Subject: Report on the Sale of County Real Estate Assets – Directive 151023

At the May 12, 2015 Strategic Planning and Government Operations Committee Meeting, Commissioner Souto asked for a report on the sale of the County's real estate assets, particularly the Stephen P. Clark Government Center. The County has been analyzing its major real property assets, including those assets located in the downtown Government Center area, to identify potential opportunities to generate revenue through a sale, lease or repositioning of the asset. At this time, there are no plans to sell any of the County's major assets, including the Stephen P. Clark Center.

Attached as "Exhibit A" is a list of surplus properties that the County, through its Internal Services Department, has sold since this request was made on May 12, 2015. The list does not include properties that were conveyed to governmental agencies, not-for-profit entities or for the development of affordable housing.

Pursuant to Ordinance No. 14-65, this report will be placed on the first available Strategic Planning and Government Operations Committee agenda. Should you require additional information, please contact Tara C. Smith, Director of the Internal Services Department, at (305) 375-5893, or me directly.
