

LET'S HELP MAKE A CHILD'S CHRISTMAS SPECIAL

Children are the greatest gift of life, and as we continue to give them days in which to play, and nights in which to dream, we need your help to give a very special Christmas. Unfortunately, some children will have to spend the holidays in a hospital due to their medical conditions. We would like to ask your help collecting toys for children who are currently at the Miami Children's Hospital Oncology Unit.

Together we can make their dreams for a healthy future come true.
Please make your donation today and help to provide
these children with happiness for the holidays.

If you would like to participate you may purchase a new unwrapped toy from the following list, or **you may give a monetary donation to Jasmine Muchallah, before December 13th.**

All toys and gift items are welcome. You may choose to donate an item from our wish list below. Please be aware that donated items need to be new and unwrapped for easy distribution. The gifts need the most are for teens/adolescents...
