PUBLIC SERVICE

Approximately \$1,171,534 in CDBG funds are available for general **Public Service** activities in the FY 2019 RFA. To be eligible for CDBG assistance, a Public Service must be a **new service**, which is defined by HUD as a service not provided in the previous 12 calendar months or a **quantifiable increase** in the level of service for a previously funded or existing public service. **Public Service activities will only be recommended for funding by the Mayor and through the Commission District Fund (CDF) allocation process. All Public Service applications that pass minimum threshold requirements will be presented in a report to the BCC as eligible entities for the award of FY 2019 funding (see definition of CDF process on page 6).**

National Objective

CDBG-funded Public Service activities are typically categorized under the Low-Mod Income (LMI) benefit national objective as either Limited Area Benefit (LMA) or Limited Clientele (LMC) activities. In order to meet the LMI criteria, the activity must:

- Serve at least 51% Low-Moderate Income persons, as evidenced by documentation and data concerning beneficiary family size and income;
- Have income-eligibility requirements which limit the service to persons meeting the LMI income requirement, as evidenced by the administering entity's procedures, intake/application forms, income limits, and other sources of documentation (**Attachment 33**); and
- Serve primarily LMI persons or a LMI area.

Eligible Activities

Public Service activities **must principally benefit low and moderate-income persons**. Entities eligible for funding include Miami-Dade County Departments, Participating Municipalities, and not-for-profit Community-Based Organizations (CBO's), qualified Community-Based Development Organizations (CBDOs) and Community Development Corporations (CDCs). Eligible activities under the Public Service category are governed by HUD regulations under 24 CFR 570.201(e).

Public Services. Provision of public services (including labor, supplies, and materials) including but not limited to those concerned with employment, crime prevention, child care, health, drug abuse, education, fair housing counseling, energy conservation, welfare (but excluding the provision of income payments identified under § 570.207(b)(4)), homebuyer down payment
