Dear Mr. Liu:

We are pleased to inform you that the Miami Dade Public Housing and Community Development's Capital Fund Program (CFP) Grants for Fiscal Year (FY) 2015 have been approved for the following programs:

1. \$10,692,474.00 for the CFP physical-type grant number FL14P00550115
2. \$220,385.00 for Replacement Housing Factor (RHF) grant number FL14R00550115
3. \$695,391.00 for Replacement Housing Factor (RHF) grant number FL14R00550215

In accordance with the timetable transmitted electronically by Headquarters on February 18, 2015, funds awarded are available for obligation and expenditure starting April 13, 2015. Section 9(j) of the Housing Act and 24 CFR 905.120 of the regulations require Housing Authorities to obligate 90 percent of the funds within 2 years and expend 100 percent of the funds within 4 years of the date such funds become available. As a result of this approval, the electronic Line of Credit Control System (eLOCCS) database will show an obligation end date of April 12, 2017, and a disbursement end date of April 12, 2019.

Once again we remind you that Housing Authorities must obligate and expend the funds provided within the above noted timeframes. Only the Secretary or the Deputy Secretary of HUD can approve time extensions of the obligation deadline. The current regulations do not provide an extension of the expenditure deadline, except where an extension of the obligation deadline has been approved. Furthermore, funds budgeted for Account 1406, Operations, are obligated only when the funds have been drawdown by the PHA before the obligation deadline, as indicated in 24 CFR §905.314(I).

Enclosed for your records is the executed Amendment to the Consolidated Annual Contributions Contracts, Form HUD-52840A, for the funded grants. The thirteen-digit modernization number assigned to these grants, as shown in the form, must be used on all future correspondence and related documents submitted to this Office.

*HUD's mission is to increase homeownership, support community
development and increase access to affordable housing free from discrimination.*

- The PHA must carry out all development, capital and management activities in accordance with the United States Housing Act of 1937 (the Act), 24 CFR Part 905 (the Capital Fund Final rule) published at 78 Fed. Reg. 63748 (October 24, 2013), as well as other applicable HUD requirements, except that the limitation in section 9(g)(1) of the Act is increased such that of the amount of CFP assistance provided for under this CFP amendment only, the PHA may use no more than 25 percent for activities that are eligible under section 9(e) of the Act only if the PHA's HUD-approved Five Year Action Plan provides for such use; however, if the PHA owns or operates less than 250 public housing dwelling units, such PHA may continue to use the full flexibility in section 9(g)(2) of the Act.

assistance for development activities for each public housing project and for a period of ten years following the last payment of assistance from the Operating Fund to each public housing project. However, the provisions of Section 7 of the ACC shall remain in effect for so long as HUD determines there is any outstanding indebtedness of the PHA to HUD which arose in connection with any public housing project(s) under the ACC(s) and which is not eligible for forgiveness, and provided further that, no disposition of any project covered by this amendment shall occur unless approved by HUD.

8. The PHA will accept all CFP assistance provided for this FY. If the PHA does not comply with any of its obligations under this CFP Amendment and does not have its Annual PHA Plan approved within the period specified by HUD, HUD shall impose such penalties or take such remedial action as provided by law. For partial conversion, the PHA shall continue to operate each non-converted public housing project as low-income housing in accordance with paragraph 7.

12. CFP assistance provided as an Emergency grant or a Safety and Security grant shall be subject to a 12 month obligation and 24 month expenditure time period. CFP assistance provided as a Natural Disaster grant shall be subject to a 24 month obligation and 48 month expenditure time period. The start date shall be the date on which such funding becomes available to the PHA for obligation. The PHA must record the Declaration(s) of Trust within 60 days of the effective date or HUD will recapture the funds.
