WHEREAS, in early 2020, the State of Florida and Miami-Dade County began experiencing an outbreak of the infectious disease named coronavirus disease 2019 (COVID-19); and

WHEREAS, in response to COVID-19, Governor Ron DeSantis issued Executive Order 20-51, directing the State Health Officer and Surgeon General to declare a public health emergency in the State of Florida and directing the State Health Officer take any action necessary to protect the public health and to follow guidelines established by the United States Center for Disease Control and Prevention (CDC) to control the spread of COVID-19; and

WHEREAS, on March 12, 2020, County Mayor Carlos Gimenez declared a state of emergency in Miami-Dade County; and

WHEREAS, in response to the COVID-19 pandemic, public health officials and the CDC encouraged "social distancing" to reduce the spread of the virus; and

WHEREAS, to enforce social distancing, Governor DeSantis and Mayor Gimenez have issued executive and emergency orders restricting businesses' and residents' activities in order to prevent the spread of COVID-19; and

WHEREAS, while these precautions were established to keep people safe, these precautions have had and continue to have a negative financial impact on many County businesses and residents; and

WHEREAS, to help blunt the impact of the economic downturn set in motion by the COVID-19 pandemic, the United States Congress passed—and on March 27, 2020 President Donald Trump signed into law—H.R. 748, the “Coronavirus Aid, Relief, and Economic Security Act” (the “CARES Act”); and

WHEREAS, the CARES Act is a \$2 trillion stimulus package which established a \$150 billion Coronavirus Relief Fund for local governments; and

WHEREAS, the Cares Act requires that the payments to local governments from the Coronavirus Relief Fund only be used to cover expenses that:

- (1) are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID–19);
- (2) were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government; and

WHEREAS, these cultural organizations and artists-entrepreneurs were particularly hard hit by the shut downs and by their nature will remain impacted for months to come; and

WHEREAS, the impact of closing the arts season in March 2020 eliminated earned revenue, including ticket sales, contracted services, etc., and vastly reduced contributed income and donations, resulting in mounting budget deficits resulting in arts and cultural organizations having to furlough or eliminate thousands of jobs; and

WHEREAS, surveys of these cultural organizations document a \$59.5 million financial impact and the loss of 9,200 jobs as of May 2020; and

WHEREAS, the Department of Cultural Affairs' Miami-Dade Artists Support program has documented \$5.2 million so far in financial losses reported by 533 artist entrepreneurs; and

WHEREAS, Miami-Dade County has invested billions of dollars in creating one of the world's newest, most dynamic and diverse cultural communities and investment at this critical moment will help ensure the survival of hundreds of cultural organizations and the restoration and preservation of thousands of arts jobs; and
