

New Will Preparation Service

We are pleased to announce that, effective January 1, 2006, Miami-Dade County employees enrolled in MetLife's Optional Life Insurance plan will have access to an important benefit called **Will Preparation**. Will Preparation is a service offered by Hyatt Legal Plans,¹ a MetLife² company. The service will provide eligible employees and their spouses with access to a participating plan attorney for preparing or updating a will. This service covers these legal fees, when using a participating attorney.

Why is Will Preparation important to a Miami-Dade County Employee?

As few as 30% of full-time employees in the U.S. have a will,³ which generally results in their assets being distributed according to state law. Will Preparation is an important life-planning service that helps you secure your family's financial future by giving you access to a tool you can use to make important decisions about the distribution of your assets.

How do I access Will Preparation?

It's simple. Effective January 1, 2006, Miami-Dade County covered employees can call Hyatt Legal Plans' toll-free number, and a Client Service Representative will ask you to provide the Miami-Dade County Group number and your Social Security number. The Client Service Representative will assist you in locating a participating plan attorney in your area, and provide you with a case number to give to the attorney you choose.

Miami-Dade County employees who use the plan attorneys do not need to submit claim forms. You also have the flexibility of using a non-network attorney and being reimbursed for covered services according to a set fee schedule.⁴
