judgment, pertain to performance of

the contract, including, but not limited to original estimate files, change order estimate files, worksheets, proposals and agreements form and which successful and unsuccessful subcontractors and suppliers, all project-related correspondence, memoranda, instructions, financial documents, construction documents, proposal and contract documents, back-charge documents, all documents and records which involve cash, trade or volume discounts, insurance proceeds, rebates, or dividends received, payroll and personnel records, and supporting documentation for the aforesaid documents and records.

ARTICLE XIII

ADDITIONAL PROVISIONS PERTAINING TO REMEDIES

13.1 Reinstatement. Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination, reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease.

13.2 Notice. Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant.

13.3 Investor. Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder.

13.4 New Manager. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default without first giving to the Investor reasonable time, not to exceed 60 days, to replace Tenant's manager and/or admit an additional manager and cause the new manager to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor of the substitution or admission of a new manager of Tenant within 30 days following Landlord's notice to Tenant and the Investor of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the manager, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor or the new manager.

ARTICLE XIV

LANDLORD'S AUTHORITY

14.1. Designation of Landlord's Representatives.

The Miami-Dade County Mayor, or designee, shall have the power, authority and right, on behalf of the Landlord, in its capacity as Landlord hereunder, and without any further resolution or action of the Board of County Commissioners, to:

(a) Review and approve documents, plans, applications, lease assignments and requests required or allowed by Tenant to be submitted to Landlord pursuant to this Lease;

(b) Consent to actions, events, and undertakings by Tenant or extensions of time periods for which consent is required by Landlord, including, but not limited to, extensions of time for the performance of any obligation by Tenant hereunder;

(c) Execute any and all documents on behalf of Landlord necessary or convenient to the foregoing approvals, consents, and appointments;

(d) Assist Tenant with and execute on behalf of Landlord any applications or other documents, needed to comply with applicable regulatory procedures and to secure financing, permits or other approvals to accomplish the construction of any and all improvements in and refurbishments of the Premises,

(e) Amend this Lease to correct any typographical or non-material errors, to address revisions or supplements hereto of a non-material nature or to carry out the purposes of this Lease;

(f) Execute Subleases with Qualified Assignees, including any amendments, extensions, and modifications thereto; and

(g) Execute recognition and non-disturbance agreements and issue estoppel statements as provided elsewhere in this Lease.

ARTICLE XV

HUD-REQUIRED RAD PROVISIONS

15.1. HUD-Required RAD Provisions. In addition to entering into this Lease, Landlord and Tenant also contemplate the provision of rental assistance to the Development pursuant to a RAD HAP Contract. If a RAD HAP Contract is entered into, HUD will require Landlord and Tenant to enter into a RAD Use Agreement in connection with the provision of rental assistance to the Development. Notwithstanding any other clause or provision in this Lease, upon execution of the RAD Use Agreement and for so long as the RAD Use Agreement is in effect, the following provisions shall apply:

15.1.1. This Lease shall in all respects be subordinate to the RAD Use Agreement. Subordination continues in effect with respect to any future amendment, extension, renewal, or any other modification of the RAD Use Agreement or this Lease.

15.1.2. If any of the provisions of this Lease conflict with the terms of the RAD Use Agreement, the provisions of the RAD Use Agreement shall control.

15.1.3. The provisions in this Section 15.1 are required to be inserted into this Lease by HUD and may not be amended without HUD's prior written approval.

15.1.4. Violation of the RAD Use Agreement constitutes a default of this Lease.

15.1.5. Notwithstanding any other contract, document or other arrangement, upon termination of this Lease, title to the real property leased herein shall remain vested in Landlord and title to the buildings, fixtures, improvements, trade fixtures and equipment that belong to Tenant shall vest in Landlord.

15.1.6. Neither the Tenant nor any of its partners shall have any authority to:

(a) Take any action in violation of the RAD Use Agreement; or

(b) Fail to renew the RAD HAP Contract upon such terms and conditions applicable at the time of renewal when offered for renewal by the Landlord or HUD; or

(c) Except to the extent permitted by the RAD HAP Contract or the RAD Use Agreement and the normal operation of the Development (e.g., in connection with a Sublease to a Qualified Assignee), neither the Tenant nor any partners shall have any authority without the consent of Landlord to sell, transfer, convey, assign, mortgage, pledge, sublease, or otherwise dispose of, at any time, the Development or any part thereof.

and in any such action, the successful party shall be entitled to recover in addition to all other recoveries such reasonable attorneys' fees as may be awarded by the court of law.

16.3. Compliance with Governing Requirements.

No waiver by either party at any time, express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

The headings used for the various articles and sections of this Lease are used only as a matter of convenience for reference, and are not to be construed as part of this Lease or to be used in determining the intent of the parties of this Lease.

16.6. Partial Invalidity.

If any terms, covenant, provision or condition of this Lease or the application thereof to any person or circumstances shall be declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, provisions and conditions of this Lease and their application to persons or circumstances shall not be affected thereby and shall continue to be enforced and recognized as valid agreements of the parties, and in the place of such invalid or unenforceable provision there shall be substituted a like, but valid and enforceable, provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties.

16.7. Decision Standards.

In any approval, consent or other determination by any party required under any provision of this Lease, the party shall act reasonably, in good faith and in a timely manner, unless a different standard is explicitly stated.

16.8. Bind and Inure.

16.9. Estoppel Certificate.

Each party agrees from time to time, upon no less than fifteen (15) days' prior notice from the other or from any Permitted Leasehold Mortgagee, to execute, acknowledge and deliver to the other, as the case may be, a statement certifying that (i) this Lease is unmodified and in full force and effect (or, if there have been any modifications, that the same is in full force and effect as modified and stating the modifications), (ii) the dates to which the Rent has been paid, and that no additional rent or other payments are due under this Lease (or if additional rent or other payments are due, the nature and amount of the same), and (iii) whether there exists any uncured default by the other party, or any defense, offset, or counterclaim against the other party, and, if so, the nature of such default, defense, offset or counterclaim.

Execution of this Lease is contingent upon the receipt of the insurance documents, as required, within fifteen (15) calendar days after Landlord's notification to Tenant to comply before the award is made. If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Lease, the Tenant shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the County. If greater or fewer than _____ units are constructed at the Demised Premises, the Capitalized Payment shall be adjusted on a unit-for-unit basis; provided, however, that to the extent Rent is paid directly by Sublessee to Landlord, the Sublessee's obligations to pay Rent under this Section 4 shall be satisfied. As and when the Rent is due and payable under the Master Lease, Sublessee shall pay such Rent directly to Landlord, which shall satisfy the obligations of Sublessee to otherwise have paid the Rent to Sublessor. It is the intention of this Sublease that the Sublessee shall be liable for the payment with respect to the units to be developed at the Demised Premises of all Rent and impositions becoming due and payable under the Master Lease by Sublessor to Landlord, during the term of this Sublease. To that end, Sublessee shall make all payments of Rent and impositions directly to Landlord. Provided, however, that there shall be no obligation on the part of Sublessee (or any successor of Sublessee) for the payment of any such Rent or other impositions which shall become due and payable with respect to any portion of the Demised Premises transferred subsequent to the termination of Sublessee's possession of any portion of the Demised Premises, or transfer of Sublessee's rights, under the terms of this Sublease and the termination or expiration of this Sublease.

5. Relationship to Master Lease. This agreement is a sublease and is subject to all the provisions in the Master Lease. Neither Sublessor nor Sublessee shall commit or permit to be committed any act or omission that will violate any provisions of the Master Lease with respect to the Demised Premises. Except with regard to rights of sublessees and the rights or obligations of Landlord, as set forth in the Master Lease, if the Master Lease terminates with respect to the Demised Premises, this Sublease shall terminate, and the parties shall be relieved from all liabilities and obligations under this Sublease, except with respect to any obligations which specifically survive the termination or expiration of this Sublease. This Sublease is made expressly subject to the terms, covenants and conditions of the Master Lease, and Sublessee expressly assumes any and all of the obligations of Sublessor under the Master Lease with respect to the Demised Premises, and agrees to be subject to all conditions and restrictions to which Sublessor is subject including, but not limited to, the obligation for the development, use and operation of every part of the Demised Premises. Any act required to be performed by Sublessor pursuant to the terms of the Master Lease in respect of the Demised Premises shall be performed by Sublessee and the performance of such act shall be deemed to be performed by Sublessor and shall be accepted by Landlord as Sublessor's act, provided such act is otherwise performed in accordance with the terms of the Master Lease. Nothing herein contained shall be construed to modify, waive, impair or otherwise affect any of the covenants, agreements, terms, provisions or conditions in the Master Lease (except as herein expressly provided), and all covenants, agreements, terms, provisions and conditions of the Master Lease are hereby mutually declared to be in full force and effect. It is the express intention of the parties of this Sublease that the Master Lease is incorporated into this Sublease and Sublessee, and not Sublessor, shall be responsible for all provisions of the Master Lease in respect of the Demised Premises as if they were fully set forth in this Sublease.

6. Rights of Sublessee. Sublessee (and all succeeding and successor transferees) shall succeed to all rights and obligations of Sublessor under the Master Lease with

respect to the Demised Premises, including but not limited to the right to mortgage, encumber and otherwise assign and further sublease the Demised Premises, subject, however, to all duties and obligations of Sublessor as set forth in the Master Lease, and subject to the terms hereof.

7. Further Sublet. Subject to the Master Lease, the Sublessee may further sublet the Demised Premises or any part thereof to residential and retail tenants under unrecorded leases, with rights as tenants only, without the prior written consent of Sublessor.

8. Public Liability Insurance. The Sublessee agrees to maintain the insurance in respect of the Demised Premises in the types and amounts described in the Master Lease and shall name Sublessor as an additional insured under all such policies. Coverages required by this section shall be evidenced by certificates of insurance from insurance companies reasonably acceptable to Sublessor showing the requisite liability limits and shall specify that Sublessee's insurance policies shall not be modified, altered, canceled or allowed to expire or lapse without thirty (30) days prior notice to Sublessor. Sublessor is to be held harmless, from and against any and all liability, losses, and damages suffered or incurred by Sublessor by reasons directly (a) arising out of or (b) caused by Sublessee, in connection with Sublessee's occupancy of the Demised Premises, excepting loss and/or injury caused by the acts, negligence or omissions of the Sublessor, its servants, agents or representatives.

9. Sublessor's Representations and Warranties. Sublessor hereby represents and warrants to Sublessee that, as of the date hereof:

(a) It has full power and authority to enter into this Sublease and perform in accordance with its terms and provisions and that the parties signing this Sublease on behalf of Sublessor have the authority to bind Sublessor and to enter into this transaction and Sublessor has taken all requisite action and steps to legally authorize it to execute, deliver and perform pursuant to this Sublease.

(b) Sublessor will deliver possession of the Demised Premises to Sublessee, and, at all times, keep the Demised Premises free and clear of any and all liens, mortgages, encumbrances, tenancies and occupancies of every nature whatsoever.

(c) Sublessor is the current lessee under the Master Lease.

(d) Sublessor has not made, caused or incurred, or allowed any other to make, cause or incur, any assignment, sale, sublease, disposition or transfer or any right, title, and/or interest in, to, and under the Master Lease of the Demised Premises (other than that which may have been made to Sublessee), or any claim, demand, obligation, liability, action or cause of action in any way pertaining to the Master Lease or the Demised Premises.

(e) There are no existing mortgages, encumbrances or liens on Sublessor's leasehold interest and Sublessor will not hereafter subordinate to or mortgage or encumber its leasehold interest.

10. Sublessee's Representations and Warranties. Sublessee hereby represents and warrants to Sublessor that, as of the date hereof, Sublessee has full power and authority to enter into this Sublease and perform in accordance with its terms and provisions and that the parties signing this Sublease on behalf of Sublessee have the authority to bind

Sublessee and to enter into this transaction and Sublessee has taken all requisite action and steps to legally authorize it to execute, deliver and perform pursuant to this Sublease.

11. Events of Default of Sublessee. The occurrence of any of the following shall be an "Event of Default" of Sublessee hereunder:

(a) Default is made in the due and punctual payment of the Rent payable to Sublessor under this Sublease when and as the same shall become due and payable and such default shall continue for a period of ninety (90) days after written notice thereof from Sublessor to Sublessee.

(b) Default is made by Sublessee in keeping, observing or performing any of the terms contained in this Sublease, excepting the obligation to pay the Rent, and such default shall continue for a period of ninety (90) days after written notice thereof from Sublessor to Sublessee setting forth with reasonable specificity the nature of the alleged breach; or in the case of such default or contingency which cannot with due diligence and in good faith be cured within ninety (90) days, Sublessee fails within said ninety (90) day period to proceed promptly and with due diligence and in good faith to pursue curing said default.

(c) Any default in the obligations of Sublessor under the Master Lease relating to the Demised Premises, other than (i) an obligation which can only be performed by Sublessor thereunder or (ii) a default which is caused by Sublessor.

12. Failure to Cure Default by Sublessee. If an Event of Default of Sublessee shall occur, Sublessor, at any time after the periods set forth in Section 11 (a) or (b) and provided Sublessee has failed to cure such Event of Default within such applicable period, or in the case of such default or contingency which cannot with due diligence and in good faith be cured within ninety (90) days, Sublessee fails within said ninety (90) day period to proceed promptly and with due diligence and in good faith to pursue curing said default, shall, have the following rights and remedies, which are cumulative:

(a) In addition to any and all other remedies, in law or in equity, or as set forth in this Sublease, that Sublessor may have against Sublessee, Sublessor shall be entitled to sue Sublessee for all damages, costs and expenses arising from Sublessee's committing an Event of Default hereunder and to recover all such damages, costs and expenses, including reasonable attorneys' fees at both trial and appellate levels.

(b) To restrain, by injunction, the commission of or attempt or threatened commission of an Event of Default of Sublessee and to obtain a decree specifically compelling performance of any such term or provision of this Sublease without notice to Sublessor or the necessity of posting a bond.

13. Events of Default of Sublessor. It shall be an Event of Default of Sublessor, if default shall be made by Sublessor in keeping, observing or performing any of the duties imposed upon Sublessor pursuant to the terms of this Sublease and such default shall continue for a period of ninety (90) days after written notice thereof from Sublessee to Sublessor setting forth with reasonable specificity the nature of the alleged breach; or, in the case of any such default or contingency which cannot, with due diligence and in good faith, be cured within ninety (90) days, Sublessor fails within said ninety (90) day period to proceed promptly after such notice and with due diligence and in good faith to cure said Event of Default.

If an Event of Default of Sublessor shall occur, Sublessee, at any time after the period set forth in this Section 13, shall have the following rights and remedies which are cumulative:

(a) To restrain, by injunction, the commission of or attempt or threatened commission of an Event of Default of Sublessor and to obtain a decree specifically compelling performance of any such term or provision of this Sublease without notice to Sublessor or the necessity of posting a bond.

(b) In the event that the Sublessor's default is of a nature which makes performance of this Sublease impossible, Sublessee may terminate any and all obligations that Sublessee may have under this Sublease, in which event Sublessee shall be released and relieved from any and all liability under this Sublease and shall surrender possession of the Demised Premises to Sublessor.

14. Power of Attorney-Sublessor. (a) Subject to Sublessor's prior approval of any instrument or document described in this Section, which approval shall not be unreasonably withheld, Sublessor hereby irrevocably constitutes Sublessee its true and lawful attorney in fact in its name, place and stead to make, execute, swear to, acknowledge, deliver and file:

(i) Any instrument which may be required to be filed by the Sublessor under the terms of the Master Lease, or which Sublessee deems advisable to file under the terms of the Master Lease;

(ii) Any documents which may be required or appropriate to amend the terms of the Master Lease, to effect the continuation of the Master Lease, or the termination of the Master Lease; or

(iii) Any document necessary or proper to carry out the intent of the Sublessor's powers and/or duties.

(b) The above power of attorney:

(i) Is a special power of attorney coupled with an interest, is irrevocable and will survive the dissolution of the Sublessor or any other event; and

(ii) May be exercised by the Sublessee on behalf of Sublessor by an actual or facsimile signature of a duly authorized representative of the Sublessee.

(c) Upon the request of Sublessee, the Sublessor shall from time to time execute a separate power of attorney that may be necessary or proper to permit the above-listed powers to be exercised, and any document which the Sublessee would be authorized to execute by virtue of any such powers.

15. Discharge of Liens. Sublessor is not authorized to contract for or on behalf of itself or Sublessee for work or the furnishing of materials to the Demised Premises. Sublessor shall discharge of record by payment, bond or otherwise, within five (5) days subsequent to the date of its receipt of notice thereof from Sublessee, any mechanic's, laborer's or similar lien filed against the Demised Premises for work or materials claimed to have been furnished at the instance of Sublessor. If Sublessor shall fail to cause such lien or claim

of lien to be so discharged or bonded within such period, in addition to any other right or remedy it may have, Sublessee may, but shall not be obligated to, discharge the same by paying the amount claimed to be due or by procuring the discharge of such lien or claim by deposit in court or bonding, and in any such event, Sublessee shall be entitled, if Sublessee so elects, to compel the prosecution of any action for the foreclosure of such lien or claim by claimant and to pay the amount of the judgment, if any, in favor of the claimant, with interest, costs and allowances. Sublessee shall be entitled to offset any sum or sums so paid by Sublessee, and all costs and expenses incurred by Sublessee, including, but not limited to, attorneys' fees in processing such discharge or in defending any such action against any Rent due under this Sublease.

16. Notices. Each notice required or permitted to be given hereunder or pursuant to the Master Lease must comply with the requirements of Article 14.11 of the Master Lease. The addresses for the parties hereto are as follows:

17. Subleasehold Mortgage.

(a) Without limiting any of the provisions of the Master Lease as to the mortgaging of the Sublessee's subleasehold estate in the Demised Premises, it is agreed that, without Sublessor's prior consent, Sublessee shall have the right from time to time during the Term to mortgage, collaterally assign, or otherwise encumber in favor of one or more lenders the Sublessee's leasehold estate and interest ("Leasehold Interest") under one or more leasehold mortgages ("Leasehold Mortgages"), the Sublessee's personalty located on the Demised Premises, its subleases and issues, rents and profits therefrom, as security for such Leasehold Mortgages.

(b) In the event of any default by Sublessee under the Sublease or any Leasehold Mortgage, Sublessor will allow Permitted Leasehold Mortgagee (as hereinafter defined) to enforce its lien and security interest in Sublessee's personal property located at the Demised Premises including assembling and removing all of Sublessee's personal property located on the Premises. Sublessor hereby waives any landlord's lien it might hold, statutory, constitutional, contractual or otherwise, in any personal property owned or leased by Sublessee and now or hereafter located on the Demised Premises. If so requested by Sublessee, Sublessor shall execute a waiver of any right, title or interest or right to seize any of Sublessee's personal property on the Demised Premises that may be subject to a lien or security interest in favor of Permitted Leasehold Mortgagee or a seller of Sublessee's personal property or creditor holding a security interest in such personal property.

(c) (i) if the Sublessee shall mortgage its Leasehold Interest, and if the holder of such Leasehold Mortgage (each a "Permitted Leasehold Mortgagee") shall

provide the Sublessor with notice of such Leasehold Mortgage together with a true copy of such Leasehold Mortgage and the name and address of the mortgagee, the Sublessor and the Sublessee agree that, following receipt of such notice by the Sublessor, the provisions of this Section 17 shall apply with respect to such Leasehold Mortgage.

(ii) Sublessor agrees that no notice given to Sublessee subsequent to the date Sublessee's leasehold interest in the Land is encumbered by a Leasehold Mortgage is valid unless simultaneously given to the Permitted Leasehold Mortgagee at the address provided by it.

(iii) In the event of any assignment of a Leasehold Mortgage or in the event of change of address of a Permitted Leasehold Mortgagee or of an assignee of such Leasehold Mortgage, notice of the new name and address shall be provided to the Sublessor.

(iv) After the Sublessor has received the notice provided for by subsection (c)(1) above, the Sublessee, upon being requested to do so by the Sublessor, shall with reasonable promptness provide the Sublessor with copies of the note or other obligation secured by such Leasehold Mortgage and of any other documents pertinent to the Leasehold Mortgage and of each amendment or other modification or supplement to such instruments.

(d) Until such time as the Leasehold Mortgages are paid in full, the Sublessor shall not consent to any termination, material amendment, modification or supplement to this Sublease unless consented to in writing by the Permitted Leasehold Mortgagees which consent will not be unreasonably delayed, conditioned or withheld.

(e) In the event there is a conflict between the terms of this Sublease and those of a Leasehold Mortgage (including but not limited to the provisions of this Sublease and those of a Leasehold Mortgage pertaining to the disposition of insurance proceeds or condemnation awards), the terms of the Leasehold Mortgage shall govern.

(f) Permitted Leasehold Mortgagee may at its option, at any time before this Sublease has been terminated as provided herein, and before the expiration of the time periods specified in Section 17(g) below, pay any of the Rent or other sums due under this Sublease, or effect any insurance, or pay any taxes or assessments, or make any repairs and improvement, or do any act or thing which may be necessary and proper to be done in the observance of the covenants and conditions of this Sublease or to prevent the termination of this Sublease. Permitted Leasehold Mortgagee also shall be afforded the right, but not the obligation, to perform any other term, covenant, or condition of this Sublease to be performed by Sublessee, as well as to remedy any default by Sublessee hereunder, and Sublessor shall accept such performance by any Permitted Leasehold Mortgagee with the same force and effect as if furnished by Sublessee, provided, however, that Permitted Leasehold Mortgagee shall not thereby or hereby be subrogated to the rights of Sublessor. Additionally, Sublessee may delegate irrevocably to Permitted Leasehold Mortgagee the authority to exercise any or all of Sublessee's rights hereunder, including, but not limited to the right of Permitted Leasehold Mortgagee to participate (in conjunction with or to the exclusion of Sublessee) in any proceeding, arbitration or settlement involving condemnation or eminent domain affecting Sublessee's leasehold interest in the Demised Premises, but no such delegation shall be binding upon Sublessor unless and until either

Sublessee or Permitted Leasehold Mortgagee in question shall give to Sublessor a true copy of a written instrument effecting such delegation, in form required for recording. Any provision of this Sublease that gives Permitted Leasehold Mortgagee the privilege of exercising a particular right of Sublessee hereunder on condition that Sublessee shall have failed to exercise such right shall not be deemed to diminish any privilege that Permitted Leasehold Mortgagee may have, by virtue of a delegation of authority from Sublessee, to exercise such right without regard to whether or not Sublessee shall have failed to exercise such right.

(g) Sublessor shall give Permitted Leasehold Mortgagee notice in writing of any defaults by Sublessee under this Sublease, and Permitted Leasehold Mortgagee shall have sixty (60) days after receipt of such written notice from Sublessor to cure such default which is reasonably susceptible of cure. Further, as to any non-monetary default, Permitted Leasehold Mortgagee shall have one hundred eighty (180) days after receipt of such written notice from Sublessor, and a reasonable time after the expiration of said one hundred eighty (180) days if it shall have commenced foreclosure or other appropriate proceeding in the nature thereof within said one hundred eighty (180) day period and is diligently prosecuting the same, within which to endeavor to cure such default; and notwithstanding any other provision of this Sublease, all rights (if any) of Sublessor to terminate this Sublease upon the default by Sublessee are and shall continue to be at all times while Sublessee is indebted to Permitted Leasehold Mortgagee, subject to and conditioned upon Sublessor's first having given Permitted Leasehold Mortgagee written notice of such default and Permitted Leasehold Mortgagee's failure to cure such default within the time and upon the conditions stated above after receiving such written notice of default. Notwithstanding anything contained herein to the contrary, any right of Sublessor to terminate this Sublease shall be postponed indefinitely if the default which gives rise to such termination right is of such a nature that the same is not susceptible of being cured by Permitted Leasehold Mortgagee and Permitted Leasehold Mortgagee shall institute foreclosure proceedings and diligently prosecute the same to completion, subject to any stay in any proceedings involving the insolvency of Sublessee or other proceeding or injunction (unless, in the meantime, Permitted Leasehold Mortgagee shall acquire Sublessee's estate hereunder, either in its own name or through a nominee, by assignment in lieu of foreclosure).

(h) A Permitted Leasehold Mortgagee may become the holder of the Sublessee's leasehold estate and succeed to the Sublessee's interest in this Sublease by foreclosure of its Leasehold Mortgage or as a result of the assignment of this Sublease in lieu of foreclosure, and any purchaser at a foreclosure proceeding undertaken in regard to a Leasehold Mortgage may become the holder of the Sublessee's leasehold estate and succeed to the Sublessee's interest in this Sublease by such foreclosure proceedings. A Permitted Leasehold Mortgagee may exercise any rights and remedies available to it under its Leasehold Mortgage without consent or approval of Sublessor.

(i) In case of the termination of this Sublease by reason of the happening of any Event of Default or of bankruptcy or insolvency of the Sublessee, Sublessor shall provide written notice of such termination to Permitted Leasehold Mortgagee and shall include in the notice a statement of all sums which would be due under this Sublease at the time of termination and all other defaults of Sublessee existing at such time. Sublessor will enter into a new sublease for the Demised Premises with the Permitted Leasehold Mortgagee, for the remainder of the term, effective as of the date of such termination, at the same Rent and subject to the same covenants and agreements, terms, provisions and limitations herein contained, provided that:

(i) The Sublessor receives the Permitted Leasehold Mortgagee's written request for such new sublease within 60 days from the date that notice of such termination is received by Permitted Mortgagee and all amounts then due and owing to the Sublessor under this Sublease shall be paid coterminous with the entry into the new sublease together with any and all costs and expenses, including reasonable counsel fees, court costs and disbursements made by the Sublessor in connection with any such default and termination as well as in connection with the execution and delivery of the new sublease, less the net income collected by the Sublessor from the Demised Premises subsequent to the date of termination of this Sublease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent thereafter becoming due under the new sublease; and

(ii) Upon the execution and delivery of the new sublease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Sublessor shall thereupon be assigned and transferred without recourse by the Sublessor to the Permitted Leasehold Mortgagee, as the new Sublessee.

(j) (i) For the purposes of this Section 17, the making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of this Sublease or of the Leasehold Interest hereby created, nor shall any Permitted Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Sublease or of the Leasehold Interest hereby created so as to require such Permitted Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of the Sublessee to be performed hereunder; however, the purchaser at any sale of this Sublease and of the Leasehold Interest hereby created under any instrument of assignment or transfer in lieu of the foreclosure of any Leasehold Mortgage shall be deemed to be an assignee or transferee within the meaning of this Section 17, and shall be deemed to have agreed to perform all of the terms, covenants and conditions on the part of the Sublessee to be performed hereunder from and after the date of such purchase and assignment, but only for so long as such purchaser or assignee is the owner of the Leasehold Interest. If the Permitted Leasehold Mortgagee or its designee shall become holder of the Leasehold Interest and if the improvements on the Demised Premises shall have been or become materially damaged on, before or after the date of such purchase and assignment, the Permitted Leasehold Mortgagee or its designee shall be obligated to repair, replace or reconstruct the improvements only to the extent of the net insurance proceeds received by the Permitted Leasehold Mortgagee or its designee by reason of such damage. However, should such net insurance proceeds be insufficient to repair, replace or reconstruct the Project or other improvements, and should the Permitted Leasehold Mortgagee or its designee choose not to fully reconstruct the improvements, such failure shall constitute an event of default under this Sublease.

(ii) Any Permitted Leasehold Mortgagee or other acquirer of the Leasehold Interest of the Sublessee pursuant to foreclosure, assignment in lieu of foreclosure or other proceedings may, upon acquiring the Sublessee's Leasehold Interest, without further consent of the Sublessor, sell and assign the Leasehold Interest on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Sublease; provided the Sublessor has approved such assignee, which approval shall not

be unreasonably withheld, and such assignee has delivered to the Sublessor its written agreement to be bound by all of the provisions of this Sublease.

(iii) Notwithstanding any other provisions of this Sublease to the contrary, any sale of this Sublease and of the Leasehold Interest hereby created in any proceedings for the foreclosure of any Leasehold Mortgage, or the assignment or transfer of this Sublease and of the Leasehold Interest hereby created in lieu of the foreclosure of any Leasehold Mortgage, shall be deemed to be a permitted sale, transfer or assignment of this Sublease and of the Leasehold Interest hereby created.

(k) The Sublessor shall give each Permitted Leasehold Mortgagee prompt notice of any legal proceedings between the Sublessor and the Sublessee involving obligations under this Sublease. Each Permitted Leasehold Mortgagee shall have the right to intervene in any such proceedings and be made a party to such proceedings, and the parties hereto do hereby consent to such intervention. In the event that any Permitted Leasehold Mortgagee shall not elect to intervene or become a party to any such proceedings, the Sublessor shall give the Permitted Leasehold Mortgagee notice of, and a copy of any award or decision made in any such proceedings, which shall be binding on the Permitted Leasehold Mortgagee.

(l) Intentionally Omitted.

(m) The Sublessor shall, without charge, at any time and from time to time hereafter, but not more frequently than twice in any one-year period (or more frequently if such request is made in connection with any sale or mortgaging of Sublessee's Leasehold Interest or permitted subletting by the Sublessee), within ten (10) days after written request from the Sublessee or Permitted Leasehold Mortgagee to do so, certify by written instrument duly executed and acknowledged to any Permitted Leasehold Mortgagee or purchaser, or proposed leasehold mortgagee or proposed purchaser, or any other person, firm or corporation specified in such request: (i) as to whether this Sublease has been supplemented or amended and if so, the substance and manner of such supplement or amendment; (ii) as to the validity and force and effect of this Sublease, in accordance with its tenor; (iii) as to the existence of any default hereunder; (iv) as to the existence of any known offsets, counterclaims or defenses hereto on the part of the Sublessee; (v) as to the commencement and expiration dates of the term of this Sublease; and (vi) as to any other matters as may be reasonably so requested. Any such certificate may be relied upon by the Sublessee and any other person, firm or corporation to whom the same may be exhibited or delivered, and the contents of such certificate shall be binding on the Sublessor.

(n) Notices from the Sublessor to the Permitted Leasehold Mortgagee shall be mailed to the address furnished to the Sublessor, and those from the Permitted Leasehold Mortgagees to the Sublessor shall be mailed to the address designated pursuant to the provisions of Section 17(c)(i). Such notices, demands and requests shall be given in the manner described in Section 16 and shall in all respects be governed by the provisions of that section.

(o) In case of the termination of this Sublease by reason of the happening of any Event of Default or of bankruptcy or insolvency of the Sublessee, the Sublessor shall give prompt notice thereof to each Permitted Leasehold Mortgagee who has made the request referred to in Section 17(c).

18. Investor Limited Partner. The following shall apply with respect to the Sublessee's investor limited partner (the "Investor Limited Partner"):

(a) The Sublessor agrees to accept payment or performance by the Investor Limited Partner as though the Sublessee had done the same, and the Investor Limited Partner shall be given all of the same cure rights as a Permitted Leasehold Mortgagee under this Sublease.

(b) The Sublessor agrees to give the Investor Limited Partner, at the address to be provided by the Investor Limited Partner, a written copy of all notices and demands that the Sublessor gives to the Sublessee.

(c) The Sublessor shall not terminate this Sublease if:

(i) At the time of the Event of Default, the Sublessor or Sublessor's member is the Sublessee's general partner or an affiliate of the Sublessee's general partner;

(ii) Within one hundred twenty (120) days after the Investor Limited Partner's receipt of notice, the Investor Limited Partner (A) cures the Event of Default, or (B) if the Event of Default reasonably requires more than one hundred twenty (120) days to cure, commences to cure the Event of Default and diligently prosecutes the same to completion; or

(iii) If the Event of Default cannot be cured by payment or expenditure of money, and the Investor Limited Partner (A) initiates other appropriate proceedings to remove and replace the general partner as provided in the Sublessee's amended and restated partnership agreement (the "Partnership Agreement") within one hundred twenty (120) days after receipt of notice, (B) cures all other Events of Default, (C) complies with all other covenants and conditions of this Sublease capable of compliance, and (D) continues to pay all real property taxes and assessments, and insurance premiums to be paid by the Sublessee under this Sublease, then the Investor Limited Partner shall then have one hundred twenty (120) days following the date on which the Investor Limited Partner or its nominee is able to become the replacement general partner of the Sublessee, to cure such Event of Default. Notwithstanding anything contained herein to the contrary, if any such Event of Default, by its nature, is such that it cannot practicably be cured within said 120-day period, then the Investor Limited Partner shall have such time as shall be reasonably necessary to cure the Event of Default provided that the Investor Limited Partner commences such cure within said 120-day period and thereafter diligently prosecutes the cure to completion.

(d) The Sublessor agrees to accept performance by the Investor Limited Partner of all cures, conditions and covenants as though performed by the Sublessee, and agrees to permit the Investor Limited Partner access to the Demised Premises to take all such actions as may be necessary or useful to perform the Sublessee's covenants under this Sublease or to cure an Event of Default of the Sublessee.

(e) If the Investor Limited Partner elects any of the above-mentioned options, then upon the Investor Limited Partner's or its nominee's acquisition of the general partner interest under the Partnership Agreement, this Sublease shall continue in full force and effect during the ___-year tax credit compliance period, provided that, if the Investor Limited Partner elects the option provided in Section 18(C)(iii) above, then upon the Investor Limited Partner's

acquisition of the general partner interest under the Partnership Agreement, the Investor Limited Partner shall cure all prior Events of Default of the Sublessee under this Sublease that are reasonably capable of being cured by an Investor Limited Partner within the time set forth in Section 18(C)(iii) above. If the Investor Limited Partner commences an action as set forth in Section 18(C)(iii), and thereafter the Sublessee cures such Events of Default (which cure the Sublessor shall be obligated to accept) and the Investor Limited Partner then terminates all proceedings under the option in Section 18(C)(iii) above, then this Sublease shall remain in full force and effect between the Sublessor and the Sublessee during the ___-year tax credit compliance period.

(f) During the ___-year tax credit compliance period the Sublessor and the Sublessee shall not agree between themselves to any material amendment, modification or supplement to this Sublease without the prior written consent of the Investor Limited Partner, which consent will not be unreasonably delayed, conditioned or withheld.

(g) So long as the Investor Limited Partner is prevented by injunction issued by any court or by any statutory stay, or by reason of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving the Sublessee, from commencing or prosecuting the replacement of the general partner pursuant to the terms of the Partnership Agreement or other appropriate proceedings in the nature thereof, the Investor Limited Partner shall not be deemed for that reason to have failed to commence such proceedings or to have failed to diligently prosecute such proceedings, provided that the Investor Limited Partner use reasonable efforts to contest and appeal the issuance or continuance of any such process, stay or injunction.

(h) Notwithstanding anything to the contrary set forth elsewhere in this Sublease, the Sublessor and the Sublessee hereby acknowledge and agree that the Investor Limited Partner shall be deemed a third-party beneficiary of the provisions of this Sublease which specifically grant the Investor Limited Partner rights and/or benefits, including, without limitation, those provisions which entitle the Investor Limited Partner to receive notice and exercise the right to cure. In connection therewith, the Investor Limited Partner may seek any and all remedies available to the Investor Limited Partner in order to enforce such provisions.

19. Miscellaneous. This Sublease shall inure to the benefit of and be binding upon the parties and their respective heirs, executors, legal representatives, successors and permitted assigns. This Sublease is governed by and shall be interpreted in accordance with the laws of the State of Florida. Neither this Sublease nor any provisions hereof or of the Master Lease may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought.

20. Grant of Quiet Enjoyment.
