Re: Miami-Dade County Community Development Block Grant (CDBG), 2008 Supplemental CDBG Appropriation – Disaster Recovery Initiative

Please find attached the results of the local prioritization process of the Miami-Dade County Community Development Block Grant (CDBG) Program for 2008 Storms Disaster Recovery. Listed are the highest priority projects with the funding allocations recommended for inclusion in the official Miami-Dade County CDBG Disaster Recovery Initiative application submission to the Florida Department of Community Affairs.

This funding is being made available from the U.S. Department of Housing and Urban Development for disaster relief, long-term recovery and mitigation, and restoration of infrastructure, housing and economic revitalization in areas affected by hurricanes, flooding and other natural disasters that occurred during 2008. The total amount of funding (formula-based) available to Miami-Dade County is \$504,969 with 2.5% approved for administrative costs.

If you have any questions or require additional information regarding this matter, please contact Daniel T. Wall, Director, Office of Grants Coordination at (305) 375-4742.

Sincerely,
