May 4-May 7

**Embracing Innovation
and Sustainability**

New Strategies in Civic
Leadership for the
Hispanic Community

Why Attend IHN 2010?

10 Keep It Weird in Austin

Austin is a diverse and innovative community of musicians, artists, business professionals, creatives, venture capitalists and more.

9 Amazing Educational Sessions

Sessions will cover everything from social strategies and emerging technology to the latest in community development.

8 Connect With Your Peers

Establish long-term industry relationships with a diverse group of people who share your professional interests.

7 Meet The Experts

Attending this event allows you to hear the newest ideas directly from creative thinkers who are pushing the envelope.

6 Discover Business Solutions

Learn how emerging technology is changing business around the globe. Get the tools to tackle community issues on a tight budget.

5 New Programming Options

The 2010 event will feature extended in-depth workshops on a variety of public service topics. These will enable you to be more productive in your city.

4 Contribute To The Community

Network and share your experience and insight with public administrators from other cities.

3 Recharge Your Creativity

The creative minds who are building the tools of tomorrow will inspire you with a renewed creativity.

2 Affordability & Accessibility

In the heart of Texas, Austin offers coast to coast accessibility. Book your hotel room through the Sheraton Hotel Capital Housing Desk when you register by April 14th to save even more

And the number **1** reason to go to the 2010 IHN Conference is...

The people! The colleagues you will meet and connect with in Austin, Texas are passionate about their work, creative and like to have fun!

Keynote Speaker

Rebecca Contreras-Vice President, Knowledge Bank
Rebecca Contreras serves as Executive Vice President-Public Sector Practice for KnowledgeBank, Inc. Rebecca joined KB in April 2005 to play a lead role in establishing KB's Federal Consulting Practice, and currently serves as the general manager of the Practice. KB is an award winning consulting company that provides human capital management and organizational effectiveness solutions.

New Strategies in Civic Leadership for the Hispanic Community

Five panel sessions will highlight elements of Austin's Hispanic Quality of Life Initiative including an overview of Hispanic demographics, health, economic growth, education and opportunities for the future. Come hear business and community leaders provide their ideas and perspectives on the past, present and future of Hispanic communities.

Speakers

Dr. Eduardo Sanchez-VP & Chief Medical Officer of Blue Cross & Blue Shield of Texas
Janie Barrera-President & Chief Executive Officer, ACCION Texas
Marisa Y. Limón-Education Director, Hispanic Scholarship Consortium
Joaquin Castro-Texas House of Representatives

Innovation and Sustainability

Communities expect innovation and sustainable initiatives from their local government agencies. Attendees will discover sustainability initiatives being implemented around the country that will enable them to support a new vision within their organizations.

Speakers

Rob Spillar, P.E.-Transportation Director, City of Austin, TX
Dr. Frank Benest-Public Agencies Consultant
Andres Carvallo-Executive Vice President & Chief Strategy Officer, Grid Net
Patrick Ibarra-Co-founder & Partner, the Mejorando Group
Emily De Maria-VP, Community Development, United Way Capital Area

Career Perspectives

Top-Notch Public Service Professionals will share their experience and perspectives, including tips for success, pit-falls to avoid, and finding and sustaining the balance between work and play.

Speakers

Darnell Earley-City Manager, City of Saginaw & ICMA President
Ruth Osuna-Deputy City Manager, City of Phoenix, AZ
Kerry Overton-Deputy General Manager, Austin Energy
Jane Bais-DiSessa-City Manager, City of Berkley, MI & IHN President
