

For-Hire Chauffeur Applicants Frequently Asked Questions

Do I need to take a class and exam to receive or renew my for-hire chauffeur license?

Yes, depending on the for-hire license. A course and exam is necessary for new and renewing drivers in the Jitney, Passenger Motor Carrier (PMC), Non-emergency, and Special Transportation Service industries (NE/STS). Renewing drivers take a for-hire chauffeur class every two to three years until they have had their for-hire chauffeur license for 20 consecutive years. Private School Bus drivers need to take the class initially to acquire their license. For-hire industries not mentioned do not need to take a class to acquire the for-hire chauffeur license.

Note: The PMC & NE/STS for-hire chauffeurs will need to demonstrate they speak and understand English to attend the class and acquire this license.

Section 31-303 (d) (a) of the Code states: *As directed by the Department, which will ensure that the applicant is able to speak, read and write the English language sufficiently to perform the duties of a chauffeur; and passes the required Department oral and written exam demonstrating his or her knowledge of the English language, Miami-Dade County geography, traffic regulations, defensive driving techniques and chauffeur responsibilities.*

The chauffeur registration (hack) license expires on your birthday, either a year or two from the application date, depending on whether you paid for a one or two-year license.

When should I renew my license?

You can renew your license up to 90 days prior to your birthday. This will keep your license from lapsing in service. It will also ensure on-time class scheduling, and avoid late fees. Drivers renewing their license after it has expired will pay a \$55 late fee and can receive a citation from an enforcement officer for driving with an expired chauffeur's registration license.
