## **Project-Based Voucher (PBV) program applications**

The Miami-Dade Public Housing and Community Development (MDPHCD) is seeking to assist eligible veterans in obtaining affordable housing with an array of supportive services through vouchers that are being made available from a special HUD-VASH set-aside allocation.

MDPHCD is seeking proposals from qualified developers and affordable housing operators to develop 75 housing units for low-income families under the Section 8 Project Based Voucher Program (PBV). The primary purpose of this allocation is to expedite the rental of units that are safe, decent and sanitary to eligible homeless veterans. Eligible units may be existing, proposed rehabilitation or newly constructed units.
