How AvMed SmartShopper works

Your doctor recommends a qualifying procedure.

Call SmartShopper and a Health Cost Adviser will provide information on cost-effective locations in your area for the service your doctor has recommended. You will need to have your Member ID for verification. You can also shop online at **AvMed.org/SmartShopper-MDC**

Then, contact your doctor to schedule the service.

Please note: In order to qualify for incentives, you must contact AvMed SmartShopper AT LEAST 24 hours before the procedure.

If you choose to use a cost-effective location, as identified by AvMed SmartShopper, you will receive an incentive check in the mail no later than 60 days after your claim has been paid.
