

Inviting Long Term Care Pharmaceutical Providers

Long term care pharmaceutical providers are being invited to make a presentation on available services for the Helen M. Sawyer Plaza Assisted Living Facility (licensed for 101 beds whose population is composed of elderly low-income residents). This facility currently provides assistance with self-medication and administration of medications to its residents. The objective is to evaluate each presentation, at a minimum, on the following:

- Able and willing to work with numerous insurance carriers, Medicare/Medicaid; and low income residents who cannot afford co-payments or over the counter medicines
- Monthly delivery of routine medication to include pre-packaged meds
- Delivery of medicines “upon receipt of doctor’s order” (emergency/new medications) during working/non-working hours
- Able to continue delivering medicines during emergency situations (hurricanes, etc.)
- Packaging system of medicines, such as bingo cards, etc.
- Electronic MORs
- Express scripts software

For more information on Helen M. Sawyer Plaza Assisted Living Facility please access <http://www.miamidade.gov/housing/helen-sawyer-alf.asp>

To schedule a presentation please contact Alisa Caballero via email at alara@miamidade.gov. Deadline to register is December 7, 2012.
