

Carlos A. Gimenez, Mayor

**ADDENDUM NO. 1**

DATE: June 9, 2015  
TO: TO DEVELOPER POOL MEMBERS PRE-QUALIFIED UNDER RFQ #794A, #794B AND #794C  
SUBJECT: Request for Application (RFA) No. 2015-01 to Developer Pool Pursuant to RFQ #794A, #794B and #794C for Redevelopment of Liberty Square and Lincoln Gardens "Liberty Square Rising"

This addendum becomes a part of the subject Request for Application (RFA).

**Proposal submission date is July 2, 2015.**

**A. Questions received and responses:**

- 1. If two developers are pre-qualified under RFA749A-C and they are going to propose a response to the RFA jointly, how should their joint proposal be reflected as the proposer in a concise manner?

Response: Refer to Form A-1 on page 79. The Proposer shall identify PROPOSER ORGANIZATION STRUCTURE:

\_\_\_\_\_ Corporation    \_\_\_\_\_ Partnership    \_\_\_\_\_ Proprietorship    \_\_\_\_\_ Joint Venture  
\_\_\_\_\_ Other (Explain).

Clearly identify in form A-1 the Proposer and its structure. Additionally, clearly identify responsibilities for the project in the cover letter (see page 18, paragraph 3.4.) Please note that the County will enter into a contract with a single entity which will be responsible to meet all project requirements as indicated in RFA and subsequent agreements.

- 2. Can we obtain the CAD file of the surveys for Lincoln Gardens and Liberty Square?

Response: Liberty Square CAD files have been uploaded:  
<https://app.box.com/s/lrr21fabojh0r11zvud7m8t1mqzccoj>

We do not have CAD files for Lincoln Gardens.

- 3. On page 25 of the RFA, you ask the respondent to "attach written underwriting analysis performed by financing sources." Could you clarify what you mean by "performed by financing sources"? Do you want the underwriting analysis to be completed by a third party?

Response: This refers to underwriting analysis performed by lending sources rather than just a letter of interest from a lender.

4. Section 3 and other training programs are generally organized by the general contractor for the construction period. Per the RFA, we are not to include a general contractor (for competitive bidding purposes), how should we respond to section 3.12 A?

Response: Section 3 and other training programs can be organized by the developer, the contractor, service providers, or any member of the development team that has expertise in this area. It is however, the responsibility of the developer to provide the requirements of paragraph 3.12. (Refer also to response to #6 below.)

5. Typically HUD requires right sizing units based on family size. Can we obtain information on family statistics for current residents so we can make sure residents are not over or under housed? We want to make sure, at a minimum, the correct unit mix is met for returning residents.

Response: Refer to page 33, paragraph 2, d) as to what is to be provided for the Proposal. Refer also to page 33, paragraph 2, e) to be done by "Awarded Developer" relative to verification of bedroom size, etc.

6. The response requires the number of Section 3 jobs to be created and breakdown by trade during construction and post-construction with evidence and documentation (i.e. work plans, MOU's). How should we respond without naming a third party general contractor?

Response: Although a contractor does not have to be named, there is no restrictions on developers reaching out to potential bidders, consultants or whatever other source the developer may deem necessary to determine this requirement. To be clear however, the County's contract will be with the selected developer, not the contractor or any other developer team member. The selected developer will be held accountable for its proposal as enumerated on page 17 (bottom of paragraph 3.1, see Note) and corresponding contractual obligations after contract award.

7. Has the PHCD calculated or used any consultants to calculate or complete the Operating Fund Calculation of Operating Subsidy (from HUD) so that the proposer can understand how much of their ACC can be attributable to each property?

Response: The following are the operating subsidy amounts for FY2013 and FY2014:

	<u>FY2013</u>	<u>FY2014</u>
Liberty Square FL005-002	\$1,198,710	\$1,238,124
Liberty Square FL005-003	\$1,331,105	\$1,374,872
Liberty Square FL005-005	\$ 840,886	\$ 868,535
	<u>\$3,370,701</u>	<u>\$3,481,531</u>

We do not have operating subsidy for Lincoln Gardens.

8. Can we obtain any previously completed phase 1 as well as lead/asbestos analysis?

Response: Phase 1 for Lincoln Gardens has been uploaded: There is no phase 1 for Liberty Square. <https://app.box.com/s/lrr21fabojh0r11zvud7m8t1mqzccoji>

9. Have the properties previously undergone abatement of asbestos-containing material and/or lead-based paint?

Response: No.

10. On page 22 of the RFA, you ask the respondent to "summarize the Developer's experience". Can you define "Developer"? Is the PHCD only looking for experience of property management entities that are affiliated with the Proposer?

Response: The experience of the Property Management entity that will be assigned to manage this project.

**B. Clarifications / RFA Revisions:**

1. On page 26, paragraph C; Provide evidence and documentation (i.e. work plans, Memorandum of Understanding (MOU), etc.), paragraph D; Provide evidence and documentation (i.e. work plans, MOU's, etc.), paragraph E; Provide evidence of participation and/or documentation to support commitment and ability to access resources (i.e. past experience.), and page 27, paragraph G; Provide evidence of participation and/or documentation to support commitment and ability to access resources (i.e. past experience.)  
All of above indicated requested information shall be considered attachments and will not count toward the page count indicated for Section 3.12, as noted at bottom of page 25.
2. Developer(s) at Pre-Proposal conference indicated there were discrepancies between unit information on page 32 and 34 and charts on pages 64-71. This will be further reviewed by PHCD and addressed via separate addendum.
3. Developer(s) inquired as to whether both "washer and dryer hook-up for each unit" and "laundry facilities" were required as indicated on page 35, paragraph 6;  
Revise RFA page 35, paragraph 6, to read: "At a minimum, amenities for the Liberty Square Rising shall include: central air conditioning, child care center, tot lot/playground, community center with library and computer lab, energy star appliances, **washer and dryer in each unit**, cable connection in each unit and security cameras throughout. The Lincoln Gardens site will have its own amenities which shall be the same as indicated above."
4. On RFA, page 20, paragraph 3.5, paragraph C; Revise first line to read: "List all contracts which the Proposer has performed for Miami-Dade County **within the last ten (10) years**". Please note that this is requested from the "Proposer."
5. Zoning / Miami 21 requirements – please refer to page 32, paragraph at top of page concerning verification by developer of zoning, density, etc.

**All other information remains the same.**

**Jorge R. Cibran, AIA**

## **ADDENDUM NO. 2**

DATE: June 12, 2015

TO: TO DEVELOPER POOL MEMBERS PRE-QUALIFIED UNDER RFQ #794A, #794B AND #794C

SUBJECT: Request for Application (RFA) No. 2015-01 to Developer Pool Pursuant to RFQ #794A, #794B and #794C for Redevelopment of Liberty Square and Lincoln Gardens "Liberty Square Rising"

This addendum becomes a part of the subject Request for Application (RFA).

**Proposal submission date is July 2, 2015.**

### **A. Questions received and responses:**

1. Has the County had any contact with HUD/OIG to understand why they can replace units at Liberty Square at less than a 1-for-1?

Response: PHCD has reviewed the RFA with HUD and will continue this coordination (along with selected developer) throughout the development process. Please refer to page 33, paragraph 2, d) which addresses the number of public housing units to be provided for proposal and that this may change, up or down, etc.

2. Considering the County has asked for a portion of the Developer Fees, has the County expressed a willingness to fund onsite resident services?

Response: No.

3. For item 3.8B under Architect's Experience, it is unclear which developments must be included within the response. Should item 3.8 B only include the three completed developments identified in the response to 3.8 A?

Response: Yes.

4. For item 3.8 D under Architect's Experience, the RFA requests "site plan and photos of the exteriors of these developments." Could you clarify "these development"? Does the response ask for the site plan and photos of exteriors of the three completed developments identified in the response to 3.8 A?

Response: Yes.

5. Would you please detail the source and amount of capital and operating subsidy available to PHCD for the Liberty Square Rising project?

Response: The source of the funds is the US Department of Housing and Urban Development (HUD). Capital funds (i.e. Capital Fund Program) are not available for the project. \$8 million is expected to be obtained from the Capital Fund Financing Program

(CFFP) as indicated on page 35, paragraph 8. The operating subsidy amounts were detailed in Addendum #1, item #7; however, to further clarify:

The County will provide all of the operating subsidy received from HUD relative to the public housing units on an annual basis, subject to any HUD pro-ration or other HUD-generated subsidy adjustment (including those "add-ons," as described at 24 C.F.R. Part 990), except that the Developer shall pay to the County: (i) an amount equal to five percent (5%) of subsidy received if HUD proration is less than ninety-two percent (92%); (ii) an amount equal to six percent (6%) of subsidy received if HUD proration is between ninety-two percent (92%) and ninety-four and 99/100th percent (94.99%); or (iii) an amount equal to seven percent (7%) of subsidy received if HUD proration is ninety-five percent (95%) or above.

6. Section 3.12 allows only 4 pages, can the Proposer provide the evidence required as attachments for item H?

Response: Yes, evidence of similar experience on previous projects can be attached and not be counted for page count.

7. The last sentence on page 33, Item 2.d states - Proposers should assume that the percentage of bedroom sizes as currently exists is to be provided for the public housing replacement units (see chart on page 32 of this RFA). Are the 709 total units the denominator for the percentage?

Response: Yes. However; the amount of public housing units to be provided for the purpose of proposal is 640 units as indicated on page 33 of RFA.

8. Is the Proposer required to apply that same percentage of bedroom sizes to the total number of units being proposed?

Response: No. The percentage of bedroom sizes applies to the 640 public housing units. Other unit bedroom sizes (affordable and market rate) shall be determined by the developer. (Example: If the current percentage of 5-bedroom units for the existing 709 public housing units at Liberty Square is 10% of the total, the number of 5-bedroom units required for the 640 public housing units would also be 10% of the total.)

9. For example, if 1000 total units are proposed, and there are only 32 one-bedroom units out of 709 total units (4.5%), are only 45 one-bedroom units allowed out of the total 1000 units proposed?

Response: The percentage requirements relate only to public housing units as indicated in response to #8 above.

10. Item 3 on page 34 states the existing community center should not be taken out of service until a new center is completed; does this also apply to the baseball field, basketball court or the tot lot?

Response: It applies to the Tot Lot since it is an integral part of the Community Center; therefore, it should not be taken out of service until a new Tot Lot is completed.

11. In order to accurately calculate the total projected income for these sites, both tenant paid rent and operating subsidy amounts are required. Operating subsidy levels were provided in Addendum #1. Can PHCD also please provide the amount of tenant paid

rent for FY 2013 and FY 2014 for Liberty Square FL 005-002, Liberty Square FL 005-003 and Liberty Square FL 005-005 and a current rent roll for each project?

Response: The amount of tenant paid rent for FY2013 and FY2014 are as follows:

	<u>FY2013</u>	<u>FY2014</u>
Liberty Square FL005-002	\$360,194	\$330,450
Liberty Square FL005-003	\$417,076	\$377,056
Liberty Square FL005-005	<u>\$243,109</u>	<u>\$227,522</u>
	\$1,020,379	\$935,028

Request for rent rolls is attached.

12. Will capital funds attributable to these projects be passed on to the developer?

Response: No, as it relates to Capital Fund Program (CFP) funds.

13. Should it be assumed these funds will be available for operations going forward?

Response: No.

14. Knowing that firm financing commitments from lenders are only valid for a finite period of time, typically 6-months or less, what is the expectation of PHCD for phases that will not start within the next 12 months? While the future phases can and will be underwritten based on current conditions, the actual commitments cannot extend that far into the future.

Response: We understand the point made; however, the developer needs to provide firm financing commitments and any limitations on these commitments, in addition to "written underwriting analysis performed by financing sources" (see top of page 25) with its proposal, so that the Selection Committee can review accordingly. Additionally, developer needs to provide its approach to financing for the project in its entirety as indicated in the RFA.

15. We are looking for some general statistics on the following data for current residents:

Age, Incomes, Family Size. This is for proposal purposes this gives us a better understanding of what the current demographics are so that our concept for redevelopment and tenant relocation can be more precise. It also allows us to more accurately propose services, amenities, building types, layouts, and locations for the community.

Response: This request is under review by PHCD and will be addressed via separate addendum.

## **B. Clarifications / RFA Revisions:**

1. Developer(s) at Pre-Proposal conference indicated there were discrepancies between unit information on page 32 and 34 and charts on pages 64-71.

Delete previous pages 32, and pages 45 through 53, and pages 64 through 71 and replace with attached pages.

**All other information remains the same.**

### **ADDENDUM NO. 3**

DATE: June 15, 2015

TO: TO DEVELOPER POOL MEMBERS PRE-QUALIFIED UNDER RFQ #794A, #794B AND #794C

SUBJECT: Request for Application (RFA) No. 2015-01 to Developer Pool Pursuant to RFQ #794A, #794B and #794C for Redevelopment of Liberty Square and Lincoln Gardens "Liberty Square Rising"

This addendum becomes a part of the subject Request for Application (RFA).

**Proposal submission date is July 2, 2015.**

#### **A. Questions received and responses:**

1. We are looking for some general statistics on the following data for current residents: Age, Incomes, Family Size. This is for proposal purposes this gives us a better understanding of what the current demographics are so that our concept for redevelopment and tenant relocation can be more precise. It also allows us to more accurately propose services, amenities, building types, layouts, and locations for the community.

Response: Please see attached Demographics for Liberty Square.

All other information remains the same.

Jorge R. Cibran, AIA   
Director, Facilities and Development Division

c: Clerk of the Board  
Terrence Smith, Assistant County Attorney

## Demographics for Liberty Square

Age	Gender	Relationship	Family Size	Gross Income	Adjusted Income*	Dev Name

## **ADDENDUM NO. 4**

DATE: June 18, 2015

TO: TO DEVELOPER POOL MEMBERS PRE-QUALIFIED UNDER RFQ #794A, #794B AND #794C

SUBJECT: Request for Application (RFA) No. 2015-01 to Developer Pool Pursuant to RFQ #794A, #794B and #794C for Redevelopment of Liberty Square and Lincoln Gardens "Liberty Square Rising"

This addendum becomes a part of the subject Request for Application (RFA).

**Revised and Final Proposal submission date is July 9, 2015.**

### **A. Questions received and responses:**

1. Are there any project-based vouchers available for Liberty Square or Lincoln Gardens?

Response: The Proposer may include project-based vouchers as part of its proposal. This will be compared with other proposals. Please note however, that project-based vouchers require a separate competitive proposal (i.e. PBV - Request for Application) and the awarded developer (if it includes PBV's in proposal) will have to compete with other applicants for the PBV's.

2. On page 32 of addendum 2, the combined acreage of parcels with Liberty Square is reflected as 49.1 acres. On page 34 of the RFA, the acreage of Liberty Square is reflected as "approximately 57 acres". Could you clarify the combined acreage of parcels within Liberty Square?

Response: Liberty Square total site has approximately 57 acres as noted on page 34 and approximately 49.1 acres, not including the streets, as noted on page 32, below the chart. Refer to Liberty Square Survey - Attachment 6.1, page 37, and Addendum #1, response to question #2.

3. On page 32, the zoning designation for Lincoln Gardens is reflected as RU-2 and RU-4. The County's zoning map designates the parcel as RU-2. Could you clarify the current zoning of the Lincoln Garden's parcel? If a portion of the site is zoned RU-4, what is the acreage split between RU-2 and RU-4?

Response: From previous reports that have been provided to PHCD, the Lincoln Gardens site has two zoning designations, RU-2 and RU-4. The area of Lincoln Gardens zoned as RU-4 is approximately 1.4 acres and the remaining acreage is zoned RU-2. Please note that this information is provided as indicated on top paragraph of page 32, Section 6.0, of the RFA.

4. Please clarify what the County is looking for when the application refers to a minimum of 30% of the developer fee going to the County.
- a. Is there a timeline for this payment?

Response: The time line for payment should be no longer than the time line for developer's receipt of its fee.

- b. Is payment subject to cash flow?

Response: No.

- c. Is this 30% eligible for reinvestment into the project for community improvements for the development?

Response: The County will use this resource to support affordable housing, including public housing.

5. Will all tenants that are to occupy the 640 public housing units be given automatic Section 8 rental assistance?

Response: No. Public housing residents will be provided an Annual Contribution Contract (ACC) (i.e. public housing) subsidy Please refer to previously provided rent roles and tenant payments in Addendum No. 2, response to question # 11. Please also note that the 640 units are for proposal purposes as enumerated on page 33 paragraph 2, d.

Will this be in the form of project based assistance?

Response: No.

6. Will the awarded developer and design concept be subject to Dade County and/or City of Miami zoning/planning site plan approval?

Response: Yes.

7. How much time will the awarded developer be given in order to obtain approval for the re-zoning plan of Lincoln Gardens? Will this be an expedited process?

Response: Planning and Zoning approvals depend on the complexity and type of development being proposed; therefore no specific timeline is established for this process. A specific time line has been established for completion as indicated on page 34, Section 3.10, 8. The County has established an "expedited review" permit process for affordable housing projects. Additionally, PHCD will provide assistance to the developer throughout the development process.

8. Lincoln Gardens consists of two parcels. Are both part of the re-development plan? Only one folio is referenced in the application and as well as on the survey provided – one parcel is vacant and the other occupied with residents. Please clarify what portion of Lincoln Gardens is part of the re-development plan.

Response: Lincoln Gardens consists of one parcel with one folio number, it is not two separate sites. The Lincoln Gardens site is correctly shown in the RFA and in the survey. The entire Lincoln Gardens site is vacant.

9. Section 3.5 asks respondents not to exceed 6 pages in total length to respond to this entire section. Section 3.5B) alone requires 8 pages. The information requested for each

of the 4 highlighted properties requires, in its shortest form, requires 2 pages per project. Add Section 3.5A), D), E), and F) and at a minimum 10 pages will be required to respond to this section in the most complete manner, incorporating all of the information requested. Please allow either additional pages or allow Section 3.5B) to be provided in the form of an attachment.

Response: The number of pages for Section 3.5 shall be revised. Please refer to item B, 3 of the Clarifications / RFA Revisions below. Please also refer to Addendum No. 1, RFA Revision # 1, for those sections that can be provided as attachments.

10. Due to the time period to submit questions regarding the RFA being extended to within about a week and a half prior to the current submittal deadline, it appears it would benefit to the County to allow additional time to all applicants to ensure the most complete responses possible including incorporation of the answers submitted on June 18.

Response: Other than rent roles, demographic information, etc. we note that many of the questions were already addressed in the RFA and were further clarified via timely addenda responses. Additionally, there was an RFA comment period from March 2, 2015 through April 20, 2015 prior to issuance of the RFA to Developer Pool. Proposal due date will be extended; see RFA Revisions, item B, 4 below. There will be no other extensions.

11. Regarding the 640 public housing units: Is there a determination as to how many go to Lincoln Gardens?

Response: No. This determination will be made by the developer in accordance with its proposed project concept and phasing as indicated in RFA page 35, Note #1.

12. Should we assume that 100% of units at Lincoln Gardens are to be Public Housing units?

Response: No. The developer needs to make that determination. (See also response to question #11 above.)

13. Are there any insurance requirements that are required for submittal of the application? If so, what are they?

Response: No insurance requirements are required for submission of the proposal. Insurance requirements pertain to the awarded developer. Please refer to Exhibit E "Insurance Requirements, Non-Construction," and its reference to "the awarded developer."

14. Would you please detail the source and amount of available funding sources available to PHCD that can be used for the development of the Liberty Square Rising Project?

Response: Refer to Page 35, Section 6.0, paragraph 8.

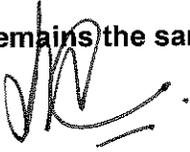

## **B. Clarifications / RFA Revisions:**

1. Revise RFA, page 22, Section 3.6, F) to read: "Describe the experience of the Development Team in completing complex projects with phased completion (i.e. Phase I

completion – 24 months, all other phases completion – 36 months. See also Section 3.10, **8**.)”

2. Revise RFA, page 18, to read: “For Section 3.5, provide requested information in not more than **fourteen (14) pages**”, etc.
3. Revise RFA, page 20, Section 3.5, C) to read: “**Attach** a list all contracts which the Proposer has performed for Miami-Dade County, etc...”
4. Revise RFA, page 7, Proposal due date to read: Proposal due date: July 9, 2015.

All other information remains the same.

## **ADDENDUM NO. 5**

DATE: June 19, 2015

TO: TO DEVELOPER POOL MEMBERS PRE-QUALIFIED UNDER RFQ #794A, #794B AND #794C

SUBJECT: Request for Application (RFA) No. 2015-01 to Developer Pool Pursuant to RFQ #794A, #794B and #794C for Redevelopment of Liberty Square and Lincoln Gardens "Liberty Square Rising"

This addendum becomes a part of the subject Request for Application (RFA).

**Revised and Final Proposal submission date is July 9, 2015.**

### **A. Questions received and responses:**

1. We received a copy of the CAD survey for Liberty Square. However, the download link does not contain the following files which are referenced:
  1. The topo drawing is missing 8 files (6 tif files and 2 dwg files).
  2. The boundary drawing is missing 2 dwg files.Will the County be able to provide these files?

Response: Corrections have been made; CAD and PDF files have been uploaded:  
<https://app.box.com/s/lrr21fabojh0r11zvud7m8t1mqzccoji>

All other information remains the same.

Jorge R. Cibran, AIA  
Director, Facilities and Development Division

## **ADDENDUM NO. 6**

DATE: June 23, 2015

TO: TO DEVELOPER POOL MEMBERS PRE-QUALIFIED UNDER RFQ #794A, #794B AND #794C

SUBJECT: Request for Application (RFA) No. 2015-01 to Developer Pool Pursuant to RFQ #794A, #794B and #794C for Redevelopment of Liberty Square and Lincoln Gardens "Liberty Square Rising"

This addendum becomes a part of the subject Request for Application (RFA).

**Revised and Final Proposal submission date is July 9, 2015.**

### **A. Questions received and responses:**

1. How much operating subsidy does the PHDC receive from HUD?

Response: Refer to Addendum No. 1, question #7, for Liberty Square.

What is the per unit dollar amount of HUD operating subsidy the PHDC allocates to the Liberty Square public housing development?

Response: Utilize the amounts provided in Addendum No. 1, Question #7 and divide by 709 units for the per unit amount of subsidy.

2. How much in Capital Fund Grants does PHDC receive from HUD? What is the per unit dollar that the PHDC allocates or uses annually at the Liberty Square public housing development?

Response: Addendum No. 2, Question #5 states that Capital funds are not available for the project.

3. How much utility allowance does the PHDC receive annually from HUD? How much of that utility allowance does PHDC allocate or use at the Liberty Square public housing development?

Response: The total amount of utility allowance PHDC receives annually from HUD for its public housing portfolio is not applicable to the Liberty Square Rising RFA. For Liberty Square, the amount of utility allowance received from HUD for the 2014 fiscal year was \$654,824.72.

4. What is the PHCD minimum rent requirement for the Liberty Square ACC units?

Response: There is no minimum rent requirement for public housing units. The rent is calculated based on 30% of the resident's income.

5. What is the average tenant portion of the rents from the ACC units at Liberty Square?

Response: The rent roll was provided in Addendum No. 2, Question #11.

6. What is PHCD's proposed methodology in providing subsidy & utility allowances to the project?

Response: PHCD will provide subsidy and utility allowances to the project after HUD releases it to PHCD. This typically occurs on a monthly basis.

7. What is the turnover (approximate monthly turnover) of S8/housing choice vouchers?

Response: Approximately 55-60 per month.

a. Does PHCD have the ability to convert the vouchers to PBS8?

Response: Yes.

8. Will each new phase of the Liberty Square development be allowed to manage and operate a site-based waiting list?

Response: No.

9. The most current Liberty City demographic information on the PHCD site is from 2007. Is there more current data available?

Response: Demographic information was provided in Addendum No. 2, Question #1.

10. Have any environmental assessments of the existing Liberty Square and Lincoln Garden site been completed? If so, please provide.

Response: PHCD does not have any environmental assessments of Liberty Square as indicated in previous Addendum No. 1.

11. Does PHCD intend to apply for RAD?

Response: No decision has been made on this yet.

12. How much money has PHCD, City of Miami and/or Dade County set aside for the following related development activities:

- a. Relocation
- b. Demolition
- c. Environmental remediation
- d. Public Infrastructure

Response: RFA 2015-01, Section #6, 8 (on page 35) lists the funding sources anticipated from the County for "gap" funding on the Liberty Square Rising development, reiterated as on previous addendum. Funding sources from other entities will need to be sought by the proposer.

13. Does PHCD have vacant units in other developments in their portfolio to support temporary relocation?

Response: No.

14. Will S8 vouchers be available for temporary relocation?

Response: Given the construction phasing approach that will be implemented in the development of Liberty Square Rising, the need for temporary relocations should be minimal or nonexistent. Any need for temporary relocations may be addressed through vouchers, only after thorough consultations with the developer, PHCD and the residents.

15. On page 20. C., you request that the proposer list all contracts performed for Miami – Dade County. Are you looking just for construction contracts or all contracts? For example, if a proposer currently has 17 services contracts with Miami-Dade County Homeless Trust that renew on an annual basis, should proposer include all of those contracts and going back how far?

Response: Yes, going back ten years as indicated on previous addendum.

16. Can the proposer set up a separate entity (limited liability company where the proposer is a member of the limited liability company) as master developer for the county to contract with or does the proposer need to be the single entity that contracts with the county?

Response: Yes. Refer to page 25, Section 3.11, A.

17. Will PHCD consider extending the proposal due date?

Given the magnitude of Liberty Square Rising we feel that it is hasty and injudicious to request a response to the RFA with such a short turn-around time. A thirty day (+/-) response time does not afford the opportunity for respondents to solicit and identify meaningful community input and involvement. Although, this undertaking has significant real estate components; the community transformational expectations must be paramount in this endeavor. Awarding a RFQ without affording a developer to understand for themselves what the community needs and wants is tantamount to answering the problem without knowing the question. It is our assertion that a viable and quality response requires at least ninety days to gather the input from the affected Liberty City community and to formulate a viable and responsive development program. There are too many nuances and lives associated with this historic endeavor to approach it in any other manner.

Response: Addendum No. 4 extended the proposal due date to July 9, 2015.

18. What is PHCD's plan for the 30% of the Developer Fee paid to the County?

This requirement is a major deterrent to the long term economic viability of the development. It constrains the opportunity for real community partnership and participation and the ability to provide life changing programs that truly benefit the community. The carving of the fee on the front end reduces the economic incentive for "real" respondents to participate. Concurrently, if one of the objectives of the RFQ, is to have viable economic and practical participation at all levels of the venture, then the 30% requirement diminishes that considerably.

Response: Refer to Addendum No. 4, response to question #4.

19. What is PHCD's plan for de-concentrating the public housing units from the existing site? The utilization/inclusion of other offsite locations beyond Lincoln Gardens should be allowed. This would have the potential to expedite the commencement of development activities without having to wait for the entitlement process associated with Lincoln

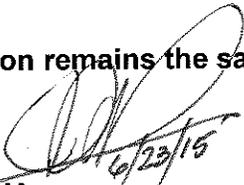

Gardens to be completed before construction begins. This could shorten this entire development process by approximately two years.

Response: The requirements shall remain as stated in the RFA. Please also refer to page 35, Note #2, concerning "alternate approach."

20. Would you please confirm that the first phase must be built in 24 months and subsequent phases must be built within 36 months of completion of the first phase for a total of 60 months?

Response: Yes, refer to page 24, Section 3.10, 8.

**All other information remains the same.**
