1B PLEDGE OF ALLEGIANCE

1C **ROLL CALL**

Report: *The following staff members were present: Senior Advisor to the County Manager, Assistant County Attorney Cynthia Johnson-Stacks, and Deputy Clerks Jovel Shaw and Mary Smith-York.*

Honorable Commissioner Carlos Gimenez was present at today's meeting in connection with Agenda Item 2B, for which he was the prime sponsor.

Assistant County Attorney Johnson-Stacks advised that, although the Committee would not be able to approve today's agenda until a quorum was present, she would read, into the record, the requested changes. She noted, in addition to the Changes listed on the County Manager's Memorandum of Requested Changes, Items IG1 and IG3 Supplements were inverted on today's agenda and; therefore, the information intended for Item IG1 Supplement would be found in Item IG3; and vice versa. She further noted that policy discussions/reports would be called before the public hearing items, at the request of the Chair, and that, in addition, Item 4A would be called following the reports.

2010 FEDERAL AND STATE LEGISLATIVE PACKAGE
(Office of Intergovernmental Affairs)

Bifurcated***Mover: Rolle******Secoeder: Sorenson******Vote: 4-0******Absent: Edmonson, Martinez***

Report: *Assistant County Attorney Cynthia Johnson-Stacks read the foregoing proposed report into the record.*

Mr. Joe Rasco, Office of Intergovernmental Affairs (OIA) Director, provided a brief overview of the proposed 2010 Federal and State Legislative Package. He advised that the Board adopted a different process than the one previously used. He explained that this new process required the legislative items to be presented before the Committee of jurisdiction. Mr. Rasco noted OIA had been working with the various County departments since July 2009 to develop the requests for legislative changes at the State and Federal levels for presentation before the Committee of jurisdiction, and then before the Full Board. In response to Commissioner Sorenson's inquiry regarding policy issues, Mr. Rasco advised that this presentation gave the Committee members the opportunity to make policy recommendations pertaining to foreclosures, mediation, protection of tenant's rights, etc.

Discussion ensued between Commissioner Souto and Mr. Rasco regarding the timeframe for presentation of the legislative items before the State and Federal legislatures.

There being no further questions or comments, the Committee proceeded to vote.

NOTE: Chairwoman Edmonson requested that the foregoing report be bifurcated in order to separate out the State Legislative Package from the Federal Legislative Package, and that the County Commission Chairman waive the Board's Rules and Procedures and allow the 2010 State Legislative Package to be considered on November 17, 2009, pursuant to her memorandum, dated November 12, 2009, entitled "Waiver to the November 17, 2009 Board of County Commissioners Meeting."

Report: *Assistant County Attorney Cynthia Johnson-Stacks read the foregoing proposed resolution into the record.*

Vice-Chairwoman Jordan opened the public hearing, and the following individuals appeared:

1) Mr. Luis De Rosa, 3550 Biscayne Boulevard, President, Puerto Rican Chamber of Commerce (PRCC), appeared and requested the Committee reconsider using any recaptured funds to support the PRCC;

2) Ms. Jane Schwartz, Enterprise Development

Corporation, appeared on behalf of Business Link Technical Assistant Program, and provided an overview of the economic development services her agency provided in the community. She advised that, through a computer glitch, the agency was listed as not being funded previously, resulting in a loss of points. Ms. Schwartz noted this agency had received funding since 2006 and was in compliance each year. She requested their request be reconsidered for funding this year in light of the computer error that caused the loss of funding;

3) Madam Renita Holmes, 6118 NW 7 Avenue, Miami, appeared regarding various issues concerning Model Cities Organization;

4) Dr. Enid Pinkney, 4990 NW 31 Avenue, Miami, appeared and noted she submitted applications for funding for Historic Preservation and for Capital Improvements, which were both denied. She noted she received funding in the amount of \$865,952 for Professional and Technical Assistance. Ms. Pinkney asked if her organization would be able to use these funds for capital improvements.

Ms. Cynthia Curry, Senior Advisor to the County Manager, responded that Community Development Block Grant (CDBG) monies could be used for capital improvement.

Ms. Shalley Jones Horn, Office of Community and Economic Development (OCED) Director, noted those dollars were, in fact, allocated for capital improvement.

5) Ms. Helena Delmonte, Association for the Development of the Exceptional, 12700 SW 216 Street, appeared and expressed her gratitude to the Committee for funding her program. She provided a brief overview of how the funding would be utilized in the program.

6) Mr. Leroy Jones, Neighbors and Neighbors Association (NANA), 180 NW 62 Street, appeared and expressed his appreciation for staff's recommendation for funding of NANA;

7) Mr. Luri Dor (phonetic), expressed concern that his projects were being denied funding for an issue that had been resolved.

Vice Chairwoman Jordan requested Mr. Dor (phonetic) to consult with staff regarding the funding issues he presented today.

There being no other individuals to appear in connection with this resolution, the public hearing was closed.

In response to Commissioner Rolle's request for clarification on the issues involved with the denial of funding to the Puerto Rican Chamber of Commerce, Ms. Jones Horn advised that the funds were exhausted prior to reaching that application. She further noted the PRCC was located within the City of Miami, which received its own CDBG funding. Ms. Jones Horn stated that the County's prioritized organizations within the Neighborhood Revitalization Strategy Area (NRSA).

Discussion ensued among Committee members and Ms. Jones Horn regarding recommended funding for Fiscal Year 2010.

In response to Vice Chairwoman Jordan's inquiry as to what was needed to make the PRCC eligible for funding, Ms. Jones Horn reiterated that they were eligible; however, the funds ran out before it reached their application.

In response to Commissioner Rolle's concern regarding the allocation he earmarked for the PRCC being denied, Ms. Jones Horn noted nothing would preclude a Commissioner from allocating funds to an organization, and agreed to research this issue and bring back her findings.

Vice Chairwoman Jordan asked Ms. Jones Horn to get with Mr. De Rosa and review his three (3) applications to reveal to him any weaknesses and the reasons for his scores, so he would have a better opportunity going forward.

Vice-Chairwoman Jordan opened the public hearing, and the following individuals appeared:

1) Madam Renita Holmes, 6118 NW 7 Avenue, Miami, appeared and distributed documentation regarding various issues concerning funding of Model Cities Organization;

2) Mr. Cutler Harrell (phonetic), Owner, Broadway Place Coin Laundry & Dry Cleaners, appeared with his wife, and distributed a brochure displaying the "Green Jet" cleaning machine, which he stated he would purchase with the funding allocation received this year.

3) Dr. Mae Christian, 4825 NW 15 Court, Model Cities Community Advisory Committee (CAC) member, appeared and expressed concern with continuous recommendations for denial of funding from staff. She read into the record, a letter to the Commission from the Model Cities Advisory Committee, requesting an injunction to stop the foregoing proposed resolution.

4) Ms. Georgia Ayers, Founder/Director, Alternatives Program, appeared;

5) Ms. Barbara Gomez appeared and noted she was a volunteer with the Alternatives Program, and expressed concern that the organization had not be able to receive funding through the Office

of Community and Economic Development (OCED) during the previous year.

6) Mr. Roy Hardemon, 1854 NW 67 Street, appeared and expressed his opposition to having funding recaptured from the Model Cities CAC.

There being no other individuals to appear in connection with this resolution, the public hearing was closed.

Ms. Jones Horn responded to Commissioner Sorenson's inquiry of what process was used to recapture and reallocate the CDBG funding, and stated the Board's recommendations were followed. She read into the record the priorities provided by the Board.

Commissioner Rolle expressed concern with funds being recaptured from entities located within District 2, and being reallocated to entities located within various municipalities. He questioned why \$75,000 was being recaptured from Broadway Place Laundry & Dry Cleaners, and \$603 from HCA Enterprise.

In response to Vice Chairwoman Jordan's inquiry of where the housing units, with the elevator modernization project, were located, Ms. Jones Horn confirmed the units were owned by Miami-Dade County, and noted they were located in multiple districts.

Commissioner Rolle asked Ms. Curry if a meeting could be scheduled prior to the November 3, 2009 Commission meeting, to discuss the process utilized in recommending CDBG funding.

In response to Commissioner Rolle's request, Ms. Curry advised that today's resolution contained staff's recommendations; however, the Mayor's and Manager's recommendations had not been factored into this list, yet. She noted the Committee was not obligated to accept staff's recommendations and could make alternative recommendations than those presented in the foregoing resolution.

Commissioner Rolle requested a meeting with staff be arranged, before this item came before the Full Board, to discuss rescinding the recapture of dollars from Broadway Place.

Commissioner Sorenson expressed concern with the Committee stepping outside its boundaries in

terms of adhering to the federal guidelines regarding CDBG funding.

Ms. Curry explained that part of the reason for the recapture of funds was to avoid facing the 1.5 ration issue a second time.

In response to Commissioner Rolle's inquiry on how to address his desire to reallocate the recaptured funding back to Broadway Place Coin Laundry & Dry Cleaning, Ms. Jones Horn stated she received an updated report on this funding issue. She explained that this organization had not supplied the necessary items to receive the funding. Ms. Jones Horn pointed out that funds were allocated to this organization for 2009, and if it came into compliance before this resolution moved forward, the recommendation to recapture funds would be withdrawn, since it was already under contract.

There being no further questions or comments, the Committee forwarded the foregoing proposed ordinance to the BCC with a favorable recommendation with Committee amendment(s) to insert a line for "Commission District 6 Reserves for Eligible Projects in District 6 in the amount of \$5,000 in CDBG09, on Handwritten Page 8, Exhibit 1, under the heading "Recommended Redistribution of CDBG Funds;" and to change the amount for the Camillus House for Camillus new Permanent Housing from \$340,843.22 to \$335,843.22, as read into the record by Ms. Shalley Jones Horn.
