## **NEW “Select Network” Medical Plan Option**

Miami-Dade County is committed to improving the medical plan options of our employees and their families. We would like to share with you the addition of the NEW “Select Network” medical plan option. The Plan will be offered to non-bargaining unit employees and eligible bargaining unit employees in accordance with their respective Collective Bargaining Agreement. This new plan option will be in addition to the AvMed POS and HMO High plans currently offered to our employees today.

**Your Department will be scheduling informational sessions on this topic within the coming weeks.** Please contact your Department Personnel Representative (DPR) for the dates, times, and locations. It is important that you attend one of these workshops. If you cannot attend, please be sure to access the webinar covering the Select Network HMO Plan on the HR\Benefits website:
