PRESENTATION BY THE UNIVERSITY OF MIAMI
MILLER SCHOOL OF MEDICINE/UHEALTH - DEAN
PASCAL J. GOLDSCHMIDT, M.D.

Presented

Report: *Assistant County Attorney Gerald Sanchez informed Chairwoman Heyman that this Item could be considered without a quorum and proceeded to read the foregoing special presentation into the record.*

Dr. Pascal Goldschmidt, M.D., Senior Vice President for Medical Affairs and Dean, University of Miami Miller School of Medicine; and Chief Executive Officer, University of Miami Health System, acknowledged the County Commission for its support of the Ear Institute and its partnership with the School of Medicine. He expressed appreciation to the Commission for the selection of Dr. Eneida Roldan, as the new Jackson Health System President and Chief Executive Officer. Dr. Goldschmidt noted that Dr. Roldan was highly intelligent; and an effective leader who understood the issues facing the community and would perform an excellent job for Miami-Dade County residents.

A Life Science Park would be built on the campus of the School of Medicine, said Dr. Goldschmidt. He noted a builder from Pennsylvania was investing private dollars in this 2 million square foot, five continuous building facility that would be used for research, meetings, conferences, administrative and retail space. Dr. Goldschmidt mentioned that several companies had expressed interest in participating in this project that was anticipated to create 2,000 new jobs.

Chairwoman Heyman noted the entire County Commission campaigned for the General Obligation Bond to support public health and was proud of the Ear Institute.

Commissioner Sosa noted that Dr. Goldschmidt was performing an excellent job in the community.

Commissioner Diaz acknowledged Dr. Goldschmidt for his involvement in the Second Chance Program for children with cancer.

Report: *Assistant County Attorney Gerald Sanchez read the foregoing proposed ordinance into the record and indicated that this was a public hearing.*

Chairwoman Heyman opened the public hearing on the foregoing proposed ordinance.

Judge Joel Brown, the new Chief Judge for Miami-Dade County, 175 NW 1st Avenue, Miami, appeared before the Committee in support of the foregoing proposed ordinance. He noted he was accompanied by former Chief Judge Joseph Farina who would present the facts and figures on this much needed project.

Judge Joseph Farina, 73 West Flagler Street, Miami, appeared before the Board and presented renderings of the new Children's Courthouse. He noted the goal was to construct a green, smart, signature courthouse for the children and families of this community. Judge Farina mentioned that a partnership was established in 2000. Eighteen months before the partnership was formed he worked diligently with representatives of the Downtown Development Authority, the Department of Juvenile Justice, and the City of Miami to ensure that this project addressed their concerns and to acquire the funding and location for the Courthouse.

Judge Farina said three issues evolved over the last nine years which these agencies had resolved together: 1) to create a revenue stream to fund the Courthouse; 2) determine who would occupy the new Courthouse; and 3) identify a suitable location for it.

The Courthouse was originally funded with civil filing fees; however, these fees were redirected

pursuant to Revision 7. This was resolved when the County and the Court created a surcharge to provide a revenue stream to issue bonds for the project. The second issue was resolved when the County Commission determined that the State Attorney, the Public Defender and the Guardian Ad Litem—through an expanded presence—would occupy the 14 story, 375,000 square foot courthouse, with 18 courtrooms. The third issue involving the location was resolved by this Commission dedicating the north parking lot, but that proposal was hindered by the prospect of the Marlins Baseball Stadium being relocated downtown. Commissioner Diaz and other members of this Commission decided that the Courthouse should remain downtown, said Judge Farina.

The total project would cost 176 million dollars of which, 104 million dollars were already funded, leaving a shortfall of approximately 72 million dollars, said Judge Farina. He indicated that the purpose of today's ordinance was to add a \$15 surcharge to traffic tickets and other criminal matters so that the revenue stream could provide additional bonding capacity to close the 72 million dollar funding gap and this Commission would not have to find other funding sources.

Chairwoman Heyman commended Assistant County Attorney Jess McCarty for his leadership in maintaining the Courthouse Project as a priority. She noted this project was unique because all the revenue generated from the additional surcharge remains within the County. One caveat in the language, the Chairwoman noted, was that members of this Commission worked with the Public Defender's Office and others to opt out of indigent care.

Judge Farina noted that the judges would access the surcharge and the collection of debt would be evaluated.

Judge Farina acknowledged Ms. Wendi Norris, Director, General Services Administration (GSA); Mr. Jose Perez, GSA Division Director, Design and Construction Services; and Mr. Humberto Conteras, GSA Project Management Manager, for their role in this joint project. He mentioned that the adoption of the surcharge was a County legislative priority in Tallahassee and noted the support received from Commissioner Sosa.

Commissioner Sosa noted the entire Tallahassee

team joined forces in order to move this item through the Legislature.

Judge Farina responded to Commissioner Rolle's inquiry regarding the actions being taken to close the 72 million dollar revenue shortfall. He noted the 6.2 million dollar revenue stream would be closely monitored and would be used to obtain additional bonds that would be used to cover the shortfall.

Hearing no other persons wishing to speak on this matter, the public hearing was closed and there being no further questions or comments the Committee proceeded to vote on the foregoing proposed ordinance.

Report: *Assistant County Attorney Gerald Sanchez read the foregoing proposed resolution into the record.*

It was moved by Chairwoman Heyman that the foregoing proposed resolution be deferred. This motion was seconded by Commissioner Seijas.

Chairwoman Heyman indicated that this request for deferral was based on the budget statements presented yesterday (7/15) and based on the fact that the department did not have a fire class in progress. Chairwoman Heyman asked Assistant County Manager Alina Hudak to renegotiate the amount of the firefighter's training contract with Miami-Dade College.

Assistant County Manager Alina Hudak responded to Commissioner Seijas's request, noting she had no objection to the request to defer this proposal since the department did not have any new recruits in training at this time.

Commissioner Rolle questioned whether the motion to defer was acceptable from the department's perspective.

Mr. Scott Mendelsberg, Chief Financial Officer, Miami-Dade Fire and Rescue Department, responded by confirming the department currently did not have any new recruits in training classes in progress and thus had no objection to the request to defer, as noted by Assistant County Manager Hudak.

There being no further questions or comments, the Committee proceeded to vote on the foregoing proposed resolution.

Report: *Assistant County Attorney Gerald Sanchez read the foregoing proposed resolution into the record.*

It was moved by Commissioner Sosa that the foregoing proposed resolution be forwarded to the County Commission with a favorable recommendation. This motion was seconded by Commissioner Diaz for discussion.

Mr. Scott Mendelsberg, Chief Financial Officer, Miami-Dade Fire and Rescue Department responded to Commissioner Sosa's question as to whether the subject fire station was included in the funding reductions presented by the Mayor in his budget recommendation. He explained that it was not; that this building would be constructed by the Town of Bay Harbor Islands (BHI) and that the \$30,500 request represented one-half of the total renovation and design costs.

Commissioner Diaz noted these stations were generally funded with impact fees and questioned other funding used for this project. Mr. Mendelsberg mentioned the possibility that the Sunshine Loans could be used as well as impact fees; however he did not anticipate the necessity to utilize Sunshine Loans as a funding source.

Project funding was already allocated in the Department's budget and the County would lease 7,300 square feet of space on the ground level of the newly constructed parking garage at \$16 per square foot from BHI, said Mr. Mendelsberg. He noted that there was a \$1 million allocation for the build-out, but the actual cost should be considerably less than that.

Commissioner Diaz asked Chief Herminio Lorenzo, Fire and Rescue Department Director to report back to the County Commission if Sunshine Loans were used for the Town of Bay Harbor Islands Fire Station.

Assistant County Manager Alina Hudak confirmed Commissioner Rolle's inquiry that this Station was not included in the funding cuts being recommended by the County Mayor.

Mr. Mendelsberg advised Commissioner Rolle that the Station was not funded through debt service.

There being no further questions or comments, the Committee proceeded to vote on the foregoing proposed resolution.
